ANNUAL MEETING OF SHAREHOLDERS

TO BE HELD TUESDAY, MAY 16, 2017

PROXY STATEMENT

Information about the Annual Meeting

General

This proxy statement is furnished to the shareholders of Bar Harbor Bankshares (the Company) in connection with the solicitation of proxies on behalf of the Board of Directors (or the Board) for use at the Annual Meeting. The Annual Meeting will be held on Tuesday, May 16, 2017, at 11:00 a.m. EDT at the Bar Harbor Club located at 111 West Street in Bar Harbor, Maine. The official *Notice of the Annual Meeting of Shareholders* accompanies this Statement. A *Form of Proxy* for use at the meeting or to vote in advance and a return envelope for the proxy are enclosed.

The Notice of Annual Meeting, proxy statement, and proxy card were first mailed to the Company s shareholders on or about April 7, 2017 to solicit proxies for the Annual Meeting.

In absence of specific instructions to the contrary, shares represented by properly executed proxies received by the Company, including unmarked proxies, will be voted **FOR** Proposals 1, 2 and 4 and **EVERY YEAR** in Proposal 3. Except for procedural matters incidental to the conduct of the Annual Meeting, the Board does not know of any matters other than those described in the Notice of Annual Meeting of Shareholders that are to come before the Annual Meeting. If any other matters are properly brought before the Annual Meeting, the persons named in the proxy will vote the shares represented by such proxy on such matters as determined by a majority of the Board.

Record Date; Quorum

Only shareholders of record as of March 22, 2017 will be entitled to notice of, to attend, and to vote at, the Annual Meeting. As of the Record Date, 15,384,660¹ shares of the Company s common stock, \$2.00 par value, were outstanding and entitled to vote at the Annual Meeting. The presence at the Annual Meeting, either in person or by proxy, of the holders of not less than a majority of the shares entitled to vote at any meeting will constitute a quorum. If there is no quorum, the holders of a majority of shares present at the Annual Meeting in person or represented by proxy may adjourn the Annual Meeting to another date.

Voting Rights

Each share is entitled to cast one vote for each matter to be voted on at the Annual Meeting. Cumulative voting is not permitted.

Required Vote

Proposal 1: Election of Directors. Directors are elected by a plurality of the votes cast by the shares entitled to vote in the election at a meeting at which a quorum is present.

Proposal 2: Approval of a Non-binding Advisory Resolution on the Compensation of the Named Executive Officers. The approval of this proposal will require that a majority of votes cast at the Annual Meeting by the holders of shares present in person or represented by proxy and entitled to vote be cast **FOR** this proposal.

¹ Reflects post-split estimate.

Table of Contents

Proposal 3: Non-binding, Advisory Vote Regarding the Frequency of Voting on the Compensation of the Named Executive Officers. The approval of this proposal will require that a majority of votes cast at the Annual Meeting by the holders of shares present in person or represented by proxy and entitled to vote be cast for **EVERY YEAR** .

Proposal 4: Ratification of Appointment of Independent Registered Public Accounting Firm. The approval of this proposal will require that a majority of votes cast at the Annual Meeting by the holders of shares present in person or represented by proxy and entitled to vote be cast **FOR** this proposal.

Effect of Broker Non-Votes and Abstentions

A broker non-vote occurs when a broker or other nominee holder, such as a bank, submits a proxy representing shares that another person actually owns, and that person has not provided specific voting instructions to the broker or other nominee holder. Brokers who hold their customers' shares in street name may, under the applicable rules of the exchange and other self-regulatory organizations of which the brokers are members, sign and submit proxies for such shares and may vote such shares on routine matters, which typically include the ratification of the appointment of our independent registered public accounting firm. Proposals 1, 2 and 3 are considered non-routine and Proposal 4 is considered routine.

The inspector of election will treat abstentions and broker non-votes as shares that are present and entitled to vote for purposes of determining the presence of a quorum. Abstentions and broker non-votes, if they occur in connection with Proposals 1, 2, 3 and 4, will not, in the case of Proposals 1, 2, 3 and 4, be counted as votes and will have no effect on the proposals.

Voting Procedures

Voting by Mail. Shareholders can ensure that their shares are voted at the Annual Meeting by completing, signing, dating and mailing the enclosed proxy card in the enclosed, postage prepaid envelope.

Voting by Telephone or the Internet. If you choose to vote by telephone or the Internet, instructions to do so are set forth on the enclosed proxy card. If you vote by telephone or the Internet, you do not have to mail in your proxy card, but your vote must be received by the voting deadline set forth on the proxy card.

Voting in Person. You may attend the Annual Meeting and vote in person.

If your shares are held by a bank, broker, or other nominee, please follow the instructions provided with your proxy materials supplied by your bank or broker.

If you sign the proxy card, but do not make specific choices, the proxy will vote your shares **FOR** 1, 2 and 4, and **EVERY YEAR** in Proposal 3.

If any other matters are properly presented at the Annual Meeting, the proxy will be voted with respect to any such matter by the proxy holders in accordance with the recommendations of the Board. As of the date of this proxy statement, it is not anticipated that any matters will be presented at the Annual Meeting other than those set forth in the accompanying Notice of the Annual Meeting of Shareholders.

Revocability of Proxies

Edgar Filing: BAR HARBOR BANKSHARES - Form DEF 14A

Any shareholder who executes and delivers a proxy has the right to revoke it at any time before it is exercised. Revocation may be made prior to the Annual Meeting by (i) filing a written revocation with our Company Clerk, (ii) entering a new vote over the Internet or by telephone, (iii) by submitting a duly

Table of Contents

executed proxy card bearing a later date, or (iv) by revoking the proxy personally at the Annual Meeting prior to the voting of the proxy. If your shares are held in street name, you should follow the instructions of your broker, bank or nominee regarding the revocations of proxies.

Your personal attendance at the Annual Meeting does not revoke your proxy. Your last vote, prior to or at the Annual Meeting, is the vote that will be counted.

Solicitation of Proxies

Proxies are being solicited by the Board principally through the mail. The Board and management of the Company may also solicit proxies personally, or by telephone, e-mail, or facsimile transmission. The Company will bear the cost of soliciting proxies from its shareholders. In addition to using the mail, proxies may be solicited by personal interview, telephone, and electronic communication. The Company requests that bank, brokerage houses, other institutions, nominees, and fiduciaries forward their proxy soliciting material to their principals and obtain authorization for the execution of proxies. Officers and other employees of the Company and its wholly owned bank subsidiary, Bar Harbor Bank & Trust (BHBT), acting on the Company's behalf may solicit proxies personally. The Company may pay compensation for soliciting proxies, and will, upon request pay the standard charges and expenses of banks, brokerage houses, other institutions, nominees and fiduciaries for forwarding proxy materials to and obtaining proxies from their principals. In addition, the Company has engaged Alliance Advisors to assist in the solicitation of the proxies for a fee of \$18,760 plus reimbursement of customary expenses. The entire expense of solicitation which include the costs of preparing, assembling, and mailing the proxy materials will be borne by the Company.

Obtaining an Annual Report on Form 10-K

The Company will provide without charge upon the written request of any shareholder a copy of the proxy statement and our Annual Report on Form 10-K, including the financial statements and the financial statement schedules, required to be filed with the Securities and Exchange Commission (the SEC) for the fiscal year ended December 31, 2016. Requests should be directed to Bar Harbor Bankshares, Attn: Shareholder Relations, 82 Main Street, Bar Harbor, Maine 04609.

PROPOSAL 1

ELECTION OF DIRECTORS

At the Annual Meeting of Shareholders, 13 director-nominees will stand for election to serve until the 2018 Annual Meeting of Shareholders and until each director's successor is elected and qualified. Each director-nominee has consented to serve, and to the use of his or her name in this proxy statement. Twelve of the director-nominees currently serve on the Board with the exception of Leonard R. Cashman, who is a new director nominee this year. Our Amended and Restated Bylaws (the "Bylaws") provide that directors will not be nominated for election or re-election after their 72nd birthday, provided that the Board may nominate candidates over 72 years old for election or re-election for a single annual term for special circumstances as determined by the Board for the benefit of shareholders. Mrs. Shea and Mr. Lewis, directors of the Company since 2003 and 2005, respectively, will not stand for re-election this year pursuant to the age restriction contained in our Bylaws. The Board is nominating Mr. Cashman, 74 years old, pursuant to the one-time exception in the Bylaws with respect to the maximum age of directors. Mr. Cashman, who was a director at Lake Sunapee Bank Group ("LSBG") for nearly 20 years, will provide certain expertise with respect to integrating LSBG and the branches that will continue to operate under the Lake Sunapee Bank name as a division of Bar harbor Bank & Trust.

The Board has determined that all but one of the director-nominees are independent directors in accordance with applicable laws, regulations, and NYSE MKT LLC (hereinafter "NYSE MKT") listing requirements. The exception is director-nominee Curtis C. Simard, who currently serves as President and Chief Executive Officer ("CEO") of the Company. Mr. Simard is not a member of the Audit, Compensation, or Governance Committees. Although Stephen R. Theroux, former President and CEO of Lake Sunapee Bank Group, satisfies the definition of independent under the NYSE MKT regulations, the Board of Directors has not appointed him to the Audit Committee, Compensation Committee, or Governance Committee.

