As reported below under Item 5.07 of this report, Nelnet, Inc., a Nebraska corporation (the "Company"), held its 2018 annual meeting of shareholders on May 24, 2018, at which meeting the Company's shareholders approved amendments to the Company's articles of incorporation and adopted amended and restated articles of incorporation that included such amendments. As a result, on May 24, 2018, the Company filed Third Amended and Restated Articles of Incorporation with the Nebraska Secretary of State, pursuant to which such amendments became effective.

In addition, on May 24, 2018, the Company's Board of Directors approved, effective immediately, amendments to and a restatement of the Company's bylaws. The amendments to the bylaws, as included in the Ninth Amended and Restated Bylaws, were to (i) revise Article I, Section 2 in its entirety so that the Company's bylaw provisions with respect to special meetings of shareholders are consistent with the shareholder-approved amendment to the Company's articles of incorporation reflected in sub-proposal (c) above, as well as to address customary procedural matters with respect to special meetings of shareholders; and (ii) make other technical non-substantive wording changes.
