2. To ratify the selection by the Audit Committee of the Board of Directors of Deloitte & Touche LLP as the independent registered public accounting firm of SCYNEXIS for the fiscal year ending December 31, 2016.
3. To conduct any other business properly brought before the meeting.

These items of business are more fully described in the proxy statement accompanying this Notice.

Important Notice Regarding the Availability of Proxy Materials for the Annual Meeting of Stockholders to Be Held on June 2, 2016, at 9:30 a.m. at The Westin Jersey City Newport, 479 Washington Street, Jersey City, New Jersey.

The proxy statement and annual report to stockholders are available at <http://www.astproxyportal.com/ast/SCYNEXIS/>

The Board of Directors recommends that you vote FOR Proposals 1 and 2 identified above.

We are mailing to most of our stockholders a Notice of Internet Availability of Proxy Materials (the "Notice") instead of a paper copy of this proxy statement and our 2015 Annual Report. The Notice contains instructions on how to access those documents over the internet. The Notice also contains instructions on how to request a paper copy of our proxy materials, including this proxy statement, our 2015 Annual Report and a form of proxy card or voting instruction card. All stockholders who do not receive a Notice will receive a paper copy of the proxy materials by mail. We believe that this process will allow us to provide our stockholders with the information they need in a timelier manner, while reducing the environmental impact and lowering the costs of printing and distributing our proxy materials.

The record date for the Annual Meeting was April 15, 2016. Only stockholders of record at the close of business on that date may vote at the meeting or any adjournment thereof.

By Order of the Board of Directors

Please note, however, that if your shares are held of record by a broker, bank or other nominee and you wish to vote at the meeting, you must obtain a proxy issued in your name from that record holder.

PROXY STATEMENT FOR THE 2016 ANNUAL MEETING OF STOCKHOLDERS

JUNE 2, 2016

QUESTIONS AND ANSWERS ABOUT THESE PROXY MATERIALS AND VOTING

Why am I receiving these materials?

The Board of Directors of SCYNEXIS, Inc. is soliciting your proxy to vote at the 2016 Annual Meeting of Stockholders (the Annual Meeting), including at any adjournments or postponements of the Annual Meeting. You are invited to attend the Annual Meeting to vote on the proposals described in this proxy statement. However, you do not need to attend the Annual Meeting to vote your shares. Instead, you may simply complete, sign and return a proxy card, or follow the instructions below or in the Notice described below to submit your proxy on the internet.

Why did I receive a Notice in the mail regarding the availability of proxy materials on the internet?

We are pleased to take advantage of rules of the Securities and Exchange Commission (the SEC) that allow companies to furnish their proxy materials over the internet. Accordingly, we are sending to most of our stockholders of record a Notice of Internet Availability of Proxy Materials (the Notice) on or about April 21, 2016. To those that we do not send a Notice, we will send a full set of proxy materials, which include this proxy statement and an annual report to stockholders, on or about the same date. All stockholders will have the ability to access the proxy materials on the website referred to in the Notice or request to receive a printed set of the proxy materials. Instructions on how to access the proxy materials over the internet or to request a printed copy may be found in the Notice. In addition, stockholders may request to receive proxy materials in printed form or electronically by email on an ongoing basis. A stockholder's election to receive proxy materials by mail or email will remain in effect until the stockholder terminates it.

Will I receive any other proxy materials by mail?

If we send you a Notice, we may (but are not required to) send you a proxy card, along with a second Notice, on or after May 1, 2016.

How do I attend the Annual Meeting?

The Annual Meeting will be held on 2nd day, June, 2016, at 9:30 a.m., local time, at The Westin Jersey City Newport located at 479 Washington Street, Jersey City, New Jersey. Directions to the Annual Meeting may be found at the end of this proxy statement. Information on how to vote in person at the Annual Meeting is discussed below.

Who can vote at the Annual Meeting?

Only stockholders of record at the close of business on April 15, 2016, will be entitled to vote at the Annual Meeting. On this record date, there were 13,906,828 shares of common stock outstanding and entitled to vote.

Stockholder of Record: Shares Registered in Your Name

If on April 15, 2016, your shares were registered directly in your name with SCYNEXIS's transfer agent, American Stock Transfer & Trust Company, then you are a stockholder of record. As a stockholder of record, you may vote in person at the Annual Meeting or vote by proxy. Whether or not you plan to attend the Annual Meeting, we urge you to fill out and return the proxy card, if you have received one, or vote by proxy on the internet as instructed below or in the Notice to ensure your vote is counted.

Beneficial Owner: Shares Registered in the Name of a Broker or Bank

If on April 15, 2016, your shares were held, not in your name, but rather in an account at a brokerage firm, bank, dealer, or other similar organization, then you are the beneficial owner of shares held in street name and the proxy materials are, or a Notice is, being sent to you by that organization. The organization holding your account is considered to be the stockholder of record for purposes of voting at the Annual Meeting. As a beneficial owner, you have the right to direct your broker or other agent regarding how to vote the shares in your account. You are also invited to attend the Annual Meeting. However, since you are not the stockholder of record, you may not vote your shares in person at the Annual Meeting unless you request and obtain a valid proxy from your broker or other agent.

What am I voting on?

There are two matters scheduled for a vote:

Election of our Board of Directors seven nominees as directors to serve until the 2017 annual meeting of stockholders and until their successors are duly elected and qualified; and

Ratification of the selection by the Audit Committee of the Board of Directors of Deloitte & Touche LLP as the independent registered public accounting firm of SCYNEXIS, Inc. for its fiscal year ending December 31, 2016;

What if another matter is properly brought before the Annual Meeting?

The Board of Directors knows of no other matters that will be presented for consideration at the Annual Meeting. If any other matters are properly brought before the Annual Meeting, it is the intention of the persons named in the proxy card to vote on those matters in accordance with their best judgment.

Why didn't I receive a Notice in the mail regarding the Internet availability of proxy materials?

We are providing stockholders who have previously requested to receive paper copies of the proxy materials with paper copies of the proxy materials instead of a Notice. If you would like to reduce the costs incurred by us in mailing proxy materials, you can consent to receiving all future proxy statements, proxy cards and annual reports electronically via email or the internet. To sign up for electronic delivery, please follow the instructions provided with your proxy materials and on your proxy card or voting instruction card, to vote using the internet and, when prompted, indicate that you agree to receive or access stockholder communications electronically in future years. Alternatively, you can go to <http://www.astproxyportal.com/ast/SCYNEXIS/> and enroll for online delivery of annual meeting and proxy voting materials.

Can I vote my shares by filling out and returning the Notice?

No. The Notice will, however, provide instructions on how to vote by internet, by requesting and returning a paper proxy card, or by submitting a ballot in person at the Annual Meeting.

How do I vote?

You may either vote For all the nominees to the Board of Directors or you may Withhold your vote for any nominee you specify. For the other matter to be voted on, you may vote For or Against or abstain from voting. The procedures for voting are as follows:

Stockholder of Record: Shares Registered in Your Name

If you are a stockholder of record, you may vote in person at the Annual Meeting, vote by proxy using a proxy card (which is enclosed if you received this proxy statement by mail or that you may request or that we may elect to deliver at a later time), or vote by proxy on the internet. Whether or not you plan to attend the Annual Meeting, we urge you to vote by proxy to ensure your vote is counted. You may still attend the Annual Meeting and vote in person if you have already voted by proxy.

To vote in person, come to the Annual Meeting and we will give you a ballot when you arrive.

To vote using the proxy card, simply complete, sign and date the proxy card (which is enclosed if you received this proxy statement by mail or that you may request or that we may elect to deliver at a later time), and return it promptly in the envelope provided. If you return your signed proxy card to us before the Annual Meeting, we will vote your shares as you direct.

