Proxy Statement

This proxy statement and the accompanying proxy are for the solicitation of proxies by the Board of Directors, referred to as the Board, of Dorman Products, Inc., a Pennsylvania corporation, referred to as we, our, us, and the Company herein, for use at our Annual Meeting of Shareholders to be held on Friday, May 13, 2016 at 8:30 a.m., Eastern Daylight Time, and any postponements or adjournments of the annual meeting. The annual meeting will be held at our offices at 3400 East Walnut Street, Colmar, Pennsylvania 18915. This proxy statement and the 2015 Annual Report to Shareholders are posted on the Internet at www.proxyvote.com and the Notice of Internet Availability of Proxy Materials will be mailed to our shareholders on or about April 1, 2016. If you previously requested electronic or paper delivery of the proxy materials, you will be sent the proxy statement, the accompanying proxy card and the 2015 Annual Report to Shareholders on or about April 1, 2016.

The Board has fixed the close of business on March 18, 2016 as the record date for the determination of shareholders entitled to receive notice of, and to vote at, the annual meeting and any postponements or adjournments of the annual meeting. As of the close of business on the record date, there were 34,787,777 shares of our common stock, par value \$0.01 per share, outstanding. Shareholders have cumulative voting rights in the election of directors and one vote per share on all other matters to be presented at the annual meeting. Cumulative voting allows a shareholder to multiply the total number of shares that such shareholder is entitled to vote by the number of directors to be elected and to cast an equal number of votes for each of the six nominees, distribute their votes among as many nominees as they choose, or cast all their votes for one nominee.

A proxy is your legal designation of another person, also referred to as the proxy, to vote on your behalf. By properly signing and returning the proxy card or by voting by Internet or telephone, you are giving the persons who our Board designated as proxies the authority to vote your shares in the manner that you indicate on your proxy card or by voting by Internet or telephone.

At the annual meeting, shareholders will consider and vote upon:

- (i) the election of six directors, as described in this proxy statement;
- (ii) the ratification of KPMG LLP as our independent registered public accounting firm for the 2016 fiscal year; and
- (iii) such other business as may properly come before the annual meeting or any postponements or adjournments thereof.

The Board is not aware of any other matters that will come before the annual meeting or any postponements or adjournments thereof. If any other matters properly come before the meeting or any postponements or adjournments thereof, the persons designated as proxies intend to vote in accordance with their best judgment and discretion on such matters.

If you are a registered shareholder (that is, if your shares are registered in your name with our transfer agent), you can vote your shares in any of the following ways:

Electronically via the Internet: Go to www.proxyvote.com and follow the instructions provided on the proxy card and outlined on the secure Web site.

By telephone: Call toll free 1-800-690-6903 and follow the instructions provided on the proxy card and on the recorded message.

In writing: Complete, sign and date your proxy card and return your proxy card by mail (for receipt by the day before the annual meeting) to Vote Processing, c/o Broadridge, 51 Mercedes Way, Edgewood, New York 11717.

In person: If you are a shareholder of record as of the close of business on the record date, you may vote in person at the annual meeting.

If you are voting by proxy, cumulative voting can only be processed by utilizing the proxy card method of voting. Whether or not you plan to attend the annual meeting, we urge you to vote promptly using one of these methods to ensure your vote is counted.

Please note that although there is no charge to you for voting electronically via the Internet or by telephone, there may be costs associated with electronic or telephonic access such as usage charges of Internet service providers and telephone companies. We do not cover these costs; they are solely your responsibility.

If you vote electronically via the Internet or by telephone, you will need your control number (your control number can be found on the Notice of Internet Availability of Proxy Materials and your proxy card). Your vote electronically via the Internet or by telephone must be received by 11:59 p.m., Eastern Daylight Time, on May 12, 2016. If you vote electronically via the Internet or by telephone, you do not need to return your proxy card.

If you are a beneficial owner of shares held in street name (that is, if shares you own are registered in the name of your broker, bank or other nominee), you need to check the materials provided to you by your broker, bank or other nominee to determine how you may vote your shares. As a beneficial owner, you have the right to direct the broker, bank or other nominee holding your shares on how to vote the shares held in your account using the voting instructions received from such organization. The availability of Internet or telephone voting will depend on the voting process of your broker, bank or other nominee. Shares held in street name may be voted in person at the annual meeting only if you obtain a legal proxy from the broker, bank or other nominee giving you the right to vote the shares.

If you are a beneficial owner of shares held in street name and do not provide the broker, bank or other nominee that holds your shares with specific voting instructions, under the rules of various national and regional securities exchanges, the broker, bank or other nominee that holds your shares may generally vote on routine matters but cannot vote on non-routine matters. If the broker, bank or other nominee that holds your shares does not receive instructions from you on how to vote your shares on a non-routine matter, the organization that holds your shares will not be able to vote your shares on such matter, often referred to as a broker non-vote. The election of directors is considered non-routine under applicable regulatory rules. The ratification of the appointment of KPMG LLP as our independent registered public accounting firm for the 2016 fiscal year is considered routine under applicable regulatory rules.

Edgar Filing: Dorman Products, Inc. - Form DEF 14A

If you are a participant in the Dorman Products, Inc. 401(k) Retirement Plan and Trust, referred to as the 401(k) Retirement Plan, and shares of common stock of the Company are credited to your plan account, you have the right to direct Vanguard Fiduciary Trust Company, trustee of the 401(k) Retirement Plan, on how to vote such shares. To provide instruction to the trustee on how to vote your plan shares, simply vote your plan shares in the manner described by the accompanying proxy card, which permits

voting electronically via the Internet, by telephone or in writing. The trustee of the 401(k) Retirement Plan will have the votes of each participant tabulated by Broadridge and will vote the 401(k) Retirement Plan's shares on a basis proportionally consistent with the tabulated votes of such participants by submitting a final proxy card representing the plan shares for inclusion in the tally at the annual meeting. If you do not vote the plan shares credited to your account, the trustee will not have direction as to how to vote such shares and you will be treated as directing the trustee to vote your plan shares in the same proportion as the shares for which the trustee has received timely instruction from others who do vote. To allow sufficient time for the trustee to vote your plan shares, your vote must be received by 11:59 p.m., Eastern Daylight Time, on May 10, 2016.

Proxies may be revoked prior to being voted at the annual meeting. You may revoke a proxy before its exercise by filing written notice of revocation with Broadridge before the annual meeting (notice of revocation must be received by the day before the annual meeting). After voting, you may change your vote one or more times by completing and returning a later dated proxy to Broadridge, by voting again by Internet or telephone as described in this proxy statement, or by voting in person at the annual meeting. Attendance at the annual meeting will not in itself constitute a revocation of your proxy. You may request a new proxy card from Broadridge. The last vote received chronologically will supersede any prior votes. The deadline for registered shareholders to change their vote is 11:59 p.m., Eastern Daylight Time, on May 12, 2016 (mailed proxy cards must be received by the day before the annual meeting). All requests and correspondence with Broadridge should be mailed to Vote Processing, c/o Broadridge, 51 Mercedes Way, Edgewood, New York 11717. If you are a beneficial owner of shares of common stock held in street name, please review the voting instructions provided by the broker, bank or other nominee holding your shares or contact such organization regarding how to change your vote. If you are a participant in the 401(k) Retirement Plan and shares of common stock of the Company are credited to your plan account, you may revoke a proxy before its exercise by filing written notice of revocation with Broadridge and you may change your vote one or more times by completing and returning a later dated proxy to Broadridge or by voting again by Internet or telephone as described in the accompanying proxy card. The deadline for participants in the 401(k) Retirement Plan to revoke or change their vote is 11:59 p.m., Eastern Daylight Time, on May 10, 2016 (notices of revocation and mailed proxy cards must be received by May 10, 2016).

If you are a registered shareholder and you return an executed proxy but do not specify how to vote, your shares will be voted: (i) FOR the election of the six nominees for director named in Proposal I Election of Directors of this proxy statement; and (ii) FOR the ratification of the appointment of KPMG LLP as our independent registered public accounting firm for the 2016 fiscal year. If you return an executed proxy card with no further instructions on the election of directors, the persons named in the accompanying proxy card have discretionary authority to cumulate votes and to allocate such votes among some or all of the nominees recommended by the Board, although they have no present intention of doing so. The proxy also confers discretionary authority to vote with respect to any and all of the following matters that may come before the annual meeting: (i) matters to be presented at the annual meeting of which we did not have notice on or prior to February 15, 2016; (ii) approval of the minutes of the prior meeting of shareholders if such approval does not amount to ratification of the action taken at such meeting; (iii) the election of any person to any office for which a bona fide nominee named in this proxy statement is unable to serve or for good cause will not serve; (iv) any proposal omitted from this proxy statement and form of proxy pursuant to Rules 14a-8 or 14a-9 under the Securities Exchange Act of 1934, as amended, referred to as the Exchange Act; and (v) matters incident to the conduct of the annual meeting.

If any other matters properly come before the annual meeting, the persons named in the accompanying proxy card will vote in accordance with their best judgment and discretion.

A quorum of shareholders is necessary to hold a valid annual meeting. Presence at the annual meeting in person or by proxy of the holders of a majority of our issued and outstanding common stock at the close of business on the record date is necessary to constitute a quorum. If the annual meeting is adjourned because of the absence of a quorum, those shareholders entitled to vote who attend the adjourned annual meeting, although constituting less than a quorum as

provided herein, shall nevertheless constitute a quorum for the purpose of electing directors. If the annual meeting is adjourned for one or more periods aggregating at least fifteen (15) days because of the absence of a quorum, those shareholders entitled to vote who attend the reconvened annual meeting, if less than a quorum as determined under applicable law, shall nevertheless constitute a quorum for the purpose of acting upon any matter set forth in the Notice of Annual Meeting of Shareholders.

The six director candidates who receive the most FOR votes will be elected to serve on the Board. Shareholders have cumulative voting rights in the election of directors. When voting for directors, shareholders may multiply the total number of shares that they are entitled to vote by the number of directors to be elected and may then cast an equal number of votes for each of the six nominees, distribute their votes among as many nominees as they choose, or cast all of their votes for one nominee. The ratification of the appointment of KPMG LLP as our independent registered public accounting firm for the 2016 fiscal year, and the approval of any other business as may properly come before the annual meeting, or any postponements or adjournments thereof, will require the affirmative vote of the majority of the votes cast. Only votes FOR or AGAINST such proposals will be counted. Under Pennsylvania law, an abstention, withholding authority to vote or a broker non-vote is not considered a vote cast and therefore will have no effect on whether any of the proposals has received the required shareholder vote. All shares present in person or represented by proxy (including abstentions and broker non-votes) are counted for quorum purposes.

Governance of the Company

The Board of Directors and Director Independence. The Board currently consists of six members. The Board has four standing committees: (i) the Executive Committee; (ii) the Audit Committee; (iii) the Compensation Committee; and (iv) the Corporate Governance and Nominating Committee. The Lead Director serves on the Audit Committee, the Compensation Committee and the Executive Committee and as Chairman of the Corporate Governance and Nominating Committee.

The Board has determined that the following current directors, constituting a majority of the members of the Board, are independent as defined in the applicable listing standards of The NASDAQ Stock Market, LLC, referred to as NASDAQ : Paul R. Lederer, Edgar W. Levin, Richard T. Riley and G. Michael Stakias. Robert M. Lynch, a director of the Company from March 8, 2013 to May 15, 2015, was also determined by the Board to be independent as defined in the applicable listing standards of NASDAQ. Mr. Lynch served as an independent member (as defined under applicable Securities and Exchange Commission, referred to as the SEC, rules and the listing standards of NASDAQ) of the Audit Committee, the Compensation Committee and the Corporate Governance and Nominating Committee until May 15, 2015.

Under applicable SEC and NASDAQ rules, the existence of certain related person transactions in excess of certain thresholds between a director and the Company are required to be disclosed and may preclude a finding by the Board that the director is independent. A director is not considered independent unless the Board affirmatively determines that the director has no material relationship with us that, in the opinion of the Board, would interfere with the exercise of independent judgment in carrying out the responsibilities of a director. During the Board's review of director independence, no transactions or relationships between the Company and independent directors or any member of their immediate family (or any entity of which an independent director or an immediate family member is an executive officer, general partner or significant equity holder) were identified which would render the directors named above not independent.

Board Leadership and Risk Management. In connection with the appointments of Mathias J. Barton as Chief Executive Officer and Steven L. Berman as Executive Chairman, each effective as of September 24, 2015, the Board separated the roles of Chief Executive Officer and Chairman. Mr. Berman served in the role of Chief Executive Officer and Chairman of the Board from January 2011 until his appointment as Executive Chairman. Mr. Barton will continue to serve as the Company's President. As our Chief Executive Officer, Mr. Barton is responsible for our day-to-day operations and for executing our long-term strategies. As Executive Chairman of the Board, Mr. Berman devotes most of his time to strategic planning and identifying business growth opportunities. In addition, because Mr. Berman is not independent within the meaning of the NASDAQ listing standards, the Board has selected Paul R. Lederer, a director who is independent, to serve as our Lead Director (as described below).

