Item 1.01 Entry into a Material Definitive Agreement.

On January 15, 2016, BioAmber Inc. (the Company) entered into an underwriting agreement (the Underwriting Agreement) with H.C. Wainwright & Co., LLC, as the representative of the several underwriters listed in the Underwriting Agreement (the Underwriters) to issue and sell 2,600,000 shares of common stock, par value \$0.01 per share (the Common Stock) of the Company in a public offering pursuant to a shelf registration statement on Form S-3 (File No. 333-196470) and a related prospectus, including the related prospectus supplement, filed with the Securities and Exchange Commission (the Offering). The Company estimates that the net proceeds from the Offering, after deducting underwriting discounts and estimated offering expenses, will be approximately \$11.8 million.

The Offering is expected to close on January 21, 2016, subject to the satisfaction of customary closing conditions.

The Underwriting Agreement contains customary representations, warranties, and agreements by the Company, and customary conditions to closing, indemnification obligations of the Company and the Underwriters, including for liabilities under the Securities Act of 1933, as amended, other obligations of the parties, and termination provisions.

The Underwriting Agreement is attached hereto as an exhibit to provide investors and security holders with information regarding its terms. It is not intended to provide any other factual information about the Company. The representations, warranties and covenants contained in the Underwriting Agreement were made only for purposes of the Underwriting Agreement and as of specific dates, were solely for the benefit of the parties to the Underwriting Agreement, and may be subject to limitations agreed upon by the contracting parties, including being qualified by confidential disclosures exchanged between the parties in connection with the execution of the Underwriting Agreement.

A copy of the opinion of Goodwin Procter LLP relating to the legality of the issuance and sale of the Common Stock in the Offering is attached as Exhibit 5.1 hereto. A copy of the Underwriting Agreement is filed herewith as Exhibit 1.1 and is incorporated herein by reference. The foregoing description of the Offering and the documentation related thereto does not purport to be complete and is qualified in its entirety by reference to such Exhibits.

The exercise price of the warrants issued in the Company's initial public offering is expected to be reduced from \$9.00 per whole share of common stock to \$5.00 per whole share of common stock, pursuant to the terms of such warrants. With respect to the warrants issued in April 2011, the exercise price of such warrants is expected to be reduced from \$10.11 per share to \$9.65 per share, and such warrants are expected to be exercisable for an aggregate of an additional 4,713 shares of common stock, pursuant to the terms of such warrants.
