QUESTIONS AND ANSWERS ABOUT THE PROXY MATERIALS AND THE ANNUAL MEETING

Q: Why am I receiving these materials?

A: The board of directors (the Board) of Seaspan Corporation, a corporation incorporated under the laws of The Republic of the Marshall Islands (referred to in this proxy statement as Seaspan, the Corporation, we or us), is providing these proxy materials to you in connection with our annual meeting of shareholders to be held on April 21, 2017 at 2:00 p.m. (Hong Kong Time) at the offices of Mayer Brown JSM, located at 18/F, Prince's Building, 10 Chater Road, Central, Hong Kong, China. You are invited to attend the annual meeting to vote on the proposals described in this proxy statement. However, you do not need to attend the meeting to vote your shares. Instead you may simply complete, sign and return the enclosed proxy card in the enclosed envelope, or follow the instructions below to submit your proxy via the Internet.

Q: What information is contained in this proxy statement?

A: The information included in this proxy statement relates to the proposals to be voted on at the annual meeting, the voting process, the compensation of directors and certain officers and other information about Seaspan.

Q: How may I obtain Seaspan's Annual Report on Form 20-F filed with the SEC?

A: The 2016 Annual Report on Form 20-F is available under SEC Filings in the Investor Relations section of our website at www.seaspancorp.com and at the website of the U.S. Securities and Exchange Commission (the SEC) at www.sec.gov. Additionally, shareholders can request a hard copy of our complete audited financial statements free of charge upon request by:

writing us at Seaspan Corporation, Unit 2, 2nd Floor, Bupa Centre, 141 Connaught Road West, Hong Kong, China, or fax number +852-2540-1689;

emailing us at info@seaspancorp.com; or

calling us at +852-2540-1686.

Q: What items of business will be voted on at the annual meeting?

A: The items of business scheduled to be voted on at the annual meeting are:

the election of directors to the Board; and

the ratification of the appointment of KPMG LLP, Chartered Professional Accountants, as our independent auditors for the fiscal year ending December 31, 2017.

Edgar Filing: Seaspan CORP - Form 6-K

We will also consider any other business that properly comes before the annual meeting.

Q: How does the Board recommend that I vote?

A: The Board recommends that you vote your shares **FOR** each of the nominees to the Board and **FOR** the ratification of the independent auditors for the 2017 fiscal year.

Q: Who may vote at the annual meeting?

A: You may vote all of the common shares that you owned at the close of business on March 14, 2017, the record date for the annual meeting (the record date). On the record date, we had 106,346,362 common shares outstanding and entitled to be voted at the meeting. You may cast one vote for each common share held by you on all matters presented at the meeting.

We also have outstanding 5,600,000 shares of our Series F 6.95% Cumulative Convertible Perpetual Preferred Stock (the Series F Preferred Shares) outstanding, and the holders of such shares generally are

Table of Contents

entitled to vote together with the holders of common shares, as a single class, on all matters voted upon by our common shareholders. Each holder of Series F Preferred Shares is entitled to one vote for each whole vote that the holder of such Series F Preferred Shares would be entitled to cast had such holder converted all of its Series F Preferred Shares into common shares as of the date immediately prior to the record date for the determination of the shareholders entitled to vote on such matters. As of the record date, the holders of Series F Preferred Shares were entitled to 7,777,777 votes in the aggregate.

You may vote all shares owned by you as of the record date for the annual meeting, including (1) shares held directly in your name as the shareholder of record and (2) shares held for you as the beneficial owner through a broker, trustee or other nominee such as a bank.

Q: What is the difference between holding shares as a shareholder of record and as a beneficial owner?

A: Most of our shareholders hold their shares through a broker or other nominee rather than directly in their own name. As summarized below, there are some distinctions between shares held of record and those owned beneficially.

Shareholder of Record

If your shares are registered directly in your name with our transfer agent, American Stock Transfer & Trust Company, LLC, you are considered, with respect to those shares, the shareholder of record, and these proxy materials are being sent directly to you by us. As the shareholder of record, you have the right to grant your voting proxy directly to us or to vote in person at the meeting. We have enclosed or sent a proxy card for you to use.