Although the Board does not have a policy that requires the separation of the roles of Chief Executive Officer and Chairman of the Board, we made a determination to currently separate such positions. The Board believes that an appropriate leadership structure depends on the opportunities and challenges facing a company at a given time. The Board believes that the current leadership structure is appropriate for us at this time as it enables us and the Board to continue to benefit from Mr. Berman's vast experience, skills, expertise, and knowledge of the Company's business and industry.

We have a relatively small board of directors, a majority of which is independent under the listing standards of NASDAQ. Each independent director has direct access to our Executive Chairman, our Chief Executive Officer and our Lead Director, as well as other members of the senior management team. The independent directors meet in executive session without management present at least quarterly.

The Board takes an active role, as a whole and at the committee level, in overseeing the management of the Company's risks. The Board regularly reviews information regarding the Company's operations, financial condition, and liquidity, as well as the risks associated with each. The Company's Audit Committee supervises the management of financial risks and potential conflicts of interests. The Company's Compensation Committee is responsible for overseeing the management of risks associated with the Company's executive compensation plans and arrangements. The Corporate Governance and Nominating Committee manages risks associated with the independence of the Board and the duties and responsibilities of its members. While each committee is responsible for evaluating certain risks and overseeing the management of such risks, the entire Board is regularly informed through attendance at committee meetings or committee reports about such risks. Additionally, we have a Risk and Compliance Committee made up of members of senior management that evaluates the risks posed to the Company and the Company's responses to those risks. The Risk and Compliance Committee performs detailed reviews of the Company's risks and monitors the Company's compliance with applicable laws, regulations and frameworks, and reports its actions to the Board.

Lead Director. As a matter of good corporate governance, the Board has adopted a practice of appointing a Lead Director. The Lead Director is charged with (i) presiding at all meetings of the Board at which the Executive Chairman is not present, including executive sessions of the independent directors; (ii) serving as a liaison between management and the independent directors; (iii) assisting the Executive Chairman in setting the Board's schedules, agendas, and information flow; (iv) participating (in conjunction with the Compensation Committee) in the periodic evaluation and performance review of the Chief Executive Officer and other principal officers; (v) upon request and when appropriate, being available for consultation and communication with shareholders; (vi) communicating Board member feedback to the Chief Executive Officer and Executive Chairman; (vii) recommending to the Board the retention of advisors and consultants who report directly to the Board; (viii) overseeing the periodic evaluation of the Board and each committee thereof and their respective members; and (ix) performing such other duties as may be delegated by the Board from time to time. Based on his experience, qualifications, and skills more fully described below, the Board appointed Paul R. Lederer to serve as Lead Director.

Committees of the Board of Directors

Executive Committee. From time to time, the Board may delegate to the Executive Committee the authority to supervise and direct certain matters involving the finances and business of the Company between meetings of the Board. Currently, Steven L. Berman and Paul R. Lederer serve on the Executive Committee.

Audit Committee. The Audit Committee, established in accordance with Section 3(a)(58)(A) of the Exchange Act, participates in the oversight of (i) the integrity of the Company's financial statements, (ii) the Company's compliance with legal and regulatory requirements, (iii) the independent auditor's qualifications and independence, (iv) the performance of the Company's independent auditors, and (v) the quality and adequacy of internal controls over financial reporting. The Audit Committee selects our independent registered public accounting firm, reviews such firm's procedures for ensuring their independence with respect to the services performed for us, approves all fees to be paid to the independent registered public accounting firm and pre-approves the professional services provided by the independent registered public accounting firm. The responsibilities of the Audit Committee are further described in the Audit Committee Charter, which was adopted by the Board and a copy of which is available on the Company's website at www.dormanproducts.com and accessible via the Corporate Governance page.

As of the date of this proxy statement, Richard T. Riley (Chairman), Paul R. Lederer, Edgar W. Levin and G. Michael Stakias serve on the Audit Committee. Each member of the Audit Committee, in the opinion of the Board, is

independent as defined under the applicable SEC rules and the listing standards of NASDAQ. The Board has determined that Mr. Riley qualifies as an audit committee financial expert as defined by the rules of the SEC.

Compensation Committee. The Compensation Committee is responsible for annually reviewing and approving the compensation of our Chief Executive Officer and all of our other executive officers. The Chief Executive Officer is not present during the discussion and approval of his compensation. The Compensation Committee also periodically reviews the compensation paid to our non-employee directors for annual retainers and meeting fees and makes recommendations to the Board for any adjustments. The Compensation Committee also administers the Company's incentive compensation plans and equity-based plans, including the Dorman Products, Inc. 2008 Stock Option and Stock Incentive Plan, referred to as the 2008 Stock Option and Stock Incentive Plan. The responsibilities of the Compensation Committee are further described in the Compensation Committee Charter, which was adopted by the Board and a copy of which is available on the Company's website at www.dormanproducts.com and accessible via the Corporate Governance page.

As of the date of this proxy statement, Edgar W. Levin (Chairman), Paul R. Lederer, Richard T. Riley and G. Michael Stakias serve on the Compensation Committee. Each member of the Compensation Committee, in the opinion of the Board, is independent as defined under the applicable SEC rules and the listing standards of NASDAQ.

Corporate Governance and Nominating Committee. The Corporate Governance and Nominating Committee is responsible for evaluating and approving our plans, policies, programs, and principles with respect to corporate governance, especially as they relate to directors' duties and responsibilities. The Corporate Governance and Nominating Committee evaluates and reports to the Board on the performance and effectiveness of the Board to facilitate the directors fulfilling their responsibilities in a manner that serves the interest of our shareholders.

The Corporate Governance and Nominating Committee is also responsible for recommending qualified candidates to the Board for election as directors of the Company, and has recommended to the Board the slate of directors that the Board proposes for election by shareholders at the annual meeting. The responsibilities of the Corporate Governance and Nominating Committee are further described in the Corporate Governance and Nominating Committee Charter, which was adopted by the Board and a copy of which is available on the Company's website at www.dormanproducts.com and accessible via the Corporate Governance page.

As of the date of this proxy statement, Paul R. Lederer (Chairman), Edgar W. Levin, Richard T. Riley and G. Michael Stakias serve on the Corporate Governance and Nominating Committee. Each member of the Corporate Governance and Nominating Committee, in the opinion of the Board, is independent as defined under the applicable SEC rules and the listing standards of NASDAQ.

Director Nomination Process

Corporate Governance and Nominating Committee. The Corporate Governance and Nominating Committee is responsible for, among other matters, annually presenting to the Board a list of individuals recommended for nomination for election as directors at the annual meeting. The Corporate Governance and Nominating Committee assists the Board in identifying, interviewing and recruiting candidates as necessary for the Board. The Corporate Governance and Nominating Committee also has the authority as it deems appropriate to retain a professional search firm to identify and evaluate director candidates.

Before recommending a director, the Corporate Governance and Nominating Committee reviews his or her qualifications to determine whether the director candidate meets the qualifications described below. In the case of an incumbent director, the Corporate Governance and Nominating Committee also reviews the director's service to the Company during the past term, including the number of Board and committee meetings attended, the quality of participation and whether the candidate continues to meet the qualifications for director as described below. After completing this evaluation, the Corporate Governance and Nominating Committee makes a formal recommendation to the full Board as to election or re-election of the candidate.

Director Qualifications. In order to be nominated for director, a director candidate must be a natural person at least eighteen (18) years of age. The Corporate Governance and Nominating Committee has not established specific education or years of business experience requirements for potential director nominees, but in general director qualifications include, among other factors, capability, availability to serve, conflicts of interest and moral character. Further, the Corporate Governance and Nominating Committee believes that the Board, as a whole, should include members who collectively bring the following strengths and backgrounds to the Board:

Experience as a Chief Executive Officer, President or principal officer of another company;

Senior-level experience in the automotive aftermarket or automotive parts industry generally or with companies that have similar business models;

Experience with overseas distribution operations; and

Strengths in the functional areas of finance, corporate governance, financial statement analysis, business operations and strategic planning, and mergers and acquisitions.

Additional criteria apply to directors being considered to serve on particular committees of the Board. For example, members of the Audit Committee must meet additional standards of independence and have the ability to read and understand our financial statements.

The Corporate Governance and Nominating Committee uses a variety of methods to identify and evaluate nominees for director. Candidates may come to the attention of the committee through current and former Board members, management, professional search firms (to whom we pay a fee), shareholders or other persons. The Corporate Governance and Nominating Committee evaluates candidates for the Board on the basis of the standards and qualifications set forth above, regardless of the source of the candidate referral. Although the Company does not have a formal policy with regard to consideration of diversity, the Board seeks to achieve a diversity of strengths and backgrounds on the Board, particularly in the areas described above.

Director Candidates Nominated by Shareholders. Under our Amended and Restated By-Laws, a shareholder may nominate a person for election as a director at the next annual meeting of shareholders if the shareholder making the nomination:

is a shareholder of record on the date of providing the nomination notice, on the record date for the determination of the shareholders entitled to vote at the annual meeting of shareholders and at the time of the annual meeting of shareholders;

is entitled to vote at the annual meeting; and

complies with the nomination notice procedures contained in our Amended and Restated By-Laws, which are outlined below.

For a shareholder nomination notice to be timely under our Amended and Restated By-laws, it must be delivered to, or mailed and received by, the Secretary of the Company at our principal executive offices not earlier than the close of business on the one hundred twentieth (120th) calendar day, and not later than the close of business on the ninetieth (90th) calendar day, prior to the first anniversary of the immediately preceding year's annual meeting. If an annual meeting was not held in the prior year or the annual meeting is called for a date that is more than thirty (30) calendar days earlier or more than sixty (60) calendar days later than the anniversary date of the prior year's annual meeting, to be timely, the shareholder nomination notice must be delivered to or received by, the Secretary of our company at our principal executive offices, no earlier than the close of business on the one hundred twentieth (120th) calendar day prior to the date of the scheduled annual meeting and not later than the close of business on the later of the ninetieth (90th) calendar day prior to the date of the scheduled annual meeting or, if the first public disclosure of the date of the scheduled annual meeting is less than one hundred (100) calendar days prior to the date of the scheduled annual meeting, the tenth (10th) calendar day following the day on which public disclosure of the date of the scheduled annual meeting is first made by us. In no event will any adjournment or postponement of an annual meeting or the

public disclosure of any adjournment or postponement of an annual meeting commence a new time period or extend any time period for the giving of a shareholder nomination notice.

The following information must be included in the shareholder nomination notice:

as to each person whom the shareholder proposes to nominate for election or reelection as a director:

the name, age, business address and residence address of such person;

the principal occupation and employment of such person;

as to the shareholder giving the notice:

the number of shares of each class and series of our capital stock which are, directly or indirectly, owned beneficially and/or of record by the shareholder or any Shareholder Associated Person, documentary evidence of such record or beneficial ownership, and the date or dates such shares were acquired and the investment intent at the time such shares were acquired;

any Derivative Instrument (as defined below) directly or indirectly owned beneficially by the shareholder or any Shareholder Associated Person and any other direct or indirect right held by the shareholder or any Shareholder Associated Person to profit from, or share in any profit derived from, any increase or decrease in the value of our shares;

Executive Compensation Philosophy and Objectives

Our executive compensation program is designed to promote the successful implementation of our annual strategic plan as approved by the Board as well as long-term growth and profitability of the Company which is intended to enhance shareholder value. Our overall executive compensation program is designed to achieve the following objectives:

To align the interests of our named executive officers with those of our shareholders by tying a significant portion of compensation to the Company's financial performance;

To link a portion of compensation to the achievement of our annual and long-term financial and other goals;

To compensate the Company's named executive officers in a manner that reflects their experience, responsibilities and contributions to the annual and long-term growth and development of the Company and to retain the services of the executive officers that successfully contribute to our annual and long-term goals;

To encourage experienced, talented executives to join the Company; and

To motivate our executives to continue to provide excellent performance year after year.

We believe that our program focuses management's attention on achieving both annual performance targets and profitable growth over a longer time period as established by the Board.

We believe it is important that our executive compensation program be competitive and attractive when compared to the compensation programs of peers within our industry with which we compete for executive talent. We must be able to attract and retain skillful and knowledgeable management to manage the Company and poise the Company for

future growth while at the same time being mindful of our responsibility to shareholders to control costs. Our compensation philosophy reflects a commitment to compensate executives competitively with other companies in the industry while rewarding specific executives for achieving levels of operational excellence and financial returns that seek to ensure positive short and long-term business performance and continual growth in shareholder value.

We believe that total amounts of compensation should generally reflect an executive's experience, skill, knowledge, responsibility and individual contributions to the overall success of the Company. Amounts should typically increase with increases in an executive's functional role and his or her ability to affect our performance results. As position and responsibility increase within the Company, a greater portion of the executive's total compensation becomes performance-based pay contingent upon the achievement of performance objectives established by the Compensation Committee.

We believe that equity compensation is an excellent way to encourage our executive officers to act in the best interests of our shareholders and to create an environment of shared risk between our named executive officers and our shareholders. From time to time, we have provided our executive officers with long-term incentives in the form of incentive or non-qualified stock options and grants of restricted stock. Historically, we have also provided our named executive officers with equity awards in connection with our new hire process and for promotions. In addition, we recently began providing our named executive officers with performance-based equity awards.

