Item 1.01. Entry into a Material Definitive Agreement.

Merger Agreement

On December 18, 2018, Civitas Solutions, Inc., a Delaware corporation (the Company), entered into an Agreement and Plan of Merger (the Merger Agreement), by and among Celtic Intermediate Corp., a Delaware corporation (Parent), Celtic Tier II Corp., a Delaware corporation (Merger Sub), and the Company, providing for the merger of Merger Sub with and into the Company (the Merger), with the Company surviving the Merger as a wholly owned subsidiary of Parent. Capitalized terms used herein but not otherwise defined have the meaning set forth in the Merger Agreement.

Merger Consideration. As a result of the Merger, each share of common stock, par value \$0.01 per share, of the Company (a Company Common Stock), outstanding as of immediately prior to the issuance of the effective time of the Merger (the Effective Time) (other than Company Common Stock held by the Company as treasury shares, owned by Parent or Merger Sub or any of their or the Company's subsidiaries or and held by any holders who have properly exercised appraisal rights in compliance with Delaware law) will automatically be canceled, extinguished and converted into the right to receive cash in an amount equal to \$17.75, without interest thereon (the Per Share Price).

Treatment of Company Awards. The Merger Agreement provides that, at the Effective Time, each option for a share of Company Common Stock (an Option), whether vested or unvested, will be cancelled and converted into and will become a right to receive an amount in cash, without interest, equal to (1) the amount of the Per Share Price (less the exercise price per share attributable to such Option); multiplied by (2) the total number of shares of Company Common Stock issuable upon exercise in full of such Option. The consideration for Options granted prior to December 7, 2018 will be payable on the Closing Date and the consideration for Options granted on or after December 7, 2018 will vest and be payable at the same time as such Option would have vested pursuant to its terms.

Each time-based restricted stock unit (a TRSU), whether vested or unvested, will be cancelled and will become a right to receive an amount in cash, without interest, equal to (1) the amount of the Per Share Price multiplied by (2) the total number of shares of Company Common Stock subject to such TRSU. For each TRSU granted prior to December 7, 2018, 50% of the consideration for such TRSU will be payable on the Closing Date and the remaining 50% will generally vest and be payable in accordance with the terms of the TRSU, subject to the holder's continued service with Parent or an Affiliate of Parent (including the Surviving Corporation or its Subsidiary) through the applicable vesting dates (or, if earlier than the applicable vesting dates, the amounts will generally be paid in two equal installments on the first and second anniversaries of the Closing Date). For each TRSU granted on or after December 7, 2018, the consideration for such TRSU will, subject to the holder's continued service with Parent or an Affiliate of Parent (including the Surviving Corporation or its Subsidiary) through the applicable vesting dates, vest and be payable in accordance with the terms of the TRSU, with no less than 50% vesting and payable on the first anniversary of the Closing Date and any remaining unvested portion vesting and payable on the second anniversary of the Closing Date.

At the Effective Time (i) certain performance-based restricted stock units (PSUs) outstanding immediately prior to the Effective Time, whether vested or unvested, will be cancelled for no consideration, (ii) PSUs granted on December 8, 2017 or March 9, 2018 outstanding immediately prior to the Effective Time, whether vested or unvested, will be cancelled and will become a right to receive an amount in cash, without interest, equal to (x) the amount of the Per Share Price; multiplied by (y) the total number of shares

of Company Common Stock subject to such PSU, with any performance-based vesting conditions deemed achieved based on actual performance during the applicable performance period, which shall be shortened to end on the date immediately prior to the Closing Date, and which amount will be paid on the Closing Date, and (iii) PSUs granted on or after December 7, 2018 outstanding immediately prior to the Effective Time, whether vested or unvested, will be cancelled and will become a right to receive an amount in cash, without interest, equal to (x) the amount of the Per Share Price; multiplied by (y) the total number of shares of Company Common Stock subject to such PSU, with any performance-based vesting conditions deemed achieved at target. The consideration in respect of PSUs granted on or after December 7, 2018 will be subject to the same payment terms, conditions and schedule as for the RSUs granted on or after December 7, 2018 (as described in the immediately preceding paragraph).

Board Recommendation. In connection with the approval of the Merger Agreement, the Company's Board of Directors (the Board) unanimously resolved to recommend that the Company's stockholders adopt the Merger Agreement in accordance with the General Corporation Law of the State of Delaware.