For additional information on each nominee, please see the section entitled "Directors and Executive Officers" located elsewhere in this proxy statement.

Vote Required

Directors will be elected by a plurality of the votes cast at the Annual Meeting by the holders of shares present, or represented by proxy and entitled to vote on the election of directors. Plurality means that the individuals who receive the largest number of **FOR** votes will be elected as directors. If you do not vote for a nominee, or you indicate **WITHHOLD** for any nominee on your proxy card, your vote will not count **FOR** or **AGAINST** the nominee. You may not vote your shares cumulatively in the election of directors. Brokers do not have discretionary authority to vote shares on this proposal without direction from the beneficial owner. Therefore, broker non-votes will have no effect on the vote.

Our Recommendation

THE BOARD UNANIMOUSLY RECOMMENDS THAT THE SHAREHOLDERS VOTE FOR THE ELECTION OF THE THIRTEEN PERSONS NOMINATED AS DIRECTORS IN THE PROXY.

PROPOSAL 2

NON-BINDING, ADVISORY RESOLUTION ON THE COMPENSATION

OF OUR NAMED EXECUTIVE OFFICERS

The Securities Exchange Act of 1934, as amended, (the Exchange Act) requires us to provide shareholders an opportunity to vote to approve, on a non-binding, advisory basis, the compensation of our named executive officers, referred to as NEOs, as disclosed in this proxy statement. This vote does not address any specific item of compensation, but rather the overall compensation of our NEOs and our compensation philosophy, policies and practices, as disclosed in this proxy statement. Shareholders requested through their 2011 vote to have the opportunity to express their opinion on the overall compensation program through this non-binding voting mechanism on an annual basis.

The Company s NEOs in this proxy statement are Curtis C. Simard, Josephine Iannelli, Richard B. Maltz, Gregory W. Dalton, Stephen M. Leackfeldt, and retired Chief Financial Officer Gerald Shencavitz. Mr. Leackfeldt has subsequently announced his retirement as of March 15, 2017. The compensation of our NEOs is disclosed in the Compensation Discussion and Analysis section, the summary compensation table, and the other related tables and narrative disclosure contained elsewhere in this proxy statement. As discussed in those disclosures, the Board believes that our executive compensation philosophy, policies, and procedures provide a strong link between each NEO s compensation and our short- and long-term performance. The objective of our executive compensation program is to provide compensation which is competitive based on our performance, and aligned with the long-term interests of our shareholders.

We are asking our shareholders to indicate their support of our NEOs compensation as described in this proxy statement. This proposal will be presented at the Annual Meeting as a resolution in substantially the following form:

RESOLVED, on an advisory basis, that the compensation paid to the Company s named executive officers, as disclosed pursuant to Item 402 of Regulation S-K, including the Compensation Discussion and Analysis section, compensation tables and narrative discussion, is hereby **APPROVED**.

Vote Required

The approval of the non-binding, advisory resolution on the compensation of our NEOs will require that a majority of the votes cast at the Annual Meeting by the holders of shares present in person or represented by proxy and entitled to vote be cast **FOR** this proposal. In addition, an abstention shall not constitute a vote cast and will have no effect on the vote. Brokers do not have discretionary authority to vote shares on this proposal without direction from the beneficial owner. Therefore, broker non-votes will have no effect on the vote.

Our Recommendation

THE BOARD UNANIMOUSLY RECOMMENDS THAT THE SHAREHOLDERS VOTE FOR THIS PROPOSAL.

Table of Contents

PROPOSAL 3

**NON-BINDING, ADVISORY VOTE REGARDING THE FREQUENCY OF VOTING ON THE
COMPENSATION OF THE NAMED EXECUTIVE OFFICERS**

Section 14A of the Exchange Act and the related rules of the SEC require the Company to permit, not less frequently than once every six years, a separate non-binding, advisory shareholder vote with respect to the frequency of voting on the compensation of the Company's NEOs. As an advisory vote, this proposal is not binding on the Company, the Board, or the Compensation Committee. However, the Compensation Committee and the Board value the opinions expressed by shareholders in their votes on this proposal and will consider the outcome of the vote when making future decisions regarding the frequency of conducting the advisory vote regarding the compensation of the Company's NEOs.

Our shareholders voted in 2011, in a similar advisory vote, in favor of the annual submission to the Company's compensation of its NEOs for approval on a non-binding basis, and our Board adopted this approach. The Board and Compensation Committee continue to believe that giving the Company's shareholders the right to cast an advisory vote every year on the compensation arrangements of the Company's NEOs is a good corporate governance practice and is in the best interests of the Company's shareholders, by allowing its shareholders to provide input on executive compensation philosophy, policies and practices as disclosed in the proxy statement every year.

Shareholders are not voting to approve or disapprove of the Board's recommendation as to the frequency of the advisory vote on NEO compensation. Instead, shareholders may select one of four choices with respect to this proposal:

- (1) every year;
- (2) every two years;
- (3) every three years; or
- (4) abstain from voting on the proposal.

For the reasons discussed above, the Board is asking the Company's shareholders to indicate their support for the non-binding advisory vote to approve the compensation of the Company's named executive officers to be held every year.

The option that receives the highest number of votes cast by the Company's shareholders will be considered the frequency recommended by the shareholders.

Our Recommendation

THE BOARD RECOMMENDS THAT THE SHAREHOLDERS VOTE FOR EVERY YEAR AS THE FREQUENCY WHICH SHAREHOLDERS ARE PROVIDED AN ADVISORY VOTE ON COMPENSATION OF THE COMPANY'S NEOs.

PROPOSAL 4

RATIFICATION OF THE APPOINTMENT OF INDEPENDENT

REGISTERED PUBLIC ACCOUNTING FIRM INFORMATION ON INDEPENDENT

REGISTERED PUBLIC ACCOUNTING FIRM

The Audit Committee has appointed RSM US LLP as the Company's principal independent registered public accounting firm for the fiscal year ending December 31, 2017. We are asking our shareholders to ratify the appointment of RSM US LLP as our independent registered public accounting firm as a matter of good corporate governance. If the Company's shareholders do not ratify the appointment, the Audit Committee will reconsider whether to retain RSM US LLP. Even if the appointment is ratified, the Audit Committee, in its discretion, may change the appointment at any time during the year if it determines such a change would be in the best interest of the Company and its shareholders.

On August 4, 2015, the Audit Committee of the Board of Directors dismissed KPMG, LLP as its independent accountant, and approved the appointment of RSM US LLP (formerly McGladrey LLP) as the Company's independent public accountants.

KPMG was notified of this action on August 4, 2015. The reports of KPMG on the Company's audited consolidated financial statements as of and for the fiscal years ended December 31, 2014 and 2013 did not contain any adverse opinion or disclaimer of opinion, nor were they qualified or modified as to uncertainty, audit scope, or accounting principles.

During the fiscal year ended December 31, 2014, and the interim period preceding the dismissal of KPMG on August 4, 2015, there were no disagreements between the Company and KPMG on any matters of accounting principles or practices, financial statement disclosure, or auditing scope or procedures, which disagreement(s), if not resolved to the satisfaction of KPMG, would have caused it to make reference to the subject matter of the disagreement(s) in connection with its prior reports and (ii) no reportable events as that term is defined in Item 304(a)(1)(v) of Regulation S-K.

The Company provided KPMG with a copy of the above disclosures and requested that KPMG furnish a letter addressed to the Securities and Exchange Commission stating whether or not it agrees with the above statements. A copy of KPMG's letter dated August 6, 2015 is filed as Exhibit 16.1 to the Company's Current Report on Form 8-K filed with the Securities and Exchange Commission on August 6, 2015.

In deciding to recommend the engagement of RSM US LLP to the Board of Directors, the Audit Committee reviewed auditor independence and existing commercial relationships with RSM US LLP, and concluded that RSM US LLP had no commercial relationships with the Company that would impair its independence. During the fiscal year ended December 31, 2014, and in the subsequent interim period through August 4, 2015, neither the Company nor anyone acting on its behalf has consulted with RSM US LLP on any matters or events set forth in Item 304(a)(2) of Regulation S-K.

We anticipate that a representative from RSM US LLP will be present and available to respond to questions or make a statement at the Annual Meeting.

Vote Required

The ratification of RSM US LLP as our independent registered public accounting firm for the fiscal year ending December 31, 2017 will require that a majority of the votes cast at the Annual Meeting by the holders of shares present in person or represented by proxy and entitled to vote be cast **FOR** this proposal. An abstention shall not constitute a vote cast, and will have no effect on the vote. Broker non-votes, if any, will also have no effect on the vote.

Table of Contents**Our Recommendation**

THE BOARD UNANIMOUSLY RECOMMENDS A VOTE FOR THE RATIFICATION OF THE APPOINTMENT OF RSM US LLP AS THE COMPANY'S INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM FOR THE YEAR ENDING DECEMBER 31, 2017.

