ANNOUNCEMENT TO THE MARKET

Tele Centro Oeste Celular Participações S.A., hereby informs that it has received from its shareholder CAPITAL GROUP INTERNATIONAL, INC., a letter dated March 20, 2006 which is in the transcript below:

NOTICE

In accordance with the article 12, paragraph 4, of CVM Ruling No. 358 of January 3, 2002, Capital Group International, Inc., a company organized and existing under the laws of the United States of America, with its principal place of business at 333, South Hope Street, Los Angeles, California 90071, United States of America ("CGII"), in its capacity as holding company for investment management companies abroad, hereby advises that sold, through certain deals on stock exchange, its ownership interest in preferred registered shares ("PN shares") issued by Tele Centro Oeste Celular Participações S/A, publicly-held company, registered in CNPJ/MF under the No. 02.558.132/0001-69 ("Company"). CGII held, on behalf of its clients, on 1.9.2006, PN Shares issued by the Company corresponding to 8.96% of this type of share and, as a consequence of the aforementioned sales carried out since then, now holds totals of 3,300,068 PN Shares issued by the Company, corresponding to 3.85% of this type of share. In addition to the Company's equity interest referred to above, Capital Research and Management Company, a company in the same economic group as CGII, and also in its capacity as manager of an investment company abroad, holds 3,970,465 PN Shares, corresponding to 4.63% of the Company's PN Shares. This is a minority investment that entails no change in the Company's control or management structure. Currently, there is no number of Company shares envisioned by CGII. There are no convertible debentures already held, directly or indirectly, by CGII or related person, nor any agreement or contract regulating voting rights or the purchase and sale of securities issued by the Company, to which CGII or any related person is a party.

March 20, 2006.

FORWARD-LOOKING STATEMENTS

This press release may contain forward-looking statements. These statements are statements that are not historical facts, and are based on management's current view and estimates of future economic circumstances, industry conditions, company performance and financial results. The words "anticipates", "believes", "estimates", "expects", "plans" and similar expressions, as they relate to the company, are intended to identify forward-looking statements. Statements regarding the declaration or payment of dividends, the implementation of principal operating and financing strategies and capital expenditure plans, the direction of future operations and the factors or trends affecting financial condition, liquidity or results of operations are examples of forward-looking statements. Such statements reflect the current views of management and are subject to a number of risks and uncertainties. There is no guarantee that the expected events, trends or results will actually occur. The statements are based on many assumptions and factors, including general economic and market conditions, industry conditions, and operating factors. Any changes in such assumptions or factors could cause actual results to differ materially from current expectations.