To vote on the internet, registered holders may go to <https://www.amstock.com/secure/voteproxy/login2.asp> to complete an electronic proxy card. You will be asked to provide SCYNEXIS number and control number from the enclosed proxy card or Notice. Specific instructions to be followed by any registered stockholder interested in voting via the internet are set forth on the proxy card or Notice. Your vote must be received by 11:59 p.m. eastern standard time, on June 1, 2016, to be counted.

Beneficial Owner: Shares Registered in the Name of Broker or Bank

If you are a beneficial owner of shares registered in the name of your broker, bank, or other agent, you should have received a voting instruction form with these proxy materials or Notice containing voting instructions from that organization rather than from SCYNEXIS. Simply complete and mail the voting instruction form or follow the voting instructions in the Notice to ensure that your vote is counted. Alternatively, you may vote over the internet as instructed by your broker or bank. To vote in person at the Annual Meeting, you must obtain a valid proxy from your broker, bank, or other agent. Follow the instructions from your broker or bank included with these proxy materials, or contact your broker or bank to request a proxy form.

We provide internet proxy voting to allow you to vote your shares online, with procedures designed to ensure the authenticity and correctness of your proxy vote instructions. However, please be aware that you must bear any costs associated with your internet access, such as usage charges from internet access providers.

How many votes do I have?

On each matter to be voted upon, you have one vote for each share of common stock you own as of April 15, 2016.

What happens if I do not vote?

Stockholder of Record; Shares Registered in Your Name

If you are a stockholder of record and do not vote by completing your proxy card, over the internet or in person at the annual meeting, your shares will not be voted.

Beneficial Owner; Shares Registered in the Name of a Broker or Bank

If you are a beneficial owner and do not instruct your broker, bank or other agent how to vote your shares, the question of whether your broker or nominee will still be able to vote your shares depends on whether the New York Stock Exchange (NYSE) deems the particular proposal to be a routine matter. Brokers and nominees can use their discretion to vote uninstructed shares with respect to matters that are considered to be routine, but not with respect to non-routine matters. Under the rules and interpretations of the NYSE, non-routine matters are matters that may substantially affect the rights or privileges of stockholders, such as mergers, stockholder proposals, elections of directors (even if not contested), executive compensation (including any advisory stockholder votes on executive compensation and on the frequency of stockholder votes on executive compensation), and certain corporate governance proposals, even if management supported. Accordingly, your broker or nominee may not vote your shares on Proposal 1 without your instructions, but may vote your shares on Proposal 2.

What if I return a proxy card or otherwise vote but do not make specific choices?

If you return a signed and dated proxy card or otherwise vote without marking voting selections, your shares will be voted, For the election of all our seven nominees for director and For the ratification of the Audit Committee s selection of Deloitte & Touche LLP as the independent registered public accounting firm of SCYNEXIS for its fiscal year ending December 31, 2016. If any other matter is properly presented at the Annual Meeting, your proxy holder (one of the individuals named on your proxy card) will vote your shares using his or her best judgment.

Who is paying for this proxy solicitation?

We will pay for the entire cost of soliciting proxies. In addition to these proxy materials, our directors and employees may also solicit proxies in person, by telephone, or by other means of communication. Directors and employees will not be paid any additional compensation for soliciting proxies. We may also reimburse brokerage firms, banks and other agents for the cost of forwarding proxy materials to beneficial owners.

What does it mean if I receive more than one Notice or set of proxy materials?

If you receive more than one Notice or set of proxy materials, your shares may be registered in more than one name or in different accounts. Please follow the voting instructions on the proxy cards in the proxy materials or Notices to ensure that all of your shares are voted.

Can I change my vote or revoke my proxy after submitting my proxy?

Stockholder of Record; Shares Registered in Your Name

Yes. You can change your vote or revoke your proxy at any time before the final vote at the Annual Meeting. If you are the record holder of your shares, you may change your vote or revoke your proxy in any one of the following ways:

You may submit another properly completed proxy card with a later date.

You may vote again over the internet.

Edgar Filing: SCYNEXIS INC - Form DEF 14A

You may send a timely written notice that you are revoking your proxy to our Corporate Secretary at SCYNEXIS, Inc., 101 Hudson Street, Suite 3610, Jersey City, New Jersey 07302.

You may attend the Annual Meeting and vote in person. Simply attending the Annual Meeting will not, by itself, revoke your proxy.

Your most current proxy card or internet proxy is the one that is counted.

Beneficial Owner; Shares Registered in the Name of a Broker or Bank

If your shares are held by your broker or bank as a nominee or agent, you should follow the instructions provided by your broker or bank.

When are stockholder proposals due for next year's annual meeting?

To be considered for inclusion in next year's proxy materials, your proposal must be submitted in writing by December 22, 2016, to our Corporate Secretary at SCYNEXIS, Inc., 101 Hudson Street, Suite 3610, Jersey City, New Jersey, 07302; *provided, however*, that if our 2017 annual meeting of stockholders is held before May 3, 2017, or after July 2, 2017, then the deadline is a reasonable amount of time prior to the date we begin to print and mail our proxy statement for the 2017 annual meeting of stockholders. If you wish to submit a proposal that is not to be included in next year's proxy materials or nominate a director pursuant to our Bylaws, you must provide specified information in writing to our Corporate Secretary at the address above by not later than March 4, 2017, nor earlier than the close of business on February 2, 2017, except that if our 2017 annual meeting of stockholders is held before May 3, 2017, or after July 2, 2017, notice to be timely must be so delivered not earlier than the close of business on the one hundred twentieth (120th) day prior to such annual meeting and not later than the close of business on the later of the ninetieth (90th) day prior to such annual meeting or the tenth (10th) day following the day on which public announcement of the date of such meeting is first made. You are also advised to review our Bylaws, which contain a description of the information required to be submitted as well as additional requirements about advance notice of stockholder proposals and director nominations.

How are votes counted?

Votes will be counted by the inspector of election appointed for the Annual Meeting, who will separately count: with respect to the proposal to elect directors, votes For, Withhold and broker non-votes; and with respect to other proposals, votes For, Against, abstentions and, if applicable, broker non-votes. Abstentions will be counted towards the vote total for Proposal 2 and will have the same effect as Against votes. Broker non-votes have no effect and will not be counted towards the vote total for any proposal.

What are broker non-votes ?

As discussed above, when a beneficial owner of shares held in street name does not give instructions to the broker or nominee holding the shares as to how to vote on matters deemed by the NYSE to be non-routine, the broker or nominee cannot vote the shares. These unvoted shares are counted as broker non-votes.

How many votes are needed to approve each proposal?

The following table summarizes the minimum vote needed to approve each proposal and the effect of abstentions and broker non-votes.

Proposal Number	Proposal Description	Vote Required for Approval	Effect of Abstentions	Effect of Broker Non-Votes
1	Election of Directors	Nominees receiving the most For votes	Withheld votes will have no effect	None

Edgar Filing: SCYNEXIS INC - Form DEF 14A

2	Ratification of the selection of Deloitte & Touche LLP as SCYNEXIS' s independent registered public accounting firm of SCYNEXIS' S for its fiscal year ending December 31, 2016	For votes from the holders of a majority of shares present and entitled to vote on the matter	Against	None
---	---	---	---------	------

What is the quorum requirement?

A quorum of stockholders is necessary to hold a valid meeting. A quorum will be present if stockholders holding at least a majority of the outstanding shares entitled to vote are present at the Annual Meeting in person or represented by proxy. On the record date, there were 13,906,828 shares outstanding and entitled to vote. Thus the holders of 6,953,415 shares must be present in person or represented by proxy at the Annual Meeting to have a quorum.

