This appraisal report is split up into sections as follows:

- Aims
- Principles and qualifications
- Methodology adopted and summary of work carried out
- Conclusion

I. AIMS

This appraisal report aims to record the appraisal, book value, of the net worth of **PETROQUIMICA TRIUNFO S.A.** for the purposes of incorporation of the whole business by **BRASKEM S.A.** in accordance with the terms and provisions set out in article 227, paragraph 1, of Law 6404/76 (Joint Stock Corporation Law).

II. PRINCIPLES AND QUALIFICATIONS

The execution of this work adhered strictly to the following fundamental principles:

ACAL consultants have no direct or indirect interest in the companies involved in the operation and there are no circumstances whatsoever that may characterize a conflict of interest for the issuing of this report.

To the best of their knowledge, ACAL consultants' analysis, opinions and conclusions as set out herein are based on true and correct data, due diligence, research and findings.

ACAL's professional fees are not in any way subject to the findings and conclusions of this report.

This report is based on the assumption that information received from third parties is correct and the sources of said information are contained in the report.

The report was drawn up by ACAL and no one else other than its own consultants carried out any analysis and respective findings and conclusions.

This report meets the specifications and criteria set by USPAP (Uniform Standards of Professional Appraisal Practice) and by the Joint Stock Corporation Law, as well as demands imposed by different agencies and regulations where applicable, such as: Treasury Department, Brazilian Central Bank, Banco do Brasil, Brazilian Securities and Exchange Commission (CVM in Brazil), Brazilian Institute of Independent Auditors (IBRACON), Income Tax Regulation (RIR in Brazil).

The controllers and management of the companies involved did not direct, limit, hinder or practice any acts that did or might have compromised access to, use or knowledge of information, assets, documents or work methodologies regarding the respective findings and conclusions contained herein.

III. METHODOLOGY ADOPTED AND SUMMARY OF WORK CARRIED OUT

We were contracted by **PETROQUIMICA TRIUNFO S.A.** in order to appraise the net worth of the company on December 31 2008 according to net book value.

Within the parameters defined for carrying out this appraisal, determining the net book value of **PETROQUIMICA TRIUNFO S.A.** on December 31 2008 was also based on a limited review of **PETROQUIMICA TRIUNFO S.A.**'s financial statements drawn up on that date.

This procedure was carried out in accordance with certain normal auditing practices obeying regulatory and statutory provisions and standards governing the matter within the Generally Accepted Accounting Principles and, consequently, includes proof in the accounting records for the circumstances necessary to the specific aim of determining a net book value of the company's net worth.

These investigations found that said records and elements were in accordance with legal formalities as well as those of the Generally Accepted Accounting Principles and have been uniformly and consistently applied by **PETROQUIMICA TRIUNFO S.A.**, drawn up in accordance with the Joint Stock Corporation Law, as well as in accordance with the demands imposed by different agencies and regulations where applicable, such as: Treasury Department, Brazilian Central Bank, Banco do Brasil, Brazilian Securities and Exchange Commission (CVM), Brazilian Institute of Independent Auditors (IBRACON), Income Tax Regulation (RIR); mainly with regards to the standards set by the Brazilian Securities and Exchange Commission (CVM), including administrative rulings #319/99 and #469/08.

Furthermore, we checked the books and accounting records that were the basis for the balance sheet of **PETROQUIMICA TRIUNFO S.A.**, as well as respective original documents based on selective sampling and testing.

IV. CONCLUSION

After due examination and technical checking carried out by us at **PETROQUIMICA TRIUNFO S.A.**, and based on the data referred to in this Appraisal report, we consider that the net book value of **PETROQUIMICA TRIUNFO S.A.**, for the purposes of incorporation by BRASKEM S.A. for the date December 31 2008, to be **R\$117,989,288.35** (one hundred and seventeen million nine hundred and eighty- nine thousand two hundred and eighty- eight Reais and thirty- five cents) in accordance with that set out in ATTACHMENT I and the following table:
