General information

How it works. The Board of Directors of the Company is soliciting shareholders' proxies in connection with the Annual Meeting of Shareholders to be held at 2 Manhattanville Road, Conference Room 2, First Floor, Purchase, New York 10577, on Wednesday, May 3, 2017 at 10:00 a.m. EDT. Only shareholders of record at the close of business on March 9, 2017 may vote at the Annual Meeting. As of March 9, 2017, there were 134,822,054 shares of our common stock (which is our only class of voting stock) outstanding and eligible to be voted. Treasury shares are not voted. Each shareholder has one vote for each share of MBIA common stock owned on the record date for all matters being voted on at the Annual Meeting.

A quorum is constituted by the presence, in person or by proxy, of holders of our common stock representing a majority of the number of shares of common stock entitled to vote. Abstentions and broker non-votes will be considered present to determine the presence of a quorum.

Voting. If you hold shares in more than one account (e.g., you are a shareholder of record, own shares in the Company's 401(k) Plan or Non-Qualified Retirement Plan, and beneficially own shares in one or more personal brokerage accounts, or any combination of the foregoing), you may receive more than one Notice and/or proxy card. Accordingly, in order to vote all of your shares, you will need to vote more than once by following the instructions on each of the items you receive.

You may vote using the following methods:

Internet. You may vote on the Internet up until 11:59 PM Eastern Time the day before the meeting by going to the website for Internet voting on the Notice or proxy card (www.proxyvote.com) and following the instructions on the website. Have your Notice or proxy card available when you access the web page. If you vote over the Internet, you should not return your proxy card.

Telephone. If you received your proxy materials by mail, or if you received a Notice and requested a paper copy of the materials, you may vote by telephone by calling the toll-free telephone number on your proxy card (1-800-690-6903), 24 hours a day up until 11:59 PM Eastern Time the day before the Annual Meeting, and following the prerecorded instructions. Have your proxy card available when you call. If you vote by telephone, you should not return your proxy card. Notice recipients should first visit the Internet site listed on the Notice to review the proxy materials before voting by telephone.

Mail. If you received your proxy materials by mail, or if you received a Notice and requested a paper copy of the materials, you may vote by mail by marking your proxy card, dating and signing it, and returning it in the postage-paid envelope provided or as directed on the voting instruction form so that it arrives before the Annual Meeting.

In Person. You may vote your shares in person by attending the Annual Meeting and submitting your proxy at the meeting. If your shares are held in the name of a bank, broker or other holder of record (i.e., your shares are held in street name), you must obtain a legal proxy executed in your favor from the holder of record and bring it to the Annual Meeting in order to vote at the Annual Meeting.

You can revoke your proxy at any time before the Annual Meeting or when prompted during the Annual Meeting. If your shares are held in street name, you must follow the instructions of your broker to revoke your voting instructions. If you are a holder of record and wish to revoke your proxy instructions, you must advise the Secretary in writing before the proxies vote your common stock at the meeting, deliver later-dated proxy instructions, or attend the meeting and vote your shares in person. Unless you decide to attend the meeting and vote your shares in person after you have submitted voting instructions, we recommend that you revoke or amend your prior instructions in the same way you initially gave them—that is, by Internet, telephone, or mail. This will help to ensure that your shares are voted the way you have finally determined you wish them to be voted.

All shares that have been voted properly by an unrevoked proxy will be voted at the Annual Meeting in accordance with your instructions. If you sign and submit your proxy card, but do not give voting instructions, the shares represented by that proxy will be voted as our Board recommends.

If your shares are held in street name, you may receive voting instructions from the holder of record. If you do not provide voting instructions to your broker, your shares will not be voted on any proposal on which your broker does not have discretionary authority to vote. Brokers do not have discretionary authority to vote on the election of Directors (Proposal 1), the advisory vote on NEO compensation (Proposal 2), the advisory vote on the frequency of future advisory NEO compensation votes (Proposal 3) or the vote to approve the performance goals in the MBIA Inc. 2005 Omnibus Incentive Plan, as amended (Proposal 4). **Please instruct your broker so your votes can be counted.**