Your shares will be counted towards the quorum only if you submit a valid proxy (or one is submitted on your behalf by your broker, bank or other nominee) or if you attend the Annual Meeting. Abstentions and broker non-votes will be counted towards the quorum requirement. If there is no quorum, the chairman of the Annual Meeting or the holders of a majority of the shares present at the Annual Meeting in person or represented by proxy may adjourn the Annual Meeting to another date.

How can I find out the results of the voting at the Annual Meeting?

We expect to announce the preliminary voting results at the Annual Meeting. In addition, final voting results will be published in a current report on Form 8-K that we expect to file with the SEC within four business days after the Annual Meeting. If final voting results are not available to us in time to file a Form 8-K within four business days after the Annual Meeting, we intend to file a Form 8-K to publish preliminary results and, within four business days after the final results are known to us, file an amendment to the Form 8-K to publish the final results.

What proxy materials are available on the internet?

The proxy statement and annual report to stockholders are available at:

JOBS Act Explanatory Note

We are an emerging growth company under applicable federal securities laws and therefore permitted to take advantage of certain reduced public company reporting requirements. As an emerging growth company, we provide in this proxy statement the scaled disclosure permitted under the Jumpstart Our Business Startups Act of 2012, including the compensation disclosures required of a smaller reporting company, as that term is defined in Rule 12b-2 promulgated under the Exchange Act. In addition, as an emerging growth company, we are not required to conduct votes seeking approval, on an advisory basis, of the compensation of our named executive officers or the frequency with which such votes must be conducted. We will remain an emerging growth company until the earliest of (i) December 31, 2019; (ii) the last day of the fiscal year in which we have total annual gross revenues of \$1 billion or more; (iii) the date on which we have issued more than \$1 billion in nonconvertible debt during the previous three years; or (iv) the last day of the fiscal year in which we are deemed to be a large accelerated filer under the rules of the SEC.

PROPOSAL 1

ELECTION OF DIRECTORS

SCYNEXIS Board of Directors (the Board) is elected annually at each annual meeting. Vacancies on the Board may be filled only by persons elected by a majority of the remaining directors. A director elected by the Board to fill a vacancy shall serve for the remainder of the year, and until the director's successor is duly elected and qualified. This includes vacancies created by an increase in the number of directors.

The Board currently has seven members, all of whose terms of office expire at the Annual Meeting. Our Nominating and Corporate Governance Committee recommended, and our Board approved, the nomination of seven nominees for election at the Annual Meeting. Proxies may not be voted for a greater number of persons than the number of nominees named.

David Hastings and C. Patrick Machado were appointed to our Board after our 2015 annual meeting in September, 2015. Mr. Hastings and Mr. Machado were recommended to become members of our Board by the Nominating and Corporate Governance Committee upon the recommendation from a third-party search firm.

Our seven nominees, their ages as of April 1, 2016, and their principal occupation and position currently held with SCYNEXIS, are as follows:

Name	Age	Position Held With SCYNEXIS
Steven C. Gilman, Ph.D.	63	Director
Ann F. Hanham, Ph.D.	63	Director
David Hastings	54	Director
Patrick J. Langlois, Ph.D.	70	Director
Guy Macdonald	57	Director
C. Patrick Machado	52	Director
Marco Taglietti, M.D.	56	Chief Executive Officer, President and Director

If elected at the Annual Meeting, each of these nominees would be elected and qualified to serve until the 2017 annual meeting of stockholders and until his or her successor is duly elected and qualified, or, if sooner, until the director's death, resignation or removal. It is SCYNEXIS's policy to encourage directors and nominees for director to attend the Annual Meeting.

Directors are elected by a plurality of the votes of the holders of shares present in person or by proxy and entitled to vote on the election of directors. Unless marked otherwise we will vote proxies returned to us for the nominees named above. The seven nominees receiving the highest number of affirmative votes will be elected. If any nominee becomes unavailable for election as a result of an unexpected occurrence, your shares will be voted for the election of a substitute nominee proposed by SCYNEXIS. Each person nominated for election has agreed to serve if elected. SCYNEXIS's management has no reason to believe that any nominee will be unable to serve.

This Proposal 1 is to elect our seven nominees nominated as directors. The biographies of each of the nominees below contain information regarding the person's service as a director, business experience, director positions held currently or at any time during the last five years, information regarding involvement in certain legal or administrative proceedings, if applicable, and the experiences, qualifications, attributes and skills of each director, including those that led to the Nominating and Corporate Governance Committee and the Board's conclusion that the director should continue to serve as a director of SCYNEXIS.

Steven C. Gilman, Ph.D., joined our Board on February 25, 2015. He currently serves as the Chairman of the board of directors and Interim Chief Executive Officer of ContraFect Corporation (NASDAQ: CFRX). He

previously served as the Executive Vice President, Research & Development and Chief Scientific Officer at Cubist Pharmaceuticals until its acquisition by Merck & Co in January 2015. Prior to joining Cubist, Dr. Gilman served as chairman of the board of directors and CEO of ActivBiotics from March 2004 to October 2007. Prior to ActivBiotics, Dr. Gilman worked at Millennium Pharmaceuticals, Inc., from October 2000 to March 2004 where he held a number of senior leadership roles including Vice President and General Manager, Inflammation. Prior to Millennium, he was Group Director at Pfizer Global Research and Development. He has also held scientific, business and academic appointments at Wyeth, Cytogen Corporation, Temple Medical School and Connecticut College. Dr. Gilman currently serves on the board of directors of Vericel Corporation (NASDAQ: VCEL), on the board of directors of Keryx Biopharmaceuticals, Inc. (NASDAQ: KERX), on the board of directors of the Massachusetts Biotechnology Association, the Northeastern University Drug Discovery Advisory Board and the Penn State University Biotechnology Advisory Board. Dr. Gilman received his Ph.D. and MS degrees in microbiology from Pennsylvania State University, his post-doctoral training at Scripps Clinical and Research Foundation and received a B.A. in microbiology from Miami University of Ohio. Because of Dr. Gilman's extensive experience in the research and development of novel compounds, including anti-infectives that address highly drug resistant and invasive pathogens, we believe he is able to make valuable contributions to our Board.

Ann F. Hanham, Ph.D., has served as a member of our Board since December 2008. Prior to becoming a Founding Partner and Managing Director of BAR Capital Management in December 2013, she was a General Partner with Burrill & Company, a life sciences venture capital firm from 2000 to 2013. From 1998 to 2000, Dr. Hanham was a co-founder and Vice President of Clinical & Regulatory Affairs at InterMune, Inc. From 1995 to 1998, she served as the Senior Director for Oncology Product Development at Otsuka Pharmaceuticals and from 1991 to 1995 as the Medical Director for Celtrix Pharmaceuticals. From 1988 to 1991, Dr. Hanham worked for Becton Dickinson in both regulatory and clinical affairs for the monoclonal antibody program, and from 1984 to 1988 as a regulatory toxicologist with the Health Protection Branch of Health and Welfare Canada. She serves as a member of the board of directors of Endocyte, Inc. (NASDAQ: ECYT) and previously served as a member of the boards of directors of Acusphere Inc. (OTCMKTS: ACUS), Biomimetic Therapeutics Inc. (NASDAQ: BMTI), Biotie Therapies Corp. (Nordic List: BTH1V), Immunicon Corp. (NASDAQ: IMMC), Targacept Inc. (NASDAQ: TRGT), and TLC (GreTai Sec M: 1452:TT). Dr. Hanham holds a Ph.D. from the University of British Columbia, an MSc from Simon Fraser University, and a BSc from the University of Toronto. She was also Board Certified in Toxicology in 1986. Because of Dr. Hanham's extensive clinical and regulatory experience, as well as her extensive experience in working with development stage biotechnology companies, we believe she is able to make valuable contributions to our Board.

