PART I

ITEM 1. DESCRIPTION OF BUSINESS.

BUSINESS DEVELOPMENT

The Company's business began in 1974 when Vaso Boreta, the Company's Chairman of the Board, opened a "Las Vegas Discount Golf & Tennis" retail store in Las Vegas, Nevada. This store, which is still owned by Mr. Boreta, subsequently began distributing catalogs and developing a mail order business for the sale of golf and tennis products. In 1984, the Company began to franchise the "Las Vegas Discount Golf & Tennis" retail store concept and commenced the sale of franchises. As of February 26, 1997, when the franchise business was sold, the Company had 43 franchised stores in operation in 17 states and 2 foreign countries.

The Company was incorporated in Nevada on March 6, 1984, under the name "Sporting Life, Inc." The Company's name was changed to "St. Andrews Golf Corporation" on December 27, 1988, to "Saint Andrews Golf Corporation" on August 12, 1994, and to All -American SportPark, Inc. ("AASP") on December 14, 1998.

Sports Entertainment Enterprises, Inc. ("SPEN"), formerly known as Las Vegas Discount Golf & Tennis, Inc. ("LVDG"), a publicly traded company, acquired the Company in February 1988, from Vaso Boreta, who was the Company's sole shareholder. Vaso Boreta also served as SPEN's Chairman of the Board, President and CEO until February 2005.

In December 1994, the Company completed an initial public offering of 1,000,000 Units, each Unit consisting of one share of Common Stock and one Class A Warrant. The net proceeds to the Company from this public offering were approximately \$3,684,000. The Class A Warrants expired unexercised on March 15, 1999.

In 1996, the Company sold 500,000 shares of Series A Convertible Preferred Stock to Three Oceans Inc. ("TOI"), an affiliate of SANYO North America Corporation, for \$5,000,000 in cash pursuant to an Investment Agreement between the Company and TOI. The Company used these proceeds to fund part of the development costs of its All -American SportPark property in Las Vegas. In March 2001, the Company repurchased all of the shares of Series A Convertible Preferred Stock from TOI for \$5,000 in cash. Once repurchased, the shares were retired.

On December 16, 1996, the Company and its majority shareholder, SPEN, entered into negotiations pursuant to an "Agreement for the Purchase and Sale of Assets" to sell all but one of the four retail stores owned by SPEN, all of SPEN's wholesale operations and the entire franchising business of the Company to Las Vegas Golf & Tennis, Inc., an unaffiliated company. On February 26, 1997, the Company and SPEN completed this transaction.

In connection with the sale of the above-described assets, SPEN and the Company agreed not to compete with the buyer in the golf equipment business except that the Company is permitted to sell golf equipment at its Callaway Golf Center business. In addition, the Buyer granted Boreta Enterprises, Ltd., a limited partnership owned by Vaso Boreta, Ron Boreta, Vaso's son and President of the Company, and John Boreta, Vaso's son and a principal shareholder of SPEN, the right to operate "Las Vegas Discount Golf & Tennis" stores in southern Nevada, except for the Summerlin area of Las Vegas, Nevada. Likewise, the buyer is restricted from operating stores in southern Nevada except for the Summerlin area of Las Vegas, Nevada.

Edgar Filing: ALL AMERICAN SPORTPARK INC - Form 10-K

On July 12, 1996, the Company entered into a lease agreement covering approximately 65 acres of land in Las Vegas, Nevada, on which the Company developed its Callaway Golf Center and All-American SportPark ("SportPark") properties. The property is located on the world famous Las Vegas "Strip" at the corner of Las Vegas Boulevard and Sunset Road which is just south of McCarran International Airport and several of Las Vegas' major hotel/casino properties such as Mandalay Bay and the MGM Grand. The property is also adjacent to the Interstate 215 beltway that will eventually encircle the entire Las Vegas valley. On 42 acres of the property is the Callaway Golf Center that opened for business in October 1997. The remaining 23 acres was home to the discontinued SportPark that opened for business in October 1998 and was disposed of in May 2001.

On June 20, 1997, the lessor of the 65-acre tract ("Landlord") agreed with the Company to cancel the original lease and replace it with two separate leases. The lease for the SportPark commenced on February 1, 1998 with a base rent of \$ 18,910 per month and was cancelled in connection with the disposition of the SportPark in May 2001; the lease for the Callaway Golf Center is for fifteen years with options to extend for two additional five-year terms. The lease for the Callaway Golf Center[TM] commenced on October 1, 1997 when the golf center opened with a base rent of \$33,173 per month.

During June 1997 the Company and Callaway Golf Company ("Callaway") formed All-American Golf LLC ("LLC"), a California limited liability company that was owned 80% by the Company and 20% by Callaway; the LLC owned and operated the Callaway Golf Center. In May 1998, the Company sold its 80% interest in LLC to Callaway. On December 31, 1998 the Company acquired substantially all the assets of LLC subject to certain liabilities that resulted in the Company owning 100% of the Callaway Golf Center.

On October 19, 1998 the Company sold 250,000 shares of the Series B Convertible Preferred Stock to SPEN for \$2,500,000. SPEN had earlier issued 2,303,290 shares of its common stock for \$2,500,000 in a private transaction to ASI Group, L.L. C. ("ASI"). ASI also received 347,975 stock options for SPEN common stock. ASI is a Nevada limited liability company whose members include Andre Agassi, a professional tennis player.

SPEN owned 2,000,000 shares of the Company's common stock and 250,000 shares of the Company's Series B Convertible Preferred Stock. In the aggregate, this represented approximately two-thirds ownership in the Company. On April 5, 2002, SPEN elected to convert its Series B Convertible Preferred Stock into common stock on a 1 for 1 basis. On May 8, 2002, SPEN completed a spin-off of the Company's shares held by SPEN to SPEN's shareholders. This resulted in SPEN no longer having any ownership interest in the Company.

BUSINESS OF THE COMPANY

In June 1997, the Company completed a final agreement with Callaway to form a limited liability company named All-American Golf LLC (the "LLC") for the purpose of operating a golf facility, to be called the "Callaway Golf Center[TM] ("CGC"), on approximately forty-two (42) acres of land located on Las Vegas Boulevard in Las Vegas, Nevada. The CGC opened to the public on October 1, 1997.