Board of Directors corporate governance

The Board of Directors and its committees

The Board of Directors supervises the overall affairs of the Company. To assist it in carrying out these responsibilities, the Board has delegated authority to the four regular committees described below. The Board of Directors met five times in regular sessions during 2016. In addition to its regular sessions, the Board met one time in special session during 2016. The Board of Directors has regularly scheduled non-management Director meetings. Pursuant to the MBIA Inc. Board Corporate Governance Practices, each Director is expected to attend at least 75% of all Board meetings and committee meetings of which that Director is a member, on a combined basis. All of the Directors met this requirement in 2016, except for Mr. Coulter, who attended at least 66% of all Board and Committee meetings of which he was a member, due to the meetings he did not attend on the day of the 2016 Annual Meeting, at which he did not stand for re-election. The MBIA Inc. Board Corporate Governance Practices can be found on the Company's website, www.mbia.com, under the Ethics and Governance link, and are available in print to any shareholder who requests a copy by writing to Shareholder Information at MBIA Inc., 1 Manhattanville Road, Suite 301, Purchase, New York 10577. Pursuant to the MBIA Inc. Board Corporate Governance Practices, Directors are required to attend annual shareholder meetings, barring unusual circumstances. The 2016 Annual Meeting was attended by each of the Company's Directors.

Regular Board committees. Each regular Board committee has a charter, which can be found on the Company's website, www.mbia.com, under the Ethics and Governance link, and is available in print to any shareholder who requests a copy by writing to Shareholder Information at MBIA Inc., 1 Manhattanville Road, Suite 301, Purchase, New York 10577. The committees are described below.

Executive Committee. The Executive Committee, which at year-end consisted of Messrs. Rinehart (Chair), Brown, Gilbert, Shasta and Vaughan, did not meet during 2016. Mr. Coulter served as a member of the Committee until May 3, 2016 at which time Mr. Gilbert was appointed a member of the Committee. This Committee is authorized to exercise powers of the Board during intervals between Board meetings, subject to limitations set forth in the By-Laws of the Company and the Committee's Charter.

Finance and Risk Committee. The Finance and Risk Committee, which at year-end consisted of Messrs. Vaughan (Chair), Chin, Curry, Gilbert and Shasta and Ms. Scott, met four times in regular sessions during 2016. Ms. Scott and Mr. Chin were each appointed a member of the Committee on May 3, 2016 and November 3, 2016, respectively. This Committee assists the Board in monitoring the Company's (i) proprietary investment portfolios, (ii) capital and liquidity, (iii) exposure to changes in market value of assets and liabilities, (iv) credit exposures in the insured portfolios, and (v) financial risk management policies and procedures, including regulatory requirements and limits.

Compensation and Governance Committee. The Compensation and Governance Committee (the Compensation Committee), which at year-end consisted of Mr. Gilbert (Chair), Ms. Bruce and Messrs. Chin, Curry and Rinehart, met five times in regular sessions during 2016. Mr. Coulter served as Chair and as a member of the Committee until May 3, 2016, at which time Mr. Gilbert was appointed Chair of the Committee. Mr. Chin was appointed a member of the Committee on November 3, 2016. In accordance with the Compensation Committee Charter, the provisions of Rule 10C-1(b)(1) of the Securities Exchange Act of 1934, as amended (the Exchange Act), and the listing standards of the New York Stock Exchange (the NYSE), the Board of Directors has affirmatively determined that each of the Compensation Committee members is independent. As part of its specific role, the Compensation Committee is responsible for (i) setting the overall compensation principles of the Company, (ii) overseeing executive compensation, (iii) reviewing the Company's compensation and benefits program, (iv) overseeing the retention of the Committee's advisers, (v) overseeing significant organizational and personnel matters, (vi) determining the membership, size and composition of the Board, (vii) setting Directors' compensation, (viii) selecting Directors to serve on the Board committees, and (ix) developing corporate governance principles and practices. The Board approves the CEO's compensation level and approves the recommendations of the Compensation Committee for the other NEOs' compensation levels. Since 2005, the Compensation Committee has retained compensation consulting firms to assist and advise it in conducting reviews of the Company's compensation plans for appropriateness and to assess the competitiveness of the Company's compensation levels relative to market practice.

Compensation and Governance Committee interlocks and insider participation. No member of the Compensation Committee has ever been an officer or employee of the Company or any of its subsidiaries. During 2016, no

Table of Contents

NEO served as a Director or member of the compensation committee (or other committee serving an equivalent function) of any other entity, one of whose executive officers is or has been a Director of the Company or a member of the Company's Compensation Committee.

Audit Committee. The Audit Committee, which at year-end consisted of Mr. Shasta (Chair), Mses. Bruce and Scott and Messrs. Rinehart and Vaughan, met five times in regular sessions during 2016. In accordance with the Audit Committee Charter and the listing standards of the NYSE, each of the Audit Committee members is independent. In addition, the Board has designated Messrs. Rinehart, Shasta and Vaughan and Ms. Scott as the audit committee financial experts (as defined under applicable Securities and Exchange Commission (SEC) rules) on the Audit Committee. This Committee assists the Board in monitoring the (i) integrity of the financial statements of the Company and of other material financial disclosures made by the Company, (ii) qualifications and independence of the Company's independent auditor, (iii) performance of the Company's internal audit function and independent auditor, (iv) Company's compliance policies and procedures and its compliance with legal and regulatory requirements, and (v) performance of the Company's operational risk management function.

