Item 1.01 Entering into a Material Definitive Agreement.

On September 23, 2016, Flowers Foods, Inc. (the Company) entered into an underwriting agreement (the Underwriting Agreement) with Deutsche Bank Securities Inc., Wells Fargo Securities, LLC, RBC Capital Markets, LLC and SunTrust Robinson Humphrey, Inc., as representatives of the underwriters named therein, in connection with the offer and sale of the Company's 3.500% Senior Notes due 2026 (the Notes). The Underwriting Agreement includes the terms and conditions of the offer and sale of the Notes, indemnification and contribution obligations and other terms and conditions customary in agreements of this type.

Some of the underwriters and their affiliates have engaged in, and may in the future engage in, investment banking and other commercial dealings in the ordinary course of business with us. They have received customary fees and commissions for these transactions. In particular, affiliates of Deutsche Bank Securities Inc., Wells Fargo Securities, LLC, RBC Capital Markets, LLC and SunTrust Robinson Humphrey, Inc. and certain other underwriters are parties to and lenders under our existing term and revolving credit facilities. Our term and revolving credit facilities were negotiated on an arms length basis and contain customary terms pursuant to which the lenders receive customary fees.

The Company will use the net proceeds from this offering to repay debt currently outstanding under the Company's existing term loan facilities and the balance, if any, of the net proceeds for general corporate purposes.

The foregoing disclosure is qualified in its entirety by reference to the Underwriting Agreement, which is attached hereto as Exhibit 1.1, and is incorporated herein by reference.

Item 2.03. Creating a Direct Financial Obligation or an Obligation Under an Off-Balance Sheet Arrangement of a Registrant.

The Notes were issued under an indenture, dated as of April 3, 2012 (the Indenture), by and between the Company, as issuer, and Wells Fargo Bank, National Association, as trustee (Trustee). The terms and conditions of the Notes were established pursuant to and are set forth in, the Officer's Certificate of the Company (the Officer's Certificate) and the form of 3.500% Senior Notes due 2026 (Form of Note), which are attached hereto as Exhibit 4.2 and Exhibit 4.3, respectively.

The Company will pay interest on the Notes on each April 1 and October 1, beginning on April 1, 2017. The interest rate payable on the Notes will be subject to adjustments from time to time if either Moody's or S&P (or a substitute rating agency (as defined in the Form of Note) therefor) downgrades (or downgrades and subsequently upgrades) the credit rating assigned to the Notes. The Notes will mature on October 1, 2026. Before July 1, 2026, the Company may, at any time, redeem the Notes at a redemption price equal to 100% of the principal amount of such series, plus a make whole premium described in the Indenture. On or after July 1, 2026, the Company may redeem the Notes at par, plus accrued and unpaid interest.

If a change of control triggering event (as defined in the Form of Note) occurs, unless we have exercised our option to redeem the Notes, we will be required to make an offer to each holder of the Notes to repurchase all or any part (equal to a principal amount of \$2,000 or an integral multiple of \$1,000 in excess thereof) of such Holder's notes. In a change of control offer, we will be required to offer payment in cash equal to 101% of the aggregate principal amount of the notes plus unpaid interest, if any, accrued to, but not including, the date of repurchase, subject to the rights of holders of notes on a record date to receive interest due to the related interest payment date.

The Notes are subject to the covenants in the Indenture and Officer's Certificate, which include certain limitations on liens, sale and leaseback transactions, sales of assets, mergers and consolidations.

The Indenture contains customary events of default, including: (i) failure to pay principal or premium, if any, on any Note when due; (ii) failure to pay any interest on any Note for 30 days after the interest becomes due; (iii) failure to

perform or breach of any other covenant in the Indenture for 60 days after written notice thereof; (iv) certain defaults under any mortgage, indenture or instrument of the Company securing or evidencing the Company's indebtedness; and (v) specified events of bankruptcy, insolvency or reorganization involving the Company or any significant subsidiary (or group of subsidiaries that, taken together, would constitute a significant subsidiary) of the Company.

If an event of default resulting from specified events involving bankruptcy or insolvency occurs, the Indenture provides that the principal, premium, if any, and accrued interest on the Notes will become immediately due and payable without any declaration or other act on the part of the Trustee or any holder of the Notes. If any other event of default occurs and is continuing, the Indenture provides that either the Trustee or the holders of 25% in aggregate principal amount of the outstanding Notes may declare the principal amount of all the Notes to be due and payable immediately.

The foregoing disclosure is qualified in its entirety by reference to the Indenture, Officer's Certificate and Form of Note, which are attached hereto as Exhibit 4.1, Exhibit 4.2 and Exhibit 4.3, respectively, and are incorporated herein by reference.
