PROXY STATEMENT

FOR THE 2013 ANNUAL MEETING OF STOCKHOLDERS

TO BE HELD ON THURSDAY, JUNE 13, 2013

General Information

This proxy statement is furnished in connection with the solicitation of proxies by the Board of Directors of Brookdale Senior Living Inc., a Delaware corporation ("Brookdale," the "Company," "we," "us" or "our"), for use at the 2013 Annual Meeting of Stockholders to be held on Thursday, June 13, 2013, including any adjournments and postponements thereof (the "Annual Meeting").

Date, Time and Place of the Annual Meeting

The 2013 Annual Meeting of Stockholders of Brookdale will be held on Thursday, June 13, 2013 at 10:00 A.M., local time, at our principal executive office located at 111 Westwood Place, Brentwood, Tennessee 37027. Our main telephone number is (615) 221-2250.

Matters to be Considered at the Annual Meeting

The items of business scheduled to be considered and voted on at the Annual Meeting are:

1. the election of three Class II directors to hold office for a term of three years and until their successors are duly elected and qualified;
2. the ratification of the Audit Committee's appointment of Ernst & Young LLP as independent registered public accounting firm for the Company for the 2013 fiscal year; and
3. an advisory vote to approve named executive officer compensation.

We may also consider such other business as may properly come before the Annual Meeting or any adjournments or postponements thereof.

Important Notice Regarding the Availability of Proxy Materials

We have adopted the "notice and access" rule of the Securities and Exchange Commission (the "SEC"). We now furnish proxy materials primarily via the Internet instead of mailing a printed copy of the proxy materials.

Stockholders who will receive the proxy materials via the Internet will receive a Notice of Internet Availability of Proxy Materials by mail which provides the website and information on how to access and review the Proxy Statement and proxy materials over the Internet. The Notice is being mailed on or about April 30, 2013.

As of the date of the mailing of the Notice, stockholders will be able to access all of the proxy materials over the Internet as instructed in the Notice. The proxy materials will be available free of charge. The Notice will also provide instructions on how to vote over the Internet.

If you received a Notice and would like to receive a printed copy of our proxy materials, free of charge, you should follow the instructions for requesting such materials included in the Notice.

The Notice of Annual Meeting and Proxy Statement and the Annual Report for the year ended December 31, 2012 are also available on the Company's website at [www.brookdaleliving.com/proxy](http://www.brookdaleliving.com/proxy).

Table of Contents

Stockholders Entitled to Vote

As of April 16, 2013, there were outstanding and entitled to vote 123,040,703 shares of our common stock, par value \$0.01 per share. Each share of our common stock entitles the holder to one vote. Stockholders of record at the close of business on April 16, 2013 are entitled to vote at the Annual Meeting, including any adjournments and postponements thereof. A stockholder list will be available for examination by our stockholders at the Annual Meeting and at the principal executive offices of the Company between 9:00 A.M. and 5:00 P.M., local time, during the ten-day period prior to the Annual Meeting for any purpose germane to the meeting.

Quorum; Required Vote

The presence at the Annual Meeting, in person or by proxy, of the holders of a majority of the shares of our common stock issued and outstanding on April 16, 2013 will constitute a quorum for the transaction of business. We will count votes withheld, abstentions and shares held in "street name" by brokers or nominees who indicate on their proxies that they do not have discretionary authority to vote the shares as to a particular matter ("broker non-votes") for the purpose of determining the presence of a quorum for the transaction of business at the Annual Meeting. If a quorum is not present, the Annual Meeting may be adjourned by the chairman of the meeting or by the vote of a majority of the shares represented at the Annual Meeting until a quorum has been obtained.

For the election of nominees to our Board of Directors, the affirmative vote of a plurality of all the votes cast at the Annual Meeting is sufficient to elect the director if a quorum is present. For the ratification of the appointment of Ernst & Young LLP and the approval of any other business properly presented at the Annual Meeting, the affirmative vote of a majority of the shares of our common stock voting in person or by proxy and entitled to vote at the Annual Meeting is required for approval of the matter. Notwithstanding this vote standard, please be advised that Proposal Number Three (an advisory vote to approve named executive officer compensation) is advisory only and is not binding on the Company. Our Board of Directors will consider the outcome of the vote on this item in considering what action, if any, should be taken in response to the advisory vote by stockholders.

If you properly sign and return your proxy card or complete your proxy via the telephone or Internet, your shares will be voted as you direct. If you sign and return your proxy but do not specify how you want your shares voted, the shares of common stock represented by the proxy will be voted as follows:

- FOR the election of the director nominees named herein;
- FOR the ratification of the Audit Committee's appointment of Ernst & Young LLP as independent registered public accounting firm for the Company for the 2013 fiscal year;
- FOR the approval of the compensation paid to the Company's named executive officers, as disclosed in this proxy statement pursuant to the SEC's executive compensation disclosure rules, including the Compensation Discussion and Analysis, the compensation tables and the narrative discussion that accompanies the compensation tables; and in accordance with the judgment of the proxy holders as to any other matters that may be properly brought before the Annual Meeting, including any adjournments and postponements thereof.

We will not count shares that abstain from voting on a particular matter or broker non-votes as votes in favor of such matter. In the election of directors, abstentions and broker non-votes will be disregarded and will have no effect on the outcome of the vote. With respect to the proposal to ratify the appointment of Ernst & Young LLP, abstentions from voting will have the same effect as voting against such matter. With respect to the advisory vote to approve named executive officer compensation, abstentions from voting and broker non-votes will have the same effect as voting against such matter.