David Hastings joined our board on September 24, 2015. Since February 2015, Mr. Hastings has served as the Senior Vice President and Chief Financial Officer of Unilife Corporation (NASDAQ: UNIS). Prior to joining Unilife, Mr. Hastings served as Executive Vice President and Chief Financial Officer at Incyte Corporation from October 2003 to October 2014. From February 2000 to September 2003, Mr. Hastings served as Vice President, Chief Financial Officer and Treasurer of ArQule, Inc. Prior to his employment with ArQule and from June 1997 to February 2000, Mr. Hastings was Vice President and Corporate Controller at Genzyme, Inc., where he was responsible for the management of the finance department. Prior to his employment with Genzyme and from May 1994 to June 1997, Mr. Hastings was the Director of Finance at Sepracor, Inc., where he was primarily responsible for Sepracor's internal and external reporting. Mr. Hastings received his B.A. in Economics at the University of Vermont. Because of Mr. Hastings' extensive financial experience, including an executive position as chief financial officer of multiple NASDAQ-listed companies as well as his relationships with institutional investors and investment banks, we believe he is able to make valuable contributions to our Board.

Patrick J. Langlois, Ph.D., has served as a member of our Board since April 2006. Since March 2005, Dr. Langlois has served as the General Partner of PJJ Conseils, a consulting firm specializing in strategy, corporate development and mergers and acquisitions. From 2002 to 2004, he served as Vice Chairman of the Management Board and Chief Financial Officer at Aventis S.A., and from 1999 to 2002 as its Executive Vice President and Chief Financial Officer. At Aventis, Dr. Langlois was responsible for finance and corporate

development functions, as well as three global businesses: dermatology, protein therapeutics and animal health. From 1990 to 1999, Dr. Langlois was employed by Rhône-Poulenc Group, most recently as Chief Financial Officer and a Member of the Executive Committee. From 1990 to 1996, he was employed by Rhône-Poulenc Rorer, a NYSE-listed pharmaceutical company, most recently as Chief Financial Officer. Dr. Langlois received a License degree from the University of Rennes, a Ph.D. degree in Economics from the University of Rennes and was awarded a Diploma in Higher Banking Studies from the Centre d'Etudes Supérieures de Banque in France. Because of Dr. Langlois' extensive experience in the healthcare sector, including an executive position as chief financial officer of a NYSE-listed company as well as his relationships with institutional investors and investment banks in the United States and Europe, we believe he is able to make valuable contributions to our Board.

Guy Macdonald has served as a member of our Board since November 2014. He has served as the President and Chief Executive Officer and a member of the board of directors of Tetrphase Pharmaceuticals, Inc. (NASDAQ: TTPH) since January 2008. From August 2003 until January 2008, Mr. Macdonald served as Executive Vice President of Operations of Idenix Pharmaceuticals, Inc., a biopharmaceutical company. From 1981 to 2003 he served in various positions at Merck & Co., Inc., most recently serving as the Vice President for Anti-Infective and Hospital Products. Mr. Macdonald received an Honors Degree in biochemistry from Dundee University in Dundee, Scotland. Because of Mr. Macdonald's extensive experience in drug development and commercialization, particularly with anti-infectives, including antifungals, we believe he is able to make valuable contributions to our Board.

C. Patrick Machado joined our board on September 24, 2015. Mr. Machado served as Chief Business Officer of Medivation, Inc., a publically held biopharmaceutical company, from December 2009 to April 2014, and served as its Chief Financial Officer from December 2004 until March 2014. From 1998 until 2001, Mr. Machado was employed by ProDuct Health, Inc., a privately held medical device company, as Vice President, Chief Financial Officer and General Counsel from 1998 until 2000 and as Senior Vice President and Chief Financial Officer from 2000 until 2001. From 2001 until 2002, Mr. Machado served as a consultant to Cytoc Corporation to assist with transitional matters related to Cytoc Corporation's acquisition of ProDuct Health, Inc. Mr. Machado currently serves on the board of directors of Medivation, Inc. (NASDAQ: MDVN), and of Chimerix, Inc. (NASDAQ: CMRX), a biopharmaceutical company, and serves as the chair of the board of directors of Armaron Bio Pty. Ltd., a privately held biotechnology company based in Melbourne, Australia. Mr. Machado received a J.D. from Harvard Law School and a B.A. and B.S. in German and Economics, respectively, from Santa Clara University. Because of Mr. Machado's extensive knowledge of the pharmaceutical industry and our competitors, we believe he is able to make valuable contributions to our board of directors.

Marco Taglietti, M.D., has served as a member of our Board since November 2014 and as our Chief Executive Officer since April 1, 2015. From August 2007 to August 2014 he served as Executive Vice President, Research and Development, and Chief Medical Officer of Forest Laboratories, Inc. and President of Forest Research Institute, where he was responsible for all research and development activities until August 2014, after Forest Laboratories was acquired by Actavis plc. Prior to joining Forest Laboratories, Inc. in 2007, Dr. Taglietti held the position of Senior Vice President, Head of Global Research and Development, at Stiefel Laboratories, Inc. for three years. He joined Stiefel Laboratories, Inc. after 12 years at Schering-Plough Corporation where he held positions of increasing responsibilities as Vice President, Worldwide Clinical Research for Anti-Infectives, Oncology, CNS, Endocrinology and Dermatology. Dr. Taglietti began his career at Marion Merrell Dow Research Institute. Dr. Taglietti currently serves on the board of directors of NephroGenex, Inc. (NASDAQ: NRX) and of Delcath System, Inc. (NASDAQ: DCTH). He received his medical degree and board certifications from the University of Pavia in Italy. Because of Dr. Taglietti's extensive experience in drug development and

commercialization, including anti-infectives and antifungals, we believe he is able to make valuable contributions to our Board.

THE BOARD RECOMMENDS

A VOTE IN FAVOR OF EACH NAMED NOMINEE.

Independence of the Board

As required under the NASDAQ Stock Market (NASDAQ) listing standards, a majority of the members of our Board must qualify as independent, as affirmatively determined by our Board. The Board consults with SCYNEXIS's counsel to ensure that the Board's determinations are consistent with all relevant securities laws and other laws and regulations regarding the definition of independent, including those set forth in pertinent listing standards of NASDAQ, as in effect from time to time.

Consistent with these considerations, after review of all relevant identified transactions or relationships between each director, or any of his family members, and SCYNEXIS, its senior management and its independent registered public accounting firm, the Board affirmatively has determined that all of the directors, other than Dr. Taglietti, our current president and chief executive officer, are independent directors within the meaning of the applicable NASDAQ listing standards. In making this determination, the Board found that none of the directors or nominees for director other than Dr. Taglietti had a material or other disqualifying relationship with SCYNEXIS.

Below is a description of each committee of the Board. Each of the committees has authority to engage legal counsel or other experts or consultants, as it deems appropriate to carry out its responsibilities. The Board has determined that each member of each committee meets the applicable rules and regulations regarding independence and that each member is free of any relationship that would interfere with his individual exercise of independent judgment with regard to SCYNEXIS. The charters for each of these committees are available on our website at www.scynexis.com.

Audit Committee

Our audit committee currently consists of Patrick J. Langlois, Ph.D., Ann F. Hanham, Ph.D., Steven C. Gilman, Ph.D., and David Hastings, each of whom satisfies the independence requirements under the NASDAQ Global Market listing standards and Rule 10A-3(b)(1) of the Securities Exchange Act of 1934, or the Exchange Act. Our Board has determined that Dr. Langlois is an audit committee financial expert within the meaning of SEC regulations. Each member of our audit committee can read and understand fundamental financial statements in accordance with audit committee requirements. In arriving at this determination, our Board has examined each audit committee member's scope of experience and the nature of their employment in the corporate finance sector.