Independent Registered Public Accounting Firm Fees and Services

The reports of RSM US LLP and KPMG LLP on the Company's consolidated financial statements as of December 31, 2016 and 2015 and for the three-year period ending on December 31, 2016, and on internal control over financial reporting as of December 31, 2016, did not contain any adverse opinion or disclaimer of opinion, nor were they qualified or modified as to uncertainty, audit scope, or accounting principles.

The following table summarizes KPMG LLP's audit fees from January 1, 2015 through August 4, 2015, at which time RSM US LLP assumed the responsibilities as the Company's independent registered public accounting firm. KPMG LLP's 2015 fees and RSM US LLP's 2015 and 2016 fees are set forth in the following table:

| Service | 2016 | 2015 | |
|---------------------------------|----------------|----------------|----------------|
| | RSM (\$) | RSM (\$) | KPMG (\$) |
| Audit Fees | 234,000 | 254,000 | 220,000 |
| Audit-Related Fees ¹ | 25,000 | | 28,100 |
| Tax Fees | | | |
| All Other Fees | | | |
| TOTAL | 259,000 | 254,000 | 248,100 |

1. These services were related to an employee benefit plan audit.

Pre-Approval Policies and Procedures

The Audit Committee's policies and procedures require the Audit Committee Chair to pre-approve all audits and non-audit services and report such pre-approvals to the Audit Committee at its next regularly scheduled meeting.

No services were rendered for financial information systems design and implementation or internal audit.

The Audit Committee has considered the compatibility of the non-audit services furnished by the Company's auditing firm with the firm's need to be independent.

The Audit Committee pre-approved 100% of the services performed by RSM US LLP and KPMG LLP pursuant to the policies outlined above.

Table of Contents**DIRECTORS AND EXECUTIVE OFFICERS****Directors and Nominees**

As of December 31, 2016, the Board consisted of 11 members. Messrs. Ensign, Theroux, and Dimick were appointed to the Board on January 10, 2017 effective upon completion of the merger with Lake Sunapee Bank Group bringing the Board membership to 14. Mrs. Shea and Mr. Lewis, directors of the Company since 2003 and 2005, respectively, will not stand for re-election this year pursuant to the age restriction contained in our Bylaws. Leonard R. Cashman, a former LSBG director, is being nominated as a new director pursuant to the one-time exception in the Bylaws with respect to the maximum age of directors. These changes result in 13 director/nominees standing for election at the May 16, 2017 meeting. The Board has determined that all but one of the director-nominees are independent directors in accordance with applicable laws, regulations and NYSE MKT listing requirements. The exception is director nominee Simard who is President and CEO of the Company. Mr. Simard is not a member of the Audit, Compensation, or Governance Committees. Although Stephen R. Theroux, former President and CEO of Lake Sunapee Financial Group, satisfies the definition of independence under the NYSE MKT regulations, Board of Directors has not appointed him to the Audit Committee, Compensation Committee, or Governance Committee.

The following table sets forth for each director-nominee for election at the Annual Meeting, their name, age as of March 22, 2017 and positions with the Company or its subsidiaries, BHBT and Bar Harbor Trust Services (BHTS). The terms of all current directors expire in 2017.

CORPORATE GOVERNANCE

Board of Directors

The Board oversees our business and monitors the performance of our management. In accordance with our corporate governance procedures, the Board does not involve itself in our day-to-day operations. Our executive officers and management oversee the day-to-day operations. Our directors fulfill their duties and responsibilities by attending regular meetings of the Board, which are held each month. Our directors also discuss business and other matters with key executives and our principal external advisers (legal counsel, auditors, financial advisors and other consultants).

The Board held a total of 12 regular meetings, four special meetings, one special shareholder's meeting and one annual meeting during 2016. Each director attended at least 75% of the total number of board and committee meetings that he or she was eligible to attend.

The Board encourages each director to attend its Annual Meeting. All of the Board's members attended the 2016 Annual Meeting.

Board Independence

Under the NYSE MKT corporate governance standards, set out in the NYSE MKT Company Guide (the NYSE MKT Rules), at least a majority of the Board must be independent directors as defined in Section 803A of the NYSE MKT Rules. According to Section 803A, independent director means a person other than an executive officer or employee of the Company. In addition, to qualify as an independent director, the Board must affirmatively determine that the director does not have a relationship that would interfere with the exercise of independent judgment in carrying out the responsibilities of a director. The Board has determined that all the named director-nominees listed in this proxy statement, with the exception of Mr. Simard, meet applicable independence standards under NYSE MKT Rules. Mr. Simard is not a member of the Audit, Compensation, or Governance Committees. Although Stephen R. Theroux, Former President and CEO of Lake Sunapee Banking Group, satisfies the definition of independence under the NYSE MKT regulations, Board of Directors has not appointed him to the Audit Committee, Compensation Committee, or Governance Committee.

Board Leadership Structure and Risk Oversight:

Currently, the positions of Chairman of the Board of Directors and Chief Executive Officer of the Company are held by separate individuals, with Mr. Woodside serving as Chairman of the Board and Mr. Simard serving as Chief Executive Officer. The Board of Directors believes that this leadership structure best serves the Company at this time because it allows Mr. Simard to focus on the Company's operations and strategy, while Mr. Woodside, among other things, can provide independent leadership for the Board of Directors, set the agenda for meetings, and enable other directors to raise issues and concerns for Board consideration without immediately involving the Chief Executive Officer or other management. The leadership structure of the Company is guided by its Governance Committee. The Company's Governance Committee nominates individuals to serve as members of the Company's Board of Directors, including any management directors. All director-nominees of the Company are considered independent directors except for the CEO of the Company. The Chairperson of the Board of Directors is an independent director. Management directors do not vote or serve as Chairs of any Board committees. The Governance Committee nominates persons to serve in the Chairperson role for election by the entire Board of Directors. The independent directors meet in executive session immediately after Board meetings periodically to ensure that there is adequate oversight of Company management and to ensure that there is ample time to assess the Company's activities separate from management. The Governance Committee believes this leadership structure is prudent and provides sufficient

segregation and independence. The Governance Committee and the Board of Directors have made the decision that an independent director serving in the role of Board Chairman segregates the role from that of the CEO and provides a strong and appropriate level of management oversight. The Company's Audit Committee meets quarterly and receives reports from its independent registered public accounting firm, the independent loan review consultants, and the Company's internal audit function. The internal auditor conducts an annual risk-based audit program and provides audit findings quarterly to the Audit Committee or to the Board of Directors.

Table of Contents

The Board of Directors monitors and manages risks through the activities of specialized Board committees and other committees in conjunction with management, internal audit, the independent registered public accounting firm, and other independent advisors.

The Board of Directors also provides oversight to the management of the Company's risk profile, including but not limited to internal controls over financial reporting, credit risk, interest rate risk, liquidity risk, operational risk, including cyber risk, incentive compensation risk, reputational risk and compliance risk through its Board Risk Committee which meets at least monthly. Some of the more significant risks and the Board's oversight of those risks are described below.

The Board Risk Committee is appointed by the Board to assist the Board in fulfilling its responsibilities by providing oversight of the following functions: (i) the Company's risk governance structure, (ii) the Company's risk management and risk assessment guidelines and policies regarding market, credit, operational, liquidity, funding, reputational, compliance and franchise risk and such other risks as necessary to fulfill the Committee's duties and responsibilities, (iii) the Company's risk appetite and tolerance, and (iv) the Company's capital, liquidity and funding in coordination with the Bank's Asset/Liability Committee.

The Board Risk Committee also reviews and discusses on a quarterly basis BHBT's bank-wide risk assessments. The resulting risk assessments are aggregated, shared and also discussed with the Board of Directors at least annually. The risk assessments are supplemented by regular reports from the Chief Risk Officer regarding emerging risks at monthly Board meetings.

The Board Risk Committee, among other things, sets loan policy, establishes credit authorities, and approves or ratifies all extensions of credit to borrowers with loan relationships over \$5,000,000, and regularly reviews credit trends, delinquencies, non-performing loans, charged-off loans and management's quarterly assessment of the adequacy of the Loan Loss reserve. The committee, in conjunction with the Audit Committee, reviews reports prepared by an independent Loan Review firm and those issued by the Internal Audit function to assist in their on-going assessment of credit risk.

The Board manages compensation, including incentive compensation risk, through its Compensation and Human Resources Committee. This Committee has engaged Pearl Meyer & Partners, LLC (Pearl Meyer) as independent compensation consultants to provide the Committee with both competitive market data and research into compensation best practices to guide the decisions of the Committee. To mitigate the inherent risks of incenting behaviors potentially adverse to the Company and its stakeholders, the Committee reviews compensation matters with the assistance of the Company's Board Risk Committee and the results are reviewed by the Board to ensure that incentive plans for senior officers and others do not encourage excessive risk-taking.

Risk assessment and risk management are the responsibility of the Company's management. The Committee's responsibility in this regard is one of oversight and review. Oversight is, in part, conducted through the established Enterprise Risk Management Program (the ERM) that is administered on its behalf and the Board of Directors by Executive Vice President, Chief Operating Officer, and Chief Risk Officer, Mr. Richard B. Maltz. As part of the ERM, information from the Bank's lines of business is collected and analyzed to identify, monitor, track and report various risks within the organization.

