Edgar Filing: TORTOISE MLP FUND, INC. - Form 497

TORTOISE MLP FUND, INC. Form 497 June 21, 2018

#### TORTOISE MLP FUND, INC.

#### Supplement dated June 19, 2018

to the Statement of Additional Information (SAI),

dated June 6, 2018, as supplemented from time to time.

Stockholders of Tortoise MLP Fund, Inc. (the Company) elected Jennifer Paquette as a director of the Company to fill the seat vacated upon the retirement of Charles E. Heath at the 2018 annual meeting of stockholders of the Company. Ms. Paquette will hold office until the 2021 annual meeting of stockholders of the Company and until her successor is duly elected and qualified. Ms. Paquette also serves on the Company s Audit and Valuation Committee, Nominating and Governance Committee and Compliance Committee. Additionally, the board of directors of the Company (the Board) has designated Ms. Paquette as a director that the preferred stockholders of the Company shall have the right to elect.

In addition to the experience provided in the table below, Ms. Paquette possesses investment management experience as a chief investment officer of a state public employees—retirement association, which factored into the Board—s conclusion to nominate her as a director of the Company. Other attributes and qualifications considered for Ms. Paquette in connection with her nomination were her character and integrity and her willingness and ability to serve and commit the time necessary to perform the duties of a director for all of the closed-end funds in the Tortoise Fund Complex. No experience, qualification, attribute or skill was by itself controlling.

At December 31, 2017, Ms. Paquette did not beneficially own shares of the Company. Further, because Ms. Paquette was elected as a director of the Company as of May 18, 2018, Ms. Paquette did not receive any compensation from the Company as of December 31, 2017.

Accordingly, effective immediately, all references to Charles E. Heath are hereby removed from the SAI.

In addition, effective immediately, the following information is hereby added to the table in the Management of the Company Directors and Officers section of the SAI:
