Beginning on June 20, 2018, MVB Financial Corp. (the “Company”) issued a total of 795,500 shares of common stock, par value \$1.00 per share (“Common Stock”), upon receiving notice from certain holders of the Company’s Convertible Subordinated Promissory Notes due 2024 (the “Notes”) of their election to convert their Notes into Common Stock. The Notes were originally issued on June 30, 2014 in an aggregate principal amount of \$29,400,000 and are convertible into Common Stock based on \$16 per share of Common Stock. The conversion price is subject to anti-dilution adjustments for certain events such as stock splits, reclassifications, non-cash distributions, extraordinary cash dividends, pro rata repurchases of common stock, and business combination transactions. In accordance with the terms of the Notes, a combined \$12,728,000 aggregate principal amount of the Notes were converted by the converting holders, which represents approximately 43% of the original \$29,400,000 aggregate principal amount of Notes. The Common Stock issued upon conversion of the Notes were issued in reliance on the exemption from registration provided by Section 3(a)(9) under the Securities Act of 1933, as amended. No commission or other remuneration was paid or given directly or indirectly for soliciting such exchange. The form of Note was filed as Exhibit 10.1 to the current report on Form 8-K filed by the Company on July 7, 2014.