The Company's operations consist of the CGC, located on 42 acres of leased land and strategically positioned within a few miles of the largest hotels and casinos in the world. There are over 132,000 hotel rooms in Las Vegas with an average occupancy of 89.7%, and seventeen of the top twenty largest hotels in the world are within a few miles of the CGC including the MGM Grand, Mandalay Bay, Luxor, Bellagio, and the Monte Carlo. The CGC is also adjacent to McCarran International Airport, the fifth busiest airport in

Edgar Filing: ALL AMERICAN SPORTPARK INC - Form 10-K

the world for passenger traffic. McCarran International Airport had its busiest year in its history with 44 million passengers passing through the terminal in 2008. The Las Vegas valley residential population approximates 1.1 million.

The CGC includes a two tiered, 110-station, driving range. The driving range is designed to have the appearance of an actual golf course with ten impact greens, waterfall features, and an island green. Pro-line equipment and popular brand name golf balls are utilized. In addition to the driving range, the CGC has a lighted, nine-hole, par three golf course, named the "Divine Nine." The golf course has been designed to be challenging, and has several water features including lakes, creeks, water rapids and waterfalls, golf cart paths and designated practice putting and chipping areas. At the entrance to the CGC is a 20,000 square foot clubhouse which includes an advanced state of the art golf swing analyzing system developed by Callaway, and two tenant operations: (a) the St. Andrews Golf Shop featuring the latest in Callaway Golf equipment and accessories, and (b) a restaurant, which features an outdoor patio overlooking the golf course and driving range with the Las Vegas "Strip" in the background.

The CGC has a lease agreement with St. Andrews Golf Shop for the provision of sales of golf retail merchandise. The lease is for fifteen years ending in October 2012. The lessee pays a fixed monthly rental for its office and retail space.

The LLC's original ownership was 80% by the Company and 20% by Callaway. Callaway agreed to contribute \$750,000 of equity capital and loan the LLC \$5,250,000. The Company contributed the value of expenses incurred relating to the design and construction of the golf center and cash in the combined amount of \$3,000,000. Callaway's loan to the LLC had a ten-year term with interest at ten percent per annum. The principal was due in 60 equal monthly payments commencing five years after the CGC opened.

On May 5, 1998, the Company sold its 80% interest in the LLC to Callaway for \$1.5 million in cash and the forgiveness of \$3 million in debt, including accrued interest thereon, owed to Callaway by the Company. The Company retained the option to repurchase the 80% interest for a period of two years on essentially the same financial terms that it sold its interest. The sale of the Company's 80% interest in the LLC was completed in order to improve the Company's financial condition that, in turn, improved the Company's ability to complete the financing needed for the final construction stage of the SportPark.

On December 30, 1998, the Company acquired substantially all the assets of the LLC subject to certain liabilities. This resulted in the Company owning 100% of the CGC. Under the terms of the asset purchase agreement, the Company paid \$1 million to Active Media Services in the form of a promissory note payable in quarterly installments of \$25,000 over a 10-year period without interest. In turn, Active Media delivered a trade credit of \$4,000,000 to the CGC.

In connection with this acquisition, the Company executed a trademark license agreement with Callaway pursuant to which the Company licenses the right to use the marks "Callaway Golf Center" and "Divine Nine" from Callaway for a term beginning on December 30, 1998 and ending upon termination of the land lease on the CGC. The Company paid a one-time fee for this license agreement that was a component of the purchase price the Company paid for the CGC upon acquisition of the facility on December 30, 1998. Pursuant to this agreement, Callaway has the right to terminate the agreement upon the occurrence of any "Event of Termination" as defined in the agreement.

Edgar Filing: ALL AMERICAN SPORTPARK INC - Form 10-K

On June 1, 2001, the Company completed a transaction pursuant to a Restructuring and Settlement Agreement with Urban Land of Nevada, Inc. (the "Landlord") to terminate the land lease for the discontinued SportPark, and to transfer all of the leasehold improvements and personal property located on the premises to the Landlord.

As part of the agreement, the Landlord agreed to waive all liabilities of the Company to the Landlord with respect to the discontinued SportPark, and with the exception of a limited amount of unsecured trade payables, the Landlord agreed to assume responsibility of all other continuing and contingent liabilities related to the SportPark. The Landlord also agreed to cancel all of the Company's back rent obligations for the CGC for periods through April 30, 2001. The CGC remains the only operating business of the Company.

As part of the transaction, the Company transferred to the Landlord a 35 percent ownership interest in the Company's subsidiary that owns and operates the CGC. This subsidiary is All-American Golf Center, Inc. ("AAGC"). However, in connection with the settlement of litigation with the Landlord in 2008, the Landlord relinquished its ownership interest in AAGC. (See ITEM 3 LEGAL PROCEEDINGS.)

LIABILITY INSURANCE

The Company has a comprehensive general liability insurance policy to cover possible claims for injury and damages from accidents and similar activities. Although management of the Company believes that its insurance levels are sufficient to cover all future claims, there is no assurance it will be sufficient to cover all future claims.

MARKETING

The marketing program for the CGC is focused primarily on the local individual customers with increasing emphasis on the individual tourist market because of the CGC's proximity to most of the major resorts in Las Vegas. The CGC focuses its marketing efforts principally on print media that has proven to be effective for the local market. For the tourist market, the Company has instituted taxi programs, rack cards, and print media in tourist publications that are located in the Las Vegas hotels and hotel rooms. Also, the CGC, has implemented programs to attract more group events, clinics, and other special promotional events. In February of 2004, a 30 ft. pylon sign with a reader board was installed in front of the CGC. The sign makes the general public aware of various programs, specials and information on events and other activities taking place within the CGC. Once installed, the CGC began random customer information surveys to provide information on how guests heard of the CGC. Over half stated that they came into the CGC because they saw the new sign.

The CGC, which includes a nine-hole par 3 golf course, driving range, and clubhouse, is designed to provide a country club atmosphere for the general public.

The Company's marketing efforts toward establishing additional CGC-type locations have been directed towards a number of large existing and potential markets for which there can be no assurance of financial success. Further, to expand the concept for CGC- type facilities beyond the Las Vegas location could require considerably more financial and human resources than presently exists at the Company.