During fiscal 2015, we had an employment agreement with Mr. Berman. We entered into this employment agreement in 2008 in order to provide Mr. Berman with compensation that reflected his overall experience, position and responsibilities, and expected contributions. Since we did not have employment agreements during fiscal 2015 with any of our other named executive officers, we had agreed to severance arrangements with certain of such executives to encourage them to remain in our employ and permit such individuals to remain focused on the Company's strategic business objectives during the course of their employment by providing some relief from concerns related to job security. Subsequent to fiscal 2015, we entered into an employment agreement with Mr. Barton, and amended and restated Mr. Berman's employment agreement, each effective as of December 28, 2015. See [New and Amended Agreements with our Named Executive Officers](#).

Determining Executive Compensation

As outlined in the Compensation Committee Charter, the Compensation Committee is responsible for annually reviewing and approving executive compensation. The Compensation Committee annually reviews and approves the compensation of our executive officers (subject to the terms of any applicable employment agreements). The Compensation Committee works together with management to establish strategic plans and business performance targets and objectives against which management will be measured for each fiscal year. Following completion of this process, the Compensation Committee reviews and approves the corporate goals and objectives used to compensate the Chief Executive Officer and evaluates his performance in light of those goals and objectives. With respect to the other executive officers' compensation, the Chief Executive Officer provides the Compensation Committee with his evaluation of the performance of each of the other executive officers, and recommends increases in salary as well as bonus levels, and the amount of equity awards (if any) for consideration by the Compensation Committee. Beginning in fiscal 2016, the Compensation Committee will determine the compensation of the Executive Chairman using the same process it utilizes for determining the compensation of the Chief Executive Officer as described above.

The Compensation Committee determined fiscal 2015 compensation of our named executive officers without the input of any compensation consultants, other than as set forth below. Compensation decisions for individual named executive officers were the result of the subjective analysis of a number of factors, including the executive officer's performance, long-term potential, responsibilities, experience, skills, tenure with the Company and historical compensation amounts as compared to the compensation of executives at peer companies. In making individual compensation decisions, the Compensation Committee relied on the judgment and experience of its members as well as information that was reasonably available to committee members, including, but not limited to, comparable company data. In addition to these factors, the Compensation Committee also considered internal comparisons of pay within the executive group.

The Compensation Committee approves participation in, and all awards, grants and related actions under, our equity plans for our Chief Executive Officer and our other executive officers. The Compensation Committee also approves profit sharing that is contributed to the 401(k) Retirement Plan, administers the Dorman Products, Inc. Non-Qualified Deferred Compensation Plan, referred to as the [Non-Qualified Deferred Compensation Plan](#), the Dorman Products, Inc. Executive Cash Bonus Plan, referred to as the [Executive Cash Bonus Plan](#), and will certify payments to participants under the Executive Cash Bonus Plan and the 2008 Stock Option and Stock Incentive Plan in accordance with Section 162(m) of the Internal Revenue Code of 1986, as amended, referred to as the [Code](#). In addition, the Compensation Committee also reviews and approves and, where appropriate, recommends to the Board for its

approval, any executive employment agreements or amendments, severance arrangements, change in control arrangements, and any special or supplemental benefits for the Chief Executive Officer and other executive officers, in each case as, when, and if appropriate.

We did not make any pay adjustments in fiscal 2015 in connection with Mr. Barton's appointment to Chief Executive Officer or Mr. Berman's transition to Executive Chairman. Subsequent to fiscal 2015, we entered into an employment agreement with Mr. Barton, and amended and restated Mr. Berman's employment agreement, each effective as of December 28, 2015. See [New and Amended Agreements with our Named Executive Officers](#).

Role of Our Compensation Consultant

The Compensation Committee has the authority under its charter to retain compensation consultants. To assist in carrying out its responsibilities, the Compensation Committee has from time to time retained consultants to provide independent advice on executive compensation and to perform specific tasks as requested by the Compensation Committee. The consultants reported directly to the Compensation Committee. The Compensation Committee reviews and assesses the independence and performance of any consultant then engaged on an annual basis in order to confirm that the consultant is independent and meets all applicable regulatory requirements.

The Compensation Committee engaged Pay Governance LLC, an independent compensation consultant, referred to as Pay Governance, in 2012 to perform a market-based analysis of our executive compensation and to provide advice regarding compensation practices for our executives. Pay Governance did not provide any services to us for fiscal 2015 executive compensation. However, the fiscal 2012 recommendations of Pay Governance that were delivered in December 2012 are reflected in the Company's fiscal 2015 executive compensation program.

In conducting its analysis in fiscal 2012, Pay Governance:

- interviewed key members of the management team to gain an understanding of our business and structure;

- developed an industry peer group of comparable companies, referred to as the Peer Companies (see table below);

- compiled appropriate survey sources;

- gathered and analyzed competitive compensation data from both surveys and the most recent proxy statements for the Peer Companies; and

- identified competitive compensation rates for each position.

Pay Governance does not provide any services to the Company other than advice for the Compensation Committee regarding executive and director compensation. The Compensation Committee has assessed the independence of Pay Governance pursuant to SEC rules and concluded that no conflict of interest exists.

Competitive Market Pay Information

In December 2012, the Compensation Committee, with the assistance of Pay Governance, conducted a comprehensive review of our executive compensation to ensure that we were paying our executive officers competitive levels of compensation that best reflected their individual responsibilities and contributions to our operations and provided incentives to achieve our business objectives. This comprehensive review was intended to assist the Compensation

Committee in setting executive compensation for fiscal 2013 and future years.

In order to assess our executive compensation, in December 2012, the Compensation Committee, with the assistance of Pay Governance, reviewed competitive compensation data from Watson Wyatt's 2011 General Industry Top Management Compensation Survey. The Watson Wyatt Survey contained data from over 636 companies from a wide variety of industries and included a sample of firms comparable to the Company in terms of revenue and industry.

In addition, in December 2012, the Compensation Committee, with the assistance of Pay Governance, conducted a formal review of the compensation of our executive officers as compared to the compensation of executives at the peer companies in the table below:

Drew Industries, Inc.	Shiloh Industries Inc.
Fuel Systems Solutions, Inc.	Spartan Motors Inc.
Gentex Inc.	Standard Motor Products Inc.
LKQ Corp.	Stoneridge Inc.
LoJack Corp.	Strattec Security Corp.
Motor Car Parts of America, Inc.	Superior Industries International, Inc.

The peer companies were selected at the recommendation of Pay Governance, after determining that the revenues, market capitalization, and/or industry of each company were comparable to that of the Company.

The Compensation Committee believes that the Watson Wyatt Survey and the compensation data related to companies in our peer companies constituted appropriate guidelines for it to compare proposed pay levels for our named executive officers with those of other companies. The purpose of using this data was to assist the Compensation Committee in assessing whether our proposed executive compensation was competitive. The Compensation Committee considered these data only as a guidepost to their evaluation of proposed compensation amounts, and there was no mandate that any actual compensation paid must fall within any set range. Our Compensation Committee and the Board believe that using the market comparative data in this manner was useful in establishing an appropriate and competitive compensation structure.

Say-on-Pay

At the May 2014 annual meeting, we held a shareholder advisory vote on the compensation of our named executive officers, commonly referred to as a say-on-pay vote. Our shareholders approved the compensation of our named executive officers at the May 2014 annual meeting, with an overwhelming majority of shareholder votes cast in favor of our say-on-pay resolution. As we evaluated our compensation practices and talent needs for fiscal 2015, we were mindful of the strong support our shareholders expressed for our pay for performance compensation philosophy. As a result, following our annual review of our executive compensation philosophy, the Compensation Committee decided to retain our general approach to executive compensation. Our executive compensation for fiscal 2015 reflects our favorable financial and operational performance and advances our goals of recruitment and retention, and promotes both short-term and long-term performance of our executive officers.

The Components of the Executive Compensation Program

Elements of compensation for our executives include the following components:

base salary;

an annual performance-based cash award and long-term performance-based award under our Executive Cash Bonus Plan;

discretionary cash bonuses;

periodic equity incentive awards in the form of stock options, restricted stock awards and performance-based restricted stock awards under our 2008 Stock Option and Stock Incentive Plan; and

other compensation, including participation in our 401(k) Retirement Plan, our Non-Qualified Deferred Compensation Plan, perquisites and other personal benefits, and post-employment compensation.

In setting compensation levels, we consider, among other things, the financial performance of the Company; the executive's individual job performance; the responsibilities, experience and long-term potential of the executive; historical compensation amounts; competitive pay practices generally; relative compensation levels among our senior management team; and general economic conditions.

Base Salary. Base salary reflects amounts paid during the year to our executive officers as direct compensation for their services to the Company as well as to reward our executive officers for their individual performance and to encourage them to higher levels of performance. We also use our base salary to attract and retain top quality executives and other managers from other companies. Base salaries and increases to base salaries recognize the overall experience, position, responsibility and expected contributions of each executive.

The Compensation Committee establishes and approves annual base salaries for all of the executive officers of the Company, other than those set by agreement, taking into consideration, among other things, the recommendations of the Chief Executive Officer. The base salary of Mr. Berman is set pursuant to his employment agreement and can be increased, but not decreased, over the term of the agreement in the discretion of the Compensation Committee. Base salaries of the other named executive officers, as well as annual salary adjustments for Mr. Berman, are set annually at levels that we determine adequately reward and retain capable executives, including without targeting any specific quartile of any compensation survey data for total compensation or any component of total compensation. In establishing base salary of our executive officers, as well as annual adjustments for Mr. Berman, we consider individual performance, the importance of, and skills required in, the executive officer's position, and total amount of experience. Subsequent to fiscal 2015, we entered into an employment agreement with Mr. Barton, and amended and restated Mr. Berman's employment agreement, each effective as of December 28, 2015. Accordingly, beginning in fiscal 2016, the base salaries of each of Mr. Barton and Mr. Berman will be set by the terms of such agreements.

In December 2014, the Compensation Committee modestly increased the base salaries of our named executive officers for 2015 by 3.0%. For fiscal 2015 (effective December 28, 2014) our Compensation Committee authorized the following base salaries for our named executive officers:

Name	Base Salary(\$)
Steven L. Berman	632,816 ⁽¹⁾
Mathias J. Barton	424,360 ⁽¹⁾
Jeffrey L. Darby	327,540
Michael B. Kealey	327,540
Matthew Kohnke	233,398

(1) We did not make any annual base salary adjustments in fiscal 2015 in connection with Mr. Barton's appointment to Chief Executive Officer or Mr. Berman's transition to Executive Chairman. Subsequent to fiscal 2015, we entered into an employment agreement with Mr. Barton and amended and restated Mr. Berman's employment agreement to, among other things, adjust their annual base salaries. See [New and Amended Agreements with our Named Executive Officers](#).

Performance-Based Bonuses. We use performance-based bonuses to reward eligible employees at the manager level and above, including our named executive officers, for our financial performance. The performance-based bonus program provides for bonuses which are differentiated between executive levels within the executive group, and reward our executives for the successful achievement of our annual and long-term financial performance objectives. The Compensation Committee believes that awards under the Executive Cash Bonus Plan assist the Company in motivating and retaining executive talent whose abilities and leadership skills are critical to the Company's long-term success.

In December 2009, our Board unanimously approved the Executive Cash Bonus Plan, which provides for incentive payments to executives who may be impacted by Section 162(m) of the Code. Our Executive Cash Bonus Plan, including the business criteria upon which performance measures are based, was approved by our shareholders on May 20, 2010. In addition, on May 16, 2014, our shareholders approved updated material terms of the performance goals under the Executive Cash Bonus Plan.

Our Executive Cash Bonus Plan is designed to provide a direct link between performance and compensation for our top executives. Additionally, the plan is intended to qualify certain components of compensation paid to these executives for tax deductibility under Section 162(m) of the Code. The Executive Cash Bonus Plan replaced our then-existing executive bonus plan for executives beginning with fiscal 2010 and automatically renews upon the beginning of each fiscal year unless terminated by the Compensation Committee. For fiscal 2015, under the terms of his employment agreement, Mr. Berman was automatically eligible to participate in the Executive Cash Bonus Plan. For fiscal 2015, each of Messrs. Berman, Barton, Darby, Kealey and Kohnke participated in our Executive Cash Bonus Plan. The maximum aggregate bonus amount that may be paid in any single year to any participant under the Executive Cash Bonus Plan is \$2,000,000.

Section 162(m) generally disallows a federal income tax deduction to any publicly held corporation for non-performance-based compensation paid in excess of \$1,000,000 in any taxable year to the Chief Executive Officer or certain other highly compensated executive officers. The Compensation Committee intends to structure awards under the Executive Cash Bonus Plan so that compensation under the plan can qualify as performance-based compensation eligible for continued deductibility.