To assist Board in fulfilling their risk management responsibilities, a network of management oversight committees has been established. These oversight committees, as defined below, have been delegated authority and duties specific to the execution of the Bank's risk management policy. Specifically, these Committees are responsible for the ongoing identification, measurement, monitoring and management of risk.

Table of Contents

The Risk Management Committee is responsible for reviewing and recommending for approval risk mitigation strategies, risk acceptance, ongoing assessment of the adequacy and effectiveness of internal controls, and oversight of any risk mitigation plans. The committee ensures an appropriate balance between business development objectives, risk tolerances, cost of internal control, operational efficiency, regulatory requirements and customer experience. The committee ensures the continued development of an overall approach to risk assessment and management; oversees the refinement of policies and procedures as required; reviews the overall assessment of risk and related control activities; monitors the overall direction of risk, reviews and monitors corrective action plans and periodically reports results to the Board of Directors.

The Asset Liability Management Committee (ALCO) is responsible for the management of interest rate risk, liquidity risk, market risk, and capital adequacy levels of the Bank, as well as for developing strategies governing the effective management of the Bank's balance sheet and income statement.

The Management Loan Committee (MLC) is responsible for the management of credit risk related to all aspects of the lending portfolio of the Bank and related activities, including credit quality, loan production, credit delivery activities, credit policies, problem loan management and the collection processes. The management loan committee meets regularly and can approve aggregate loan exposure for borrowers up to and including \$5,000,000.

The Bank's Information Technology & Operations Committee (ITOC) oversees the development and implementation of the technology and operations strategies of the Bank and its subsidiaries. The Committee oversees the implementation of operational risk management practices, including the development of internal policies & procedures and risk appetite, while providing oversight of the quality and performance of the Bank's project management practices to ensure objectives are met in a safe and sound manner.

The Company believes that its risk management activities and procedures provide sufficient information to management and the Board of Directors to assist them in properly and adequately evaluating the Company's compliance with its risk management programs and policies. There can be no assurance that the Board's risk oversight structure has identified and addressed every potential material risk and there may be additional risks that could arise in the Company's business. Both known and unknown risks could result in potentially material financial and/or business losses despite the Board's efforts to oversee risk.

Committees

The Board has a standing Executive Committee, Audit Committee, Governance Committee, Board Risk Committee, and Compensation Committee.

Executive Committee. Our Bylaws provide that after each annual meeting of shareholders, the Board shall designate from among its members an Executive Committee with the authority to exercise all the powers of the Board in regard to ordinary operations of our business when the Board is not in session, subject to any specific vote of the Board. The Executive Committee is presently composed of directors Woodside, Dudman, Lewis, Fernald, Simard, Smith, and Toothaker. Mr. Lewis will serve on the Committee until May 2017. Mr. Woodside serves as Chairperson. The Executive Committee held two meetings in 2016.

Audit Committee. The Audit Committee is composed of directors Toothaker, Caras, Colter, and Ensign. Mr. Ensign joined the Committee in January 2017. Mr. Toothaker serves as Chairperson of the Committee. The Audit Committee met four times during 2016. See **Appendix A** for the Report of the Audit Committee. The Audit Committee Charter may be viewed on our website under the Shareholder Relations section at www.bhbt.com.

Table of Contents

The Board has determined that the Audit Committee is solely composed of independent directors, in accordance with applicable NYSE MKT listing requirements and Rule 10A-3(b)(1) under the Exchange Act. The Audit Committee operates under a written charter, which has been adopted by the Audit Committee and the Board. Audit Committee members do not accept any consulting, advisory or other compensatory fees (except directors' fees) and are not affiliated with us (except as a director) or any of our subsidiaries. The Board has determined that each Audit Committee member is financially literate and that it has at least one audit committee financial expert. Mr. Scott G. Toothaker, CPA, meets the criteria as an audit committee financial expert as defined in applicable SEC rules.

The Audit Committee has the sole authority to appoint and replace the independent registered public accounting firm. The Audit Committee is responsible for the compensation and oversight of the independent registered public accounting firm and this firm reports directly to the Audit Committee. The Audit Committee assists the Board in fulfilling its oversight responsibilities with respect to (i) the financial information to be provided to shareholders and the SEC, (ii) the review of quarterly financial statements, (iii) the system of financial reporting controls management has established, and (iv) the internal audit, external audit, and loan review processes.

Governance Committee. The Governance Committee is presently composed of directors Fernald, Shea, Lewis, Woodside, and Belair. Director Dimick joined the Committee in January 2017. Directors Lewis and Shea will serve on the Committee through May 2017. The Governance Committee met three times during 2016. Mrs. Fernald serves as Chairperson of the Committee. The Board has determined that each member of the Governance Committee is independent under NYSE MKT Rules.

The Governance Committee's responsibilities include screening director candidates, recommending nominees to the full Board (including the slate of returning directors) to be elected each year, making recommendations concerning the size and composition of the Board, recommending Committee structure and membership, and sponsoring new director orientation and education. The Governance Committee has a written charter, which may be viewed on our website under the Shareholder Relations section at www.bhbt.com.

The Governance Committee expects to identify nominees to serve as directors of the Company primarily by accepting and considering the suggestions and nominee recommendations made by directors, management, and shareholders. To date, the Governance Committee has not engaged any third parties to assist it in identifying candidates for the Board. The Governance Committee considers, among other things, the background, business and professional experience (including any requisite financial expertise or other special qualifications), current employment, community service, and other board service of its director-nominees, as well as racial, ethnic, and gender diversity of the Board as a whole. The Governance Committee generally considers a candidate's qualifications in light of these broad criteria and assesses whether the candidate can make decisions on behalf of or while representing us in a manner consistent with our stated business goals and objectives. The Governance Committee will also consider the candidate's independent status in accordance with applicable regulations and listing standards. The Governance Committee will consider nominees recommended by shareholders. Any shareholder wishing to nominate a candidate for director must follow the procedures for submission of proposals set forth in the section of this proxy statement entitled "Nominations by Shareholders."

Compensation Committee. Compensation Discussion and Analysis

This section discusses an overview and analysis of our compensation program and policies, the material compensation decisions made under those programs and policies with respect to our NEOs, and the material factors considered in making those decisions. Later in this proxy statement under the heading Executive Compensation Tables is a series of tables containing specific information about the compensation earned or paid to the NEOs.

The discussion below is intended to aid understanding of the detailed information provided in those tables and put that information into context within the overall compensation program.

Named Executive Officers

For 2016, our NEOs are: President and CEO, Curtis C. Simard; Executive Vice President and CFO Josephine Iannelli, retired Executive Vice President and CFO Gerald Shencavitz; and our three other most highly compensated policy making executive officers. In 2016, these three other NEOs were Executive Vice President, Chief Operating and Chief Risk Officer, Richard Maltz; Executive Vice President Retail Banking, Stephen M. Leackfeldt; and Gregory W. Dalton, Executive Vice President Business Banking.

Objectives of Our Compensation Program

The objective of our compensation program is to attract, retain, motivate, and reward NEOs and other executives who contribute to our financial and operational success, which ultimately builds value for our shareholders. The Board believes that, in order to do this effectively, the program must:

Table of Contents

provide NEOs with total compensation opportunities at levels that are competitive for comparable positions at companies and banks with which it competes for talent;

directly link a significant portion of total compensation to our achievement of performance goals in a way that proportionally rewards higher performance levels;

provide upside opportunities for exceptional individual performance, which can result in differentiated compensation among NEOs based on performance; and

closely align the NEOs' interests with those of our shareholders by making stock-based incentives an element of the executive's compensation.

Role of the Compensation Committee

The Compensation Committee oversees regulatory compliance for all of our compensation and benefit plans and administers the Company's executive compensation programs. The Compensation Committee recommends these programs to the Board for approval by its independent board members at least annually and more frequently, if circumstances warrant. These programs are intended to provide a variety of competitive compensation components including base salaries, annual cash incentives, retirement programs, and traditional benefits. In addition, we have sought to align the long-term interests of our executives, including the NEOs, with those of our shareholders by providing share-based incentives in the form of equity awards. The composition of the components may vary from year to year based on individual performance, our business plan, market conditions or other factors.

The Compensation Committee believes that our compensation policies and procedures are designed to provide a strong link between each NEO's compensation and our short and long-term performance. The objective of our compensation program is to provide compensation which is competitive, variable based on our performance, and aligned with the long-term interests of our shareholders.

Shareholder Say on Pay Advisory Votes

Shareholders are entitled to annually vote on an advisory, non-binding resolution on our compensation policies and procedures. Past shareholder votes have been overwhelmingly in favor of our programs and practices.

The May 2016 Say on Pay voting results were as follows:

| For | Against | Abstain | Broker Non-Vote |
|--------------|----------------|----------------|------------------------|
| 3,453,570.90 | 83,379.77 | 111,625.85 | 1,349,465.00 |

The Compensation Committee will continue to consider the outcome of future advisory, non-binding Say on Pay votes when reviewing and planning future executive compensation arrangements.

The Role of Compensation Consultants and the Compensation Committee's Evaluation of Conflicts of Interest

The Compensation Committee has utilized, and expects to utilize in the future, various outside consultants, actuaries and attorneys to assist it in developing and implementing the essential components of our compensation program,

including its equity program, and incentive compensation arrangements.