Edgar Filing: ALL AMERICAN SPORTPARK INC - Form 10-K

FIRST TEE PROGRAM

In March 2002, the CGC became the official home in southern Nevada for the national First Tee program. The First Tee program is a national initiative started in November 1997 by the World Golf Foundation. First Tee is a program sponsored by the PGA Tour, the LPGA, the PGA of America, the United States Golf Association, and Augusta National Golf Club. The First Tee program was formed to eliminate access and affordability issues for children, especially economically disadvantaged children, to participate in the game of golf. In research conducted by the National Golf Foundation, it was noted that only two percent of children through age 17 ever try golf and only five percent of our nation's golfers were minorities. The CGC is proud to be part of the First Tee program and believes it will offer many opportunities for the Company in the years ahead.

COMPETITION

Any golf/amusement facilities developed by the Company will compete with any other family/sports attractions in the area where such facilities are located. Such attractions could include amusement parks, driving ranges, water parks, and any other type of family or sports entertainment. The Company will be relying on the combination of active user participation in the sports activities and uniqueness of the Park features, attractive designs, and competitive pricing to encourage visitation and patronage.

In the Las Vegas market, the Company has competition from other golf courses, family entertainment centers, and entertainment provided by hotel/casinos. Company management believes the CGC has a competitive advantage in the Las Vegas market because of its strategic location, product branding, alliances, and extent of facilities balanced with competitive pricing that is unlike any competitor in the market.

The Company's competition includes other golf facilities within the Las Vegas area that provide a golf course and driving range combination and/or a night lighted golf course. Management believes that the CGC is able to compete because it is unique in providing a branded partnership with Callaway and giving the Las Vegas community one of the largest golf training facilities in the western United States. In addition, several Las Vegas hotel/casinos own their own golf courses that cater to high-roller/VIP tourists. The CGC is able to compete against these facilities because it offers a competitively priced golf facility with close proximity to the Las Vegas "Strip" properties where a non-high-roller/VIP tourist can come to enjoy a Las Vegas golf experience.

EMPLOYEES

As of March 20, 2009, there were 4 full-time and 1 part-time employees at the Company's executive offices, and 11 full-time and 6 part-time employees at CGC.

ITEM 2. PROPERTIES.

The Company's corporate offices are located inside the clubhouse building of the CGC at 6730 South Las Vegas Boulevard, Las Vegas, Nevada 89119. The CGC property occupies approximately 42 acres of leased land described in ITEM 1 - DESCRIPTION OF BUSINESS, BUSINESS DEVELOPMENT. The CGC was opened October 1, 1997. The property is in good condition both structurally and in appearance. There were certain construction defects that are discussed below in ITEM 3 - LEGAL PROCEEDINGS. There were minor defects to the building but they have been repaired. Other construction not related to the building involved adjoining concrete sidewalks and walkways. Temporary repairs have been made and a permanent correction will be made upon final settlement of the lawsuit.

A ten-year note payable secured by a first deed of trust existed on the CGC in the original amount of \$1 million payable without interest. This note was paid in full on September 30, 2008.

The CGC has two tenant operations: (1) The St. Andrews Golf Shop that occupies approximately 4,300 square feet for golf retail sales and pays a fixed monthly rent that includes a prorated portion of maintenance and property tax expenses of \$13,104 for its retail and office space. The lease is for fifteen years ending in 2012, and (2) a restaurant that features an outdoor patio overlooking the golf course and driving range with the Las Vegas "Strip" in the background. Beginning in the first quarter of 2007, restaurant lease revenue will be equal \$4,160 per month. If the lease is extended the minimum rent shall increase by 4% per year and every year thereafter. The lease expired in first quarter of 2007 and the lessee exercised the option to continue operations at the CGC for an additional four- year period.

ITEM 3.

LEGAL PROCEEDINGS

Except for the complaints described in the following paragraphs, the Company is not presently a party to any legal proceedings, except for routine litigation that is incidental to the Company's business.

In December 2005, the Company commenced an arbitration proceeding before the American Arbitration Association against Urban Land of Nevada ("Urban Land") seeking reimbursement of the \$800,000 paid in settlement of a legal matter involving Sierra SportService plus fees and costs pursuant to the terms of the Company's agreements with Urban Land which owns the property on which the CGC is located. Urban Land filed a counterclaim against the Company seeking to recover damages related to back rent allegedly owed by the Company of approximately \$ 600,000. In addition, Urban Land claimed the Company misused an alleged \$880,000 settlement related to construction defects lawsuits.

Urban land also filed another lawsuit against the Company and claims against other parties in the arbitration proceeding. The claims against the Company were essentially identical to the claims above. The other parties included, among others, Ronald S. Boreta, the President of the Company; Vaso Boreta, Chairman of the Board of the Company; and Boreta Enterprise, Ltd., a principal shareholder of the Company. The other party claims alleged that the Company and others defrauded or otherwise injured Urban Land in connection with Urban Land entering into certain agreements in which the Company is a party. A summary judgment was issued in this case in the favor of the Company in June 2008.

On February 10, 2006, Urban Land filed a notice of default on the CGC ground lease claiming that certain repairs to the property had not been performed or documented. The Company filed a lawsuit in the Eighth Judicial

Edgar Filing: ALL AMERICAN SPORTPARK INC - Form 10-K

District Court of Clark County Nevada to prevent Urban Land from declaring the Company in default of its lease. The claims in the notice of default were added to the arbitration proceeding. A summary judgment was awarded to the Company in February 2008 in this proceeding.

On September 15, 2008, the Company entered into a settlement agreement with Urban Land pursuant to which all of the outstanding claims between Urban Land, the Company and certain other related parties. As a result of the settlement agreement, the appeal pending before the Nevada Supreme Court and the arbitration proceedings involving the parties were ended.

Under the terms of the settlement agreement, Urban Land agreed to pay the Company \$ 850,000 for the Sierra SportService matter. Further, Urban Land will not charge any rent for the ground lease on the Callaway Golf Center for the months of October 2008 through March 2009. Effective on April 1, 2009, the minimum rent under the lease will be approximately \$40,140 per month which amount will be subject to certain increases in October 2012 and October 2017. In addition, Urban Land's 35% interest in the Company's All American Golf Center, Inc. subsidiary was cancelled.