Beneficial Owner

If your shares are held in a brokerage account or by another nominee, you are considered the beneficial owner of shares held in street name, and these proxy materials are being forwarded to you by your broker, trustee or nominee together with a voting instruction card. As the beneficial owner, you have the right to direct your broker, trustee or nominee how to vote and are also invited to attend the annual meeting.

Since a beneficial owner is not the shareholder of record, you may not vote these shares in person at the meeting unless you obtain a legal proxy from the broker, trustee or nominee that holds your shares giving you the right to vote the shares at the meeting. Your broker, trustee or nominee has enclosed or provided voting instructions for you to use in directing the broker, trustee or nominee how to vote your shares.

Q: How can I attend the annual meeting?

A: You are entitled to attend the annual meeting only if you were a Seaspan shareholder as of the close of business on the record date or you hold a valid proxy for the annual meeting. You should be prepared to present photo identification for admittance to the annual meeting. In addition, if you are a shareholder of record, your name will be verified against the list of shareholders of record on the record date prior to your being admitted to the annual meeting. If you are not a shareholder of record but hold shares through a broker, trustee or nominee (i.e., in street name), you should provide proof of beneficial ownership on the record date, such as your most recent account statement prior to the record date, a copy of the voting instruction card provided by your broker, trustee or nominee, or other similar evidence of ownership. If you do not provide photo identification or comply with the procedures outlined above upon request, you will not be admitted to the annual meeting. The meeting is scheduled to begin promptly at 2:00 p.m. (Hong Kong Time) at the offices of Mayer Brown JSM, located at 18/F, Prince s Building, 10 Chater Road, Central, Hong Kong, China.

Q: How can I vote my shares in person at the annual meeting?

A: Shares held in your name as the shareholder of record may be voted in person at the annual meeting. Shares held beneficially in street name may be voted in person only if you obtain a legal proxy from the broker,

Table of Contents

trustee or nominee that holds your shares giving you the right to vote the shares. Even if you plan to attend the annual meeting, we recommend that you also submit your proxy or voting instructions as described below so that your vote will be counted if you later decide not to attend the meeting.

Q: How can I vote my shares without attending the annual meeting?

A: Whether you hold shares directly as the shareholder of record or beneficially in street name, you may direct how your shares are voted without attending the meeting. Holders of record of our common shares and Series F Preferred Shares may submit proxies by completing, signing and dating their proxy cards and mailing them in the enclosed envelopes or via the Internet as directed on the proxy card. Our shareholders who hold shares beneficially in street name may vote by completing, signing and dating the voting instruction cards provided and mailing them in the enclosed envelopes or via the Internet as directed on the proxy card, or otherwise as directed in the voting instruction card provided by your broker, trustee or nominee.

Q: Can I change my vote?

A: You may change your vote at any time prior to the vote at the annual meeting. If you are the shareholder of record, you may change your vote by granting a new proxy bearing a later date (which automatically revokes the earlier proxy), by providing a written notice of revocation to our Secretary by mail received prior to your shares being voted or by attending the annual meeting and voting in person. Attendance at the meeting will not cause your previously granted proxy to be revoked unless you specifically so request. For shares you hold beneficially in street name, you may change your vote by submitting new voting instructions to your broker, trustee or nominee, or, if you have obtained a legal proxy from your broker or nominee giving you the right to vote your shares, by attending the meeting and voting in person.

Q: Is my vote confidential?

A: Proxy instructions, ballots and voting tabulations that identify individual shareholders are handled in a manner that protects your voting privacy. Your vote will not be disclosed either within Seaspan or to third parties, except (1) as necessary to meet applicable legal requirements, (2) to allow for the tabulation of votes and certification of the vote and (3) to facilitate a successful proxy solicitation. Occasionally shareholders provide written comments on their proxy card, which are then forwarded to our management.

Q: How many shares must be present or represented to conduct business at the annual meeting?

A: A quorum is required for our shareholders to conduct business at the annual meeting. The presence at the meeting, in person or by proxy, of the holders of shares having a majority of the voting power represented by all outstanding shares entitled to vote on the record date will constitute a quorum, permitting us to conduct the business of the meeting. Proxies received but marked as abstentions, if any, will be included in the calculation of the number of shares considered to be present at the meeting for quorum purposes. If less than a quorum is present, a majority of those shares present either in person or by proxy shall have power to adjourn the meeting until a quorum is present.

