Petrobras completes formation test in Farfan area in the Sergipe-Alagoas Basin

Rio de Janeiro, October 17, 2013 – Petróleo Brasileiro S.A. – Petrobras announces it has completed a formation test in well 3-BRSA-1178D-SES (3-SES-176D), informally known as Farfan 1, the first to evaluate the production capacity of the accumulation located in the concession area BM-SEAL-11, block SEAL-M-426, in ultra deep waters of the Sergipe-Alagoas Basin.

The test evaluated 30 meters of turbidite sandstones formation and confirmed good reservoir characteristics featuring excellent productivity of good quality oil (38^o API).

The well is 104 km off the city of Aracaju, some 5 km from the discovery well (BRSA-1083) and at a water depth of 2,476 meters.

This formation test, conducted at a depth of 5,609 meters, is a continuation of the operations carried out in the area as released to the market on August 9. Petrobras will proceed with other activities as soon as the Discovery Evaluation Plan submitted to Brazil's National Petroleum, Natural Gas and Biofuels Agency (ANP) is approved.

Petrobras is the operator of the consortium (60%) in partnership with IBV-BRASIL (40%).

SIGNATURE

Pursuant to the requirements of the Securities Exchange Act of 1934, the registrant has duly caused this report to be signed on its behalf by the undersigned, thereunto duly authorized.

FORWARD-LOOKING STATEMENTS

This press release may contain forward-looking statements within the meaning of Section 27A of the Securities Act of 1933, as amended (Securities Act), and Section 21E of the Securities Exchange Act of 1934, as amended (Exchange Act) that are not based on historical facts and are not assurances of future results. These forward-looking statements are based on management's current view and estimates of future economic circumstances, industry conditions, company performance and financial results. The words "anticipates", "believes", "estimates", "expects", "plans" and similar expressions, as they relate to the company, are intended to identify forward-looking statements. Statements regarding the declaration or payment of dividends, the implementation of principal operating and financing strategies and capital expenditure plans, the direction of future operations and the factors or trends affecting financial condition, liquidity or results of operations are examples of forward-looking statements. Such statements reflect the current views of management and are subject to a number of risks and uncertainties. There is no guarantee that the expected events, trends or results will actually occur. The statements are based on many assumptions and factors, including general economic and market conditions, industry conditions, and operating factors. Any changes in such assumptions or factors could cause actual results to differ materially from current expectations.

All forward-looking statements are expressly qualified in their entirety by this cautionary statement, and you should not place reliance on any forward-looking statement contained in this press release. We undertake no obligation to publicly update or revise any forward-looking statements, whether as a result of new information or future events or for any other reason.
