6. RESOLUTIONS:

Beginning the meeting, the Chairman clarified that the minutes of the shareholders' meeting would be recorded as a summary of the events occurred including only a record of the resolutions taken, as allowed by article 130, first paragraph, of Law No. 6,404/76. The Chairman also informed that the documents or proposals, voting or dissent statements should be presented in written to the board that for such purposes would be represented by the Secretary of the meeting. In addition, the Chairman informed that the documents related to the agenda were available at the board and that such documents were at the disposal of the shareholders in compliance with Instruction CVM No. 319/99 since the publishing of the conditions of the reorganization, by the publishing of the Notice of Material Fact dated of December 04, 2008 ("Notice of Material Fact").

Also, the Chairman clarified that, as it was known by the present members, the meeting had the purpose of resolving about the spin-off of the wholly-owned subsidiary of Vivo Participações S.A., TCO IP S.A. ("TCO IP" or "Spun-off Company"), closely-held company, incorporated in accordance with the laws of Brazil, with head office in the City of São Paulo, State of São Paulo, at Av. Roque Petroni Junior, 1464 - 6º andar, Lado B - Parte, Morumbi, enrolled with CNPJ/MF under No. 04.225.487/0001-61, NIRE 35.300.357.213, with the transfer of a portion of its net worth to the Company and the other portion to Telemig Celular S.A., publicly-held corporation controlled by the Company, incorporated in accordance with the laws of Brazil, with head office located in the City of Belo Horizonte, State of Minas Gerais, at Rua Levindo Lopes, 258, enrolled with CNPJ/MF under No. 02.320.739/0001-06, ("Telemig Celular"), being the Company, jointly with Telemig Celular ("Merging Companies").

The Chairman also clarified that, for economical and financial reasons, TCO IP acquired in the Mandatory and Voluntary Public Tender Offers of the Merging Companies the common and preferred shares of such companies and the controlling shares of the Merging Companies previously acquired by Vivo Participações S.A from the Telpart Participações S.A., and that the proposal made aims to simplify the current corporate structure, by means of the total spin-off of TCO IP with the transfer of part of its net worth comprising the shares of Telemig Participações S.A. to such Company and the transfer of part of its net worth comprising the shares of Telemig Celular S.A. to the referred company, in order to decrease the administrative costs, as well as facilitate the unification, standardization and the rationalization of the administration of the companies, and will also allow the improvement of the future cash flow of the Merging Companies.

Finally, the Chairman informed that since there are no non-controlling shareholders of TCO IP, as it is a wholly-owned subsidiary of Vivo Participações, there is no replacement of shares of the non-controlling shareholders of TCO IP for shares of the Merging Companies, and that the merger of the spun-off portion of TCO IP into the Company shall not result in a capital increase of the Company neither of Telemig Celular, and will not cause any change in the equity interest of the shareholders of the Merging Companies, having only the substitution of TCO IP by Vivo Participações as a shareholder of the Company and of Telemig Celular S.A., which shall hold the shares of such companies in the same amount and same class and with the same rights of the shares of the Merging Companies previously held by TCO IP.

After the clarifications made, the shareholders resolved as follows:

6.1. To approve, by the unanimous voting of the shareholders attending this meeting, the Protocol and Instrument of Justification of Spin-off of TCO IP S.A. with Merger of the Spun-off Portions by Telemig Celular Participações S.A. and Telemig Celular S.A. ("Protocol"), entered on December 03, 2008 into, by and among the Company, Telemig Celular and TCO IP, which contemplates the transfer of part of the net worth to TCO IP to the Company, being the other portion transferred to Telemig Celular. The Protocol establishes the terms and general conditions of the intended transaction, its justifications, the shares and assets appraisal criteria to be merged into the Merging Companies, having the Board of Directors and the Audit Committee of the Company issued a favorable opinion about the referred Protocol, that is attached to this minutes as Annex I. Additionally, considering that TCO IP is a wholly-owned subsidiary of Vivo Participações S.A. and that there are no other shareholders in TCO IP, there will be no dissenting

shareholders to exercise the withdrawal rights referred in articles 136, (ix) and 137 of the Corporate Law.

6.2. Andares, São Paulo/SP, CEP 04543-900, enrolled with CNPJ/MF under No. 61.366.936/0001-25, for the preparation of the appraisal report of the net worth portion of TCO IP to be merged into the Company.

6.3. To approve, by the unanimous voting of the shareholders attending this meeting, without restriction, the Appraisal Report of the net worth portions of TCO IP, which establishes, based on its book value, on December 01, 2008, that the portion of the net worth of TCO IP, to be merged into the Company is in the amount of R\$ 1,324,339,097.41 (one billion, three hundred and twenty four million, three hundred and thirty nine thousand and ninety seven reais and forty-one cents). Such portion of the net worth of TCO IP consists of the controlling shares of the Company and the shares of the same company acquired in result of the Mandatory and Voluntary OPAs for the acquisition of the common and preferred shares made by TCO IP, including the goodwill paid in the acquisition process, the provision stated in article 6º of Instruction CVM No. 319/99, and other assets (tax credits and cash) as indicated in the Appraisal Report, elaborated by the independent specialized audit company Ernst & Young Auditores Independentes S.S., which indication was ratified by this meeting and that is attached to this minutes as Annex II.

6.4. As a result of the transfer of part of the net worth of TCO IP herein approved, the Company will succeed, in the proportion of the net worth parts of the Spun-off Company transferred to it, TCO IP in relation to its assets, rights and obligations for all lawful purposes, being the Managers of the Company, from the date hereof, authorized to take all complementary acts to the transaction herein approved.

The Chairman offered the opportunity to speak to the present shareholders and, as there was no manifestation, the shareholders' meeting was adjourned and these minutes were drawn up as a summary of what occurred, including only a record of the resolutions as allowed by article 130, 1st paragraph of Law nr. 6,404/76, that after read and approved was duly executed.