No Solicitation; Change of Board Recommendation. Under the Merger Agreement, the Company and its representatives are subject to a customary non-solicitation provision whereby they are prohibited from soliciting any inquiry, proposal or offer that constitutes or could reasonably be expected to lead to, an Acquisition Proposal, subject to a customary fiduciary out provision that allows the Company, under certain circumstances and in compliance with certain obligations, to provide non-public information and engage in discussions and negotiations with respect to an acquisition proposal that would reasonably be expected to lead to a Superior Proposal. The Board is generally prohibited from withholding, withdrawing, qualifying, amending or modifying its recommendation for the Merger, with certain exceptions, including upon compliance with the terms and conditions of the Merger Agreement, prior to the receipt of the stockholder approval of the adoption of the Merger Agreement, the Board may change its recommendation in favor of the adoption of the Merger Agreement and, in the case of a Superior Proposal, terminate the Merger Agreement to enter into an acquisition agreement to enter into a transaction that is the subject of a Superior Proposal.

Representations, Warranties and Covenants. The Company and Parent have each made customary representations and warranties in the Merger Agreement. The Company has agreed to customary covenants in the Merger Agreement, including, among others, covenants to (1) use its reasonable best efforts to conduct its business and operations in the ordinary course of business consistent with past practice between the date of execution and delivery of the Merger Agreement and the Effective Time, and (2) not to engage in certain types of actions related to the operation of its business during this period without Parent's consent. The Company and Parent each agreed to use reasonable best efforts to take all actions as are necessary to consummate the Merger. Parent agreed to use reasonable best efforts to obtain the debt financing contemplated by debt commitment letters delivered to the Company in connection with the execution and delivery of the Merger Agreement, and the Company agreed to take actions to cooperate with such efforts.

Closing Conditions. The consummation of the Merger is subject to certain customary conditions, including, but not limited to, (1) receipt of the vote in favor of the adoption of the Merger Agreement by a the holders of a majority of the outstanding shares of Company Common Stock entitled to vote on the Merger Agreement; (2) expiration of waiting periods (and any extensions thereof), if any, applicable to the consummation of the Merger under the Hart-Scott-Rodino Antitrust Improvements Act of 1976, (3) the absence of a Company Material Adverse Effect and (4) the absence of any law or order prohibiting, making illegal or enjoining the Merger.

Termination; Termination Fees. The Merger Agreement contains certain termination rights, including the right of the Company to terminate the Merger Agreement to accept a Superior Proposal, subject to specified conditions and limitations, and the right of either party to terminate the Merger Agreement if the Merger is not consummated by May 17, 2019. Upon termination of the Merger Agreement by the Company or Parent upon specified conditions, the Company will be required to pay Parent a termination fee of \$20,000,000, and upon termination of the Merger

Agreement by the Company or Parent under other specified conditions, Parent will be required to pay the Company a termination fee of \$40,000,000.

The foregoing description of the Merger and the Merger Agreement does not purport to be complete and is subject to, and qualified in its entirety by, the full text of the Merger Agreement, a copy of which is attached hereto as Exhibit 2.1, which is incorporated herein by reference in its entirety. The Merger Agreement has been attached to provide investors with information regarding its terms. It is not intended to provide any other factual information about the Company. In particular, the assertions embodied in the representations and warranties contained in the Merger Agreement are qualified by information in the confidential Company Disclosure Letter provided by the Company to Parent in connection with the signing of the Merger Agreement. The confidential Company Disclosure Letter delivered in connection with the execution of the Merger Agreement contains information that modifies, qualifies and creates exceptions to the representations and warranties and certain covenants set forth in the Merger Agreement. Moreover, certain representations and warranties in the Merger Agreement were used for the purposes of allocating risk between the Company and Parent rather than establishing matters as facts. In addition, investors are not third party beneficiaries under the Merger Agreement. Accordingly, the representations and warranties in the Merger Agreement should not be relied on as characterizations of the actual state of facts about the Company.

Voting Agreement

In connection with entering into the Merger Agreement, Parent and certain Company stockholders entered into a Voting Agreement, dated as of December 18, 2018 (the Voting Agreement), pursuant to which such stockholders have committed to vote their Company Common Stock in favor of, and take certain other actions in furtherance of, the transactions contemplated by the Merger Agreement, including the Merger. The Voting Agreement will terminate upon the earliest to occur of (1) the Effective Time (2) the termination of the Merger Agreement in accordance with its terms, (3) an agreement to terminate the Voting Agreement, or (4) a change of recommendation by the Board pursuant to the Merger Agreement.
