### NOTICE OF MATERIAL FACT

Rio de Janeiro, January 27, 2011

COMPANHIA SIDERÚRGICA NACIONAL (Company) hereby informs its shareholders and the market in general that, on January 26, 2011, it increased its interest in Usinas Siderúrgicas de Minas Gerais S.A. - Usiminas (Usiminas), through the acquisition of common shares. As a result, the Company now holds, directly and indirectly, 5.03% of Usiminas common shares, as well as 4.99% of its preferred shares, as disclosed in a Notice to the Market published on January 13, 2011.

The Company does not detain any additional share subscription, stock option or debenture rights, nor has it entered into any agreement or contract regulating the exercise of voting rights or the purchase and sale of securities issued by Usiminas. At this point in time, the Company does not intend to acquire interests of more than ten percent (10%) of each class of Usiminas stocks.

The Company is currently assessing alternative strategies in relation to its investment in Usiminas, including the possibility of additional acquisitions of stock in percentages higher than the above mentioned. Any such additional acquisitions may lead to alterations in Usiminas ownership and/or administrative structure.

#### FORWARD-LOOKING STATEMENTS

This press release may contain forward-looking statements. These statements are statements that are not historical facts, and are based on management's current view and estimates of future economic circumstances, industry conditions, company performance and financial results. The words "anticipates", "believes", "estimates", "expects", "plans" and similar expressions, as they relate to the company, are intended to identify forward-looking statements. Statements regarding the declaration or payment of dividends, the implementation of principal operating and financing strategies and capital expenditure plans, the direction of future operations and the factors or trends affecting financial condition, liquidity or results of operations are examples of forward-looking statements. Such statements reflect the current views of management and are subject to a number of risks and uncertainties. There is no guarantee that the expected events, trends or results will actually occur. The statements are based on many assumptions and factors, including general economic and market conditions, industry conditions, and operating factors. Any changes in such assumptions or factors could cause actual results to differ materially from current expectations.