As part of the settlement, Urban Land also paid ASI Group, LLC, a principal shareholder of the Company, \$185,877 for legal expenses and released certain other related parties from any liability in connection with the legal proceedings.

ITEM 6. SELECTED FINANCIAL DATA.

Not required.

ITEM 7. MANAGEMENT'S DISCUSSION AND ANALYSIS OF FINANCIAL CONDITION AND RESULTS OF OPERATIONS.

The following information should be read in conjunction with the Company's Consolidated Financial Statements and the Notes thereto included in this report.

CRITICAL ACCOUNTING POLICIES AND ESTIMATES

Our consolidated financial statements are prepared in accordance with accounting principles generally accepted in the United States ("GAAP"). In connection with the preparation of the financial statements, we are required to make assumptions and estimates about future events that affect the reported amounts of assets, liabilities, revenue, expenses and the related disclosures. We base our assumptions and estimates on historical experience and other factors that management believes is relevant at the time our consolidated financial statements are prepared. On a periodic basis, management reviews the accounting policies, assumptions and estimates to ensure that our financial statements are presented fairly and in accordance with GAAP. However, because future events and their effects can not be determined with certainty, actual results could differ from the estimates and assumptions, and such differences could be material.

Our significant accounting policies are discussed in Note 2, Summary of Significant Accounting Policies in the Notes to the Consolidated Financial Statements. The following accounting policies are most critical in fully understanding and evaluating our reported financial results.

Stock Based Compensation

The Company adopted Statement of Financial Accounting Standards ("SFAS") No. 123 ("SFAS 123R"), Share Based Payment. This SFAS requires the Company to measure the cost of employee stock-based compensation awards granted based on the grant date fair value of those awards and to record the cost as compensation expense over the period during which the employee is required to perform services in exchange for the award (generally over the vesting period of the award). The Company currently does not have any options that are not fully vested.

Edgar Filing: ALL AMERICAN SPORTPARK INC - Form 10-K

Leasehold Improvements and Equipment

Leasehold improvements and equipment are stated at cost and are depreciated or amortized using the straight-line basis over the lesser of the lease term (including renewal periods, when the Company has both the intent and ability to extend the lease) or the useful lives of the assets, generally 3 to 15 years.

Revenues

The Company primarily earns revenue from golf course green fees, driving range ball rentals and golf and cart rentals which are recognized when received as payments for the services provided. Lease and sponsorship revenues are recognized as appropriate when earned.

RECENT ACCOUNTING PRONOUNCEMENTS

In September 2006, the FASB issued FASB Statement No. 157, "Fair Value Measurements" (SFAS 157). The standard provides guidance for using fair value to measure assets and liabilities. The standard also responds to investors' requests for expanded information about the extent to which companies measure assets and liabilities at fair value, the information used to measure fair value, and the effect of fair value measurements on earnings. The standard applies whenever other standards require or permit assets or liabilities to be measured at fair value. The standard does not expand the use of fair value in any new circumstances. SFAS 157 must be adopted prospectively as of the beginning of the year it is initially applied. SFAS 157 is effective for financial statements issued for fiscal years beginning after November 15, 2007, and interim periods within those fiscal years. The adoption of SFAS 157 did not have a significant impact on the consolidated financial statements.

In February 2007, the FASB issued SFAS No. 159, "The Fair Value Option for Financial Assets and Financial Liabilities" (SFAS 159). SFAS 159 allows entities the option to measure eligible financial instruments at fair value as of specified dates. Such election, which may be applied on an instrument by instrument basis, is typically irrevocable once elected. SFAS 159 is effective for fiscal years beginning after November 15, 2007, and early application is allowed under certain circumstances. The adoption of SFAS 159 did not have a significant impact on the consolidated financial statements.

In December 2007, the FASB issued SFAS No. 141 (revised 2007), "Business Combinations" (SFAS 141R) which replaces SFAS No. 141. SFAS 141R retains the purchase method of accounting for acquisitions, but requires a number of changes, including changes in the way assets and liabilities are recognized in the purchase accounting. It also changes the recognition of assets acquired and liabilities assumed arising from contingencies, requires the capitalization of in-process research and development at fair value, and requires the expensing of acquisition-related costs as incurred. SFAS 141R is effective for the Company beginning January 1, 2009 and will apply prospectively to business combinations completed on or after that date. The Company does not expect the adoption of SFAS 141R to have a material impact on its consolidated financial statements.

Edgar Filing: ALL AMERICAN SPORTPARK INC - Form 10-K

In December 2007, the FASB issued SFAS No. 160, "Noncontrolling Interests in Consolidated Financial Statements, an amendment of ARB 51" (SFAS 160) which changes the accounting and reporting for minority interests. Minority interests will be recharacterized as noncontrolling interests and will be reported as a component of equity separate from the parent's equity, and purchases or sales of equity interests that do not result in a change in control will be accounted for as equity transactions. In addition, net income attributable to the noncontrolling interest will be included in consolidated net income on the face of the income statement and, upon a loss of control, the interest sold, as well as any interest retained, will be recorded at fair value with any gain or loss recognized in earnings. SFAS No. 160 is effective for the Company beginning January 1, 2009 and will apply prospectively, except for the presentation and disclosure requirements, which will apply retrospectively. The Company does not expect the adoption of SFAS 160 to have a material impact on its consolidated financial statements.

OVERVIEW

The Company's operations consist of the management and operation of the CGC. The CGC includes the Divine Nine par 3 golf course fully lighted for night golf, a 110-tee two-tiered driving range, a 20,000 square foot clubhouse which includes the Callaway Golf fitting center and Pro Shop and two tenants, the Saint Andrews Golf Shop retail store and a restaurant.

The CGC has an ideal location at the end of the "Las Vegas Strip" and near the international airport; however, much of the land immediately adjacent to the CGC has not yet been developed.

The Town Square project which opened in November 2007 is expected to result in increased revenues for the golf center. The Town Square is a 1.5 million square foot super regional lifestyle center with a mix of retail, dining and office space that is being developed across the street from the CGC. In addition, the continued aggressive level of growth at the south end of the Las Vegas strip is expected to draw more local and tourist business to the golf center.

