**Item 8.01 Other Events.**

As previously announced in a Current Report on Form 8-K filed on October 22, 2010, on October 21, 2010, Phoenix Technologies Ltd., a Delaware corporation ("Phoenix" or the "Company"), entered into an Amendment (the "Amendment") to the Agreement and Plan of Merger (the "Marlin Merger Agreement") dated August 17, 2010, between Phoenix and Pharaoh Acquisition LLC, a Delaware limited liability company formerly known as Pharaoh Acquisition Corp ("Parent"), Pharaoh Merger Sub Corp., a Delaware corporation and a wholly-owned subsidiary of Parent ("Merger Subsidiary"), each affiliates of Marlin Equity Partners ("Marlin"), and, solely for purposes of providing a guarantee of the obligations of the Parent and Merger Subsidiary, Marlin Equity II, L.P., a Delaware limited partnership and Marlin Equity III, L.P., a Delaware limited partnership. Pursuant to the Amendment, the Merger Consideration (as defined in the Marlin Merger Agreement) was increased to \$4.05 per share.

Prior to the date of the Amendment, affiliates of Gores Capital Partners III, L.P. ("Gores") submitted a definitive offer and proposal to acquire all of the securities of the Company for cash consideration of \$4.05 per share. The Phoenix board of directors (the "Board") determined that in light of the terms proposed by Marlin in the Amendment, the Gores offer did not constitute a Superior Proposal (as defined in the Marlin Merger Agreement).

On October 28, 2010, Gores submitted a revised proposal to acquire all of the securities of the Company for cash consideration of \$4.20 per share. The revised, non-binding proposal is subject to satisfactory completion of confirmatory due diligence by Gores and the finalization of definitive agreements.

Promptly following the submission of Gores' proposal, on October 29, 2010, the Board held a meeting to review the terms of the non-binding proposal. The Board carefully reviewed the terms of the unsolicited proposal from Gores and, after consulting with its financial and legal advisors, determined that the unsolicited proposal satisfies the conditions contained in the Marlin Merger Agreement, as amended, that permit the Company, in order for the Board to comply with its fiduciary duties under applicable law, to enter into discussions and negotiations with Gores with respect to the proposal and to share information about the Company with Gores. The Company has commenced such discussions in accordance with the terms of the Marlin Merger Agreement, as amended.

There is no assurance that the Gores proposal will not be withdrawn, or will result in a definitive offer that is acceptable to the Board or that a definitive agreement will be executed.

The Company is continuing to comply with its obligations under the Marlin Merger Agreement, as amended, which remains in effect. As previously announced by the Company, the Board has approved the Amendment and the Marlin Merger Agreement and recommends that the stockholders of the Company adopt the Marlin Merger Agreement, as amended, and approve the Merger, and the Board continues to support this recommendation.

**Important Additional Information About the Merger and Where You Can Find It.**

In connection with the proposed transaction and the special meeting of Phoenix stockholders to approve the transaction, Phoenix filed a definitive proxy statement with the Securities and Exchange Commission on September 22, 2010 and a supplement to the definitive proxy statement on October 26, 2010 (as supplemented, the "Proxy Statement"). Phoenix and its directors, executive officers and certain other members of its management and employees may be deemed to be participants in the solicitation of proxies from its stockholders in connection with the proposed merger. Certain information regarding the interests of such directors and executive officers is included in the Phoenix Proxy Statement for its 2010 Annual Meeting of Stockholders filed with the Securities and Exchange Commission on December 30, 2009, and information concerning all of the Phoenix participants in the solicitation are included in the Proxy Statement.