Process for Director searches

Potential Director nominees are selected in light of the Board's needs at the time of recommendation. The Compensation Committee assesses potential nominees on various criteria, such as relevant business and other skills and experience, personal character and judgment and diversity of experience. The Compensation Committee also considers the ability of potential nominees to devote significant time to Board activities. The independence and financial literacy of potential nominees, as well as their knowledge of and familiarity with the Company's businesses, are additional considerations in the Compensation Committee's selection process.

The Compensation Committee uses both referrals and third-party search firms to assist in identifying and evaluating potential nominees for election as directors. Mr. Chin, who was elected to the Board in 2016, was recruited through a referral without the use of a third-party search firm. Potential candidates are first reviewed and evaluated by the Chair of the Compensation Committee. If the Chair of the Compensation Committee concludes that a candidate merits further consideration, then one or more other members of the Compensation Committee designated by the Chair will interview the candidate and decide whether the candidate should be interviewed by other board members. Potential nominees are then interviewed by all of the other members of the Compensation Committee, the Chairman of the Board and by the CEO prior to any recommendation to the Board that the potential nominee be nominated or elected as a director by the Board.

The MBIA Inc. Board Corporate Governance Practices provide that Director candidates may be identified by the Company's Board of Directors or a corporate shareholder. Shareholders may recommend a potential nominee by sending a letter to the Company's Corporate Secretary at MBIA Inc., 1 Manhattanville Road, Suite 301, Purchase, New York 10577. No potential nominees were recommended by shareholders in 2016.

Consideration of Board diversity. The MBIA Inc. Board Corporate Governance Practices include guidelines for selecting Directors. Under the Board Corporate Governance Practices, in selecting nominees for the Board, the Board seeks a combination of active or former senior business executives of major complex businesses (from different industry sectors), leading academics, and individuals with substantial records of business achievement, government service or other leadership roles in the not-for-profit sector, including individuals with specific knowledge and experience relevant to the Company's business. These guidelines for selecting candidates for nomination to the Board promote diversity among the Directors, and the Compensation Committee and the Board evaluate the composition of the Board in order to assess the effectiveness of the guidelines. The results of these evaluations inform the process for identifying candidates for nomination to the Board.

Board leadership structure

The offices of Chairman of the Board and CEO of the Company are separate. The Chairman is responsible for presiding over meetings of the Board and the Company's shareholders and performing such other duties as directed by the Board. The CEO is responsible for formulating policy and strategic direction for the Company and executing the Company's business plan and strategy under plans approved by the Board, providing management of the Company's day-to-day operations, hiring, directing and retaining senior management, serving as spokesperson for the Company and performing such other duties as directed by the Board or required by law.

Table of Contents

Given that the roles of CEO and Chairman are well defined, the Board does not believe there is a risk of confusion or duplication between the two positions.

Board and Board committee roles in risk oversight

The Board and its committees oversee various risks faced by the Company and its subsidiaries. The Board regularly evaluates and discusses risks associated with strategic initiatives, and the CEO's risk management performance is one of the criteria used by the Board in evaluating the CEO. On an annual basis, the Board also evaluates and approves the Company's Risk Management and Tolerance Policy. The purpose of the Risk Management and Tolerance Policy is to set the policy that defines the risks the Company is willing to accept in pursuit of its goal of optimizing long term risk adjusted value for shareholders. The Board's Audit Committee and its Finance and Risk Committee also play an important role in overseeing different types of risks.

The Audit Committee oversees risks associated with financial and other reporting, auditing, legal and regulatory compliance, and risks that may otherwise result from the Company's operations, including risks associated with cyber intrusions. The Audit Committee oversees these risks by monitoring (i) the integrity of the financial statements of the Company and of other material financial disclosures made by the Company, (ii) the qualifications and independence of the Company's independent auditor, (iii) the performance of the Company's internal audit function and independent auditor, (iv) the Company's compliance policies and procedures and its compliance with legal and regulatory requirements, and (v) the performance of the Company's operational risk management function.