Our audit committee oversees our corporate accounting and financial reporting process. The audit committee has the following responsibilities, among others things, as set forth in the audit committee charter:

reviewing and pre-approving the engagement of our independent registered public accounting firm to perform audit services and any permissible non-audit services;

evaluating the performance of our independent registered public accounting firm and deciding whether to retain their services;

reviewing our annual and quarterly financial statements and reports and discussing the statements and reports with our independent registered public accounting firm and management, including a review of disclosures under the section of our annual report on Form 10-K as filed March 7, 2016 titled Management's Discussion and Analysis of Financial Condition and Results of Operations;

considering and approving or disapproving of all related party transactions;

preparing the audit committee report required by the SEC to be included in our annual proxy statement;

reviewing, with our independent registered public accounting firm and management, significant issues that may arise regarding accounting principles and financial statement presentation, as well as matters concerning the scope, adequacy and effectiveness of our financial controls;

conducting an annual assessment of the performance of the audit committee and its members, and the adequacy of its charter; and

establishing procedures for the receipt, retention and treatment of complaints received by us regarding financial controls, accounting or auditing matters.

Compensation Committee

Our compensation committee currently consists of Patrick J. Langlois, Ph.D., C. Patrick Machado, and Guy Macdonald, each of whom our Board has determined to be independent under the NASDAQ Global Market listing standards and an outside director as that term is defined in Section 162(m) of the Internal Revenue Code.

Our compensation committee reviews and recommends policies relating to compensation and benefits of our officers and employees. The compensation committee has the following responsibilities, among other things, as set forth in the compensation committee's charter:

determining the compensation and other terms of employment of our chief executive officer and our other executive officers and reviewing and approving corporate performance goals and objectives relevant to the compensation;

reviewing and recommending to the full Board the compensation of our non-employee directors;

evaluating, adopting and administering the equity incentive plans, compensation plans, and similar programs advisable for us, as well as modification or termination of existing plans and programs;

establishing policies with respect to equity compensation arrangements;

reviewing and discussing annually with management our Compensation Discussion and Analysis if required by SEC rules;

preparing the compensation committee report if required by the SEC to be included in our annual proxy statement; and

reviewing and evaluating, at least annually, the performance of the compensation committee and the adequacy of its charter.

Compensation Committee Processes and Procedures

We expect that the Compensation Committee will meet at least two times annually and with greater frequency if necessary. The agenda for each meeting is usually developed by the Chair of the Compensation Committee, in consultation with the CEO. The Compensation Committee meets regularly in executive session. However, from time to time, various members of management and other employees as well as outside advisors or consultants may be invited by the Compensation Committee to make presentations, to provide financial or other background information or advice or to otherwise participate in Compensation Committee meetings. The Chief Executive Officer may not participate in, or be present during, any deliberations or determinations of the Compensation Committee regarding his compensation or individual performance objectives. The charter of the Compensation Committee grants the Compensation Committee full access to all books, records, facilities and personnel of SCYNEXIS. In addition, under the charter, the Compensation Committee has the authority to obtain, at the expense of SCYNEXIS, advice and assistance from internal and external legal, accounting or other advisors and other external resources that the Compensation Committee considers necessary or appropriate in the performance of its duties. The Compensation Committee has direct responsibility for the oversight of the work of any advisers engaged for the purpose of advising the Committee. In particular, the Compensation Committee has the sole authority to retain compensation consultants to assist in its evaluation of executive and director compensation, including the authority to approve the consultant's reasonable fees and other retention terms. Under the charter, the Compensation Committee may select, or receive advice from, a compensation consultant, legal counsel or other adviser to the compensation committee, other than in-house legal counsel and certain other types of advisers, only after taking into consideration six factors, prescribed by the SEC and NASDAQ, that bear upon the adviser's independence; however, there is no requirement that any adviser be independent.

During the past fiscal year the Compensation Committee engaged two independent compensation consultants, after taking into consideration the six factors prescribed by the SEC and NASDAQ. Both consultants are independent compensation consultants that serve as a compensation resource available to the Compensation Committee on an hourly basis. As part of its engagement, Compensia was requested by the Compensation Committee to develop a grant value method for equity compensation of employees for consideration by the Compensation Committee and to review the competitiveness of director compensation based on a comparative group of biotechnology and pharmaceutical companies with market capitalizations generally less than \$250 million. Compensia was also requested by the

Compensation Committee to review compensation of senior executives in comparison with other biotech companies. Vareo Advisors, LLC was requested by the Compensation Committee to advise the Compensation Committee on compensation benchmarking, to review equity guideline recommendations and to assist in developing an overall employee compensation structure for consideration by the Compensation Committee.

Nominating and Corporate Governance Committee

Our nominating and corporate governance committee currently consists of Ann F. Hanham, Ph.D., C. Patrick Machado, and Steven C. Gilman, Ph.D., each of whom our Board has determined to be independent under the NASDAQ Global Market listing standards.

Our nominating and corporate governance committee makes recommendations regarding corporate governance, the composition of our Board, identification, evaluation and nomination of director candidates and the structure and composition of committees of our Board. The nominating and corporate governance committee has the following responsibilities, among other things, as set forth in the nominating and corporate governance committee's charter:

reviewing periodically and evaluating director performance on our Board and its applicable committees, and recommending to our Board and management areas for improvement;

interviewing, evaluating, nominating and recommending individuals for membership on our Board;

reviewing and recommending to our Board any amendments to our corporate governance policies; and

reviewing and assessing, at least annually, the performance of the nominating and corporate governance committee and the adequacy of its charter.

In considering whether to recommend any candidates for inclusion in the Board's slate of recommended director nominees, including candidates recommended by stockholders, the Nominating and Corporate Governance Committee considers the candidate's ability to read and understand financial statements, age, personal integrity and ethics, relevant expertise upon which to be able to offer advice and guidance to management, having sufficient time to devote to the affairs of the company, demonstrated experience in his or her field, ability to exercise sound business judgment, and having the commitment to rigorously represent the long-term interests of the company's stockholders. In addition, when conducting its assessment, the Nominating and Corporate Governance Committee considers any criteria for director qualifications set by the Board, as well as diversity, skills, and such other factors as it deems appropriate given the current needs of the Board and the company to maintain a balance of knowledge, experience and capability. When considering diversity, the Board and Nominating and Corporate Governance Committee views diversity as diversity of experience and expertise. The Board and Nominating and Corporate Governance Committee believe that having a Board diverse in experience and expertise enables the Board, as a body, to have the broad range of requisite expertise and experience to guide the company and management and to fulfill its role of oversight and stewardship. However, neither the Board nor the Nominating and Corporate Governance Committee has developed a policy with respect to diversity in identifying nominees for director, other than to consider diversity when assessing nominees.

In the case of incumbent directors whose terms of office are set to expire, the Nominating and Corporate Governance Committee reviews such directors' overall service to the company during their term, including the number of meetings attended, level of participation, quality of performance, and any other relationships and transactions that might impair such directors' independence. In the case of new director candidates, the Nominating and Corporate Governance Committee also determines whether the nominee should be independent for NASDAQ purposes, which determination is based upon applicable NASDAQ listing standards, applicable SEC rules and regulations and the advice of counsel, if necessary. The Nominating and Corporate Governance Committee does not assign specific weights to particular criteria and no particular criterion is necessarily applicable to all prospective nominees. The Nominating and Corporate Governance Committee then uses its network of contacts to compile a list of potential candidates, but may

also engage, if it deems appropriate, a professional search firm. The Nominating and Corporate Governance Committee conducts any appropriate and necessary inquiries into the backgrounds and qualifications of possible candidates after considering the function and needs of the Board. The Nominating and Corporate Governance Committee meets to discuss and consider such candidates' qualifications and then recommends a nominee to the Board by majority vote.

