**Discontinuance of Differentiated Level 2 Corporate Governance
Practices by Suzano Petroquímica**

(Rio de Janeiro, June 3, 2008). PETRÓLEO BRASILEIRO S.A. - PETROBRAS, [Bovespa: PETR3/PETR4, NYSE: PBR/PBRA, Latibex: XPBR/XPBRA, BCBA: APBR/APBRA], a Brazilian international energy company, and UNIPAR União de Indústrias Petroquímicas S.A. [Bovespa: UNIP3/UNIP5/UNIP6], with reference to Suzano Petroquímica S.A. (Suzano), announce:

PETROBRAS and UNIPAR will begin regulatory and contractual procedures aiming at having Suzano discontinue the exercise of Differentiated Level 2 Corporate Governance Practices, as defined in Bovespa's Regulation. The procedures will begin on June 25 2008, the date that has been scheduled for the financial liquidation of the Public Offer Auction for the Acquisition of Suzano Petroquímica S.A. stock, according to the Public Offer Notice published on May 12 2008 and to the errata published on May 13 2008,

The Discontinuity of the Differentiated Level 2 Corporate Governance Practices will neither cause the cancellation of Suzano's registration as a publicly traded corporation at the Brazilian Securities Exchange Commission (Comissão de Valores Mobiliários - CVM) nor the shares issued by Suzano to stop being traded at the Brazilian Stock Exchange Bovespa.

FORWARD-LOOKING STATEMENTS

This press release may contain forward-looking statements. These statements are statements that are not historical facts, and are based on management's current view and estimates of future economic circumstances, industry conditions, company performance and financial results. The words "anticipates", "believes", "estimates", "expects", "plans" and similar expressions, as they relate to the company, are intended to identify forward-looking statements. Statements regarding the declaration or payment of dividends, the implementation of principal operating and financing strategies and capital expenditure plans, the direction of future operations and the factors or trends affecting financial condition, liquidity or results of operations are examples of forward-looking statements. Such statements reflect the current views of management and are subject to a number of risks and uncertainties. There is no guarantee that the expected events, trends or results will actually occur. The statements are based on many assumptions and factors, including general economic and market conditions, industry conditions, and operating factors. Any changes in such assumptions or factors could cause actual results to differ materially from current expectations.
