Item 8.01. Other Events.

On December 15, 2004, Peabody Energy Corporation ("Peabody") issued a press release to announce that subsidiaries of Peabody had entered into six agreements with American Electric Power ("AEP") in four coal regions for up to 98 million tons of coal that would be used at AEP generating plants in six states. Contract terms extend as long as 2014 and the total implied revenue for the full term of the agreements is approximately \$1.2 billion. The companies also announced that they have resolved outstanding lawsuits regarding coal supplies. A copy of Peabody's press release is attached hereto as exhibit 99.1.