Q: How are votes counted?

A: In the election of directors, you may vote FOR all of the nominees or your vote may be WITHHELD with respect to one or more of the nominees. For the other items of business, you may vote FOR, AGAINST or ABSTAIN. If you ABSTAIN, the abstention has the same effect as a vote AGAINST.

Edgar Filing: Seaspan CORP - Form 6-K

If you provide specific instructions for a given item, your shares will be voted as you instruct on such item. If you sign your proxy card or voting instruction card without giving specific instructions, your shares will be voted in accordance with the recommendations of the Board (i.e., FOR our nominees to the Board, FOR ratification of the independent auditors and in the discretion of the proxy holders on any other matters that properly come before the meeting).

Table of Contents

If your broker holds your shares in its name (or street name), the broker is permitted to vote your shares on discretionary matters, even if it does not receive voting instructions from you. The proposal to ratify the appointment of KPMG LLP, Chartered Professional Accountants, as Seaspan's independent auditors for the fiscal year ending December 31, 2017, is the only discretionary matter proposed for action at the annual meeting. If you hold shares beneficially in street name and do not provide your broker with voting instructions on any of the remaining non-discretionary matters, your shares may constitute broker non-votes. In tabulating the voting result for any particular proposal, shares that constitute broker non-votes are not considered entitled to vote on that proposal. Thus, broker non-votes will not affect the outcome of the election of directors, assuming that a quorum is obtained.

Q: What is the voting requirement to approve each of the proposals?

A: In the election of directors, the eight persons receiving the highest number of FOR votes at the annual meeting will be elected. The proposal to ratify the appointment of KPMG LLP as our independent auditors for the fiscal year ending December 31, 2017 requires the affirmative FOR vote of a majority of those shares present in person or represented by proxy and entitled to vote on that proposal at the annual meeting.

Q: Is cumulative voting permitted for the election of directors?

A: No. We do not allow you to cumulate your vote in the election of directors. For all matters proposed for shareholder action at the annual meeting, all common shares and Series F Preferred Shares outstanding as of the close of business on the record date will be entitled to vote together. Each common share outstanding as of the close of business on the record date is entitled to one vote. Each Series F Preferred Share outstanding as of the close of business on the record date is entitled to one vote for each whole vote that the holder of such Series F Preferred Shares would be entitled to cast had such holder converted all of its Series F Preferred Shares into common shares as of the date immediately prior to the record date. As of the record date, the holders of Series F Preferred Shares were entitled to 7,777,777 votes in the aggregate.

Q: What happens if additional matters are presented at the annual meeting?

A: Other than the two items of business described in this proxy statement, we are not aware of any business to be acted upon at the annual meeting. If you grant a proxy, the persons named as proxyholders, Gerry Wang, David Spivak and Mark Chu, or any of them, will have the discretion to vote your shares on any additional matters properly presented for a vote at the meeting. If for any unforeseen reason any of our nominees is not available as a candidate for director, the persons named as proxyholder will vote your proxy for such candidate or candidates as may be nominated by the Board, unless the Board chooses to reduce the number of directors serving on the Board.

Q: What should I do if I receive more than one set of voting materials?

A: You may receive more than one set of voting materials, including multiple copies of this proxy statement and multiple proxy or voting instruction cards. For example, if you hold your shares in more than one brokerage account, you may receive a separate voting instruction card for each brokerage account in which you hold shares. If you are a shareholder of record and your shares are registered in more than one name, you will receive more than one proxy card. Please complete, sign, date and return each proxy card and voting instruction card that you receive or follow the instructions on each card to vote via the Internet.

Table of Contents

Q: How may I obtain a separate set of voting materials?

A: If you share an address with another shareholder, you may receive only one set of the proxy statement unless you have provided contrary instructions. If you wish to receive a separate set of proxy materials now or in the future, you may contact us to request a separate copy of these materials at:

Secretary

Seaspan Corporation

Unit 2, 2nd Floor, Bupa Centre,

141 Connaught Road West,

Hong Kong China

Fax: +852-2540-1689

Similarly, if you share an address with another shareholder and have received multiple copies of our proxy materials, you may contact us as indicated above to request delivery of a single copy of these materials.

