### **Petrobras confirms another discovery in the Santos Basin pre-salt**

Rio de Janeiro, May 20<sup>th</sup>, 2014 – Petróleo Brasileiro S.A. – Petrobras announces it has completed the formation test on well 1-SPS-98 (1-BRSA-1063-SPS), informally known as Sagitário, located in ultra-deep waters of the Santos Basin pre-salt.

The results obtained have confirmed the discovery announced to the market on February 25, 2013, when the well was still in the drilling phase. The test has revealed carbonate reservoirs with good permeability.

This is the first well to be drilled in block BM-S-50 and it is situated 194 km off the São Paulo coast, at a water depth of 1,871 meters.

The well has reached the total depth of 7,110 meters. Starting at a depth of 6,144 meters, we detected 159 meters of pre-salt reservoirs bearing good quality oil (32<sup>º</sup> API).

The consortium operated by Petrobras (60%) in partnership with BG E&P Brasil (20%) and Repsol Sinopec Brasil (20%) will proceed with the activities provided for in the Discovery Evaluation Plan (PAD) approved by Brazil's National Petroleum, Natural Gas and Biofuels Agency (ANP).

## SIGNATURE

Pursuant to the requirements of the Securities Exchange Act of 1934, the registrant has duly caused this report to be signed on its behalf by the undersigned, thereunto duly authorized.

## FORWARD-LOOKING STATEMENTS

This press release may contain forward-looking statements within the meaning of Section 27A of the Securities Act of 1933, as amended (Securities Act), and Section 21E of the Securities Exchange Act of 1934, as amended (Exchange Act) that are not based on historical facts and are not assurances of future results. These forward-looking statements are based on management's current view and estimates of future economic circumstances, industry conditions, company performance and financial results. The words "anticipates", "believes", "estimates", "expects", "plans" and similar expressions, as they relate to the company, are intended to identify forward-looking statements. Statements regarding the declaration or payment of dividends, the implementation of principal operating and financing strategies and capital expenditure plans, the direction of future operations and the factors or trends affecting financial condition, liquidity or results of operations are examples of forward-looking statements. Such statements reflect the current views of management and are subject to a number of risks and uncertainties. There is no guarantee that the expected events, trends or results will actually occur. The statements are based on many assumptions and factors, including general economic and market conditions, industry conditions, and operating factors. Any changes in such assumptions or factors could cause actual results to differ materially from current expectations.

All forward-looking statements are expressly qualified in their entirety by this cautionary statement, and you should not place reliance on any forward-looking statement contained in this press release. We undertake no obligation to publicly update or revise any forward-looking statements, whether as a result of new information or future events or for any other reason.
