(d) On January 11, 2017, the Board of Directors of MGM Resorts International, a Delaware corporation (the Company), appointed John B. Kilroy to serve as a member of the Company's Board of Directors (the Board) until the Company's next annual meeting or until a successor is elected and qualified. There is no arrangement or understanding between Mr. Kilroy and any other persons pursuant to which he was selected to serve as a director of the Company. The Company has not been since the beginning of the last fiscal year, and is not currently proposed to be, a participant in any related party transaction with Mr. Kilroy within the meaning of Item 404(a) of Regulation S-K. Mr. Kilroy will be entitled to receive the same cash and equity compensation as the other independent directors as described under Director Compensation in the Company's Definitive Proxy Statement filed with the Securities and Exchange Commission (the Commission) on April 20, 2016 and incorporated herein by reference. Mr. Kilroy also received a grant of restricted stock units with a target value of \$75,000. The restricted stock units vest on the earlier of the first anniversary of the grant date and the date of the Company's next annual meeting. The grant was made pursuant to the Form of Restricted Stock Unit Agreement for non-employee directors previously filed as Exhibit 10.7 to the Company's Quarterly Report on Form 10-Q filed with the Commission on November 7, 2011 and incorporated herein by reference. On January 11, 2017, the Company issued a press release regarding the election of Mr. Kilroy, a copy of which is furnished as Exhibit 99.1 to this Form 8-K.

(e) On January 10, 2017, the Compensation Committee of the Board adopted a retirement policy (the Retirement Policy) affecting equity awards to certain members of senior management, including the Company's named executive officers (the Participants).

For awards granted after January 1, 2017, the Retirement Policy provides that, upon the voluntary resignation or retirement of (i) a Participant who has attained the age of 60 and who has 15 years or more of service with the Company or (ii) a Participant who has attained the age of 55 with 20 years of service with the consent of the Compensation Committee, such Participant will be entitled to continued vesting of a pro-rated portion of their then-outstanding and unvested equity awards (provided that awards with performance-based vesting criteria will continue to be subject to such criteria in accordance with their term).

In addition, the Retirement Policy provides that in the event of a Participant's termination of employment due to death or disability, the Participant is entitled to full acceleration of all awards with time-based vesting conditions as of the date of termination (provided that awards with performance-based vesting criteria will continue to be subject to such criteria in accordance with their terms).

As a condition to the receipt of prorated vesting under the Retirement Policy, the Participant must agree to certain confidentiality, non-compete and non-solicitation covenants as more fully described in the Retirement Policy.

The foregoing description of the Retirement Policy does not purport to be complete and is qualified in its entirety by reference to the text of the Retirement Policy, which is filed as Exhibit 10.1 to this Current Report.