Q: Who will bear the cost of soliciting votes for the annual meeting?

A: We are making this solicitation and will pay the entire cost of preparing, assembling, printing, mailing and distributing these proxy materials and soliciting votes. In addition to the mailing of these proxy materials, the solicitation of proxies or votes may be made in person, by telephone or by electronic communication by our directors, officers and employees, who will not receive any additional compensation for such solicitation activities. Upon request, we will reimburse brokerage houses and other custodians, nominees and fiduciaries for forwarding proxy and solicitation materials to shareholders.

Q: Where can I find the voting results of the annual meeting?

A: We intend to announce preliminary voting results at the annual meeting and publish final results in a report on Form 6-K filed by us after the annual meeting.

Q: What is the deadline to propose actions for consideration at next year's annual meeting of shareholders or to nominate individuals to serve as directors?

A: You may submit proposals, including director nominations, for consideration at future shareholder meetings as indicated below.
Shareholder Proposals

For a shareholder proposal to be considered for inclusion in our proxy statement for the annual meeting next year, the written proposal must be received by our Secretary at the address set forth below no later than December 21, 2017. Such proposals also will need to comply with our bylaws provisions regarding business to be brought before a shareholder meeting. Proposals should be sent by mail or fax addressed to:

For a shareholder proposal that is not intended to be included in our proxy statement as described above, the shareholder must deliver a proxy statement and form of proxy to holders of a sufficient number of our common shares (including any common shares issuable upon conversion of our outstanding Series F Preferred Shares) to approve that proposal, provide the information required by our bylaws and give timely notice to our Secretary in accordance with the bylaws, which, in general, require that the notice be received by our Secretary not less than 90 days nor more than 120 days prior to the first anniversary date of the date on which we first mailed the proxy materials for the previous year's annual meeting of shareholders.

Nomination of Director Candidates

You may propose director candidates for consideration by the Board in determining nominees for election at the annual shareholder meeting in 2018. Any such recommendation should include the nominee's name and qualifications for Board membership and should be directed to our Secretary at the address set forth above. Our bylaws permit shareholders to nominate directors for election at an annual shareholder meeting. To nominate a director, the shareholder must deliver a proxy statement and form of proxy to holders of a sufficient number of our common shares (including common shares issuable upon conversion of our outstanding Series F Preferred Shares) to elect such nominee and provide the information required by Seaspan's bylaws. In addition, the shareholder must give timely notice to our Secretary in accordance with the bylaws, which, in general, require that the notice be received by the Secretary not less than 90 days nor more than 120 days prior to the anniversary date of the immediately preceding annual meeting of shareholders. Accordingly, the deadline for receipt of notice is January 22, 2018.

Copy of Bylaws Provisions

You may contact our Secretary at the address set forth above for a copy of the relevant provisions in our bylaws regarding the requirements for making shareholder proposals and nominating director candidates.

CORPORATE GOVERNANCE PRINCIPLES AND BOARD MATTERS

We are committed to sound corporate governance principles. These principles contribute to our business success and are essential to maintaining our integrity in the marketplace. Our Corporate Governance Guidelines and Code of Business Conduct and Ethics are available under "Corporate Governance" in the Investor Relations section of our website at www.seaspancorp.com.

Board Practices

General

The Board consists of eight members. Each member is elected to hold office until the next succeeding annual meeting of shareholders and until such director's successor is elected and has been qualified. The co-chairmen of the Board are Gerry Wang and Kyle R. Washington. The deputy chairman of the Board is Peter S. Shaerf.

The Board has determined that each of the current members and nominees for election as members of the Board, other than Kyle R. Washington, Gerry Wang and Graham Porter, has no material relationship with us, either directly or as a partner, shareholder or officer of an organization that has a relationship with us, and is, therefore, independent from management.

Committees

The Board currently has the following three committees: audit committee, compensation committee, and governance and conflicts committee. The membership of the committees during 2016 and the function of each of the committees are described below. Each of our committees operates under a written charter adopted by the Board. All of the committee charters are available under "Corporate Governance" in the Investor Relations section of our website at www.seaspancorp.com.