The awards for fiscal 2015 under the Executive Cash Bonus Plan had two components: (i) an annual performance-based cash award based on our fiscal 2015 growth in adjusted pre-tax pre-bonus income, referred to as the annual cash bonus; and (ii) a long-term performance-based award based on our compounded three-year growth in adjusted pre-tax pre-bonus income, referred to as the long-term bonus. For purposes of this bonus plan, adjusted pre-tax pre-bonus income means the Company's consolidated pre-tax income before executive bonus expense and before unusual items. Unusual items include (a) non-recurring items generally excluded from earnings per share and EBITDA and by institutional investors or analysts when evaluating the Company's performance, such as one-time gains from asset sales, dispute or litigation charges or recoveries, impairment charges, acts of God and restructuring charges, but including normal provisions for slow moving and obsolete inventory and accounts receivable, (b) any acquisitions, divestitures, discontinuance of business operations, or restructuring, (c) the cumulative effect of any accounting changes, and (d) any extraordinary items as determined under generally accepted accounting principles. As it relates to adjustments for unusual items, (i) fiscal 2015 pre-tax pre-bonus income was adjusted by \$2.250 million related to uncollectible accounts receivable due to the bankruptcy filing of one customer, (ii) fiscal 2014 pre-tax pre-bonus income was adjusted for a \$1.0 million reduction in earn-out payable in connection with our May 2013 acquisition of Re-Involt Technologies, Inc., and (iii) fiscal 2012 pre-tax pre-bonus income was adjusted for \$0.8 million of reductions of previously recognized inventory reserves which were included in the Company's costs of goods sold and resulted from our decision to exit the international portion of our Scan Tech business. The Compensation Committee believes that basing performance on adjusted pre-tax pre-bonus income focuses management's attention on revenue growth, profitability and increasing market share which are key drivers in building shareholder value.

Edgar Filing: Dorman Products, Inc. - Form DEF 14A

For fiscal 2015, with respect to the annual cash bonus, the amount of bonus paid to each named executive officer was computed by multiplying the named executive officer's annual base salary for fiscal 2015 by the Annual Bonus Percentage. For purposes of the annual cash bonus, the Annual Bonus Percentage was equal to the annual cash bonus factor for each executive level set forth in the table below multiplied by the percentage growth in adjusted pre-tax pre-bonus income for fiscal 2015 compared to fiscal 2014.

Executive Level	Applicable Factors

(1) There were no adjustments made to the formulas applicable to annual cash bonuses payable to Messrs. Barton and Berman in connection with Mr. Barton's appointment to Chief Executive Officer and Mr. Berman's transition to Executive Chairman in September 2015. Accordingly, the applicable cash bonus factor for annual cash bonus awards for fiscal 2015 under the Executive Cash Bonus Plan for Mr. Barton was 4 and for Mr. Berman was 5. For fiscal 2015, with respect to the long-term bonus, the amount of bonus paid to each named executive officer was computed by multiplying the named executive officer's annual base salary for fiscal 2015 by the Three Year Bonus Percentage. For purposes of the long-term bonus, the Three Year Bonus Percentage was equal to the applicable long-term bonus factor for each executive level set forth in the table below multiplied by the compounded three-year growth in adjusted pre-tax pre-bonus income. The compounded three-year growth in adjusted pre-tax pre-bonus income was computed by comparing the adjusted pre-tax pre-bonus income for fiscal 2015 to the adjusted pre-tax pre-bonus income for fiscal 2012.

(1) There were no adjustments made to the formulas applicable to the long-term bonuses payable to Messrs. Barton and Berman in connection with Mr. Barton's appointment to Chief Executive Officer and Mr. Berman's transition to Executive Chairman in September 2015. Accordingly, the applicable long-term bonus factor for long-term bonus awards for fiscal 2015 under the Executive Cash Bonus Plan for Mr. Barton was 4 and for Mr. Berman was 5.

The long-term bonus was payable in cash or equity (pursuant to the 2008 Stock Option and Stock Incentive Plan) at the discretion of the Compensation Committee. For fiscal 2015, the Compensation Committee decided to pay the long-term bonus in cash.

The Compensation Committee has the right to reduce (but not increase) awards issued under the Executive Cash Bonus Plan in its discretion, even if the performance measures have been attained. For fiscal 2015, the Compensation Committee awarded annual cash bonuses of \$180,322, \$96,738, \$37,333, \$37,333 and \$26,603 to each of Messrs. Berman, Barton, Darby, Kealey, and Kohnke, respectively. For fiscal 2015, the Compensation Committee awarded long-term bonuses of \$382,131, \$205,002, \$79,115, \$79,115 and \$56,376 to each of Messrs. Berman, Barton, Darby, Kealey and Kohnke, respectively. Such annual cash bonuses and long-term bonuses for fiscal 2015 were paid in cash in the first quarter of fiscal 2016. The bonus awards resulted from our positive growth in fiscal 2015 adjusted pre-tax pre-bonus income of 5.7% and a three-year compounded growth in adjusted pre-tax pre-bonus income of 12.1%. Mr. Kohnke resigned from the Company effective February 26, 2016, prior to the date that the annual cash bonuses and long-term bonuses were paid to our executive officers. Pursuant to his transition agreement, Mr. Kohnke received a payment of an amount equal to the annual cash bonus and long-term bonus that would have been payable to Mr. Kohnke under the Executive Cash Bonus Plan with respect to fiscal 2015 had he not resigned. Such payment to Mr. Kohnke was paid at the same time and in the same form as the bonuses were paid to other executives under our Executive Cash Bonus Plan. See New and Amended Agreements with our Named Executive Officers.

Discretionary Cash Bonuses. In addition to the performance-based bonuses described above, the Compensation Committee has the authority to award discretionary cash bonuses. This type of bonus has been used to reward executive officers for exemplary performance during the year and to attract and recruit qualified candidates. The Compensation Committee considers the following factors in determining the amount of discretionary bonus payable to an executive officer, if any: the Company's overall performance in light of economic conditions experienced during the fiscal year, the executive's contribution to the Company's annual and long-term strategic objectives, including maximizing shareholder value, the quality of the executive's work, and the general success of the Company, as well as the officer's contribution to specific strategic initiatives as may be measured in ways different from the

performance criteria identified above. Discretionary bonus amounts, if any, are paid in the first quarter of the year following the year in which the bonus was earned. For fiscal 2015, the Compensation Committee awarded discretionary cash bonuses of \$32,754 and \$32,754 to each of Messrs. Darby and Kealey, respectively.

Equity Awards. Compensation may be awarded to our executive officers in the form of equity-based awards. Equity awards, which are issued pursuant to our 2008 Stock Option and Stock Incentive Plan, can focus our executive officers on our key long-term financial and strategic objectives and encourage them to take into account our and our shareholders' long-term interests through ownership of our common stock. Awards made under our 2008 Stock Option and Stock Incentive Plan recognize an executive's contribution to our overall corporate performance and provide a financial incentive to them to achieve our long-term goals.

Our 2008 Stock Option and Stock Incentive Plan is designed to provide the Compensation Committee the flexibility to award long-term equity compensation incentives from several types of equity-based awards, including stock appreciation rights, restricted stock and stock options. From time to time, we have provided our executive officers with long-term incentives in the form of incentive or non-qualified stock options and grants of restricted stock, which awards typically vest over a five year period, provided the officer remains employed by the Company. The time-vesting element of these equity awards is structured as an incentive for continued employment and to align the interest of our officers with those of shareholders. In fiscal 2015, we did not issue stock options or time-vested restricted stock awards to any of our named executive officers.

Historically, we have also provided our executive officers with equity awards in connection with new hires and promotions. We customarily make such equity grants on or soon after the initial date of hire or date of promotion. As such equity awards are intended as an incentive for employment, the amount of each equity award may vary from executive to executive depending on the particular circumstances. Typically, the amount of the equity award is based upon, among other things, the experience, expertise and responsibility of each executive officer, the financial performance of the Company and such other factors as deemed appropriate, consistent with our previously described compensation philosophy. In addition, with respect to new hires, an initial grant made on or soon after the date of hire serves to help recruit new executives.

Recently, the Compensation Committee began awarding performance-based equity awards to our executive officers. On May 16, 2014, our shareholders approved updated material terms of the performance goals applicable to equity awards under our 2008 Stock Option and Stock Incentive Plan. The Compensation Committee intends to continue to provide our named executive officers with performance-based equity awards intended to qualify as performance-based compensation eligible for tax deductibility under Section 162(m) of the Code.

In fiscal 2015, the Compensation Committee granted performance-based restricted stock awards to Messrs. Darby, Kealey and Kohnke. The number of shares issuable pursuant to such awards was equivalent to a percentage of such executive's base salary based upon the percentage growth in adjusted pre-tax pre-bonus income for fiscal 2015 compared to fiscal 2014 as set forth in the following table:

Growth in Adjusted Pre-Tax Pre-Bonus Income	Equity Award Percentage of Base Salary
Achieve target of 13% growth in adjusted pre-tax pre-bonus income	10%
Achieve 1 to 2.99 percentage points above target	20%
Achieve 3 to 4.99 percentage points above target	30%
Achieve 5 percentage points above target	40%

Such stock awards would vest if the Company achieved the target fiscal 2015 growth in adjusted pre-tax pre-bonus income. The number of shares issuable would increase based upon the amount by which the actual fiscal 2015 growth in adjusted pre-tax pre-bonus income exceeded the target fiscal 2015 growth in adjusted pre-tax pre-bonus income. The number of shares to be issued under such awards was to be computed by dividing the cash value of the applicable percentage of base salary by the closing price of the Company's common stock on the date that the Compensation Committee met and certified achievement of the applicable fiscal 2015 performance goal.

For purposes of these performance-based restricted stock awards, adjusted pre-tax pre-bonus income means the Company's consolidated pre-tax income before executive bonus expense and before unusual items. Unusual items include (a) non-recurring items generally excluded from earnings per share and EBITDA and by institutional investors or analysts when evaluating the Company's performance, such as one-time gains from asset sales, dispute or litigation charges or recoveries, impairment charges, acts of God and restructuring charges, but including normal provisions for slow moving and obsolete inventory and accounts receivable, (b) any acquisitions, divestitures, discontinuance of business operations, or restructuring, (c) the cumulative effect of any accounting changes, and (d) any extraordinary items as determined under generally accepted accounting principles. As it relates to adjustments for unusual items, (i) fiscal 2015 pre-tax pre-bonus income was adjusted by \$2.250 million related to uncollectible accounts receivable due to the bankruptcy filing of one customer, and (ii) fiscal 2014 pre-tax pre-bonus income was adjusted for a \$1.0 million reduction in earn-out payable in connection with our May 2013 acquisition of Re-Involt Technologies, Inc.

Our fiscal 2015 growth in adjusted pre-tax pre-bonus income was 5.7%. Accordingly, the performance-based restricted stock awards issued to the Messrs. Darby, Kealey and Kohnke in fiscal 2015 did not vest and were forfeited.

401(k) Retirement Plan. All of our employees, including our executive officers, are entitled to participate in the Company's 401(k) Retirement Plan and to receive a portion of the Company's voluntary contribution in either cash or shares of the Company's common stock in accordance with the terms of the 401(k) Retirement Plan. We offer the 401(k) Retirement Plan, including the Company's voluntary contribution, to enhance our ability to attract and retain talented executives and other key employees and to encourage them to systematically save for retirement.

The 401(k) Retirement Plan is administered by a third-party administrator and is available to all employees once they satisfy certain age and service requirements. Individual accounts are maintained for the cash contributions made on behalf of each eligible employee and each eligible employee has a choice of investment options from among a variety of mutual funds and professionally managed accounts as to the contributions to the account. There are two types of contributions to the 401(k) Retirement Plan: (1) voluntary employee contributions which we deduct from each participating employee's compensation (subject to certain limits established by law); and (2) a company discretionary contribution made in cash, common stock or a combination thereof, which is determined by multiplying the percentage approved by the Compensation Committee by the employee's annual compensation.

Benefits are payable at age 65 (normal retirement), total disability, death, or upon early employment termination. There are vesting requirements for our contributions, but not for the officer's voluntary contributions. The vesting schedule provides for 20% vesting each year after one year of service, with 100% vesting at six years or more.

For fiscal 2015, we contributed an amount equal to four percent of each eligible officer's annual compensation (with certain limitations to highly compensated employees). Our contribution was funded entirely in cash.

Non-Qualified Deferred Compensation Plan. On January 25, 2011, our Compensation Committee approved a Non-Qualified Deferred Compensation Plan. All of our executive officers are eligible to participate in the Non-Qualified Deferred Compensation Plan. Our Non-Qualified Deferred Compensation Plan is intended to benefit a select group of our highly compensated contributors who are key to our future success and to help attract and retain management talent going forward. Our Non-Qualified Deferred Compensation Plan is an unfunded arrangement and is intended to be exempt from the participation, vesting, funding and fiduciary requirements of the Employee Retirement

Income Security Act of 1974, as amended (ERISA). The Non-Qualified Deferred Compensation Plan is intended to comply with Section 409A of the Code.