In 2015, the Nominating and Corporate Governance Committee engaged a third party to assist in the process of identifying or evaluating Mr. Hastings and Mr. Machado as director candidates. The third party assisted the Committee in determining the characteristics of an ideal candidate, identified such candidates, coordinated meetings between the candidates and the Committee, and assisted in the Committee's evaluation and selection of candidates. To date, the Nominating and Corporate Governance Committee has not received a timely recommended director nominee from a stockholder or stockholders holding more than 5% of our voting stock.

The Nominating and Corporate Governance Committee will consider director candidates recommended by stockholders who demonstrate, by written documentation, satisfactory to the Nominating and Corporate Governance Committee, that such stockholders hold outstanding shares of the company. The Nominating and Corporate Governance Committee does not intend to alter the manner in which it evaluates candidates, including the minimum criteria set forth above, based on whether the candidate was recommended by a stockholder or not. Stockholders who wish to recommend individuals for consideration by the Nominating and Corporate Governance Committee to become nominees for election to the Board in 2017 may do so by delivering a written recommendation to the Nominating and Corporate Governance Committee at the following address: 101 Hudson Street, Suite 3610, Jersey City, New Jersey, 07302 no earlier than February 2, 2017, and no later than March 4, 2017. Submissions must include the full name of the proposed nominee, a description of the proposed nominee's business experience for at least the previous five years, complete biographical information, and a description of the proposed nominee's qualifications as a director. Any such submission must be accompanied by the written consent of the proposed nominee to be named as a nominee and to serve as a director if elected.

Board Leadership Structure

The Board's leadership structure is a separate Chairman of the Board and Chief Executive Officer. Mr. Guy Macdonald was appointed as our Chairman in June 2015. The Chairman has authority, among other things, to call and preside over Board meetings, including meetings of the independent directors, to set meeting agendas and to determine materials to be distributed to the Board. Accordingly, the Chairman has substantial ability to shape the work of the Board. The Board believes that separation of the positions of Chairman and Chief Executive Officer reinforces the independence of the Board in its oversight of the business and affairs of SCYNEXIS, and is appropriate for SCYNEXIS. In addition, the Board believes that having an independent Chairman creates an environment that is more conducive to objective evaluation and oversight of management's performance, increasing management accountability and improving the ability of the Board to monitor whether management's actions are in the best interests of the company and its stockholders. As a result, the Board believes that having an independent Chairman can enhance the effectiveness of the Board as a whole.

Role of the Board in Risk Oversight

The Board has an active role, as a whole and also at the committee level, in overseeing management of the company's risks. The Board regularly reviews information regarding the company's credit, liquidity and operations, as well as the risks associated with each. The Audit Committee's charter mandates the Audit Committee to review and discuss with management, and the company's independent registered public accounting firm, as appropriate, the company's major financial risk exposures and the steps taken by management to monitor and control these exposures. The Compensation Committee is responsible for overseeing the management of risks relating to the company's executive compensation plans and arrangements. The Nominating and Corporate Governance Committee manages risks associated with the independence of the Board and potential conflicts of interest. While each committee is responsible for evaluating certain risks and overseeing the management of such risks, the entire Board is regularly informed through committee reports about such risks.

Compensation Policies and Practices as They Relate to Risk Management

With the help of the Compensation Committee's independent compensation consulting firm, Compensia, the Compensation Committee has reviewed the company's compensation policies and practices as they relate to risk management for all employees, including executive officers. Following such review, the

Compensation Committee determined that risks arising from the company's compensation policies and practices for its employees are not reasonably likely to have a material adverse effect on the company.

Meetings of the Board

The Board met 11 times in 2015. All directors attended at least 75% of the aggregate number of the meetings of the Board and the committees on which they served, held during the portion of the last fiscal year for which they were directors or committee members in 2015.

As required under applicable NASDAQ listing standards, in fiscal year 2015, SCYNEXIS's independent directors met in regularly scheduled executive sessions at which only independent directors were present.

Stockholder Communications with the Board

SCYNEXIS's Board has adopted a formal process by which stockholders may communicate with the Board or any of its directors. Stockholders who wish to communicate with the Board may do so by sending written communications addressed as follows: Eric Francois, Chief Financial Officer, SCYNEXIS, Inc., 101 Hudson Street, Suite 3610, Jersey City, New Jersey, 07302, or via email to eric.francois@scynexis.com. The communications will be reviewed by the Chief Financial Officer. The Chief Financial Officer will forward such communication to the Board or to any individual director to whom the communication is addressed unless the communication is unduly frivolous, hostile, threatening or similarly inappropriate, in which case, the Chief Financial Officer shall discard the communication.

Code of Business Conduct and Ethics

SCYNEXIS has adopted the SCYNEXIS, Inc. Code of Business Conduct and Ethics that applies to all officers, directors and employees. The Code of Business Conduct and Ethics is available on our website, which is www.scynexis.com, and available in print to any stockholder who requests it. Requests for printed copies of the Code of Business Conduct and Ethics can be made by writing to Attn: Corporate Secretary, SCYNEXIS, Inc., 101 Hudson Street, Suite 3610, Jersey City, New Jersey, 07302. If SCYNEXIS makes any substantive amendments to the Code of Business Conduct and Ethics or grants any waiver from a provision of the Code of Business Conduct and Ethics to any executive officer or director, SCYNEXIS will promptly disclose the nature of the amendment or waiver on its website.

PROPOSAL 2

RATIFICATION OF SELECTION OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

The Audit Committee of the Board of Directors has selected Deloitte & Touche LLP as SCYNEXIS' s independent registered public accounting firm for the fiscal year ending December 31, 2016, and has further directed that management submit the selection of its independent registered public accounting firm for ratification by the stockholders at the Annual Meeting. Deloitte & Touche LLP has audited SCYNEXIS' s financial statements since fiscal year 2000. Representatives of Deloitte & Touche LLP are expected to be present at the Annual Meeting. They will have an opportunity to make a statement if they so desire and will be available to respond to appropriate questions.

Neither SCYNEXIS' s Bylaws nor other governing documents or law require stockholder ratification of the selection of Deloitte & Touche LLP as SCYNEXIS' s independent registered public accounting firm. However, the Audit Committee of the Board is submitting the selection of Deloitte & Touche LLP to the stockholders for ratification as a matter of good corporate practice. If the stockholders fail to ratify the selection, the Audit Committee of the Board will reconsider whether or not to retain that firm. Even if the selection is ratified, the Audit Committee of the Board in its discretion may direct the appointment of different independent auditors at any time during the year if they determine that such a change would be in the best interests of SCYNEXIS and its stockholders.

The affirmative vote of the holders of a majority of the shares present in person or represented by proxy and entitled to vote on the matter at the Annual Meeting will be required to ratify the selection of Deloitte & Touche LLP.

Principal Accountant Fees and Services

The following table represents aggregate fees billed to SCYNEXIS for the fiscal years ended December 31, 2015, and December 31, 2014, by Deloitte & Touche LLP, SCYNEXIS' independent registered public accounting firm (in thousands).

	Fiscal 2015	Fiscal 2014
Audit Fees (1)	\$ 960	\$ 1,574
Audit-Related Fees		
Tax Fees		
All Other Fees (2)	2	2
Total Fees	\$ 962	\$ 1,576

(1) Audit fees consist of fees billed for professional services rendered for the audit of our consolidated annual financial statements and review of the interim consolidated financial statements and the issuance of consent and comfort letters in connection with registration statement filings with the Securities and Exchange Commission, and all services that are normally provided by the accounting firm in connection with statutory and regulatory filings or engagements.

(2) Annual license fee for access to an accounting research software application.

All fees described above were approved by the Audit Committee.

