In accordance with Articles 252, Paragraph 1, 230 and 137 of Law 6,404/76, holders of Braskem's common and class B preferred shares dissenting from the resolution taken by the shareholders meeting approving the Merger of Shares will have the right to withdraw from the Company (Withdrawal Rights) and will be entitled to the reimbursement of their shares in the amount of nine point one five two three seven seven two two reais (R\$9.15237722) per share calculated based on the last balance sheet of December 31, 2009, approved by Braskem s shareholders meeting.

Pursuant to Article 137, item II of Law 6,404/76, holders of Braskem's class A preferred shares will not be entitled to Withdrawal Rights, since these shares are highly liquid and widely dispersed in the market.

Withdrawal rights may only be exercised in relation to all common and class B preferred shares held by shareholders, uninterruptedly, between December 7, 2010, prior to the beginning of the trading session, the date of publication of the Material Fact disclosing the Merger of Shares, until the date of the effective exercise of Withdrawal Rights. Shares acquired as of this date, inclusive, will not entitle their holders to withdraw from the Merger of Shares.

Dissenting shareholders wishing to exercise their Withdrawal Rights must expressly manifest this desire, pursuant to item 2 below, between December 28, 2010, the date of publication of the minutes of the meeting that approved the Merger of Shares, until January 27, 2011, inclusive, the end of the period for exercising said Withdrawal Rights. The payment of the reimbursement by Braskem, which is dependent on the effective conclusion of the operation, pursuant to Article 230 of Law 6,404/76, will take place as of February 7, 2011 through the crediting of the corresponding amount with Itaú Unibanco S.A. (Itaú Unibanco), the depositary institution for Braskem's shares, which will then, directly or through the custody agent, pay the dissenting shareholders based on their respective registration details and their shareholding position on December 7, 2010, before the beginning of the trading session.

Holders of Braskem's common and class B preferred shares wishing to exercise their Withdrawal Rights and whose shares are held in custody by Itaú Unibanco, the depositary institution for Braskem's shares, should, within the above-mentioned period, go to a branch of Itaú Unibanco specialized in services for shareholders, as listed below, during business hours and fill out the corresponding form available at the institution, bearing notarized copies of the following documents:

- ◆ Legal entities: the last consolidated bylaws or articles of incorporation, corporate taxpayer's ID (CNPJ/MF), corporate documents granting the power of representation and the CPF, RG and proof of address of the representatives.

Fractions of Braskem shares resulting from the replacement of each shareholding position of Quattor Petroquímica will be grouped into whole numbers of shares and sold at an auction on the BM&FBOVESPA after the end of the period for exercising Withdrawal Rights, with the proceeds being made available to the respective shareholders after the financial settlement of the shares sold in the auction.