During 2016, the Board held nine meetings, the audit committee held four meetings, the compensation committee held four meetings and the governance and conflicts committee held 20 meetings. The governance and conflicts committee was actively involved in business and strategic matters over the course of 2016.

The audit committee of the Board is composed entirely of directors who currently satisfy applicable New York Stock Exchange (NYSE) and SEC audit committee independence standards. In 2016, the audit committee members were Nicholas Pitts-Tucker (chair), John C. Hsu and Peter S. Shaerf. All members of the committee are financially literate, and the Board determined that Mr. Pitts-Tucker qualifies as a financial expert. The audit committee assists the Board in fulfilling its responsibilities for general oversight of: (1) the integrity of our consolidated financial statements; (2) our compliance with legal and regulatory requirements; (3) the independent auditors' qualifications and independence; and (4) the performance of our internal audit function and independent auditors.

The compensation committee of the Board is composed entirely of directors who satisfy applicable NYSE independence standards. The compensation committee consists of John C. Hsu (chair), Nicholas Pitts-Tucker and Peter S. Shaerf. The compensation committee: (1) reviews, evaluates and approves our agreements, plans, policies and programs to compensate our officers and directors; (2) produces a report on executive compensation, which is included in our proxy statement; (3) otherwise discharges the Board's responsibilities relating to the compensation of our officers and directors; and (4) performs such other functions as the Board may assign to the committee from time to time.

The governance and conflicts committee of the Board consists of Peter S. Shaerf (chair), Harald H. Ludwig, David Lyall and Nicholas Pitts-Tucker. The governance and conflicts committee (1) assists the Board with

Table of Contents

corporate governance practices, evaluating director independence and conducting periodic performance evaluations of the members of the Board and (2) reviews and, if appropriate, approves transactions between us and our directors, our officers and other related parties involving potential conflicts of interest. Each member of the committee satisfies applicable NYSE and SEC audit committee independence standards.

The report of the compensation committee is included beginning on page 14 of this proxy statement and the report of the audit committee is included on page 23.

Exemptions from NYSE Corporate Governance Rules

As a foreign private issuer, we are exempt from certain corporate governance rules that apply to U.S. domestic companies under NYSE listing standards. The significant ways in which our corporate governance practices differ from those followed by U.S. domestic companies are that (1) we are not required to obtain shareholder approval prior to the adoption of equity compensation plans or certain equity issuances, including, among others, issuing 20% or more of our outstanding common shares or voting power in a transaction and (2) the Board, rather than a separate nominating committee of independent directors, evaluates and approves our director nominees.

Unlike domestic companies listed on the NYSE, foreign private issuers are not required to have a majority of independent directors and the standard for independence applicable to foreign private issuers may differ from the standard that is applicable to domestic issuers. The Board has determined that five of our current eight directors (being John C. Hsu, Harald H. Ludwig, David Lyall, Nicholas Pitts-Tucker and Peter S. Shaerf) satisfy the NYSE's independence standards for domestic companies.

U.S. domestic companies are required to have a compensation committee and a nominating and corporate governance committee, each comprised entirely of independent directors. Although as a foreign private issuer these rules do not apply to us, we have a compensation committee that consists of three directors and a governance and conflicts committee that consists of four directors, all of whom satisfy applicable NYSE standards for independence for domestic companies.

Consideration of Director Nominees

Shareholder Nominees

The Board will consider properly submitted shareholder nominations for Board candidates. In evaluating these nominations, the Board considers, among other things, the balance of reputation, knowledge, experience, diversity of viewpoints, background, experience and other demographics and capability on the Board. Any shareholder nominations proposed for consideration by the Board should include the nominee's name and qualifications for Board membership as required by our bylaws and should be mailed or faxed, addressed to:

**REPORT OF THE COMPENSATION COMMITTEE
OF THE BOARD OF DIRECTORS ON EXECUTIVE COMPENSATION**

Our executive compensation program is administered by the compensation committee of the Board.

Executive Compensation Philosophy

The compensation committee is responsible for reviewing and evaluating the executive compensation of our chief executive officer, our chief financial officer and other senior officers, and our directors. Generally, the goals of our compensation program are to:

attract, retain and motivate a high-caliber executive leadership team;

pay competitively and consistently within an appropriately defined market;

align executive compensation with shareholder interests; and

link compensation to our performance and the individual performance of our executive officers and directors.

