IUSACELL EXPECTS TO EXECUTE SOON ITS CONVENIO CONCURSAL WITH CREDITORS

Edgar Filing: GRUPO IUSACELL SA DE CV - Form 6-K

MEXICO CITY, AUGUST 16, 2006 - Grupo Iusacell, S.A. de C.V. [BMV: CEL] ("Iusacell") announces the advancement of its restructuring process within the framework established by its strategic plan, and that it hopes that the restructuring agreement that has been reached in principle with the majority of its creditors will be legally finalized soon.

As of today, approximately 90% of Iusacell's creditors have confirmed their support of the company's Plan of Reorganization by means of the company's exchange offer and consent solicitation that expired on June 1, 2006. The Company believes that the high rate of approval of the Plan of Reorganization signifies a clear confidence in the Company's management.

As has been stated in previous press releases, the restructuring consists of an exchange of U.S.\$350 million of the company's 14.25% notes due 2006 for U.S.\$175million of new notes due 2013 that will bear interest at annual rate of 10% (with semi-annual interest payments in arrears including the option for Iusacell to capitalize up to 40% of each interest payment).

Today another milestone was reached in the legal implementation of the restructuring agreement reached in principle with the Company's creditors. As stated in previous press releases, Iusacell filed a voluntary petition for concurso mercantil before a Mexican judge (Juez Septimo de Distrito en Materia Civil del Primer Circuito), which today and as a part of the restructuring process, issued a declaration of concurso mercantil (sentencia de concurso) for Iusacell. As a result of this declaration, Iusacell enters a new phase towards completing its restructuring and expects to execute soon the corresponding plan of reorganization (convenio concursal) to be submitted before the Mexican court. Accordingly to this type of process, Iusacell has appointed various counsels, including Everardo Joaquin Espino, Enrique Gutierrez Flores, David Pablo Montes Ramirez and Ivan Sanchez Montero, to coordinate and act in the judicial proceedings.

The Federal Institute Specializing in Concursos Mercantiles (Instituto Federal de Especialistas en Concursos Mercantiles) was the entity responsible of the review of Iusacell's books and records which concluded satisfactorily with the report of the examiner Mr. Pablo Octaviano Mendoza Garcia.