Pre-Approval Policy and Procedures

The Audit Committee has adopted a policy and procedures for the pre-approval of audit and non-audit services rendered by SCYNEXIS's independent registered public accounting firm, Deloitte & Touche LLP. The policy generally pre-approves specified services in the defined categories of audit services, audit-related services

and tax services up to specified amounts. Pre-approval may also be given as part of the Audit Committee's approval of the scope of the engagement of the independent auditor or on an individual, explicit, case-by-case basis before the independent auditor is engaged to provide each service. The pre-approval of services may be delegated to one or more of the Audit Committee's members, but the decision must be reported to the full Audit Committee at its next scheduled meeting.

The Audit Committee has determined that the rendering of services other than audit services by Deloitte & Touche LLP is compatible with maintaining the principal accountant's independence.

THE BOARD RECOMMENDS

A VOTE IN FAVOR OF PROPOSAL 2.

REPORT OF THE AUDIT COMMITTEE OF THE BOARD*

During 2015, five independent, non-employee directors served on the Audit Committee: Patrick J. Langlois, Ph.D., Laurent Arthaud (until June 2015), Ann F. Hanham, Ph.D., Steven C. Gilman, Ph.D. (since February 2015), and Mr. Hastings (since September 2015).

Management is responsible for SCYNEXIS' internal controls and the financial reporting process. The independent registered public accounting firm is responsible for performing an independent audit of SCYNEXIS' consolidated financial statements in accordance with the standards of the Public Company Accounting Oversight Board (United States) (PCAOB) to obtain reasonable assurance that SCYNEXIS' consolidated financial statements are free from material misstatement and expressing an opinion on the conformity of such financial statements with accounting principles generally accepted in the United States. We are responsible for overseeing and monitoring Deloitte & Touche LLP's auditing process on behalf of the Board of Directors.

In this context, the Audit Committee has reviewed and discussed the audited consolidated financial statements for the fiscal year ended December 31, 2015, with management and Deloitte & Touche LLP. The Audit Committee has discussed with Deloitte & Touche LLP the matters required to be discussed by Auditing Standard No. 16, *Communications with Audit Committees*, as adopted by the PCAOB. The Audit Committee has also received the written disclosures and the letter from Deloitte & Touche LLP required by applicable requirements of the PCAOB regarding the independent accountants' communications with the Audit Committee concerning independence, and has discussed with the independent registered public accounting firm the accounting firm's independence.

Based on its discussions with management and the independent registered public accounting firm, the Audit Committee has recommended to the Board of Directors that the audited financial statements be included in SCYNEXIS' Annual Report on Form 10-K for the fiscal year ended December 31, 2015.

change in control generally means the occurrence of any of the following: (a) our company being party to any merger, consolidation or other similar transaction that results in our stockholders immediately before the merger, consolidation or other similar transaction owning less than 50% of the equity, or possessing less than 50% of the voting control, of us or the successor entity in the merger, consolidation or similar transaction;

(b) any liquidation, dissolution or other sale or disposition of all or substantially all of our assets; or (c) our stockholders sell or otherwise dispose of our capital stock in a single transaction or series of related transactions such that the stockholders immediately before such transaction or related transactions own less than 50% of the equity, and possess less than the voting power, of our capital stock; provided, however, that an initial public offering or subsequent public offering of our common stock does not constitute a change in control.

just cause generally means any of the following: (a) the executive officer's willful and material breach of his employment agreement and the executive officer's continued failure to cure such breach to the reasonable satisfaction of our board of directors within thirty days following written notice of such breach from our board of directors; (b) the executive officer's conviction of, or entry of a plea of guilty or nolo contendere to a felony or a misdemeanor involving moral turpitude; (c) the executive officer's willful commission of an act of fraud, breach of trust or dishonesty, including without limitation embezzlement or an act that results in material damage or harm to our business, financial condition or assets; (d) the executive officer's intentional damage or destruction of our substantial property; or (e) the executive officer's breach of the terms of his confidentiality agreement with us.

good reason generally means any of the following without the executive officer's express written consent: (a) assignment to, or withdrawal from, the executive officer of any duties or responsibilities that results in a material diminution in the executive officer's authority, duties or responsibilities as in effect immediately prior to such change; (b) a material diminution in the authority, duties or responsibilities of the supervisor to whom the executive officer is required to report, including (if applicable) a requirement that the executive officer report to a corporate officer or employee instead of reporting directly to our board of directors; (c) a material reduction by us of the executive officer's annual base salary; (d) a relocation of the executive officer or our principal executive offices if the executive officer's principal office is at such offices, to a location more than 60 miles from the location at which the executive officer is then performing his duties; or (e) a material breach by us of any provision of the executive officer's employment agreement or any other enforceable written agreement between us and the executive officer.

In addition to the amounts presented above, each executive officer is eligible to receive any benefits accrued under our broad-based benefit plans, such as accrued vacation pay, in accordance with those plans and policies. In the event that we determine that an executive officer has earned all or a portion of his annual performance bonus, we will pay the executive officer such earned amount within 30 days of the date of our determination.

Our non-employee directors are compensated in accordance with the following policy:

Each non-employee director receives an annual base cash retainer of \$35,000 for such service, to be paid quarterly. In addition, the chairman of the Board receives an additional annual base cash retainer of \$28,000, to be paid quarterly.

In addition, each member of a committee receives compensation for service on a committee as follows:

- a. The chairperson of the audit committee receives an annual cash retainer of \$15,000 for this service, paid quarterly, and each of the other members of the audit committee receives an annual cash retainer of \$7,500, paid quarterly.
- b. The chairperson of the compensation committee receives an annual cash retainer of \$11,000 for this service, paid quarterly, and each of the other members of the compensation committee receive an annual cash retainer of \$5,500, paid quarterly.
- c. The chairperson of the nominating and corporate governance committee receive an annual cash retainer of \$7,500 for this service, paid quarterly, and each of the other members of the nominating and corporate governance committee receive an annual cash retainer of \$3,750, paid quarterly.

Each year on the date of the SCYNEXIS annual meeting of stockholders, each non-employee director will automatically be granted an option to purchase 8,800 shares of common stock. If a new board member joins the Board, the director will be granted an initial option to purchase 11,700 shares of common stock. Annual option grants to board members and initial option grants to new board members will have an exercise price per share equal to the fair market value of a share of common stock on the date of grant and will vest in full on the earlier of the next annual meeting of stockholders to occur in the year following the date of grant and the one year anniversary of the date of grant; provided, that the non-employee director is providing continuous services on the applicable vesting date.

In addition, each non-employee director may elect to receive nonstatutory stock options in lieu of all or a portion of the cash compensation to which the non-employee director would otherwise be entitled to, as described above. Each non-employee director shall make their election prior to the period in which the compensation is to be earned. For each non-employee director electing to receive a nonstatutory stock option in lieu of such cash compensation, the date on which the nonstatutory stock options will be granted will be the date on which the cash compensation would

otherwise have been earned, which is generally the first business day of each fiscal quarterly period, and the number of shares underlying such stock option will be determined by (i) dividing the cash compensation that the non-employee director elects to forgo in exchange for such nonstatutory stock options by 0.65, and (ii) dividing the result by the fair market value of a share of common stock on the date of grant. Each nonstatutory stock option granted in lieu of cash compensation pursuant to a non-employee director's election will be 100% vested on the date of grant. After a non-employee director has elected

to receive nonstatutory stock options in lieu of cash compensation, the option grants made to that non-employee director are awarded automatically pursuant to the previously described policy and no further action is required by the company's Board.