Under our Non-Qualified Deferred Compensation Plan, a participant may contribute, on a tax deferred basis, 25% of his base salary and 90% of his bonus annually. A participant's account is notionally invested in one or more investment funds and the value of the account is determined with respect to such investment allocations. The minimum deferral period is two years for in-service accounts. Each participant is 100% vested in all of his deferred contributions plus any earnings or losses on the investment of such deferrals. Deferred amounts will be distributed, either in lump sum or in equal installments up to five years depending upon the participant's balance, upon the occurrence of the following events: (i) the first day of the seventh month after separation of employment, (ii) as elected after a minimum deferral period, (iii) death, (iv) disability (as defined by Section 409A of the Code), or (v) the occurrence of an unforeseen emergency as defined in the Non-Qualified Deferred Compensation Plan. Although the Non-Qualified Deferred Compensation Plan permits discretionary employer contributions, we have not yet made a contribution to the plan.

In order for our Non-Qualified Deferred Compensation Plan to comply with the applicable requirements of the Code, amounts deferred by our executive officers must remain as employer assets, subject to the claims of the general creditors in the event of bankruptcy or forced liquidation of the Company.

Agreements with Named Executive Officers in effect during fiscal 2015. In April 2008, we entered into an employment agreement with Mr. Berman in order to provide further stability and continuity in the management of the Company. In negotiating the employment agreement with Mr. Berman, the Compensation Committee analyzed the terms of employment arrangements for comparable executives employed by other publicly held companies. The Compensation Committee also considered Mr. Berman's responsibilities and contributions to our strategic business development, as well as our aggregate potential obligations under the agreement, including payments upon termination of employment. See Narrative Disclosure to Summary Compensation and Grants of Plan-Based Awards Tables for a discussion of the employment agreement with Mr. Berman. In addition to the employment agreement with Mr. Berman, during fiscal 2015, we had an agreement in place wherein we agreed to provide Mr. Barton with six months' salary continuation in the event of a termination of employment without cause, as determined by the Compensation Committee. We also agreed to provide Mr. Darby, in the event of Mr. Darby's termination for events outside of Mr. Darby's control, with a severance payment equal to 50% of his then current base salary per month for the twelve consecutive months following his last day of employment.

Post-Employment and Change in Control Benefits in effect during fiscal 2015. Under the employment agreement with Mr. Berman and the severance arrangements with Messrs. Barton and Darby in effect during fiscal 2015, severance payments provided by us included a salary continuation component over a specified term. In addition, the employment agreement with Mr. Berman provided for annual cash payments in the amount of \$150,000 in lieu of annual bonuses for the remainder of the term and continued medical, dental, vision and hospitalization insurance benefits. Severance benefits could also include the accelerated vesting of stock options and restricted stock awards. The severance arrangement with Mr. Barton in effect during fiscal 2015 provided for severance payments upon any termination of employment other than for cause, as determined by the Compensation Committee. The severance arrangement with Mr. Darby in effect during fiscal 2015 (and still in effect) provided for severance payments in the event of termination for events outside of his control.

Generally speaking, we provide severance to our executives to give them financial security in the event they suffer an involuntary termination other than for cause. The payment of the severance benefits is linked to our compensation philosophy of encouraging the retention of our executives that successfully contribute to our annual and long-term goals.

The employment agreement with Mr. Berman in effect during fiscal 2015 provided for severance benefits pursuant to a modified single trigger in the event of a change in control of the Company; that is, Mr. Berman would have been entitled to the severance benefits for any termination within 12 months following a Change in Control, as defined in such employment agreement, other than for death, Disability or Cause, as such terms are defined in the employment agreement. See Potential Payments upon Termination or Change in Control for a summary of the termination

provisions in the employment agreement with Mr. Berman in effect during fiscal 2015.

Perquisites and other Benefits. We annually review the perquisites that our executive officers receive. All members of senior management, including our executive officers, are eligible to participate in the Company's other benefits plans on the same terms as our other employees, which plans include medical, dental and life insurance. Relocation benefits are generally reimbursed pursuant to our relocation benefits policy but may be individually negotiated on an as needed basis.

New and Amended Agreements with our Named Executive Officers

On December 28, 2015, we entered into an employment agreement with Mr. Barton. The agreement has a term of three years expiring December 28, 2018, unless earlier terminated as provided in the employment agreement.

Pursuant to Mr. Barton's employment agreement, annual base salary was set at \$600,000 per year, subject to increase but not decrease from time to time as determined by the Compensation Committee. The employment agreement also provides for eligibility for (i) an annual bonus and other benefits provided under the Executive Cash Bonus Plan or other plans maintained by the Company, and (ii) grants of awards under the 2008 Stock Option and Stock Incentive Plan or other equity-related incentive plans maintained by the Company, in case of both clauses (i) and (ii) in such amounts as determined by the Compensation Committee, in its sole discretion. Further, the employment agreement provides that Mr. Barton will be eligible to participate in other employment benefits plans or arrangements generally available to the Company's executive officers and four weeks paid vacation per year.

Mr. Barton's employment agreement may be terminated by the Company with or without Cause or by Mr. Barton for Good Reason or for no reason, as such terms are defined in the employment agreement. Mr. Barton's employment agreement also provides for non-solicitation and non-competition provisions for the term of the agreement and two years thereafter. The agreement also includes standard confidentiality and trade secret provisions typically included in agreements of this type.

Additionally, Mr. Barton's employment agreement contains provisions that provide for certain payments upon termination which supersede Mr. Barton's post-employment severance described above. Under the terms of Mr. Barton's employment agreement, in the event of termination for death, disability, without Cause, for Good Reason, for Cause or without Good Reason, Mr. Barton would be entitled to receive any earned or unpaid salary through the date of termination, reimbursement of properly incurred business expenses, payment for accrued but unused vacation days and such vested accrued benefits and other payments, if any, due under employee benefit arrangements, plans or programs of the Company in effect as of the date of termination. In addition, in the event of termination as a result of death, disability, without Cause, or for Good Reason, Mr. Barton would also receive, through the remainder of the term of his employment agreement, his then current salary, a payment (on each March 15) in lieu of annual bonuses equal to \$150,000, and medical, dental vision and hospitalization insurance benefits.

Mr. Barton's employment agreement contains a clawback provision which provides that any incentive-based compensation, or any other compensation, paid to the executive which is subject to recovery under any law, government regulation or stock exchange listing requirement, will be subject to such deductions and clawback as may be required to be made pursuant to such law, government regulation or stock exchange listing requirement (or any policy adopted by the Company pursuant to any such law, government regulation or stock exchange listing requirement).

In addition, on December 28, 2015, we entered into an amended and restated employment agreement with Mr. Berman. Mr. Berman's existing employment agreement was amended to, among other things: (i) reflect Mr. Berman's new position as Executive Chairman; (ii) reduce Mr. Berman's annual base salary to \$360,000 per year, subject to increase but not decrease from time to time as determined by the Compensation Committee; (iii) provide for an initial term under the amended and restated employment agreement of approximately three years expiring March 31, 2019, with the term of Mr. Berman's employment being automatically extended for an additional one year period on March 31, 2019 and on each anniversary of March 31, 2019, unless earlier terminated as provided in the amended and restated employment agreement; (iv) provide that in the event of termination as a result of death, disability, without Cause, or for Good Reason, Mr. Berman's severance benefits would be paid for a period of three years following the date of termination; (v) eliminate the provisions which provided Mr. Berman with additional rights to severance in the event of a change in control of the Company; (vi) eliminate Mr. Berman's excise tax gross-up benefits; and (vii) add a clawback provision which provides that any incentive-based compensation, or any other

compensation, paid to the executive which is subject to recovery under any law, government regulation or stock exchange listing requirement, will be subject to such deductions and clawback as may be required to be made pursuant to such law, government regulation or stock exchange listing requirement (or any policy adopted by the Company pursuant to any such law, government regulation or stock exchange listing requirement).

On February 4, 2016, we entered into a Transition, Separation & General Release Agreement with Matthew Kohnke (the Transition Agreement). The Transition Agreement provides that on the condition that Mr. Kohnke maintains a professional attitude, in good faith handles all work assignments given, and assists in the smooth transition of his role from the date of the Transition Agreement through February 26, 2016 (the Separation Date), complies with all of his obligations under the Transition Agreement and a restrictive covenant agreement, and executes (and does not revoke) a waiver and release, we will provide Mr. Kohnke: (i) a special severance payment in an amount equal to eight (8) months of base salary (\$157,490.70), to be paid out per the Company's normal payroll cycle over eight (8) months; (ii) accelerated vesting of 2,000 shares of restricted stock held by Mr. Kohnke that are scheduled to vest on April 28, 2016; and (iii) with payment of the performance-based annual award and the performance-based long term award that would have been payable to Mr. Kohnke under the Company's Executive Cash Bonus Plan with respect to fiscal 2015 in the absence of his separation (the 2015 Bonus), such payment to be paid at the same time and in the same form as bonuses are paid to other executives under the Company's Executive Cash Bonus Plan with respect to fiscal 2015, but in no event later than December 31, 2016.

Changes to Executive Compensation for fiscal 2016

The Compensation Committee made the following changes to the Company's executive officer compensation program for 2016: (i) set threshold, target, and maximum bonus award levels (for both annual cash and long-term equity incentives) for each of our named executive officers; (ii) set award levels for each of our named executive officers for the annual cash bonus as percentages of their base salaries based upon the achievement of threshold, target or maximum growth in adjusted pre-tax pre-bonus income for fiscal 2016 compared to fiscal 2015; (iii) altered the mix of long-term equity incentive awards which, in 2016, will be comprised of one-third time-vested options and two-thirds performance-based restricted stock; (iv) the time-vested options will vest over four years (25% per year); and (v) the performance-based restricted stock will vest, based upon the achievement of threshold, target or maximum compounded three-year growth in adjusted pre-tax pre-bonus income, at the end of the three-year period ending fiscal 2018. Our Compensation Committee made these changes related to the annual cash and long-term equity incentives as it believes they are consistent with our compensation philosophy and pay for performance environment. In addition, in fiscal 2016, the Compensation Committee granted time-vested restricted stock awards to certain of the Company's executive officers. The Compensation Committee did not make any changes to the structure of the long-term performance based award for fiscal 2016 under the Executive Cash Bonus Plan.

In addition, the Company entered into an employment agreement with Mr. Barton and an amended and restated employment agreement with Mr. Berman. See New and Amended Agreements with our Named Executive Officers.

Stock Ownership Guidelines

Consistent with our executive compensation philosophy and the principle of aligning executive and shareholder interests, our Compensation Committee adopted stock ownership guidelines, effective as of January 1, 2015, which require our named executive officers to maintain minimum ownership levels of our common stock. Under these guidelines, our Chief Executive Officer is expected to own shares of our common stock that have a value at least equal to six times his annual base salary and each of our other named executive officers is expected to own shares of our common stock that have a value at least equal to three times his annual base salary.

Shares that are counted for purposes of satisfying ownership requirements include:

Shares owned directly (including through open market purchases, vesting of restricted stock awards or exercise of stock options);

Edgar Filing: Dorman Products, Inc. - Form DEF 14A

Shares held by immediate family members residing in the same household or through trusts for the benefit of the person or his or her immediate family members; and

Shares attributable to an individual's vested account balance in any savings or retirement plan maintained by the Company.

Stock options and unvested restricted stock will not be considered when determining an individual's stock ownership. All of our named executive officers must comply with these ownership requirements within five years following the later of (i) his date of hire or promotion, or (ii) January 1, 2015.

The foregoing stock ownership requirements will be measured annually in January. For purposes of the measurement, the individual's stock ownership shall be valued based on the average closing price of our common stock for the prior calendar year.

(1) On September 24, 2015, the Board appointed Mr. Barton as Chief Executive Officer. Mr. Barton succeeded Mr. Berman who was appointed Executive Chairman on the same date. Mr. Kohnke resigned from the Company effective February 26, 2016.

(2)

Represents the grant date fair value of performance-based restricted stock awards granted to certain named executive officers in fiscal 2015 and fiscal 2014 and a restricted stock award granted to Mr. Kealey in fiscal 2013 computed in accordance with ASC Topic 718. The grant date fair value for the performance-based restricted stock awards was calculated based upon the probable outcome of the performance conditions on the grant date and is consistent with our estimate of aggregate compensation cost to be recognized over the service period determined under ASC Topic 718, excluding the effect of estimated forfeitures. For this purpose, the probable outcome was assumed to be at maximum level attainment. See also Note 11 of the audited financial

statements included in our Annual Report on Form 10-K for the fiscal year ended December 26, 2015. The performance-based restricted stock awards issued to the named executive officers in 2014 and 2015 did not vest and were forfeited. See Compensation Discussion and Analysis The Components of the Executive Compensation Program Equity Awards for a further discussion of the Company's performance-based restricted stock awards issued in fiscal 2015.