Table of Contents

The Compensation Committee, under authority granted by its charter, engages Pearl Meyer to assist in reviewing our executive officer and director compensation packages. Their 2016 engagement included:

providing current market-based total compensation guidelines to assist in establishing appropriate and ongoing base compensation and incentive compensation levels for our NEOs;

providing on-going guidance on our short-term, annual cash incentive program positions in relationship to competitive plan design and payout opportunities to our strategic and long-term financial plans;

providing guidance and market comparisons for the long-term incentive program using equity grants to NEOs under the Company's approved equity plan;

providing a comprehensive review of our compensation program for our directors; and

recommending an updated, appropriate Compensation Peer Group (defined below) comparison for compensation purposes with the Company's increasing size pending its business combination with LSBG in January 2017. The Compensation Committee has assessed the relationships among Pearl Meyer, the Company, the Compensation Committee, and the executive officers for independence and conflicts of interest. In this assessment, the Compensation Committee reviewed the criteria set forth in the SEC's Reg. 240.10C-1(b)(4) (i)-(vi) and such other criteria as it deemed appropriate. Specifically, the Compensation Committee considered the following factors in its evaluation of its relationship with Pearl Meyer:

whether Pearl Meyer provided any other services to us;

how much compensation Pearl Meyer has received from us for compensation consulting services, as a percentage to their total revenue;

what policies and procedures have been adopted by Pearl Meyer to prevent a conflict of interest;

whether Pearl Meyer has any business or personal relationship with a member of the Compensation Committee;

whether Pearl Meyer owns any of our stock; and

whether Pearl Meyer has any personal or business relationship with any of our executive officers.

The Compensation Committee did not identify any conflicts of interest with the engagement of Pearl Meyer. Additionally, Pearl Meyer provided us documented assurances that they are confident their relationship with us meets the independence standards and they have identified no conflicts of interest.

Role of Management in Establishing Compensation

On an annual basis Mrs. Marsha C. Sawyer, the Executive Vice President of Human Resources, with the oversight of the CEO, provides the Compensation Committee with general information on executive officer compensation, including the NEOs. The Compensation Committee then reviews, discusses and considers this information and any recommendations. Mrs. Sawyer assists in the administration of all executive compensation programs, prepares Compensation Committee and Board meeting materials and performs work as requested by the Compensation Committee, including working directly with the compensation consultant in preparation of peer analyses for the Compensation Committee's consideration. Mr. Simard, as our CEO, attends portions of the Compensation Committee's meetings and makes recommendations on base salary, annual incentives and equity compensation for only the executive officers who report to the CEO position. The Compensation Committee has the discretion to accept, reject or modify the CEO's recommendations. The CEO is not a member of the Compensation Committee and is not present for the executive sessions or for any discussion of regarding his own compensation.

Table of Contents**Market Benchmarking and Performance Comparisons**

The Compensation Committee reviews and recommends to the Board's independent members for approval of compensation programs, which it believes meet our ongoing needs to attract, motivate, and retain talented and qualified executives who have the ability to make a major contribution to the leadership and success of the Company. The Compensation Committee regularly reviews market information provided by Pearl Meyer. Primary data sources used in the benchmarking for the NEOs is the information publicly disclosed by a peer group of publicly traded banks and published surveys. The Compensation Committee reviews comparative compensation and benefit information contained in the public filings of this peer group which has been established for compensation comparison (the Compensation Peer Group) using objective selection criteria. The 2016 peer group was expanded to include financial institutions that fell within a range of having \$1.5 billion in assets to \$6 billion in assets in anticipation of the increased institution size as a result of BHB's merger with LSBG. All the peer banks are located in the Northeast region and New York excluding New York City. The Compensation Committee believes this group provides an appropriate selection of publicly traded financial institutions representing the geographical area most probable to be considered for recruitment purposes. Further, the Compensation Committee believes the Compensation Peer Group information discloses compensation programs of similarly situated executives in comparable institutions and they are a useful comparative tool for the Compensation Committee in establishing executive compensation programs and individual criteria for its executives including the NEOs. Seven financial institutions were added to the 2016 peer group and nine from the 2015 peer group were omitted due to size or merger and acquisition activity.

The members of the 2016 peer group are:

| Financial Institution | State | Ticker Symbol | Financial Institution | State | Ticker Symbol |
|------------------------------|--------------|----------------------|---------------------------------|--------------|----------------------|
| Arrow Financial Corp. | NY | AROW | First Bancorp, Inc. | ME | FNLC |

The Compensation Peer Group information is used as a guide in establishing reasonableness in our compensation program. The Compensation Committee did not target the elements of our compensation program at any specific level or percentile within the Compensation Peer Group, but used the information as a whole and the 50th percentile as a way to define our compensation program and assess the competitiveness and reasonableness of our pay practices. Rather than rely on a specific formula-based model, the Compensation Committee believes that retaining discretion to assess the overall performance of NEOs gives the Compensation Committee the ability to more accurately reflect individual contributions that cannot be absolutely quantified. The Compensation Committee also considers the senior incentive program tailored to provide emphasis on incentive compensation for the NEO group as an important component of our overall compensation program.

The Compensation Committee believes our financial results and total shareholder return (disclosed in our Form 10-K for the year ended December 31, 2016) compare favorably with our Compensation Peer Group indicating a solid pay-performance alignment. The Compensation Committee further believes that the compensation established for its

CEO and other NEOs provides for appropriate balance between market compensation and shareholder return.

The Compensation Committee referenced market data including peer group and survey information along with guidance provided by Pearl Meyer in its process to establish and validate the appropriateness of our executive compensation compared to market and performance.

1. Approved base salary figures as of year-end 2016 have been used for comparison purposes in this table.

2. Approved base salary figures at the end of 2016 plus the amount paid to each NEO under the 2016 Annual Incentive Program is used in this table for comparison purpose.

The Compensation Committee also considers the relative scarcity of senior banking executive candidates in its immediate market area and the difficulties of recruiting out-of-market candidates to work in rural Maine. The Compensation Committee does not use any formal, fixed or indexed criteria for establishing compensation levels for

any of our NEOs within market identified ranges. The Compensation Committee believes that the growth in total compensation provided to our executive officers should be weighted towards variable compensation including cash and equity incentives which tie directly to corporate performance with less emphasis upon growth in base salaries.

Compensation Plan Components

Our executive compensation program applicable to the NEOs is composed of the following primary components: (i) base salaries and benefits; (ii) annual incentive cash compensation programs; (iii) long-term incentives in the form of stock options and grants; and (iv) retirement benefits including the Company's 401(k) plan and future payments to Gerald Shencavitz, retired CFO as the last participant under a legacy SERP program.

Base Salary and Benefits

Our executive compensation program provides base salaries and benefits, which include health and life insurance programs, a 401(k) retirement program and vacation awards to compensate executive officers for the performance of core duties and responsibilities associated with their positions. The Compensation Committee reviews base salaries annually in the context of the

Table of Contents

comparative industry information, as described above. The Compensation Committee also considers the specific contributions of the individual executive officer and the officer's opportunity for professional growth, as well as market factors, when it sets and adjusts base salaries. In addition, the Compensation Committee considers the prevailing economic climate, our overall performance and our most current business plan.

Upon performance evaluations and the advice and market salary data supplied by Pearl Meyer, the Compensation Committee made performance and market adjustments resulting in the approved base salaries for 2016 below:

| | 2016 Base Salary¹ |
|--------------------------------|---|
| Named Executive Officer | (\$) |
| Curtis C. Simard | 464,000 |
| Josephine Iannelli | 350,000 |
| Gerald Shencavitz | 285,000 |
| Richard B. Maltz | 350,000 |
| Stephen M. Leackfeldt | 235,000 |
| Gregory W. Dalton | 220,000 |

1. Base salaries represented in the above chart are annualized as of December 31, 2016 for comparison purposes. Ms. Iannelli joined the Company in October 2016 and her salary has been annualized for comparison purposes. Mr. Maltz's base salary is presented to be reflective of his promotion to Executive Vice President, Chief Operating Officer, and Chief Risk Officer, effective in September 2016.

Short-term, Annual Incentive Cash Compensation Program

During 2016, nine senior managers including the NEOs, participated in an annual cash incentive compensation plan developed under the guidance of Pearl Meyer. The program is designed to provide meaningful incentives tied to our annual initiatives to optimize profitability, growth, excellence in individual performance, and to promote teamwork among its participants. This plan was approved by the Board for 2016 and is detailed below.

Incentive Payout Opportunity. Each participant had a target incentive opportunity based on their role. The target incentive reflected a percentage of base salary determined to be consistent with competitive market practices. Actual awards varied based on achievement of specific goals. The opportunity reflects a range of potential awards. Actual awards ranged from 0% (for not achieving minimal performance) to 150% of target (for exceptional performance). The table below summarizes the incentive ranges for the 2016 plan year.

| Role | 2016 Short-Term Incentive Opportunities | | | |
|----------------------------|--|---|--------------------------|--|
| | Below Threshold | Threshold (50% of Target Percentage) | Target (100%) | Stretch (150% of Target Percentage) |
| President /CEO | 0% | 19.00% | 38.00% | 57.00% |
| EVP & CFO/COO ¹ | 0% | 14.00% | 28.00% | 42.00% |
| EVP | 0% | 12.50% | 25.00% | 37.50% |

1. Mr. Maltz participated in the program at the EVP level from January through September and upon his promotion to Executive Vice President, Chief Operating Officer and Chief Risk Officer participated for the remainder of the year with the higher payout opportunity.