RESULTS OF OPERATIONS - YEAR ENDED DECEMBER 31, 2008 VERSUS YEAR ENDED DECEMBER 31, 2007.

REVENUES. Revenues of the Callaway Golf Center ("CGC") for 2008 increased 4.5% or \$101,774 to \$2,340,433 compared to \$ 2,238,658 in 2007. Golf course green fees increased by \$26,858 to \$714,916 in 2008 compared to \$688,058 in 2007 due to a mild and very active first and third quarter. Driving range revenue increased for 2008 by \$ 70,410 to \$849,766 from \$779,356 this increase is attributed the CGC increasing its hours of operation. Golf club rentals increased by \$ 31,874 to \$142,332 in 2008 compared to \$110,458 in 2007 as a result of an increase in tourist customers and renting golf clubs individually for use on the driving range. Golf lesson fees decreased to \$169,577 in 2008 as compared to \$196,572 in 2007. This decrease is attributed to a staffing turnover in golf instructors and a lower demand for lessons.

COST OF REVENUES. Costs of revenues decreased by 7.9% or \$50,612 to \$591,322 in 2008 compared to \$641,934 in 2007. Payroll costs decreased \$18,926 in 2008 due to across the board hour cutting. Other cost of goods, mainly comprised of driving range supplies like golf balls and miscellaneous supplies, decreased by \$14,660 to \$109,992 in 2008 compared to \$124,652 in 2007 as a result of cost cutting measures taken during the year.

SELLING, GENERAL AND ADMINISTRATIVE ("SG&A"). SG&A expenses consist principally of administrative payroll, rent, professional fees and other corporate costs. These expenses increased by 1.7% or \$34,664 to \$2,134,122 in

Edgar Filing: ALL AMERICAN SPORTPARK INC - Form 10-K

2008 from \$2,181,901 in 2007. Occupancy expense decreased by \$15,039 from \$822,822 in 2007 to \$807,783 in 2008. This decrease was related to a decrease in utilities and property insurance. Salaries decreased by \$3,725 due to a turnover and being able to replace employees for a lower wage. Other operating expenses increased by \$37,884 as a result of several small projects that included updating the lighting in the facility, repainting the facility and updating our banners.

DEPRECIATION AND AMORTIZATION. Depreciation and amortization increased 3.1% to \$ 85,001 in 2008 compared to \$82,442 in 2007 due to depreciating the new 2007 assets for a full year.

OTHER INCOME AND INTEREST EXPENSE. Interest expense decreased slightly by \$12,224 to \$529,045 in 2008 compared to \$541,270 in 2007 due to paying off several loans in September 2008. Other income in 2008 included \$1,090,837 from the settlement with Urban Land discussed in ITEM 3 LEGAL PROCEEDINGS of this report.

NET INCOME (LOSS). In 2008, the net income was \$92,754 as compared to a loss of \$ 825,476 in 2007. This reduction in the net loss to net income was due to the receipt of proceeds from the settlement agreement from Urban Land in 2008, and a general decrease in expenses coupled with an increase in revenue.

LIQUIDITY AND CAPITAL RESOURCES

Working capital needs have been helped by favorable payment terms and conditions included in our notes payable to related parties. Management believes that additional notes could be negotiated, if necessary, with similar payment terms and conditions.

The Company has various notes payable to related parties (See ITEM 12 -CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS). In December 2007, three notes totaling \$110,000 and related interest of \$102,788 were to mature but the maturity dates were extended until June 30, 2008. In December 2006, four notes totaling \$220,000 and related interest of \$223,651 were to mature but the maturity dates were extended until March 31, 2007. This extension has also been extended until June 30, 2009.

In 2008 and 2007, the Company's cash flows used in investing activities consisted of cash expenditures of approximately \$0 and \$117,068 for capital asset additions. The repayment of loans and the proceeds of loans from related parties of approximately \$907,322 and \$121,876, net of current year repayments, constitutes the majority of the Company's financing cash activities along with the increase in related party transactions.

We believe that continued development of the south strip directly adjacent the property will continue to result in increased revenues.

Nevertheless, for reasons described below and in Note 1.d. to the consolidated financial statements, in its report dated August 6, 2008 the Company's independent auditors have expressed substantial doubt as to the Company's ability to continue as a going concern.

As of December 31, 2008, the Company had a working capital deficit of \$8,094,198 as compared to a working capital deficit of \$8,470,008 at December 31, 2007. The decrease in the working capital deficit is primarily due to the settlement income from the Urban Land lawsuit that settled in September 2008.

AASP management believes that its continuing operations may not be sufficient to fund operating cash needs and debt service requirements over at

Edgar Filing: ALL AMERICAN SPORTPARK INC - Form 10-K

least the next 12 months. As such, management plans on seeking other sources of funding as needed, which may include Company officers or directors or other related parties. In addition, management continues to analyze all operational and administrative costs of the Company and has made and will continue to make the necessary cost reductions as appropriate.

Management continues to seek out financing to help fund working capital needs of the Company. In this regard, management believes that additional borrowings against the CGC could be arranged although there can be no assurance that the Company would be successful in securing such financing or with terms acceptable to the Company.

Among its alternative courses of action, management of the Company may seek out and pursue a business combination transaction with an existing private business enterprise that might have a desire to take advantage of the Company's status as a public corporation. There is no assurance that the Company will acquire a favorable business opportunity through a business combination. In addition, even if the Company becomes involved in such a business opportunity, there is no assurance that it would generate revenues or profits, or that the market price of the Company's common stock would be increased thereby.

There are no planned material capital expenditures in 2008.

REPORT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

To the Board of Directors and Stockholders All-American SportPark, Inc Las Vegas, Nevada

We have audited the accompanying consolidated balance sheets of All-American SportPark, Inc and Subsidiary (the Company) as of December 31, 2008 and 2007, and the related consolidated statements of income (operations), stockholders deficit, and cash flows for the years then ended. These consolidated financial statements are the responsibility of the Company's management. Our responsibility is to express an opinion on these consolidated financial statements based on our audits.