- (3) Represents awards paid under our Executive Cash Bonus Plan after the fiscal year with respect to that fiscal year's performance. Mr. Kohnke resigned from the Company effective February 26, 2016, prior to the date that the awards under our Executive Cash Bonus Plan were paid to our executive officers. Pursuant to his Transition Agreement, Mr. Kohnke received a payment of an amount equal to the annual cash bonus and long-term bonus that would have been payable to Mr. Kohnke under the Executive Cash Bonus Plan with respect to fiscal 2015 had he not resigned. Such payment to Mr. Kohnke was paid at the same time and in the same form as the bonuses were paid to other executives under our Executive Cash Bonus Plan.
- (4) The All Other Compensation column for the fiscal year ended December 26, 2015 includes the following compensation items: (i) for Mr. Berman: \$10,600 in employer contributions to the 401(k) Retirement Plan; (ii) for Mr. Barton: interest accrued during fiscal 2015 on dividends credited to unvested stock awards and \$10,600 in employer contributions to the 401(k) Retirement Plan; (iii) for Mr. Darby: interest accrued during fiscal 2015 on dividends credited to unvested stock awards and \$10,600 in employer contributions to the 401(k) Retirement Plan; (iv) for Mr. Kealey: interest accrued during fiscal 2015 on dividends credited to unvested stock awards and \$10,600 in employer contributions to the 401(k) Retirement Plan; and (v) for Mr. Kohnke: interest accrued during fiscal 2015 on dividends credited to unvested stock awards, \$10,600 in employer contributions to the 401(k) Retirement Plan and \$10,000 in executive outplacement and advisory services.

Grants of Plan-Based Awards for Fiscal 2015

The following table sets forth information regarding grants of plan-based awards to our named executive officers during the fiscal year ended December 26, 2015.

Name	Grant Date	Estimated Possible Payouts Under Non-Equity Incentive Plan Awards		Estimated Possible Payouts Under Equity Incentive Plan Awards ⁽³⁾		Grant Date Fair Value of Stock and Option Awards ⁽⁴⁾
		Threshold (\$)	Target (\$) ⁽¹⁾	Maximum (\$) ⁽²⁾	Threshold (\$)	
Steven L. Berman			562,453	2,000,000		
Mathias J. Barton			301,740	2,000,000		
Jeffrey L. Darby	2/25/2015		116,448	2,000,000	32,754	131,016
Michael B. Kealey	2/25/2015		116,448	2,000,000	32,754	131,016
Matthew S. Kohnke	2/25/2015		82,979	2,000,000	23,340	93,359

- (1) For fiscal 2015, Messrs. Berman, Barton, Darby, Kealey and Kohnke participated in the Executive Cash Bonus Plan. The awards under the Executive Cash Bonus Plan for fiscal 2015 had two bonus components: (i) an annual cash bonus based on our fiscal 2015 growth in adjusted pre-tax pre-bonus income; and (ii) a long-term performance-based award based on our compounded three-year growth in adjusted pre-tax pre-bonus income.

With respect to the annual cash bonus, the amount of bonus payable to each named executive officer was to be computed by multiplying the named executive officer's annual base salary for fiscal 2015 by the Annual Bonus Percentage. For purposes of the annual cash bonus, the Annual Bonus Percentage was equal to (i) 5 multiplied by the percentage growth in adjusted pre-tax pre-bonus income for fiscal 2015 compared to fiscal 2014 for Mr. Berman, (ii) 4 multiplied by the percentage growth in adjusted pre-tax pre-bonus income for fiscal 2015 compared

to fiscal 2014 for Mr. Barton, and (iii) 2 multiplied by the percentage growth in adjusted pre-tax pre-bonus income for fiscal 2015 compared to fiscal 2014 for Messrs. Darby, Kealey and Kohnke. With respect to the long-term bonus, the amount of bonus payable to each named executive officer was to be computed by multiplying the named executive officer's annual base salary for fiscal 2015 by the Three Year Bonus Percentage. For purposes of the long-term bonus, the Three Year Bonus Percentage was equal to (i) 5 multiplied by the three-year compounded growth in adjusted pre-tax pre-bonus income for Mr. Berman, (ii) 4 multiplied by the three-year compounded growth in adjusted pre-tax pre-bonus income for Mr. Barton, and (iii) 2 multiplied by the three-year compounded growth in adjusted pre-tax pre-bonus income for Messrs. Darby, Kealey and Kohnke. The long-term bonus was payable in cash or equity at the discretion of the Compensation Committee. If paid in equity, the equity would be issued pursuant to the Company's 2008 Stock Option and Stock Incentive Plan. The Compensation Committee has the right to reduce (but not increase) awards issued under the Executive Cash Bonus Plan in its discretion, even if the performance measures are attained.

The target amounts reflected in the table are calculated based on the actual fiscal 2015 results of growth in fiscal 2015 adjusted pre-tax pre-bonus income of 5.7% and the Company's three-year compounded growth in adjusted pre-tax pre-bonus income of 12.1%. Such fiscal 2015 results were not known at the time the non-equity incentive plan awards were granted.

See Compensation Discussion and Analysis – The Components of the Executive Compensation Program Performance-Based Bonuses for a further discussion of the Company's Executive Cash Bonus Plan and a description of the definition of adjusted pre-tax pre-bonus income. Actual cash amounts paid under the Executive Cash Bonus Plan are shown in the Non-Equity Incentive Plan Compensation column of the Summary Compensation Table.

- (2) The maximum non-equity incentive plan award that may be paid in any single year to any named executive officer under the Executive Cash Bonus Plan is \$2,000,000.
- (3) For fiscal 2015, the Compensation Committee granted to Messrs. Darby, Kealey and Kohnke performance-based restricted stock awards. These awards would vest if the Company achieved the target fiscal 2015 growth in adjusted pre-tax pre-bonus income. The number of shares issuable upon vesting would increase based upon the amount by which the actual fiscal 2015 growth in adjusted pre-tax pre-bonus income exceeded the target fiscal 2015 growth in adjusted pre-tax pre-bonus income. The potential award amounts are denominated in dollars, but payable in shares of stock based on the closing price of the Company's common stock on the date that the Compensation Committee meets and certifies the achievement of the applicable fiscal 2015 performance goals. There were no threshold payments under the performance-based restricted stock awards granted in fiscal 2015. For a further discussion of the performance goals applicable to these awards, see Compensation Discussion and Analysis – The Components of the Executive Compensation Program – Equity Awards.
- (4) Represents the grant date fair value computed in accordance with ASC Topic 718. The grant date fair value for the performance-based restricted stock awards was calculated based upon the probable outcome of the performance conditions on the grant date and is consistent with our estimate of aggregate compensation cost to be recognized over the service period determined under ASC Topic 718, excluding the effect of estimated forfeitures. For this purpose, the probable outcome was assumed to be at maximum level attainment. Narrative Disclosure to Summary Compensation and Grants of Plan-Based Awards Tables

Employment Agreement with Steven L. Berman in effect during fiscal 2015

On April 1, 2008, we entered into an employment agreement with Mr. Berman. The agreement had an initial term of three years expiring March 31, 2011. On each anniversary of the effective date of the agreement, the term of the agreement automatically extended for an additional one year unless further extended or earlier terminated as provided in the agreement. Accordingly, in effect, the term of Mr. Berman's employment agreement was a rolling three year period unless earlier terminated.

Pursuant to the employment agreement, annual base salary was initially set at \$514,370 per year, subject to increase but not decrease from time to time as determined by the Compensation Committee. The employment agreement also provided for eligibility for (i) an annual bonus and other benefits provided under the Executive Cash Bonus Plan or other plans maintained by us, and (ii) grants of awards under the 2008 Stock Option and Stock Incentive Plan or other equity-related incentive plans maintained by us, in case of both clauses (i) and (ii) in such amounts as determined by the Compensation Committee, in its sole discretion. Further, the

employment agreement provided that Mr. Berman would be eligible to participate in other employment benefits plans or arrangements generally available to our executive officers and not less than four weeks paid vacation per year.

The employment agreement could be terminated by us with or without Cause or by Mr. Berman for Good Reason or for no reason, as such terms were defined in the agreement.

The employment agreement also provided for non-solicitation and non-competition provisions for the term of the agreement and two years thereafter. The agreement also included standard confidentiality and trade secret provisions typically included in agreements of this type.

Additionally, the employment agreement contained provisions that provided for certain payments upon termination or a change in control of our company. See Potential Payments upon Termination or Change in Control for a discussion of potential payments to Mr. Berman pursuant to the employment agreement in effect during fiscal 2015 upon a termination of his employment with us.

Subsequent to fiscal 2015, we entered into an amended and restated employment agreement with Mr. Berman. See Compensation Discussion and Analysis New and Amended Agreements with our Named Executive Officers.

2008 Stock Option and Stock Incentive Plan

The purpose of the 2008 Stock Option and Stock Incentive Plan is to assist us in attracting, motivating, retaining and rewarding executives and other employees, officers, directors, consultants and advisors who provide services to us, by enabling such persons to invest in our common stock and thereby acquire a proprietary interest in the Company and an increased personal interest in our continued success and progress. Pursuant to the 2008 Stock Option and Stock Incentive Plan, we may grant up to 2,000,000 shares of common stock (subject to adjustment as provided by the plan) in the form of shares of restricted stock, incentive stock options and non-qualified stock options or combinations thereof.

Up to 1,000,000 shares of common stock may be issued upon the exercise of incentive stock options. The plan imposes individual limitations on the amount of certain equity awards. No outside director may receive equity awards under the plan which in the aggregate equal more than 50% of the total number of shares of common stock authorized for issuance under the plan and no officer, employee or consultant may receive equity awards under the plan which in the aggregate equal more than 90% of the total number of shares of common stock authorized for issuance under the plan. No individual may receive equity awards of more than 50% of the shares reserved for issuance under the plan in any calendar year.

The 2008 Stock Option and Stock Incentive Plan is administered by the Compensation Committee. Subject to the provisions of the plan, the Compensation Committee determines, among other things, which of our officers, directors, employees, consultants and advisors will be granted equity awards under the plan, whether awards granted will be incentive stock options, non-qualified options, or restricted shares, the number of shares subject to an equity award, the time at which an equity award is granted, the rate of vesting for restricted shares, performance goals, if any, applicable to an award, the rate of exercisability for an option award, the duration of an equity award, acceleration of vesting of an equity award upon a change in control of the Company, and, subject to the terms of the plan, the exercise price of an option. The Compensation Committee has the exclusive right to adopt or rescind rules for the administration of the plan, correct defects and omissions in, reconcile inconsistencies in, and construe the plan. The Compensation Committee also has the right to modify, suspend or terminate the plan, subject to certain conditions.

On May 30, 2013, the Compensation Committee amended the 2008 Stock Option and Stock Incentive Plan to permit, in its discretion, the delegation to one or more officers of the Company all or part of the Committee's authority and duties with respect to grants and awards (i) to individuals who are not subject to the reporting and other provisions of

Section 16 of the Exchange Act, and (ii) that are not intended to qualify as performance-based compensation for purposes of Code Section 162(m). The Compensation Committee may revoke or amend the terms of a delegation at any time but such action shall not invalidate any prior actions of the

Committee's delegate or delegates that were consistent with the terms of the 2008 Stock Option and Stock Incentive Plan. Pursuant to the 2008 Stock Option and Stock Incentive Plan, as amended, the Compensation Committee delegated to the Company's Chief Executive Officer the authority to award up to a total of 10,000 shares of restricted stock during fiscal 2015.

The Board reserves the right at any time, and from time to time, to amend or supplement the 2008 Stock Option and Stock Incentive Plan in any way or to suspend or terminate it. If an amendment or supplement of the plan is required by the Code to be approved by our shareholders in order to permit the granting of incentive stock options pursuant to the amended or supplemented plan, such amendment or supplement shall be submitted to our shareholders for approval in such manner as is prescribed by the Code. If the Board voluntarily submits a proposed amendment, supplement, suspension or termination for shareholder approval, such submission shall not require any future amendments, supplements, suspensions or terminations (whether or not relating to the same provision or subject matter) to be similarly submitted for shareholder approval.

On May 16, 2014, our shareholders approved updated material terms of the performance goals which are applicable to equity awards under the 2008 Stock Option and Stock Incentive Plan. The Compensation Committee intends to structure performance-based restricted stock awards under the 2008 Stock Option and Stock Incentive Plan as performance-based compensation eligible for tax deductibility under Section 162(m) of the Code.

- (4) Represents performance-based restricted stock awards granted in fiscal 2015. There were no threshold performance goals for the performance-based restricted stock awards issued in fiscal 2015. Accordingly, these awards are shown at target. The target award amounts are denominated in dollars, but payable in shares of stock based on the closing price of the Company's common stock on the date that the Compensation Committee meets and certifies the achievement of the applicable fiscal 2015 performance goals. Actual results of the performance condition were below target. Accordingly, the performance-based restricted stock awards granted in fiscal 2015 to our named executive officers did not vest and were forfeited. Barton, Darby, Kealey, and Kohnke respectively. These amounts represent executive contributions for prior years.

Narrative Disclosure to Non-Qualified Deferred Compensation Table

Our Non-Qualified Deferred Compensation Plan is intended to benefit a select group of our highly compensated contributors, including our named executive officers, who are key to our future success and to help attract and retain management talent going forward. Our Non-Qualified Deferred Compensation Plan is an unfunded arrangement and is intended to be exempt from the participation, vesting, funding and fiduciary requirements of ERISA and comply with Section 409A of the Code.

