Item 8.01. Other Events.

MVB Bank, a wholly-owned subsidiary of MVB Financial Corp., today opened a new branch location in Reston, Virginia. The new Reston Branch, located at 1801 Old Reston Avenue, Suite 103, marks the company's first full service location outside of West Virginia and the fifth banking office opened this year. This new banking location will complement the five MVB Mortgage locations throughout Northern Virginia and Washington, D.C. currently.

As the first financial service center for the company in Northern Virginia, the new MVB Reston branch provides full commercial and retail banking, wealth management, mortgage lending and insurance services to clients.

Led by Regional President, Jamie Nalls, the Reston branch has a team of knowledgeable bankers to assist and offer clients a traditional personal relationship banking experience as well as the latest technological conveniences, such as automated, interactive teller systems and an intelligent, deposit-taking ATM to increase client accessibility.

Along with leadership from Byron Schulze, Senior Vice President, Nalls noted the Northern Virginia market was primed for the introduction of a new client relationship focused financial institution.

In 2015, MVB Bank, the SBA Community Bank of the Year in the State of West Virginia, has launched five other banking locations, including new banking offices in Fairmont, West Virginia, at the I-79 Technology Park; in downtown Charleston, West Virginia; and in two acquired locations in the Eastern Panhandle of West Virginia, just outside the Washington, D.C. metro area.