Program Trigger. In order for the Annual Incentive Program to activate or turn on, we needed to achieve at least \$13,402 in Net Income to Common Shareholders for 2016. If we did not meet this level, the plan would not pay out any awards for the year, regardless of performance on other goals.

Table of Contents

Annual Incentive Program Measures. Each participant had predefined performance goals to determine their short-term incentive award. Bar Harbor Bankshares common team goals for 2016 were Net Income and a managed Efficiency Ratio. In addition, each executive was assigned individual goals reflecting their individual contributions based on their role. The specific allocations of goals were weighted to reflect the focus and contribution for each position in the Company.

The following table and footnotes shows the specific performance goals at Threshold, Target (budget or improvement over prior year measurements) and Stretch for each of the NEOs during 2016. The Board of Directors approved the appropriateness of adjusting Net Income and Efficiency ratio as a result of the project expenses resulting from the LSBG merger when calculating the 2016 payments to NEOs.

1. Payout percentages for Ms. Iannelli and Mr. Shencavitz were prorated based on their time employed during 2016. The results of Mr. Maltz's incentive are the weighted average of two plans based on a change of position effective the last quarter of 2016. Mr. Maltz's payout was pro-rated based on his promotion to Chief Operating Officer.
2. Net Income adjusted for project expenses exceed 110% of the approved Target measure and was capped at maximum Stretch ceiling.
3. Efficiency Ratio adjusted for project expenses calculated slightly over the Threshold measure.
4. The asset quality measures for Past Dues and Non-Performing Loans + Other Real Estate Owned are calculated using a 12 month average of the month-end actual data for the calendar year. The Charge off percentage is measured using the actual annual net charge offs as a percentage of the average outstanding. The average outstanding for this calculation is measured by averaging the actual outstanding loans at each month end. All three of the measures exceed the approved Target and payment was capped at the maximum ceiling.

5. Mr. Leackfeldt and Mr. Dalton had measures for Loan and Deposit Growth. Mr. Leackfeldt received payment on the growth of retail deposits that fell between Target and Stretch. His payment calculation for consumer Loan growth paid out at slightly under Stretch. Mr. Dalton received payment on Commercial Deposit Growth of between Target and Stretch, but did not meet the minimum growth for Average Commercial Loans to achieve a payment for 2016 under this measure.
6. Ms. Iannelli earned \$2,262 for exceeding investment income targets, and \$4,523 for investment yield measured against peers for a total incentive payment of \$6,785 in this category. The results of Mr. Maltz's strategic project implementation measure are based on a recommendation from the CEO with final approval by the Compensation Committee and was paid at Stretch in recognition of his significant contribution. Mr. Shencavitz earned \$9,355 for exceeding investment income targets, and \$18,710 for investment yield measured against peers for a total incentive payment of \$28,065 in this category.

Details of the above are disclosed in Threshold, Target and Stretch (maximum) categories in the Grants of Plan-Based Awards table under the heading Executive Compensation Tables found elsewhere in this proxy statement.

Long-term Incentives

Equity Plans. Since adopting the first Stock Option Plan in 2000, we have provided certain officers, including our NEOs, with an equity-based compensation component in the form of stock options. This compensation component is used to align the interest of our participating officers and managers, particularly executive officers, with those of shareholders over a long-term horizon, and to serve as a retention tool. Grants are made for qualified individuals, and from time to time, for special recognition. We award all grants at the closing market price of the business day of the enabling vote or date of hire. The Board also sets the vesting schedule, which is currently a period of one to three years. The Stock Option Plans adopted in 2000 and 2009 may no longer issue stock grants and the grants previously made under these two plans to NEOs and other management members are nearing expiration. Members of the management team periodically exercise these maturing options. The Board adopted the Equity Incentive Plan of 2015 (the 2015 Plan), which was approved by shareholders at the 2015 Annual Meeting, under which equity grants, may currently be issued. Information pertaining to outstanding options and equity awards are disclosed in the Outstanding Equity Awards at Fiscal Year-end table under the heading Executive Compensation Tables found elsewhere in this proxy statement.

The Board utilizes a Long-Term Incentive Program for senior management members as part of their total compensation. Pearl Meyer assisted the Compensation Committee with the initial plan design and periodically evaluates appropriate reward levels. The program is designed to be made up of three-year rolling plans utilizing shares made available through the 2009 Plan and 2015 Plan. Grants may be given in time-vested restricted stock, performance-vested restricted stock, or a combination of both. The purpose of the program is to align executives' interests with shareholder interests, increase executive stock ownership, ensure sound risk management by providing a balanced view of performance and reward over a longer time horizon, and position our total compensation offerings to be competitive with the market to attract and retain strong talent needed to drive our success.

The Board has currently approved Long-Term Incentive Programs covering the 2014-2016, 2015-2017, and 2016-2018 calendar years. Eight current senior managers and three retired executives (on a pro-rated basis), including NEOs Simard, Iannelli, Maltz, Leackfeldt and Dalton, participate in these Long-Term Incentive Programs. Target reward opportunities are based on role. Equity awards are calculated as a percentage of base salary to determine the number of shares available for awards. See the Table Grants of Plan Based Awards (columns f-i) on page 34 to reference the actual shares awarded under the 2016-2018 Plan year to each NEO.

Table of Contents

| Role | Long-Term Incentive | | Threshold | Target | Stretch |
|----------------|---------------------|-----------------|----------------------|----------------------|----------------------|
| | Grant | Below Threshold | Percentage of Salary | Percentage of Salary | Percentage of Salary |
| President /CEO | Time-vested | | N/A | 15.00% | N/A |
| | Performance | 0% | 7.50% | 15.00% | 22.50% |
| EVP CFO/COO | Time-vested | | N/A | 13.75% | N/A |
| | Performance | 0% | 6.88% | 13.75% | 20.63% |
| EVP | Time-vested | | N/A | 12.50% | N/A |
| | Performance | 0% | 6.25% | 12.50% | 18.75% |

The Long-Term Incentive Programs consist of both time-vested restricted shares and performance shares. Fifty percent of the grants to each participant are time-vested with a third of the shares vesting in each of the years covered. Grants are contingent upon continued employment with a pro-rated portion vesting in the event of a participant retirement. The time-vested shares also have a post-vesting holding period of one year for shares under the 2014-2016 and 2015-2017 Long-Term Incentive Programs and three years for shares under the 2016-2018 Long-Term Incentive Program. At the time of vesting, sufficient shares may be withheld to cover the executive's tax liabilities.

The remaining 50% of the shares are performance-vested shares to be awarded at the end of the three-year measurement period and upon attainment of the performance goals. Relative Return on Assets (ROA) measured against the SNL \$750 to \$3B Bank Index peer group will determine the performance award for each of the three year plans. The most current plan spans 2016-2018. The average of the twelve quarters within the plan year is calculated and measured against peer results for the same period. A result below the 45th percentile of the peer group would fall below Threshold and no payment would be due or paid. Target is calculated at the 50th percentile when measured against the peer group, and the plan Stretch is capped at the 75th percentile. In addition to relative ROA, there is a Total Shareholder Return (TSR) modifier to further align shareholder interest. If BHB's TSR calculation for the same performance measurement period is negative, a payout cannot exceed Threshold regardless of the relative ROA performance results.

Benefits, Retirement and Post-Termination Compensation Elements

We provide a 401(k) plan for all employees meeting minimum age and service requirements. In addition, we maintain a SERP for the former Executive Vice President and CFO, Mr. Shencavitz, who retired from the Company and the Bank in 2016. Payments under this program will be for \$7,225 per month for 240 months. This is a legacy program and Mr. Shencavitz will be the last participant under this legacy program.

We also maintain employment agreements with NEOs Simard and Iannelli, and change in control agreements for NEOs Maltz, Leackfeldt and Dalton. These agreements provide for, among other things, the payment of their salary and other specified benefits for a period of 12, 18, and 24 months in the event of both a change of control of the Company and subsequent termination (or constructive termination) within set timeframes after a change in control, unless such termination was for cause. These specific payments and timeframes were established under the advice of a compensation consultant and employment attorney as representative of similar type agreements in the industry.

The Compensation Committee feels that these agreements are necessary to provide a competitive total compensation plan to attract and retain the employment of the NEOs who are a party to the agreements.

Other Compensation and Benefits

In addition to the foregoing, all our executive officers are entitled to participate in certain group health, dental, disability and term life insurance benefits. In accordance with our policy, all such benefits are generally available to employees of the Company and its subsidiaries.

Stock Ownership Guidelines

The Bylaws of the Company require that each director own a minimum of 500 shares no later than one year following their initial election to the Board. In addition, the Board has implemented a policy requiring each director to own a minimum of five times his or her annual cash retainer. Ownership must be attained within five years of a director's initial election and may include their 500 qualifying shares.