TRANSACTIONS WITH RELATED PERSONS

Related-Person Transactions Policy and Procedures

In February 2014, our board of directors adopted a policy that our executive officers, directors, nominees for election as a director, beneficial owners of more than 5% of any class of our common stock and any members of the immediate family of any of the foregoing persons are not permitted to enter into a related person transaction with us without the prior consent of our audit committee. Any request for us to enter into a transaction with an executive officer, director, nominee for election as a director, beneficial owner of more than 5% of any class of our common stock or any member of the immediate family of any of the foregoing persons in which the amount involved exceeds \$120,000 and such person would have a direct or indirect interest must first be presented to our audit committee for review, consideration and approval. In approving or rejecting any such proposal, our audit committee is to consider the material facts of the transaction, including, but not limited to, whether the transaction is on terms no less favorable than terms generally available to an unaffiliated third party under the same or similar circumstances and the extent of the related person's interest in the transaction. While we did not have a formal review and approval policy for related party transactions until February 2014, all of the transactions described below were entered into after presentation, consideration and approval by, or were ratified by, our board of directors or a committee of our board of directors.

Loan Guarantee and Related Matters with Sanofi and Merial

Sanofi is the parent corporation of Merial, and a holder of more than 5% of our capital stock. In connection with our 2010 Credit Agreement with HSBC Bank USA, National Association, in April 2010, which we refer to as our 2010 Credit Agreement, we entered into a Stand Alone First Demand Guarantee, which we refer to as the Sanofi Guarantee, and a Reimbursement and General Security Agreement, which we refer to as the Sanofi Reimbursement Agreement, with Sanofi, both of which were amended in March 2013, which we refer to as our 2013 Credit Facility.

On March 17, 2014, we entered into an amendment to the Sanofi Reimbursement Agreement pursuant to which we agreed to the following: (1) to use \$7.5 million of the proceeds raised in connection with our IPO to repay a portion of our outstanding loan with HSBC Bank USA, National Association, no later than June 30, 2014, (2) to amend our loan agreement with HSBC Bank USA, National Association to reduce the aggregate amount we may borrow under our credit facility to \$7.5 million, no later than June 30, 2014, and (3) to repay all amounts owed to HSBC Bank USA, National Association under our 2013 Credit Facility no later than December 31, 2014.

On April 29, 2014, we entered into another addendum to the Sanofi Reimbursement Agreement. Under this addendum and conditioned upon the closing of our IPO and Sanofi's investment of \$15.0 million in the IPO, the parties agreed to terminate our obligations made under the addendum dated March 17, 2014 and we agreed that to the extent Sanofi invests up to \$15.0 million in our IPO the amount to be invested by Sanofi will be used to pay down the outstanding balance under our 2013 Credit Facility. Upon the consummation of our IPO in May 2014, we repaid the full amount owed under the 2013 Credit Facility with HSBC Bank USA, National Association in May, 2014.

Research Services Agreement with Merial

We entered into a Research Services Agreement with Merial effective in January 2012, under which we performed research services for Merial, including the synthesis, purification, and characterization of individual or

libraries of compounds, phenotypic screening of compounds, and further testing and optimizing of compounds for the use of commercializing animal health products. In 2014, we received \$7.3 million from Merial under this agreement. This agreement expired on December 31, 2014. On December 31, 2014, we entered into a multi-year Research Services Agreement with Merial, effective December 24, 2014, under which we agreed to continue to provide Merial with contract research and screening services in the field of animal health on a fee-for-service basis. The Merial agreement was directly related to our former contract research and services business, which we referred to as our Services Business, and which we divested to Accuratus in July 2015. In connection with the sale of the Services Business we transferred the Merial agreement, including all future obligations and benefits.

In the year ended December 31, 2015, we received \$2.1 million from Merial under the research services agreement. See our annual report on Form 10-K as filed March 7, 2016, under the section Business-Collaborations and Licensing Agreements Associated with Our Former Services Business for more information.

Engagement Letters with Burrill Securities

In March 2013, we entered into an engagement letter with Burrill Securities, an affiliate of Burrill Biotechnology Capital Fund, L.P., a prior holder of more than 5% of our capital stock, and an entity with which one of our directors, Dr. Hanham, was affiliated at the time. Pursuant to the letter, we engaged Burrill Securities to assist us with the identification of certain strategic alternatives. Under the letter, we would have owed Burrill Securities a success fee of \$1.0 million upon the closing of specified strategic transactions during the term of the letter or within twelve months after the end of the term of the letter. The term of the letter expired on September 6, 2013.

In May 2013, we entered into an engagement letter with Burrill Securities. Pursuant to the letter, we engaged Burrill Securities to assist us with the identification of certain strategic alternatives. Under the letter, we would have owed Burrill Securities a success fee of 5% of the transaction value of any strategic transaction or financing transaction resulting from the engagement and closed during the term of the letter or within twelve months after the end of the term of the letter. The term of the letter expired on November 17, 2013. In December 2013, we entered into an amendment to the engagement letter that provided that notwithstanding anything to the contrary in the engagement letter, in the event we consummated a public offering of our common stock prior to November 17, 2014, we would pay Burrill Securities a success fee of \$500,000 as payment in full for all our obligations under the engagement letter. In May 2014, we paid the \$500,000 success fee to Burrill Securities pursuant to the engagement letter, as amended.

Participation in Initial Public Offering

The following holders, who held more than 5% of our capital stock at the time of our IPO, purchased shares of our common stock in our IPO at the public offering price in varying amounts: Alta BioPharma Partners II, LP and its affiliate, which are affiliated with one of our former directors, Edward E. Genavent. The aggregate amount that these entities purchased in the IPO was approximately \$13.4 million of shares of our common stock, and the aggregate size of the IPO was \$62.0 million. In addition, Sanofi, the parent company of Merial, a holder of more than 5% of our capital stock, purchased \$15.0 million of shares of our common stock in connection with our IPO.

HOUSEHOLDING OF PROXY MATERIALS

The SEC has adopted rules that permit companies and intermediaries (e.g., brokers) to satisfy the delivery requirements for Notices of Internet Availability of Proxy Materials and Annual Meeting materials with respect to two or more stockholders sharing the same address by delivering a single Notice of Internet Availability of Proxy Materials or set of Annual Meeting materials addressed to those stockholders. This process, which is commonly referred to as householding, potentially means extra convenience for stockholders, allows us to save money by reducing the number of documents we must print and mail and helps protect the environment as well.

Householding is available to both registered stockholders (i.e., those stockholders with certificates registered in their name) and street name holders (i.e., those stockholders who hold their shares through a brokerage).

If you are a registered stockholder and have consented to our mailing of proxy materials and other stockholder information only to one account in your household, as identified by you, we will deliver or mail a single copy of our Notice of Internet Availability of Proxy Materials or set of Annual Meeting materials, as applicable, for all registered stockholders residing at the same address unless contrary instructions have been received from the affected stockholders. Once you have received notice from your broker that they will be householding communications to your address, householding will continue until you are notified otherwise or until you revoke your consent. If, at any time, you no longer wish to participate in householding and would prefer to receive a Notice of Internet Availability of Proxy Materials or set of Annual Meeting materials, as applicable, please notify your broker or direct your written request to our Corporate Secretary at SCYNEXIS, Inc., 101 Hudson Street, Suite 3610, Jersey City, New Jersey, 07302, or contact James Clarke, Interim General Counsel, at (201) 884-5485. A separate copy of a Notice of Internet Availability of Proxy Materials or set of Annual Meeting materials will then promptly be delivered to you. Stockholders who currently receive multiple copies of the Notice of Internet Availability of Proxy Materials or set of Annual Meeting materials, as applicable, at their address and would like to request householding of their communications should contact their brokers.

OTHER MATTERS

The Board knows of no other matters that will be presented for consideration at the Annual Meeting. If any other matters are properly brought before the Annual Meeting, it is the intention of the persons named in the accompanying proxy to vote on such matters in accordance with their best judgment.
