Forward-Looking Statements

The accompanying conference call transcript contains certain forward-looking statements which reflect our current views with respect to, among other things, future events and financial performance. Such forward-looking statements can be identified by the use of forward-looking words such as "outlook," "believes," "expects," "potential," "continues," "may," "should," "seeks," "approximately," "predicts," "intends," "plans," "estimates," "anticipates" or the negative version of those words and other comparable words. Any forward-looking statements contained in this call transcript are based upon current plans, estimates, expectations and assumptions relating to our operations, results of operations, financial condition, growth strategy and liquidity. The inclusion of this forward-looking information should not be regarded as a representation by us or any other person that the future plans, estimates or expectations contemplated by us will be achieved. Such forward-looking statements are subject to numerous risks, uncertainties and other factors that may cause actual results, performance or achievements to be materially different from any future results, performance or achievements expressed or implied by the forward-looking statements. These risks include, but are not limited to, those factors described under "Part I, Item 1A. Risk Factors," in the DSW Form 10-K filed on March 27, 2012 and risks otherwise described from time to time in the Company's reports as filed with the Securities and Exchange Commission.

If one or more of these or other risks or uncertainties materialize, or if our underlying assumptions prove to be incorrect, actual results, performance or achievements may vary materially from what we have projected.

Furthermore, new factors emerge from time to time and it is not possible for management to predict all such factors, nor can it assess the impact of any such factor on the business or the extent to which any factor, or combination of factors, may cause results to differ materially from those contained in any forward-looking statement. Any forward-looking statement speaks only as of the date on which such statement is made, and, except as required by law, DSW undertakes no obligation to update any forward-looking statement to reflect events or circumstances after the date on which such statement is made or to reflect the occurrence of unanticipated events.