Under our Non-Qualified Deferred Compensation Plan, a participant may contribute, on a tax deferred basis, 25% of his base salary and 90% of his bonus annually. A participant's account is notionally invested in one or more investment funds and the value of the account is determined with respect to such investment allocations. The minimum deferral period is two years for in-service accounts. Each participant is 100% vested in all of his or her deferred contributions plus any earnings or losses on the investment of such deferrals. Deferred amounts will be distributed, either in lump sum or in equal installments up to five years depending upon the participant's balance, upon the occurrence of the following events: (i) the first day of the seventh month after separation of employment, (ii) as elected after a minimum deferral period, (iii) death, (iv) disability (as defined by Section 409A of the Code), or (v) the occurrence of an unforeseen emergency as defined in the Non-Qualified Deferred Compensation Plan. Although the Non-Qualified Deferred Compensation Plan permits discretionary employer contributions, we have not yet made a contribution to the plan.

In order for our Non-Qualified Deferred Compensation Plan to comply with the applicable requirements of the Code, amounts deferred by our named executive officers must remain as employer assets, subject to the claims of the general creditors in the event of bankruptcy or forced liquidation of the Company.

Potential Payments upon Termination or Change in Control

In fiscal 2015, upon termination of employment and/or upon a change in control, our named executive officers would have been entitled to receive from us potential payments and benefits under the following agreements and plans:

employment agreements and severance arrangements with our named executive officers;

our 2008 Stock Option and Stock Incentive Plan;

Employment Agreement with Steven L. Berman in effect during fiscal 2015

Employment Agreement Terms

The employment agreement in effect during fiscal 2015 with Mr. Berman specified our obligations to Mr. Berman upon termination of his employment under various circumstances. The employment agreement could have been terminated (i) upon Mr. Berman's death, (ii) by us on 90 days written notice upon the Disability of Mr. Berman, (iii) by us upon written notice to Mr. Berman without Cause or with Cause, provided Mr. Berman was given five business days to appear with counsel before the Compensation Committee to present information regarding his views on a Cause event and overturn the termination decision, (iv) by Mr. Berman upon 60 days written notice without Good Reason, (v) at any time prior to the 120 day after any event providing Good Reason, provided that within 90 days of any such event having occurred Mr. Berman provided written notice and afforded the Company 30 days to cure such event, or (vi) by Mr. Berman for any reason within 12 months following a Change in Control, other than for death, Disability or Cause.

Under the terms of the employment agreement, Disability was defined as Mr. Berman's disability under the Company's long-term disability plan, if any, otherwise, his inability to perform his duties and responsibilities under the agreement, with or without reasonable accommodation, due to any physical or mental illness or incapacity, which condition either (i) had continued for a period of 270 days (including weekends and holidays) in any consecutive 365-day period, or (ii) was projected by the Board, in good faith after consulting with a physician selected by the Company, that the condition was likely to continue for a period of at least nine consecutive months from its commencement.

Under the terms of the employment agreement, Cause was defined as the occurrence of any one of the following as determined by our Board: (i) the willful and continued failure by Mr. Berman to attempt in good faith substantially to perform his obligations under the agreement (other than any such failure resulting from incapacity due to a Disability); provided, however, that the Company shall have provided written notice that such actions were occurring and, where practical, afforded at least 30 days to cure; (ii) the indictment of Mr. Berman for, or his conviction of or plea of guilty or nolo contendere to, a felony or any other crime involving moral turpitude or dishonesty; or (iii) Mr. Berman's willfully engaging in misconduct in the performance of his duties for the Company or other than in the performance of

his duties for the Company (including, but not limited to, theft, fraud, embezzlement, and securities law violations or a violation of the Company's code of conduct or other written policies) that was materially injurious to the Company, or, in the good faith determination of the Compensation Committee, was potentially materially injurious to the Company, monetarily or otherwise.

Under the terms of the employment agreement, "Good Reason" was defined as the occurrence of any of the following events without Mr. Berman's consent: (i) a material diminution of the authorities, duties or responsibilities as set forth in the agreement; (ii) the loss of any titles with the Company as set forth in the agreement; (iii) a reduction by the Company in base salary; (iv) a material change in the primary place of employment; (v) the failure by the Corporate Governance and Nominating Committee to

nominate or re-nominate Mr. Berman as a member of the Board, or if the Board removed Mr. Berman as a member of the Board (other than as a result of or due to death or Disability, because of a legal prohibition under applicable law or regulation, or for Cause); (vi) the assignment to Mr. Berman of duties or responsibilities which were materially inconsistent with any of his duties and responsibilities set forth in the agreement; or (vii) a change in the reporting structure so that Mr. Berman reported to someone other than solely and directly to the Board.

Under the terms of the employment agreement, Change in Control was defined as the occurrence of any of the following events: (i) any person or other entity (other than any of the Company's subsidiaries or any employee benefit plan sponsored by the Company or any of its subsidiaries), including any person as defined in Section 13(d)(3) of the Exchange Act, becomes the beneficial owner, as defined in Rule 13d-3 under the Exchange Act, directly or indirectly, of more than 50% of the total combined voting power of all classes of capital stock of the Company normally entitled to vote for the election of directors of the Company, referred to as the Voting Stock; (ii) the Board and/or the shareholders of the Company approve the sale of all or substantially all of the property or assets of the Company and such sale occurs; (iii) the Board and/or the shareholders of the Company approve a consolidation or merger of the Company with another entity (other than with any of the Company's subsidiaries), the consummation of which would result in the shareholders of the Company immediately before the occurrence of the consolidation or merger owning, in the aggregate, less than 50% of the Voting Stock of the surviving entity, and such consolidation or merger occurs; or (iv) a change in the Board occurs with the result that the members of the Board on the effective date of the agreement, referred to as the Incumbent Directors, no longer constitute a majority of such board of directors, provided that any person becoming a director (other than a director whose initial assumption of office is in connection with an actual or threatened election contest or the settlement thereof, including but not limited to a consent solicitation, relating to the election of directors of the Company) whose election or nomination for election was supported by more than half of the then Incumbent Directors shall be considered an Incumbent Director.

Benefits Under Mr. Berman's Employment Agreement in effect during fiscal 2015

Pursuant to the employment agreement in effect during fiscal 2015, upon the termination of Mr. Berman's employment for Cause or by Mr. Berman without Good Reason, Mr. Berman would have received: (i) any earned but unpaid base salary through the date of termination, paid in accordance with the Company's standard payroll practices; (ii) reimbursement for any unreimbursed expenses properly incurred and paid in accordance with the Company's business expense reimbursement policy; (iii) payment for any accrued but unused vacation time in accordance with Company policy; and (iv) such vested accrued benefits, and other payments, if any, as to which Mr. Berman (and his eligible dependents) may have been entitled under, and in accordance with, the terms and conditions of, the employee benefit arrangements, plans and programs of the Company as of the date of termination, (i) through (iv) collectively referred to as the Amounts and Benefits.

Pursuant to the employment agreement in effect during fiscal 2015, upon the termination of Mr. Berman's employment by death or Disability, for Good Reason or without Cause, or within 12 months following a Change in Control, other than for death, Disability or Cause, Mr. Berman or his estate would have received: (i) the Amounts and Benefits; (ii) base salary payments until the expiration of the term of the agreement in accordance with the usual payroll practices of the Company, referred to as the salary continuation benefits; (iii) in lieu of annual bonuses, annual cash payments in the amount of \$150,000, on each March 15 during the remainder of the term of the agreement, referred to as the payments in lieu of bonus; and (iv) for the remainder of the term of the agreement, the Company would have continued on behalf of Mr. Berman and his dependents and beneficiaries any medical, dental, vision and hospitalization benefits provided to Mr. Berman immediately prior to the date of termination or reimburse Mr. Berman for his medical, dental, vision and hospitalization related expenses, referred to as the health benefits. The Company's obligation with respect to the health benefits were limited to the extent that Mr. Berman obtained any such benefits pursuant to a subsequent employer's benefit plans, in which case the Company could reduce the coverage of any health benefits it was required to provide as long as the aggregate coverages and benefits of the combined benefit plans were no less favorable than the coverages and benefits required to be provided under the agreement.

The employment agreement further provided that in the event that there was an excise tax imposed with respect to any payment, or portion of any payment, described above as a result of or in connection with a change of control, Mr. Berman would have been paid an additional tax gross-up payment to offset the effect of the excise tax.

Notwithstanding any provision to the contrary in the employment agreement, the Company's obligation to pay or to provide the above payments and benefits (other than the Amounts and Benefits) were conditioned on Mr. Berman executing and not revoking a waiver and general release.

The disclosures in the tables that follow are based upon severance that would have been payable to Mr. Berman pursuant to the employment agreement arrangement with Mr. Berman in effect during fiscal 2015. Subsequent to fiscal 2015, we entered into an amended and restated employment agreement with Mr. Berman. Mr. Berman's amended and restated employment agreement contains provisions that provide for certain payments upon termination which supersede Mr. Berman's post-employment severance described above. See Compensation Discussion and Analysis New and Amended Agreements with our Named Executive Officers.

Severance Arrangement with Mr. Barton in effect during fiscal 2015

We had an arrangement in effect during fiscal 2015, pursuant to which we had agreed to provide Mr. Barton, in the event of Mr. Barton's termination without cause as determined by the Compensation Committee, with six months of salary continuation paid in accordance with the Company's standard payroll practices. Under this severance arrangement, cause was defined as (i) the gross neglect or willful failure by Mr. Barton to perform his duties and responsibilities in all material respects; (ii) any act of fraud by Mr. Barton, whether relating to the Company and its subsidiaries or otherwise; (iii) the conviction or entry into a plea of nolo contendere by Mr. Barton with respect to any felony or misdemeanor (other than a traffic offense which does not result in imprisonment); or (iv) the commission by Mr. Barton of any willful or intentional act (including any violation of law) which materially injured the reputation or materially adversely affected the business or business relationships of the Company. For purposes of this definition, no act, or failure to act, on Mr. Barton's part would have been deemed willful unless done, or omitted to be done, by Mr. Barton not in good faith and without reasonable belief that his act, or failure to act, was in the best interest of the Company.

The disclosures in the tables that follow are based upon severance that would have been payable to Mr. Barton pursuant to the severance arrangement with Mr. Barton in effect during fiscal 2015. Subsequent to fiscal 2015, we entered into an employment agreement with Mr. Barton. Mr. Barton's employment agreement contains provisions that provide for certain payments upon termination which supersede Mr. Barton's post-employment severance described above. See Compensation Discussion and Analysis New and Amended Agreements with our Named Executive Officers.

Severance Arrangement with Mr. Darby

We have agreed to provide Mr. Darby, in the event of Mr. Darby's termination for events outside of Mr. Darby's control, with a severance payment equal to 50% of his then current base salary per month for the 12 consecutive months following his last day of employment. Termination for events outside of Mr. Darby's control would include events such as a business down-turn or other circumstances unrelated to Mr. Darby's performance or conduct. Events not outside of Mr. Darby's control would include poor job performance or Mr. Darby's failure to comply with the Company's directives, policies, and procedures. Upon written notice to Mr. Darby, the Company may release Mr. Darby from his non-competition and non-solicitation obligations, at which point the Company's obligation to make the monthly payments described above would end.

2008 Stock Option and Stock Incentive Plan

The table below sets forth the benefits that each named executive officer holding awards granted under our 2008 Stock Option and Stock Incentive Plan would be entitled to receive should his employment terminate under the following specified circumstances or in the event of a change in control of the Company pursuant to the terms of the 2008 Stock Option and Stock Incentive Plan and our standard restricted stock agreement and stock option awards thereunder:

Under our 2000 Incentive Plan and our standard stock option awards thereunder, a change in control includes: the Company being merged into or consolidated with or otherwise combined with or acquired by another person or entity, or a divisive reorganization or a liquidation or partial liquidation of the Company.

Executive Cash Bonus Plan

Under our Executive Cash Bonus Plan, the Compensation Committee, in its sole and absolute discretion and to the extent permitted under and in accordance with Section 162(m) of the Code and Section 409A of the Code, may, but is not required to, make a full or pro-rated bonus payment to a plan participant for a plan year in the event of the participant's death, disability, retirement or termination of employment during the plan year or after the end of the plan

Termination or Change in Control Provisions in Non-Qualified Deferred Compensation Plan

In addition to the amounts set forth in the tables above, our Non-Qualified Deferred Compensation Plan provides that a participant is 100% vested as to amounts deferred by the participant plus any earnings or losses on the investment of such deferrals. Deferred amounts will be distributed, either in lump sum or in equal installments up to five years depending upon the participant's balance, upon the occurrence of (i) the first day of the seventh month after separation of employment, (ii) death, or (iii) disability (as defined by Section 409A of the Code). Risk Assessment in Compensation Policies and Practices for Employees

The Compensation Committee reviewed the elements of our compensation policies and practices for all of our employees, including our named executive officers, in order to evaluate whether risks that may arise from such compensation policies and practices are reasonably likely to have a material adverse effect on our Company. The Compensation Committee concluded that the following features of our compensation programs guard against excessive risk-taking:

compensation programs provide a balanced mix of short-term and longer-term incentives;

base salaries are consistent with employees' duties and responsibilities;

cash incentive awards are capped by the Compensation Committee;

cash incentive awards are tied mostly to corporate performance goals, rather than individual performance goals;

stock ownership guidelines discourage a short-term focus and further align the long-term interests of executives with the Company's shareholders; and

vesting periods for equity awards encourage executives to focus on sustained stock price appreciation.