All current Director-nominees meet or exceed the ownership requirement required under this policy based on their tenor on the Board. Director nominee, Leonard R. Cashman, if elected, presently holds sufficient shares to meet this ownership requirement.

While all of the Company's executive officers hold Company stock or will be granted shares in the near future under the Company's equity programs, the Company does not have specific guidelines regarding stock ownership for its NEOs at this time. The Board has implemented retention periods on equity issued under the Company's Long Term Incentive Program for its NEOs. However, the Company encourages stock ownership and reviews overall ownership levels on a periodic basis.

Hedging and Pledging

All directors and employees (including NEOs) are prohibited from engaging in any speculative transaction designed to hedge or offset any decrease in market value of our securities, including hedging of our stock. We also prohibit any pledging of our securities in a margin account and restrict all other pledging of any of our securities by requiring directors and employees to obtain the prior approval of the Audit Committee before entering into any such agreement in a financial arrangement.

Our Insider Trading Policy further prohibits directors and employees from short-swing transactions and trading in Company securities at a time when they are in possession of insider information.

Compliance with Code Section 409A

Our compensation plans subject to Section 409A of the Internal Code of 1986 (the Code) are operated to comply with the Section 409A tax provisions of the Code.

Policy on Code Section 162(m)

Section 162(m) of the Code disallows publicly traded companies from receiving a tax deduction on compensation paid to certain executive officers in excess of \$1 million unless, among other things, the compensation meets the requirements for performance-based compensation. In structuring the compensation programs and in determining executive compensation, the Compensation Committee takes into consideration the deductibility limit for compensation and the performance-based requirements of Section 162(m). None of our employees exceeded the \$1 million dollar threshold during 2016.

CEO Employment Agreement.

In 2013, we entered into a written employment agreement with Mr. Simard, as President and CEO (the CEO Employment Agreement). The CEO Employment Agreement provides for the payment of an annual base salary to him of not less than \$375,000 paid in substantially equal installments in accordance with our compensation policies and procedures on the pay dates established by us for our senior executive officers. He also participates in any

short-term, long-term, or other performance compensation plans agreed upon by the parties during the term of the CEO Employment Agreement in concert with our evolving goals and objectives. The CEO Employment Agreement currently has a term of one year with automatic extensions of one year each in the absence of notice from us of our intention not to extend the term of the CEO Employment Agreement.

Table of Contents

The CEO Employment Agreement also provides for a lump sum payment of two times his salary plus medical, dental and vision benefits for Mr. Simard and his eligible dependents in the event Mr. Simard is involuntary terminated without cause or voluntarily terminated for good reason. This payment shall be reduced to a one times multiplier in the event the CEO Employment Agreement is not renewed. With limited exceptions, it also allows for a severance payment to him in the event his employment is terminated within one year prior to or following certain events defined to constitute a change in control of the Company. This severance payment resulting from a termination of employment (constructive termination) following a change in control is equal to two times his base annual salary, incentive compensation payments earned and any accrued but unused vacation time. In addition, if Mr. Simard had any unvested stock options/grants they would vest in accordance with the terms of the plans under which they were granted and vest fully upon a change in control. Any payments due him would be reduced to the extent necessary to ensure that no portion of such payment will be non-deductible by us under Code Section 280G or will be subject to excise tax imposed by Code Section 4999.

The CEO Employment Agreement also restricts Mr. Simard's ability to compete with us during the term and for a period of one year following the cessation of his employment with us regardless of reason within a 150 air mile radius from Bar Harbor, Maine.

Compensation of the CEO. On an annual basis, the Compensation Committee reviews the existing compensation plan for our CEO. The Compensation Committee reviews his compensation plan in the context of our overall performance, the achievement of certain financial and non-financial goals and the judgment of the entire Board as to the quality of his leadership. In addition, the Compensation Committee will compare his compensation to CEOs of our Compensation Peer Group and salary survey information for comparable positions. In making these comparisons, the Compensation Committee will take into account appropriate differences in the size, business model, and financial performance of the other banking institutions.

In accordance with the CEO Employment Agreement, the Compensation Committee reviews his base salary no less often than annually and may recommend an increase in his base salary to the Board at the Compensation Committee's sole discretion.

As further discussed below, Mr. Simard participated in the structured annual incentive cash compensation plan provided to all executive officers. During 2016, Mr. Simard earned an award amounting to \$222,627.

During 2016, the Compensation Committee granted Mr. Simard restricted time-vested shares and the potential for an issue of restricted performance shares under the 2016-2018 Long Term Incentive Program. He is required to hold the time-vested and any performance shares issued for a minimum of three years from the issue date. Mr. Simard is a member of the Board. He does not receive any director fees for participating in the activities of the Board.

Other Employment Agreements, Change in Control, Confidentiality and Non-Competition Agreements. We entered into an Employment Agreement with Ms. Iannelli which includes change in control, confidentiality and non-competition provisions. This agreement provides Ms. Iannelli's severance of salary for 24 months and benefits for a period of 18 months in the event of both a change of control of the Company and subsequent termination (or constructive termination) within 12 months after a change of control, unless such termination was for cause. In addition, Ms. Iannelli's equity grants will vest in accordance with the terms of the plans under which they were granted and vest fully upon a change in control.

We have also entered into Change in Control, Confidentiality and Non-Competition Agreements with BHBT's Executive Vice Presidents, Richard B. Maltz, Stephen M. Leackfeldt, and Gregory W. Dalton along with four other management employees. Their agreements provide for severance of salary for a period of 12 to 24 months and

benefits for 12 months in the event of both a change of control of the Company and subsequent termination (or constructive termination) within 12 months of a change of control, unless such termination was for cause.

Table of Contents

All of these agreements were entered into as part of a total compensation program to attract and/or retain qualified executives and not entered into in response to any effort known to the Board of Directors by any party or entity to acquire control of the Company.

Incentive Cash Compensation. During 2016 NEOs, Messrs. Simard, Maltz, Dalton, Leackfeldt, and retired NEO Shencavitz and Ms. Iannelli participated in an annual cash incentive compensation program with a combination of team and individual goals representing opportunities for incentive payments. Ms. Iannelli and Mr. Shencavitz received pro-rated incentive payouts based on their employment during 2016. Mr. Maltz's payment was also adjusted due to an increase in his eligible payment level upon his promotion during 2016. We paid out a total of \$541,213 in February 2017 to the six NEOs based on the 2016 measurement period.

The altering, inflating, and/or inappropriate manipulation of performance/financial results or any other infraction of recognized ethical business standards will subject any participant to disciplinary action up to and including termination of employment. In addition, any incentive compensation as provided by the plan to which the participant would otherwise be entitled will be revoked or subject to claw back.

The plan is based on a balance of multiple measures, layered oversight, and reasonable ceilings for exceptional performance. These two basic plan features structure the plan to discourage excessive risk and rewards. The Compensation Committee reviewed the plan design to insure it is in line with best practices for risk.

- Included in salary amounts disclosed in (c) above for each NEO are monies they deferred pursuant to our 401(k) Plan, which allows our employees and employees of our wholly owned subsidiaries to defer monies from their compensation, subject to applicable limitations in Code Section 401(k), and amounts deferred pursuant to our Section 125 Cafeteria Plan providing health, life, and disability insurance benefits. Employees, including NEOs, are paid on a bi-weekly basis most calendar years.
- Amounts in this column represent grants made to NEOs under the Long Term Incentive Plans computed at the probable level and in accordance with FASB ASC Topic 718 and are materially consistent with those used to calculate the stock awards, which are set forth in Footnote 15 to our audited consolidated financial statements contained in our Form 10-K for the year ended December 31, 2016. Amounts payable under the performance grants for the Long-Term Incentive Plan at the probable level to Messrs. Potential Payments upon Termination or Change in Control

We have entered into change in control agreements and maintain certain benefit plans that require us to provide compensation to executive officers in the event of a termination of employment or a change in control. The tables below set forth the amount and types of compensation payable to each executive officer upon voluntary termination without good reason, involuntary termination without cause, voluntary termination for good reason, termination for cause, death, disability, retirement, or termination after a

change in control. The amounts assume a hypothetical termination of employment effective as of December 31, 2016 and include estimates of the amounts which would be paid to the executives in each specified circumstance. The actual amounts to be paid can only be determined at the time of an executive's actual separation.

- A** Cash Severance. Severance payable to all executives represents a payment due upon a hypothetical change in control event on December 31, 2016. Twenty-four months of severance would have been payable to Mr. Simard, Ms. Iannelli, and Mr. Maltz if their employment was terminated by the Company for any reason other than cause, death, disability, or retirement as defined in their written Employment Agreements. Payments disclosed represent 12 months of salary for Leackfeldt and Dalton under their Change of Control Agreements.
- B** Bonus. The amount disclosed in this row represents the bonus/incentive amounts due for 2016 but not yet paid, to each executive on December 31, 2016. These amounts were paid in February 2017. The amount of incentive payments earned for the fiscal year 2016 has also been disclosed in the Summary Compensation Table.
- C** Stock Options/SARs. The closing per share price on the NYSE MKT exchange for our common stock on December 31, 2016 was \$47.33. All options for participants are either completely vested or of no value when measured against the \$47.33 closing per share price on December 31, 2016. Disclosed amounts would have been realized if the executive actually exercised the vested options in the manner provided for by the Company's stock option plan and award agreement at the December 31, 2016 market price. In the event of a termination of employment, the executive (or the executive's estate in the event of death) would have had the right to exercise

vested stock options for a set period as specified under the plan document. All executives would have forfeited the right to exercise vested or unvested options if they had been terminated for cause.

