**MATERIAL FACT**

**Merger of RNEST**

Rio de Janeiro, October 25<sup>th</sup>, 2013 – Petróleo Brasileiro S.A. – Petrobras, in compliance with the provision set forth in CVM Instruction No. 358/02, announces that its Board of Directors, in a meeting held today, approved the proposal to merge Refinaria Abreu e Lima S.A. – RNEST, which is a wholly-owned subsidiary of Petrobras. The merger will be submitted for analysis and discussion of shareholders during a Special Meeting to be convened at the appropriate time.

RNEST was formed, among other purposes, to facilitate possible partnerships with investors interested in refining activities in Brazil. Negotiations with interested parties, within the premises established by Petrobras, were unsuccessful.

The merger of Refinaria Abreu e Lima S.A. into Petrobras is aimed at improving the execution of construction work currently in progress and at facilitating the coordination of refining activities and distribution of oil products produced by Petrobras' refining portfolio.

Since the merger involves a wholly-owned subsidiary, there will be no capital increase at Petrobras or new stock issue. RNEST shares will be extinguished.

## FORWARD-LOOKING STATEMENTS

This press release may contain forward-looking statements within the meaning of Section 27A of the Securities Act of 1933, as amended (Securities Act), and Section 21E of the Securities Exchange Act of 1934, as amended (Exchange Act) that are not based on historical facts and are not assurances of future results. These forward-looking statements are based on management's current view and estimates of future economic circumstances, industry conditions, company performance and financial results. The words "anticipates", "believes", "estimates", "expects", "plans" and similar expressions, as they relate to the company, are intended to identify forward-looking statements. Statements regarding the declaration or payment of dividends, the implementation of principal operating and financing strategies and capital expenditure plans, the direction of future operations and the factors or trends affecting financial condition, liquidity or results of operations are examples of forward-looking statements. Such statements reflect the current views of management and are subject to a number of risks and uncertainties. There is no guarantee that the expected events, trends or results will actually occur. The statements are based on many assumptions and factors, including general economic and market conditions, industry conditions, and operating factors. Any changes in such assumptions or factors could cause actual results to differ materially from current expectations.

All forward-looking statements are expressly qualified in their entirety by this cautionary statement, and you should not place reliance on any forward-looking statement contained in this press release. We undertake no obligation to publicly update or revise any forward-looking statements, whether as a result of new information or future events or for any other reason.