Executive Compensation Practices

Each year, we survey the executive compensation practices of our industry peer groups. The level of executive compensation will be commensurate with our performance both within and outside our peer group.

Components of Executive Compensation

Base Pay

Base pay is baseline cash compensation and is determined by the competitive market and individual performance. The base pay for our chief executive officer for 2016 was established by an employment agreement between us and Gerry Wang. For more information about our employment agreement with Mr. Wang, please read **Item 7. Major Shareholders and Related Party Transactions B. Related Party Transactions Employment Agreement with Gerry Wang** in our 2016 Annual Report on Form 20-F. The base pay for our other executive officers is established by various letter agreements between each officer and our subsidiary SSML.

Annual Bonus

Our annual bonus program for our executive officers focuses on matching reward with the individual's performance and our financial performance in the fiscal year through comparison to established targets and the financial performance of peer companies. The bonus has included in the past phantom share units and may include cash compensation, which will be evaluated and determined by the compensation committee in conjunction with the chief executive officer. Mr. Wang's employment agreement with us provides that he will receive an annual target performance bonus. For more information about our employment agreement with Mr. Wang, please read **Item 7. Major Shareholders and Related Party Transactions B. Related Party Transactions Employment Agreement with Gerry Wang** in our 2016 Annual Report on Form 20-F.

Equity Incentive Plan

The Plan is intended to promote our interests by encouraging employees, consultants and directors to acquire or increase their equity interest in us and to provide a means whereby they may develop a sense of proprietorship and personal involvement in our development and financial success, and to encourage them to remain with and devote their best efforts to our business, thereby advancing our interests and the interests of our shareholders. The Plan is also intended to enhance our ability to attract and retain the services of individuals who are essential for our growth and profitability.

No other fees for 2016 or 2015 were paid to our principal accountants.

The audit committee has the authority to pre-approve permissible audit-related and non-audit services not prohibited by law to be performed by our independent auditors and associated fees. Engagements for proposed services either may be separately pre-approved by the audit committee or entered into pursuant to detailed pre-approval policies and procedures established by the audit committee, as long as the audit committee is informed on a timely basis of any engagement entered into on that basis. The audit committee separately pre-approved all engagements and fees paid to our principal accountant in 2016 and 2015.

REPORT OF THE AUDIT COMMITTEE OF THE BOARD OF DIRECTORS

The audit committee of the Board assists the Board in fulfilling its responsibilities for oversight of:

the integrity of our consolidated financial statements;

our compliance with legal and regulatory requirements;

the independent auditors' qualifications and independence; and

the performance of our internal audit function and independent auditors.

The audit committee manages our relationship with our internal auditors and our independent auditors, who both report directly to the audit committee. The audit committee has the authority to obtain advice and assistance from outside legal, accounting or other advisors as the audit committee deems necessary to carry out its duties and to receive appropriate funding, as determined by the audit committee, from us for such advice and assistance.

Our management has primary responsibility for preparing our consolidated financial statements and for our financial reporting process. Our independent auditors, KPMG LLP, Chartered Professional Accountants, are responsible for expressing an opinion on the conformity of our audited consolidated financial statements with accounting principles generally accepted in the United States.

In this context, the audit committee reports as follows:

- (1) The audit committee reviewed and discussed the audited consolidated financial statements for 2016 with our management.
- (2) The audit committee discussed with the independent auditors the matters required to be discussed by Statement of Auditing Standards No. 1301, as adopted by the U.S. Public Company Accounting Oversight Board, as amended or modified.
- (3) The audit committee has received the letter and written disclosures from the independent auditors required by the Public Company Accounting Oversight Board and has discussed the matter of independence with the independent auditors.
- (4) Based on the review and discussions referred to in paragraphs 1 through 3 above, the audit committee has recommended to the Board, and the Board has approved, that our audited consolidated financial statements be included in our 2016 Annual Report on Form 20-F, for filing with the SEC.

The undersigned members of the audit committee have submitted this Report of the Audit Committee to the Board.
