**NOTICE OF MATERIAL FACT**

The management of Telemig Celular Participações S.A. (“Telemig Part.”) and Vivo Participações S.A. (“Vivo Part.”) announces in compliance with the CVM Instruction No. 358/02, that the companies have submitted to Agência Nacional de Telecomunicações – ANATEL and that, accordingly, they will on occasion submit to the approval of the shareholders of Telemig Part., a corporate restructuring regarding the merger of TCO IP S.A. (“TCO IP”) a wholly-owned subsidiary of Vivo Part., into Telemig Part.

A Vivo Part. was the original acquirer of the control of Telemig Part. and indirectly, of Telemig Celular S.A. (“Companies”) and TCO IP was the offeror in the tender offer for the acquisition of preferred shares and in the tender offer for the acquisition of common shares, being this last one done in compliance with article 254-A of Law 6,404/76 (“OPAs”)

Currently, TCO IP is also the holder of the controlling shares of Telemig Part. acquired by Vivo Part., so it concentrates the equity interest of the Companies.

Telemig Part. will merge TCO IP that shall be extinguished, being its shares cancelled and than its sole shareholder, Vivo Part. will receive preferred and common shares of the Companies in the same amount and class currently held by TCO IP. The intended merger will not cause the capital increase of Telemig Part., considering that the net worth of TCO IP already contains the value of the shares of Telemig Part. Additionally, as TCO IP is a wholly-owned subsidiary of Vivo Part., there is no exchange ratio of shares held by non controlling shareholders of the merged company for shares of the merging company.

The reorganization will not cause the change on the control of the Companies, neither will cause any change in the equity interest of the other shareholders and, among other advantages, it will simplify the current corporate structure and minimize administrative costs, resulting in economic benefits to the companies involved.

Edgar Filing: Vivo Participacoes S.A. - Form 6-K

The merger will be carried out in a way so that no negative impacts will be caused in the future flow of dividends to the shareholders of Telemig Part., including by eliminating any existing debt in TCO IP before the merger takes place.

We intend to finish the transaction herein described in the second semester of 2008. We shall disclose complementary information, including related to the shareholders meetings to be held and all the necessary information in this regard opportunely.