We conducted our audits in accordance with the standards of the Public Company Accounting Oversight Board (United States). Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. The Company is not required to have, nor were we engaged to perform, an audit of its internal control over financial reporting. Our audit included consideration of internal control over financial reporting as a basis for designing audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control over financial reporting. Accordingly, we express no such opinion. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audits provides a reasonable basis for our opinion.

In our opinion, the consolidated financial statements referred to above present fairly, in all material respects, the financial position of All-American SportPark, Inc and Subsidiary as of December 31, 2008 and 2007, and the results of its activities and cash flows for the years then ended in conformity with accounting principles generally accepted in the United States.

The accompanying consolidated financial statements have been prepared assuming that the Company will continue as a going concern. As discussed in Note 1d to the consolidated financial statements, the Company's current liabilities exceed current assets and has incurred recurring losses, all of which raise substantial doubt about the Company's ability to continue as a going concern. Management's plans in regards to these matters are also described in Note 1d. The consolidated financial statements do not include any adjustments that might result from the outcome of this uncertainty.

ALL-AMERICAN SPORTPARK, INC. AND SUBSIDIARY NOTES TO CONSOLIDATED FINANCIAL STATEMENTS

1. ORGANIZATIONAL STRUCTURE AND BASIS OF PRESENTATION a. PRINCIPLES OF CONSOLIDATION

The consolidated financial statements of All- American SportPark, Inc. ("AASP"), include the accounts of AASP and its wholly - owned subsidiary, All-American Golf Center, Inc. ("AAGC"), collectively the "Company" . All significant intercompany accounts and transactions have been eliminated. The Company's business operations consists solely of the Callaway Golf Center ("CGC") are included in AAGC.

b. BUSINESS ACTIVITIES

The CGC includes the Divine Nine par 3 golf course fully lighted for night golf, a 110-tee two-tiered driving range, a 20,000 square foot clubhouse which includes the Callaway Golf fitting center and two tenants: the St. Andrews Golf Shop retail store, and a restaurant.

Because our business activities are not structured on the basis of different services provided, the above activities are reviewed, evaluated and reported as a single reportable segment. The Company is based in and operates solely in Las Vegas, Nevada, and does not receive revenues from other geographic areas although its tourist customers come from elsewhere. No one customer of the Company comprises more than 10% of the Company's revenues.

c. CONCENTRATIONS OF RISK

The Company has implemented various strategies to market the CGC to Las Vegas tourists and local residents. Should attendance levels at the CGC not meet expectations in the short-term, management believes existing cash balances would not be sufficient to fund operating expenses and debt service requirements for at least the next 12 months.

d. GOING CONCERN MATTERS

The accompanying consolidated financial statements have been prepared on a going concern basis, which contemplates the realization of assets and the satisfaction of liabilities in the normal course of business. As shown in the accompanying consolidated financial statements, for 2008 and 2007, the Company had net losses of approximately \$998,000 and \$1,125,000, respectively (excluding other non-recurring income as discussed in Note 10 of approximately \$1,091,000 and \$300,000 for the years ended December 31, 2008 and 2007, respectively). As of December 31, 2008, the Company had a working capital deficit of \$8,094,198 and a shareholders' equity deficiency of \$9,236,367.

AASP management believes that its continuing operations may not be sufficient to fund operating cash needs and debt service requirements over at least the next 12 months. As such, management plans on seeking other sources of funding including the restructuring of current debt as needed, which may include Company officers or directors and/or other related parties. In addition, management continues to analyze all operational and administrative costs of the Company and has made and will continue to make the necessary cost reductions as appropriate. The inability to build attendance to profitable levels beyond a 12 -month period may require the Company to seek additional debt, restructure existing debt or equity financing to meet its obligations as they come due. There is no assurance that the Company would be successful in securing such debt or equity financing in amounts or with terms acceptable to the Company.

Edgar Filing: ALL AMERICAN SPORTPARK INC - Form 10-K

Nevertheless, management continues to seek out financing to help fund working capital needs of the Company. In this regard, management believes that additional borrowings against the CGC could be arranged although there can be no assurance that the Company would be successful in securing such financing or with terms acceptable to the Company.

Among its alternative courses of action, management of the Company may seek out and pursue a business combination transaction with an existing private business enterprise that might have a desire to take advantage of the Company's status as a public corporation. There is no assurance that the Company will acquire a favorable business opportunity through a business combination. In addition, even if the Company becomes involved in such a business opportunity, there is no assurance that it would generate revenues or profits, or that the market price of the Company's common stock would be increased thereby.

The consolidated financial statements do not include any adjustments relating to the recoverability of assets and the classification of liabilities that might be necessary should the Company be unable to continue as a going concern.

e. ESTIMATES USED IN THE PREPARATION OF FINANCIAL STATEMENTS

Preparation of the financial statements in conformity with accounting principles generally accepted in the United States requires management to make estimates and assumptions that may require revision in future periods.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

a. STOCK BASED COMPENSATION

In December 2004, the Financial Accounting Standards Board ("FASB") issued Statement of Financial Accounting Standards ("SFAS") No. 123 (revised 2004), ("SFAS 123R"), Share - Based Payment. This statement replaces SFAS 123, Accounting for Stock - Based Compensation, and supersedes Accounting Principles Board's Opinion No. 25 ("ABP 25"), Accounting for Stock Issued to Employees. The Company implemented "SFAS 123R" as of December 31, 2005 as required by the standard. SFAS 123R requires the Company to measure the cost of employee stock-based compensation awards granted based on the grant date fair value of those awards and to record that cost as compensation expense over the period during which the employee is required to perform services in exchange for the award (generally over the vesting period of the award). Since all the Company's outstanding employee stock options are all fully vested and none fall under Accounting Principles Board Opinion No. 25, the adoption of SFAS 123R's fair value method did not have any impact on the Company's financial statements with regard to currently outstanding options.

b. LEASEHOLD IMPROVEMENTS AND EQUIPMENT

Leasehold improvements and equipment (Note 5) are stated at cost. Depreciation and amortization is provided for on a straight-line basis over the lesser of the lease term (including renewal periods, when the Company has both the intent and ability to extend the lease) or the following estimated useful lives of the assets:

