Introductory Note:

This Amendment No. 2 amends and supplements the Statement of Beneficial Ownership on Schedule 13D filed by CBD Energy Limited, a corporation organized under the laws of Australia (the "Reporting Person"), on January 9, 2012, as amended and supplemented by the Schedule 13D/A filed on February 17, 2012, ("Amended Schedule 13D"), to the extent specifically set forth below. Except as otherwise indicated, capitalized terms used herein and not defined herein have the meanings ascribed thereto in the Original Schedule 13D.

Item 4. Purpose of Transaction.

Item 4 of the Amended Schedule 13D is amended and supplemented by adding the following after the last paragraph thereof:

Pursuant to and subject to the terms of the Agreement and Plan of Merger (the "Merger Agreement"), dated as of May 7, 2012, the Issuer, the Reporting Person, and CBD-WS Merger Sub, Inc., a Delaware corporation and a wholly-owned subsidiary of the Reporting Person ("Merger Sub"), Merger Sub will be merged with and into the Issuer (such merger, the "Merger"). At the effective time of the Merger, each issued and outstanding share of Common Stock of the Issuer will be converted into the right to receive a number of shares of common stock of the Reporting Person (the "CBD Common Shares") that is based upon an exchange ratio determined as provided in the Merger Agreement (the "Exchange Ratio"), and each issued and outstanding share of Series B preferred stock of the Issuer (the "Issuer Series B Preferred Stock") will be converted into the right to receive one share of Series A Preferred Shares of the Reporting Person (such class of shares, the "CBD Series A Preferred Stock"), with rights as set forth in Exhibit E to the Merger Agreement. The CBD Series A Preferred Stock will have generally comparable rights, liquidation preferences and conversion terms as are currently applicable with respect to the Issuer Series B Preferred Stock, and will be convertible into CBD Common Shares based on, among other things, the Exchange Ratio and on the conversion price of the Issuer Series B Preferred Stock, as adjusted through the effective time of the Merger. In addition, unless previously cancelled, exchanged or terminated, any stock options and warrants to purchase Common Stock outstanding at the effective time of the Merger will remain outstanding following the Merger and will thereafter be exercisable for CBD Common Shares, in accordance with their terms.

As of the signing date of the Merger Agreement, the Exchange Ratio represented approximately 3.7 CBD Common Shares for each share of Common Stock. On an as-converted basis, the holders of Common Stock and Issuer Series B Preferred Stock would collectively hold approximately 15% of the outstanding CBD Common Shares, calculated as if the Merger was consummated on the signing date. The Merger will not qualify as a "tax free reorganization" for U.S. federal income tax purposes. The Reporting Person plans to apply for listing on the Nasdaq Stock Market, with listing to be effective on or before consummation of the Merger.

Completion of the Merger is subject to customary conditions, including (i) the adoption of the Merger Agreement by the required vote of the holders of outstanding Common Stock, (ii) the Securities and Exchange Commission (the "SEC") having declared effective a registration statement registering the CBD Common Shares under the Securities Act of 1933, as amended, (iii) the approval and adoption by the holders of outstanding CBD Common Shares of the Merger Agreement and the issuance of additional CBD Common Shares as consideration in the Merger, and (iv) the approval by the Australian Securities Exchange (the "ASX") and the holders of outstanding CBD Common Shares of the delisting of the CBD Common Shares from the ASX.

The Merger Agreement contains, among other things, representations, warranties and covenants of the parties customary for transactions of this type. Subject to certain exceptions, the Issuer has also agreed not to solicit or initiate discussions with third parties regarding other proposals to acquire the Issuer, and has agreed to certain restrictions on its ability to respond to such proposals, subject to the fulfillment of certain fiduciary requirements of the Issuer's Board of Directors. The Merger Agreement also contains customary termination provisions for the Issuer and the Reporting Person, and provides that, in connection with termination of the Merger Agreement under specified circumstances, generally involving competing transactions or a change in the recommendation of the Issuer's Board of Directors in favor of the Merger, the Issuer may be required to pay the Reporting Person a termination fee equal to the greater of (i) \$500,000 and (ii) the amount of expenses that the Reporting Person has incurred in connection with the Merger, including legal and financial advisor fees. In addition, failure of the Issuer stockholders to approve and adopt the Merger Agreement at a meeting of stockholders may require the Issuer to pay the Reporting Person the same termination fee. Additionally, the Issuer is required to pay the Reporting Person a fee of \$350,000 if the Reporting Person terminates the Merger Agreement under certain circumstances.

Under the terms of the Merger Agreement, during the period between the signing of the Merger Agreement and the closing of the Merger, the Issuer has agreed to continue to carry on its business in the ordinary course, and to manage its business in accordance with an interim operating plan mutually agreed upon between the Issuer and the Reporting Person. The Reporting Person has appointed a liaison officer to assist in the management of the business of the Issuer until the closing of the Merger, and the Reporting Person has agreed to provide capital funding support to the Issuer if necessary, and subject to conditions and limitations as provided in the Merger Agreement.

In conjunction with the execution of the Merger Agreement, the holders of the outstanding Issuer Series B Preferred Stock entered into Waiver and Agreements (the "Waiver and Agreements") in substantially the form attached as Exhibit D to the Merger Agreement, with each of the Issuer and the Reporting Person. Pursuant to the Waiver and Agreements, such holders agreed, among other things, to waive any appraisal rights they might have in connection with the Merger and certain of their rights arising under (a) the Certificate of Designation of Preferences, Rights and Limitations of the Issuer Series B Preferred Stock, including waiving (i) certain consent rights pertaining to the Merger Agreement and certain issuances of indebtedness by the Issuer, and (ii) certain redemption rights, and (b) Common Stock purchase warrants held by such holders. The Waiver and Agreements also provide that each holder of Issuer Series B Preferred Stock party thereto shall not, directly or indirectly, transfer, sell, dispose of, offer, exchange, or assign or place a lien upon any of such holder's Issuer Series B Preferred Stock or warrants to purchase Common Stock, subject to certain specified exceptions, or enter into any agreement or arrangement with any person, or take any other action, that violates or conflicts with the foregoing.

The Waiver and Agreements will terminate upon the earlier to occur of the following: (a) the termination of the Merger Agreement at a time when the Effective Time (as defined in the Merger Agreement) has not yet occurred and (b) May 7, 2013 if, on or prior to such time, the Effective Time has not occurred.

The information set forth in response to this Item 4 and the descriptions of the Merger Agreement and Waiver and Agreements set forth herein are qualified in their entirety by reference to the Merger Agreement and the form of the Waiver and Agreements, which are incorporated herein by reference as Exhibit D hereto.

Item 5. Interest in Securities of the Issuer.

Item 5 of the Amended Schedule 13D is amended and restated in its entirety to read as follows:

(a) Based on 18,801,593 shares of Common Stock outstanding as of May 7, 2012, the Reporting Person may be deemed to beneficially own 1,666,667 shares of Common Stock. Such ownership represents 8.9% of the issued and outstanding shares of Common Stock. To the knowledge of the Reporting Person, no shares of Common Stock are

beneficially owned by any of the persons listed on Schedule I that are associated with the Reporting Person.

- (b) Number of shares of Common Stock as to which the Reporting Person has:
- (i) sole power to vote or to direct the vote: 1,666,667
 - (ii) shared power to vote or to direct the vote: 0
 - (iii) sole power to dispose or to direct the disposition of: 1,666,667

- (d)-(e) Not applicable.