The Finance and Risk Committee oversees the Company's credit risk governance framework, market risk, liquidity risk and other material financial risks. The Finance and Risk Committee oversees these risks by monitoring the Company's (i) proprietary investment portfolios, (ii) capital and liquidity, (iii) exposure to changes in the market value of assets and liabilities, (iv) credit exposures in the insured portfolios, and (v) financial risk management policies and procedures, including regulatory requirements and limits. The Finance and Risk Committee's responsibilities help manage risks associated with the Company's investment and insured portfolios, liquidity and lines of business.

At each regular meeting of the Board, the Chairs of each of these committees report to the full Board regarding the meetings and activities of the committee.

Shareholder communications

Shareholders or interested parties wishing to communicate with our Chairman or with the non-management Directors as a group may do so by submitting a communication in a confidential envelope addressed to the Chairman or the non-management Directors, in care of the Company's Corporate Secretary, 1 Manhattanville Road, Suite 301, Purchase, New York 10577.

Company Standard of Conduct

The Company has adopted a Standard of Conduct that applies to all Directors and employees, including the Chief Executive Officer, Chief Financial Officer and Controller, and certain third parties. The Standard of Conduct, which also constitutes a code of ethics as that term is defined in Item 406(b) of Regulation S-K, can be found on the Company's website, www.mbia.com, under the [Ethics and Governance](#) link, and is available in print to any shareholder who requests a copy by writing to Shareholder Information at MBIA Inc., 1 Manhattanville Road, Suite 301, Purchase, New York 10577. The Company intends to satisfy the disclosure requirements of Form 8-K regarding an amendment to, or waiver from, an element of its code of ethics enumerated in Item 406(b) of Regulation S-K by posting such information on the Company's website, www.mbia.com, under the [Ethics and Governance](#) link.

Independent Directors' compensation

Directors' retainer and meeting fees. In 2016, the Company paid Directors who are not Executive Officers an annual retainer fee of \$75,000 plus an additional \$2,000 for attendance at each Board meeting and each meeting of each committee on which they served (and \$1,000 for each special telephonic meeting). The Company also paid each Committee Chair an annual Committee Chair retainer of \$25,000. The Chairman is paid an additional retainer of \$125,000. New Directors are paid a fee of \$2,000 for each day of orientation.

Table of Contents

An eligible Director may elect annually to receive retainer and meeting fees either in cash or in shares of common stock on a quarterly basis with no deferral of income, or to defer receipt of all or a portion of such compensation until a time following termination of such Director's service on the Board. A Director electing to defer compensation may choose to allocate deferred amounts to either a hypothetical investment account (the Investment Account), or a hypothetical share account (the Share Account), which have been set up to credit such deferred payments. Such deferral elections are made under the MBIA Inc. 2005 Non-employee Director Deferred Compensation Plan (the Plan).

Amounts allocated to the Investment Account are credited to a hypothetical money market account. Amounts allocated to the Share Account are converted into share units with each such unit representing the right to receive a share of common stock at the time or times distributions are made under the Plan. Dividends are paid as stock units each quarter if applicable. Distributions of amounts allocated to the Share Account are made in shares of common stock.

Directors' restricted stock grants. In addition to the annual cash fees payable to Directors for 2016, the Company also granted Directors an award of restricted stock in 2016 with a value of \$100,000 at the time of grant. New Directors elected to the Board also receive a one-time grant of restricted stock with a value of \$100,000 at the time of grant. The Directors' restricted stock grants are awarded under the MBIA Inc. 2005 Omnibus Incentive Plan (the Omnibus Plan), which is a shareholder approved compensation plan.

In 2016, the Board of Directors approved a change in the restricted period for the Directors' restricted stock awards. Beginning with the May 2016 grant, such restricted stock award is subject to a one-year restricted period compared to the ten-year restricted period applicable to prior years' awards. The shortening of the restricted period is consistent with market norm and supports Director independence. The restricted stock granted to Directors is also subject to forfeiture restrictions and restrictions on transferability. The restricted period applicable to a restricted stock award will lapse and the shares of restricted stock will become freely transferable prior to the first anniversary of the date of the restricted stock grant upon the earlier of: (i) the death or disability of a participating Director, (ii) a change of control in the Company as defined in the Omnibus Plan, (iii) the Company's failure to nominate a participating Director for re-election, or (iv) the failure of the shareholders to elect a participant Director at any shareholders meeting. Unless otherwise approved by the Compensation Committee, if a participating Director leaves the Board for any reason other than the foregoing at any time prior to the first anniversary of the date of the restricted stock grant, all unvested shares will revert back to the Company. During the restricted period, a participating Director receives dividends, if applicable, with respect to, and may vote the restricted shares.