The Compensation Committee believes that, for all of our employees, including our named executive officers, our compensation programs do not lead to excessive risk-taking and instead encourage behavior that supports sustainable value creation. We believe that risks that may arise from our compensation policies and practices for our employees, including our named executive officers, are not reasonably likely to have a material adverse effect on our Company.

Compensation Committee Interlocks and Insider Participation

The Compensation Committee consisted of Edgar W. Levin (Chairman), Paul R. Lederer, Robert M. Lynch, Richard T. Riley and G. Michael Stakias in the fiscal year ended December 26, 2015. No person who served as a member of the Compensation Committee during the fiscal year ended December 26, 2015 was a current or former officer or employee of the Company or engaged in certain transactions with the Company required to be disclosed by regulations of the SEC. Additionally, there were no compensation committee interlocks during the fiscal year ended December 26, 2015, which generally means that no executive officer of the Company served as a director or member of the compensation committee of another entity, one of whose executive officers served as a director or member of the Compensation Committee of the Company.

Certain Relationships and Related Transactions

On November 15, 2012, we entered into a lease agreement, referred to as the lease, for our primary operating facility in Colmar, Pennsylvania with BREP I, a Pennsylvania limited partnership, which replaces the prior lease agreement between the parties that expired according to its terms on December 28, 2012. The term of the lease began on December 29, 2012 and expires on December 31, 2017, referred to as the base term, unless terminated or renewed in

accordance with its terms. The limited partners of BREP I are Steven L. Berman, our Executive Chairman, Secretary, Treasurer and former Chief Executive Officer, a marital qualified terminable interest property trust for the benefit of Sharyn Berman, Steven L. Berman's sister-in-law (the Marital Trust), of which Steven L. Berman is a co-trustee, Steven L. Berman's father, Jordan S. Berman, and Steven L. Berman's brothers, Marc H. Berman and Fred B. Berman. Steven L. Berman and the Marital Trust each own a 27.9% interest in BREP I. Steven L. Berman and the Marital Trust are controlling shareholders of BREP, Inc., a Pennsylvania corporation, which is the general partner of BREP I. Jordan S. Berman, Marc H. Berman and Fred B. Berman are each directors and officers of BREP, Inc.

The leased facility consists of approximately 342,000 square feet of office, warehouse, and storage space. The lease provides that we will pay BREP I annual rent of \$4.40 per square foot, subject to an annual rent increase based on the Consumer Price Index, All Urban Consumers U.S. City Average, All Items. In fiscal 2015, we paid rent of \$4.66 per square foot, or approximately \$1.6 million, under the lease. The approximate amount of rent expected to be paid during the base term is \$8.0 million. The lease is a triple net non-terminable lease under which we are responsible for all expenses attributable to the facility (including maintenance and repair) and the conduct of our operations in compliance with all applicable laws and regulations.

The lease was reviewed and approved by the Audit Committee. In the opinion of the Audit Committee, the terms and rates of the lease are no less favorable than those which could have been obtained from an unaffiliated party.

We have adopted written policies and procedures regarding related person transactions. Our policy intends to cover any transaction described under Item 404(a) of Regulation S-K. The Audit Committee is responsible for reviewing and approving all related person transactions pursuant to the Audit Committee Charter, which has been adopted by the Board. The Audit Committee reviews and approves all related person transactions without regard to the thresholds established for disclosure under Item 404(a) of Regulation S-K. The Chairman of the Audit Committee can be reached by sending a letter to Chairman of the Audit Committee, Confidential Conduct of Business Affairs at: Dorman Products, Inc., P.O. Box 1800, 3400 East Walnut Street, Colmar, Pennsylvania, 18915.

The securities beneficially owned by a person are determined in accordance with the definition of beneficial ownership set forth in the regulations of the SEC and, accordingly, may include securities owned by or for, among others, the spouse, children or certain other relatives of such person as well as other securities as to which the person has or shares voting or investment power. The same shares may be beneficially owned by more than one person. Shares of common stock currently issuable or issuable within 60 days of the record date upon the exercise of options are deemed to be outstanding in computing the beneficial ownership and percentage of beneficial ownership of the person holding such securities, but are not deemed to be outstanding in computing the percentage of beneficial ownership of any other person. Beneficial ownership may be disclaimed as to certain of the securities. Fractional shares are rounded up to the closest whole number.

The Company has agreed with the Shareholders that, upon the death of each respective Shareholder, to the extent that any of their shares are not purchased by any of the surviving Shareholders and may not be sold without registration under the Securities Act, the Company will use its best efforts to cause those shares to be registered thereunder. The expenses of any such registration will be borne by the estate of the deceased Shareholder. Deanna Berman is Steven L. Berman's mother and the spouse of Steven L. Berman's father, Jordan S. Berman. Marc H. Berman and Fred B. Berman are Steven L. Berman's brothers. The additional Shareholders that are parties to the Shareholders Agreement are trusts affiliated with Steven L. Section 16(a) Beneficial Ownership Reporting Compliance

Section 16(a) of the Exchange Act and the regulations promulgated thereunder require our executive officers, directors and persons who beneficially own more than 10% of our common stock to file initial reports of ownership and reports of changes in ownership of our common stock and other equity securities with the SEC and NASDAQ and to furnish the Company copies. To our knowledge, based solely upon a review of reports furnished to us during fiscal 2015, and upon written representations received by us from certain reporting persons that no Form 5 is required, all of our directors, executive officers and holders of more than 10% of our stock filed on a timely basis all reports that they were required to file under Section 16(a) during fiscal 2015, except that Paul Lederer filed a Form 4 in fiscal 2016 to report one fiscal 2015 transaction not reported on a timely basis.

Report of Audit Committee

The information contained in this Audit Committee report is not soliciting material and has not been filed with the SEC. This report will not be incorporated by reference into any of our future filings under the Securities Act or the Exchange Act, except to the extent that we may specifically incorporate it by reference into a future filing.

The Audit Committee reviews the Company's financial reporting process on behalf of the Board of Directors. Management is responsible for the financial statements and the reporting process, including the internal control over financial reporting. The Company's independent registered public accounting firm, KPMG LLP (KPMG), is responsible for expressing an opinion on the conformity of the audited financial statements with U.S. generally accepted accounting principles and an opinion on the effectiveness of the Company's internal controls over financial reporting. The Audit Committee monitors these processes. The Audit Committee has reviewed and discussed the audited financial statements with management and management's and KPMG's evaluations of the Company's system of internal controls over financial reporting contained in the 2015 Annual Report on Form 10-K.

As required by the standards of the Public Company Accounting Oversight Board (PCAOB), the Committee has discussed with KPMG (i) the matters specified in Auditing Standard No. 16, Communications with Audit

Committees, and (ii) the independence of KPMG from the Company and management. KPMG has provided the Audit Committee the written disclosures and letter required by applicable requirements of the PCAOB regarding the independent accountant communicating with the Audit Committee concerning independence. The Audit Committee also considered the non-audit services provided by KPMG in their review of KPMG's independence.

Based upon the review and discussions referred to above, the Audit Committee recommended to the Board of Directors, and the Board of Directors has approved, the inclusion of the audited financial statements and management's report on internal control over financial reporting in the Company's Annual Report on Form 10-K for the fiscal year ended December 26, 2015 for filing with the SEC.

Proposal II Ratification of KPMG LLP as Independent Registered Public Accounting Firm

Our independent registered public accounting firm for the fiscal year ended December 26, 2015 was the firm of KPMG LLP. The Audit Committee has appointed KPMG LLP as our independent registered public accounting firm for the fiscal year ending December 31, 2016. A representative of KPMG LLP is expected to be present at the annual meeting and to have the opportunity to make a statement, if he desires to do so, and is expected to be available to respond to appropriate questions.

The Audit Committee, with the endorsement of the Board, recommends that you ratify that appointment. Although ratification is not required by our Amended and Restated By-Laws or otherwise, we are submitting the selection of KPMG LLP to you for ratification as a matter of good corporate practice. If the selection is not ratified by a majority of the votes cast on this proposal at the annual meeting, our Audit Committee will consider whether it is appropriate to select another registered public accounting firm. Even if the selection is ratified, our Audit Committee in its discretion may select a different registered public accounting firm at any time during the year if it determines that such a change would be in the best interests of the Company and our shareholders.

The Board recommends you vote FOR the ratification of KPMG LLP as our independent registered public accounting firm for the 2016 fiscal year.

Pre-Approval Policies and Procedures

The Audit Committee Charter provides that one of the Audit Committee's responsibilities is pre-approval of all audit, audit related, tax services and other services performed by the independent registered public accounting firm. Unless the specific service has been previously pre-approved with respect to that year, the Audit Committee must approve the permitted service before the independent registered public accounting firm is engaged to perform it. The Audit Committee pre-approved all of the audit and non-audit services provided by KPMG LLP to us during the fiscal years ended December 26, 2015 and December 27, 2014.

Shareholder Proposals

Proposals by shareholders to be presented at our annual meeting of shareholders to be held in 2017 must be received by us no later than December 2, 2016 in order to be considered for inclusion in our proxy statement and form of proxy for that meeting. Any such proposal must also comply with the proxy rules under the Exchange Act, including Rule 14a-8.

In addition, shareholders are notified that the deadline for providing us timely notice of any shareholder proposal to be submitted outside of the process of Rule 14a-8 of the Exchange Act for consideration at our 2017 annual meeting of shareholders is not earlier than the close of business on January 13, 2017 and not later than the close of business on February 13, 2017. Any such notice must comply with our Amended and Restated By-Laws, a copy of which may be obtained on our website located at www.dormanproducts.com and accessible via the Corporate Governance page. As to all such matters for which we do not have notice on or prior to such date, discretionary authority shall be granted to the persons designated in our proxy statement related to the 2017 annual meeting of shareholders to vote on such proposal.

Annual Report

A copy of our 2015 Annual Report to Shareholders, including our Form 10-K for the fiscal year ended December 26, 2015, is being furnished concurrently with this proxy statement at www.proxyvote.com. If you previously requested electronic or paper delivery, you will be sent the 2015 Annual Report to Shareholders on or about April 1, 2016.

A copy of our Annual Report on Form 10-K for the fiscal year ended December 26, 2015, including the financial statements and financial statement schedules (except for exhibits), can also be obtained without charge by writing to Dorman Products, Inc., 3400 East Walnut Street, Colmar, Pennsylvania 18915, Attn: Thomas J. Knoblauch, Assistant Secretary. We also make available, free of charge, on our website located at www.dormanproducts.com, our Annual Report on Form 10-K, including all amendments thereto.

Solicitation of Proxies

We will pay all expenses incurred in connection with the solicitation of proxies. In addition to solicitation by mail, our officers, directors and regular employees, who will receive no additional compensation for their services, may solicit proxies in person or by telephone, facsimile, email or the Internet. We have requested that brokers and nominees who hold stock in their names furnish this proxy material to their customers; we will reimburse these brokers and nominees for their out-of-pocket and reasonable expenses.

Although it is not anticipated, we reserve the right to retain a professional firm of proxy solicitors to assist in solicitation of proxies. We estimate that we would be required to pay such firm fees ranging from \$7,500 to \$15,000 plus out-of-pocket expenses.

Other Matters

As of the date of this proxy statement, no other matter is known which will be brought before the annual meeting. However, the proxy confers discretionary authority to vote with respect to any and all of the following matters that may come before the meeting: (i) matters to be presented at the annual meeting which we did not have notice on or prior to February 15, 2016; (ii) approval of the minutes of a prior meeting of shareholders, if such approval does not constitute ratification of the action at the meeting; (iii) the election of any person to any office for which a bona fide nominee is unable to serve or for good cause will not serve; (iv) any proposal omitted from this proxy statement and the form of proxy pursuant to Rule 14a-8 or Rule 14a-9 under the Exchange Act; and (v) matters incidental to the conduct of the meeting. If any such matters come before the meeting, the proxy agents named in the accompanying

proxy card will vote in accordance with their best judgment and discretion.

Householding

In accordance with notices previously sent to many shareholders who hold their shares through a bank, broker or other holder of record (street-name shareholders) and share a single address, only one annual report and proxy statement is being delivered to that address unless contrary instructions from any shareholder at that address were received. This practice, known as householding, is intended to reduce our printing and postage costs. However, any such street-name shareholder residing at the same address who wishes to receive a separate copy of this proxy statement or the accompanying annual report to shareholders may request a copy by contacting the bank, broker or other holder of record or by contacting us either by calling (215) 712-5222 or by writing to Dorman Products, Inc., 3400 East Walnut Street, Colmar, Pennsylvania 18915, Attn: Thomas J. Knoblauch, Assistant Secretary.

Street-name shareholders who are currently receiving householded materials may revoke their consent, and street-name shareholders who are not currently receiving householded materials may request householding of our future materials, by contacting Broadridge Financial Services, Inc., either by calling toll free at (866) 540-7095 or by writing to Broadridge, Householding Department, 51 Mercedes Way, Edgewood, New York 11717. If you revoke your consent you will be removed from the householding program within 30 days of Broadridge's receipt of your revocation, and each shareholder at your address will receive individual copies of our future materials.