Furniture and equipment	3-10 years
Leasehold improvements	15-25 years

Edgar Filing: ALL AMERICAN SPORTPARK INC - Form 10-K

c. ADVERTISING

The Company expenses advertising costs as incurred. Advertising costs charged to continuing operations amounted to \$40,000 and \$35,200 in 2008 and 2007, respectively.

d. REVENUES

Lease and sponsorship revenues are recognized as appropriate when earned. Substantially all other revenues including golf course green fees, driving range ball rentals and golf cart rentals, are recognized when received as they are payments for services provided on the same day.

e. COST OF REVENUES

Cost of revenues is primarily comprised of golf course and driving range employee payroll and benefits, operating supplies (e.g., driving range golf balls and golf course score -cards, etc.), and credit card/check processing fees.

f. SELLING, GENERAL AND ADMINISTRATIVE EXPENSES

Selling, general and administrative expenses consist principally of management, accounting and other administrative employee payroll and benefits, land lease expense, utilities, landscape maintenance costs, and other expenses (e.g., office supplies, marketing/advertising, and professional fees, etc.).

g. IMPAIRMENT OF LONG -LIVED ASSETS

Long-lived assets, including property and equipment, are reviewed for impairment whenever events or changes in circumstances indicate that the carrying amount of the long -lived asset may not be recoverable. If the long-lived asset or group of assets is considered to be impaired, an impairment charge is recognized for the amount by which the carrying amount of the asset or group of assets exceeds its fair value. Long-lived assets to be disposed of are reported at the lower of the carrying amount or fair value less cost to sell. Long-lived assets were evaluated for possible impairment and determined not to be impaired as of December 31, 2008.

h. LEGAL DEFENSE COSTS

The Company does not accrue for estimated future legal and related defense costs, if any, to be incurred in connection with outstanding or threatened litigation and other disputed matters but rather, records such as period costs when the services are rendered.

i. LEASES

The Company leases land and equipment. Leases are accounted for under the provisions of SFAS No. 13, Accounting for Leases, as amended, which requires that leases be evaluated and classified as operating or capital leases for financial reporting purposes. The lease term used for lease evaluation related to the land includes option periods as the Company believes the option period can be reasonably assured and failure to exercise such option would result in an economic penalty. For equipment, option periods are included only in instances in which the exercise of the option period can be reasonably assured and failure to exercise such options would result in economic penalty.

Edgar Filing: ALL AMERICAN SPORTPARK INC - Form 10-K

j. RECENT ACCOUNTING POLICIES

In December 2007, the FASB issued SFAS No. 141 (revised 2007), "Business Combinations" (SFAS 141R) which replaces SFAS No. 141. SFAS 141R retains the purchase method of accounting for acquisitions, but requires a number of changes, including changes in the way assets and liabilities are recognized in the purchase accounting. It also changes the recognition of assets acquired and liabilities assumed arising from contingencies, requires the capitalization of in-process research and development at fair value, and requires the expensing of acquisition-related costs as incurred. SFAS 141R is effective for the Company beginning January 1, 2009 and will apply prospectively to business combinations completed on or after that date. The Company does not expect the adoption of SFAS 141R to have a material impact on its consolidated financial statements.

In December 2007, the FASB issued SFAS No. 160, "Noncontrolling Interests in Consolidated Financial Statements, an amendment of ARB 51" (SFAS 160) which changes the accounting and reporting for minority interests. Minority interests will be recharacterized as noncontrolling interests and will be reported as a component of equity separate from the parent's equity, and purchases or sales of equity interests that do not result in a change in control will be accounted for as equity transactions. In addition, net income attributable to the noncontrolling interest will be included in consolidated net income on the face of the income statement and, upon a loss of control, the interest sold, as well as any interest retained, will be recorded at fair value with any gain or loss recognized in earnings. SFAS No. 160 is effective for the Company beginning January 1, 2009 and will apply prospectively, except for the presentation and disclosure requirements, which will apply retrospectively. The Company does not expect the adoption of SFAS 160 to have a material impact on its consolidated financial statements.

In March 2008, the FASB issued SFAS No. 161, Disclosures about Derivative Instruments and Hedging Activities an amendment of FASB Statement No. 133. This statement is intended to enhance the current disclosure framework in SFAS No. 133. Under SFAS No. 161, entities will have to provide disclosures about (a) how and why an entity uses derivative instruments, (b) how derivative instruments and related hedged items are accounted for under SFAS No. 133 and its related interpretations, and (c), how derivative instruments and related hedged items effect an entity's financial position, financial performance and cash flows. SFAS No. 161 is effective for all financial statements issued for fiscal and interim periods beginning after November 15, 2008. Since the Company does not currently have any derivative instruments, nor does it engage in hedging activities, the Company expects to have no significant financial impact as a result of adoption of SFAS No. 161.

In May 2008, FASB issued Financial Accounting Statement (SFAS) No. 162, The Hierarchy of Generally Accepted Accounting Principles (GAAP). The GAAP hierarchy is currently set forth in the American Institute of Certified Public Accountants (AICPA) Statement on Auditing Standards No. 69, the Meaning of Present Fairly in Conformity with Generally Accepted Accounting Principles. Auditing Standards No. 69 is (1) directed to the auditor, (2) is complex, and (3) ranks FASB Statements of Financial Accounting Concepts, which are subject to the same level of due process as the FASB Statements of Financial Accounting Statements, below industry practices that are widely recognized as generally accepted but that are not subject to due process. The Board believes the GAAP hierarchy should reside in the accounting literature established by the FASB and instead of being directed to the auditor, should be directed to entities since they are responsible for selecting accounting principles for financial statements that are presented in accordance with GAAP. This statement is to become effective 60 days following the Security and Exchange Commission's (SEC) approval of Accounting Oversight Board

Edgar Filing: ALL AMERICAN SPORTPARK INC - Form 10-K

amendments to AU Section 411, The Meaning of Present Fairly in Conformity with Generally Accepted Accounting Principles. The Company does not expect any significant financial impact upon adoption of SFAS No. 162.

3. EARNINGS (LOSS) PER SHARE

Basic earnings per share excludes any dilutive effects of options, warrants and convertible securities. Basic earnings per share is computed using the weighted average number of shares of common stock and common stock equivalent shares outstanding during the period. Common stock equivalent shares are excluded from the computation if their effect is antidilutive. The Company did not have any stock equivalent shares for the years ended December 31, 2008 and 2007.