Table of Contents

- D** Equity, Stock Options/SARs Accelerated. Figures on this line item represent the value of unvested equity grants, stock options/SARs in the event of acceleration due to a change of control event occurring on December 31, 2016. Performance shares are accelerated at Target.
- E** COBRA Eligible Benefits. The amount disclosed represents the cost of continued health, dental, and vision coverage for a period of 24 months for Simard, 18 months for Iannelli, and 12 months for Maltz, Leackfeldt and Dalton.
- F** Nonqualified Deferred Compensation Plan. No NEO participated under the legacy Nonqualified Deferred Compensation Plan as of December 31, 2016 with the exception of retired executive Gerald Shencavitz who terminated from the Company in November 2017.
- G** Life Insurance Proceeds/Disability Benefits. Amounts represent benefits payable by a third-party insurer (UNUM) to the designated executives or their beneficiaries under our life and disability programs. These life and disability insurance programs were generally available to all of our employees. The disability amount quoted represents a 12 month, paid benefit with a cap of \$15,000 per month. Total benefits due would be dependent upon the severity, the length of a disability, and insurance policy interpretation.
- H** Other Perquisites. Not applicable to the Company.

1. Under certain termination circumstances leading up to or following a Change of Control, Mr. Simard may be eligible for two times salary and COBRA eligible benefits for twenty-four months.

However, payments would be calculated at the end of the performance periods and due on the same schedule as with other participants. Performance shares are calculated at Target under the Change of Control illustration. Ms. Iannelli would not have meet retirement eligibility due to her age as of December 31, 2016.

Any payments due the executive in a Change in Control would be reduced to the extent necessary to ensure that no portion of such payment would be non-deductible to the Company under Code Section 280G or subject to excise tax imposed by Code Section 4999.

Any payments due the executive in a Change in Control would be reduced to the extent necessary to ensure that no portion of such payment would be non-deductible to the Company under Code Section 280G or subject to excise tax imposed by Code Section 4999.

4. Under certain termination circumstances leading up to or following a Change of Control, Mr. Leackfeldt may be eligible for 12 months of salary and COBRA eligible benefits.

In the event of a termination of employment due to death or long term disability Mr. Leackfeldt (or his estate) would be eligible for a pro-rata share of an award from the 2014-2016, 2015-2017, 2016-2018 Long Term Incentive Plans. However, payments would be calculated at the end of the performance periods and due on the same schedule as with other participants. Performance shares are calculated at Target under the Change of Control illustration. Mr. Leackfeldt would not have met retirement eligibility due to his age as of December 31, 2016.

Any payments due the executive in a Change in Control would be reduced to the extent necessary to ensure that no portion of such payment will be non-deductible to the Company under Code Section 280G or subject to excise tax imposed by Code Section 4999.

5. Under certain termination circumstances leading up to or following a Change of Control, Mr. Dalton may eligible for 12 months of salary and COBRA eligible benefits.

In the event of a termination of employment due to death or long term disability, Mr. Dalton (or his estate) would be eligible for a pro-rata share of an award from the 2014-2016, 2015-2017, 2016-2018 Long Term Incentive Plans. However, payments would be calculated at the end of the performance periods and due on the same schedule as with other participants. Performance shares are calculated at Target under the Change of Control illustration. Mr. Simard would not meet retirement eligibility due to his age as of December 31, 2016.

Any payments due the executive in a Change in Control would be reduced to the extent necessary to ensure that no portion of such payment will be non-deductible to the Company under Code Section 280G or subject to excise tax imposed by Code Section 4999.

6. At the time of his retirement, Mr. Shencavitz was eligible for a pro-rata share of an award from the 2014-2016, 2015-2017, and 2016-2018 Long Term Incentive Plans. Payments were calculated at the end of the performance period and paid on the same schedule as with other participants. He was also eligible to exercise vest stock options. He became full eligible for his non-qualified deferred compensation plan, reduced for early retirement, in November of 2016. The hypothetical event of December 31, 2016 would not have resulted in any additional payment to Mr. Shencavitz than the payments disclosed.

¹ The Vice Chair position has intentionally been left vacant since the retirement of Thomas Colwell in May, 2016. We review a comparative summary of director compensation annually prepared by Pearl Meyer. Pearl Meyer recommended that the Board consider including equity compensation as part of its compensation mix on an ongoing basis. In November 2016, each independent director was awarded 346 restricted shares of our common stock under the 2015 Equity Plan. This grant was made in lieu of an increase in the cash portion of their fees and as part of an overall market adjustment in director compensation. These restricted share certificates are fully vested, but may not be sold, transferred or gifted by any director until three months after such director leaves the service of the Board.

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS AND DIRECTOR

INDEPENDENCE

Transactions with Management and Others

We administer related party transactions (if any) under our Related Party Transaction Policy, which addresses compliance to NYSE MKT Rule 120 and Item 404(a) of Regulation S-K. This policy provides for Audit Committee oversight of related party transactions that exceed a *de minimis* lifetime income statement impact of \$25,000 (except for loan transactions, which for the Company and its subsidiaries are administered pursuant to Federal Regulation O (Reg. O), as described more fully below). Any transactions that qualify under this policy are reviewed by the Audit Committee (or another acceptable Board Committee, or the full Board) for pre-approval. Other than the Somesville Lease described below, and loans offered in the ordinary course of business and approved by the BHBT Board, we had no related party transactions. The Related Party Transaction Policy is approved annually by the Board and administered by management of BHBT.

We have entered into a long-term lease for our BHBT branch located in Somesville, Maine, effective February 1, 2006 (the Somesville Lease). The Somesville Lease has interim renewals of five years and the present term runs through 2026. During each subsequent lease year the base rent is increased using a formula tied to certain changes in the consumer price index. During 2016 the lease payments totaled \$84,668. There were no amounts outstanding for this lease as of December 31, 2016. In addition to base rent, BHBT is responsible to pay as additional rent certain defined real estate taxes as well as certain operating expenses, and other costs, charges, and expenses associated with the premises. The Landlord under the Somesville Lease is A.C. Fernald Sons Inc., a Maine corporation. Mr. Robert B. Fernald of Mount Desert, Maine, is a shareholder, director, and officer of A. C. Fernald Sons Inc. and is the father of Company director Lauri E. Fernald. Lauri E. Fernald does not own any stock or hold any corporate office or other position with A.C. Fernald Sons Inc. and has no direct or indirect interest in the Somesville Lease other than her familial relationship with Mr. Robert B. Fernald.

Except as set forth above and with regard to Indebtedness of Management described below, none of the director-nominees or NEOs of the Company or of any of its subsidiaries engaged during 2016 in any transaction with the Company or any of its subsidiaries, in which the amount involved exceeded \$120,000.

Indebtedness of Management

BHBT offers to its directors, officers, principal shareholders and employees, and to businesses owned and/or controlled by those persons (collectively insiders), commercial and consumer loans in the ordinary course of its business.

All loans made by the Company and its subsidiaries to insiders are regulated by the Company's federal and state regulators under Reg. O. Reg. O sets forth various practices and reporting requirements for loans to insiders. In addition, the Sarbanes-Oxley Act of 2002 permits banks and bank holding companies to extend credit to their directors and officers provided that such extensions of credit are (a) made or provided in the ordinary course of the consumer credit business of such issuer; (b) of a type that is generally made available to such issuer to the public; and (c) made by such issuer on market terms, or terms that are no more favorable than those offered by the issuer to the public. Further, NYSE MKT rules provide that related party transactions must be subject to appropriate review and oversight by the Company's Audit Committee or a comparable body of the Board.

Table of Contents

As of December 31, 2016, the outstanding loans by BHBT to our director-nominees and NEOs amount to an aggregate of approximately \$10,434,455 with a maximum availability limit of \$13,752,215. Separately, in January 2017, we assumed \$432,273 in loans to former LSBG directors, including Mr. Dimick, Mr. Theroux, Mr. Ensign and Mr. Cashman, who are up for election to the Board at the 2017 Annual Meeting. All such loans are offered under the same terms and conditions available for comparable loans to persons not related to BHBT, including but not limited to interest rates repayment terms, and the required collateral. The terms and conditions of all loans, including those to insiders, and the process by which they are approved, is fully documented in BHBT's written Loan Policy. The Loan Policy is approved annually by the Board and administered by management of BHBT. Loans to insiders may not contain a higher level of risk, nor be offered with terms and conditions more favorable, than loans to non-insiders with equivalent financial profiles (except for the favorable pricing programs previously described). We believe that all extensions of credit to our insiders and executive officers satisfy the foregoing conditions. No extensions of credit to our insiders have involved more than normal risk of collectability or present other unfavorable features.

Director Independence disclosures may be found under the Corporate Government on page 15.
