Item 7.01 Regulation FD Disclosure.

Booz Allen Hamilton Holding Corporation (the "Company") has learned that information has been posted to the government's Excluded Parties List System (EPLS) website listing the Company's operating subsidiary, Booz Allen Hamilton Inc. The Company has determined that the posting relates solely to its San Antonio office and individually to two current and three former employees. The government's current action does not terminate ongoing work under existing contracts; it does, however, affect potential new government business involving the San Antonio location. This matter arose from actions of a former government employee hired by the Company who inappropriately retained and shared sensitive information about a pending government procurement in violation of the Company's policies and high standards of ethical conduct. In addition to determining not to submit a bid on the procurement, the Company terminated the employee and disclosed the matter to the government. The Company will continue to cooperate fully with the government on resolution and is evaluating the operational impacts of this matter.

The information in this Current Report on Form 8-K shall not be deemed to be "filed" for purposes of Section 18 of the Securities Exchange Act of 1934, as amended, nor shall it be deemed to be incorporated by reference in any filing under the Securities Act of 1933, as amended, except as shall be expressly set forth by specific reference in any such filing.