Loss per share is computed by dividing reported net loss by the weighted average number of common shares outstanding during the period. Common equivalent shares are not used to compute a diluted loss per share because to do so would be anti-dilutive for the period ending December 31, 2007 and 2006. The weighted-average number of common shares used in the calculation of basic loss per share was 3,519,000 and 3,502,000 in 2008 and 2007.

4. RELATED PARTY TRANSACTIONS

The Company provides administrative/accounting support for (a) two golf retail stores wholly-owned by the Company's Chairman, both named Las Vegas Discount Golf and Tennis (the "Paradise Store" and "Rainbow Store"), b) three golf retail stores, two of which are named Saint Andrews Golf Shop ("SAGS") and the other is a Las Vegas Discount Golf and Tennis ("District Store"), owned by the Company's President and his brother, and (c) Sports Entertainment Enterprises, Inc. until February 2005. One of the SAGS stores is the retail tenant in the CGC. Administrative/accounting payroll and employee benefits are allocated based on an annual review of the personnel time expended for each entity. Amounts allocated to these related parties by the Company approximated \$121,000 and \$93,000 in 2008 and 2007, respectively.

The Company owed these and other stores a total of \$1,452,670 and \$1,011,952 as of December 31, 2008 and 2007, respectively. The amounts are non-interest bearing and due out of available cash flows of the Company.

The note payable and accrued interest payable balances at December 31, 2008, were \$ 3,363,473 and \$2,868,767 respectively. These notes mature in June 2009.

Edgar Filing: ALL AMERICAN SPORTPARK INC - Form 10-K

7. LEASES

The land underlying the CGC is leased under an operating lease that expires in 2012 and has two five-year renewal options. In March 2006, the Company exercised the first of two options, extending the lease to 2018. Also, the lease has a provision for contingent rent to be paid by AAGC upon reaching certain levels of gross revenues. The Company recognizes the minimum rental expense on a straight-line basis over the term of the lease, which includes the two five year renewal options.

The Company is also obligated under a non-cancelable operating lease that expires in 2009.

At December 31, 2008, minimum future lease payments under non-cancelable operating leases are as follows:

As of December 31, 2008 and 2007, the Company has available for income tax purposes approximately \$20.0 and \$20.1 million respectively in federal net operating loss carryforwards, which may be available to offset future taxable income. These loss carryforwards expire in 2019 through 2028. The Company may be limited by Internal Revenue Code Section 382 in its ability to fully utilize its net operating loss carryforwards due to possible future ownership changes. A 100% valuation allowance has been effectively established against the net deferred tax asset since it appears more likely than not that it will not be realized.

The provision (benefit) for income taxes attributable to income (loss) from continuing operations does not differ materially from the amount computed at the federal income tax statutory rate.

In April 2000, 50,000 options were granted at an exercise price of \$0.8125 per share, the closing market price on the date of grant. These options expired unexercised in April 2005.

Amounts to be paid under this agreement are solely in cash and are not to exceed \$500,000. The SAR expired on October 26, 2008.

The 1998 Plan has now expired.

In 1998, Urban Land of Nevada Inc. (Urban Land) (Note 10), the landlord of the property underlying the CGC, was granted 75,000 stock options. These options are exercisable at \$4.00 per share through the year 2008. 10,000 of these

The Company was plaintiff in a lawsuit against Western Technologies and was awarded a judgment of \$660,000 in March 2003. Western Technologies had appealed the judgment to the Nevada Supreme Court (the "Court") . Western Technologies was required to and did file a bond in the amount of the judgment to date, which was approximately \$1,180,000 including the judgment, interest, and attorney's fees. In October 2006, the "Court" ruled in favor of the defendant, but it wasn't until August 2007 that an agreement was reached and all parties signed a Settlement Agreement. The Company received a total of \$550,000 and a net after attorney's fees of \$ 300,000, which was used to finish repairs on the facility and for some upgrades.

In December 2005, the Company commenced an arbitration proceeding before the American Arbitration Association against Urban Land of Nevada ("Urban Land") seeking reimbursement of the \$800,000 paid in settlement of a legal matter involving Sierra SportService plus fees and costs pursuant to the terms of the Company's agreements with Urban Land which owns the property on which the CGC is located. Urban Land filed a counterclaim against the Company seeking to recover damages related to back rent allegedly owed by Company of approximately \$600,000. In addition, Urban Land claimed the Company misused an alleged \$880,000 settlement related to construction defects lawsuits.

Urban land also filed another lawsuit against the Company and claims against other parties in the arbitration proceeding. The claims against the Company were essentially identical to the claims above. The other parties included, among others, Ronald S. Boreta, the President of the Company; Vaso Boreta, Chairman of the Board of the Company; and Boreta Enterprise, Ltd., a principal shareholder of the Company. The other party claims alleged that the Company and others defrauded or otherwise injured Urban Land in connection with Urban Land entering into certain agreements in which the Company is a party. A summary judgment was issued in this case in the favor of the Company in June 2008.

Edgar Filing: ALL AMERICAN SPORTPARK INC - Form 10-K

On February 10, 2006, Urban Land filed a notice of default on the CGC ground lease claiming that certain repairs to the property had not been performed or documented. The Company filed a lawsuit in the Eighth Judicial District Court of Clark County Nevada to prevent Urban Land from declaring the Company in default of its lease. The claims in the notice of default were added to the

On September 15, 2008, the Company entered into a settlement agreement with Urban Land pursuant to which all of the outstanding claims between Urban Land, the Company and certain other related parties. As a result of the settlement agreement, the appeal pending before the Nevada Supreme Court and the arbitration proceedings involving the parties were ended.

Further, Urban Land will not charge any rent for the ground lease on the Callaway Golf Center for the months of October 2008 through March 2009. Effective on April 1, 2009, the minimum rent under the lease will be approximately \$40,140 per month which amount will be subject to certain increases in October 2012 and October 2017. In addition, Urban Land's 35% interest in the Company's All American Golf Center, Inc. subsidiary was cancelled. For the year ended December 31, 2008, the Company recognized other income totaling \$1,090,837.