If you hold your shares in street name through a brokerage account, you should have received access to this proxy material from your bank, broker or other holder of record with instructions on how to instruct the holder of record to vote your shares. If you do not submit voting instructions to your broker, your broker may generally vote your shares in its discretion on matters designated as routine under the rules of the New York Stock Exchange

Table of Contents

("NYSE"). However, a broker cannot vote shares held in street name on matters designated as non-routine by the NYSE, unless the broker receives voting instructions from the street name holder. The proposal to ratify the appointment of Ernst & Young LLP is considered routine under NYSE rules. Each of the other items to be submitted for a vote of stockholders at the Annual Meeting is considered non-routine under applicable NYSE rules.

Accordingly, if you hold your shares in street name through a brokerage account and you do not submit voting instructions to your broker, your broker may exercise its discretion to vote your shares on Proposal Number Two but will not be permitted to vote your shares on any of the other items at the Annual Meeting. If your broker exercises this discretion, your shares will be counted as present for the purpose of determining the presence of a quorum at the Annual Meeting and will be voted on Proposal Number Two in the discretion of your broker, but your shares will constitute "broker non-votes" on each of the other items at the Annual Meeting.

Voting

You may vote by any one of the following means:

- on the Internet;
- by telephone;
- by mail; or
- in person, at the Annual Meeting.

Dr. Waxman's experience in, and knowledge of, health care and the health care industry led to the conclusion that he should serve as a member of our Board of Directors.

### Legal Proceedings Involving Directors, Officers or Affiliates

There are no legal proceedings ongoing as to which any director, officer or affiliate of the Company, any owner of record or beneficially of more than five percent of any class of voting securities of the Company, or any associate of any such director, officer, affiliate of the Company, or security holder is a party adverse to us or any of our subsidiaries or has a material interest adverse to us or any of our affiliates.

### Director Independence

Our Board of Directors has affirmatively determined that Ms. Clegg, Messrs. Bumstead, Leeds, Schulte and Seward and Dr. Waxman are "independent" under Section 303A.02(b) of the New York Stock Exchange, or NYSE, listing standards because none of them had a material relationship with Brookdale. In making these determinations, our Board of Directors considered all relevant facts and circumstances, as required by applicable NYSE listing standards. The NYSE rules require that the Board of Directors consist of a majority of "independent directors" and that the Nominating and Corporate Governance Committee, the Compensation Committee and the Audit Committee of the Board of Directors consist entirely of "independent directors." Under NYSE listing standards, whether a director is an "independent director" is a subjective determination to be made by the Board of Directors, and a director of Brookdale only qualifies as "independent" if the Board of Directors affirmatively determines that the director has no material relationship with Brookdale (either directly or as a partner, shareholder or officer of an organization that

Table of Contents

has a relationship with Brookdale). While the test for independence is a subjective one, the NYSE rules also contain objective criteria that preclude directors from being considered independent in certain situations.

Specifically, persons meeting the following objective criteria are deemed to be not independent:

A director who is an employee, or whose immediate family member is an executive officer, of Brookdale (including any consolidated subsidiary), may not be considered independent until three years after the end of such employment relationship;

A director who has received, or whose immediate family member has received, during any twelve-month period within the last three years, more than \$120,000 in direct compensation from Brookdale (including any consolidated subsidiary), other than director and committee fees and pension or other forms of deferred compensation for prior service (provided such compensation is not contingent in any way on continued service);

A director who (i) is, or whose immediate family is, a current partner of a firm that is the internal or external auditor of Brookdale; (ii) is a current employee of such a firm; (iii) a director whose immediate family member is a current employee of such firm and who personally works on Brookdale's audit; or (iv) was, or whose immediate family member was, within the last three years (but is no longer) a partner or employee of such a firm and personally worked on Brookdale's audit within that time;

A director who is employed, or whose immediate family member is employed, as an executive officer of another company where any of Brookdale's present executives serve on that company's compensation committee may not be considered independent until three years after the end of such service or the employment relationship; and

A director who is an executive officer or an employee, or whose immediate family member is an executive officer, of a company (or a consolidated subsidiary of such company) that makes payments to, or receives payments from, Brookdale for property or services in an amount which, in any single fiscal year, exceeds the greater of \$1 million or 2% of such other company's consolidated gross revenues may not be considered an independent director until three years after falling below such threshold.

Ownership of a significant amount of Brookdale's stock, by itself, does not constitute a material relationship.

The Board of Directors has not established additional guidelines to assist it in determining whether a director has a material relationship with Brookdale under NYSE rules, but instead evaluates each director or nominee for director under the tests set forth by the NYSE and through a broad consideration and evaluation of all relevant facts and circumstances. The Board of Directors, when assessing the materiality of a director's relationship with Brookdale, also considers the issue not merely from the standpoint of the director, but also from that of persons or organizations with which the director has an affiliation.

There were no transactions, relationships or arrangements not disclosed pursuant to Item 404(a) of Regulation S-K that were considered by our Board of Directors in making the required independence determinations. None of the directors or nominees that were deemed independent had any relationship with us (other than as a director or stockholder).

**Compensation of Directors**

Under the compensation program for the members of our Board of Directors, each non-affiliated director receives an annual cash retainer of \$100,000. Any director serving as Non-Executive Chairman of the Board receives an additional annual cash retainer of \$25,000, the Chair of the Audit Committee receives an additional annual cash retainer of \$15,000 and the chairs of any other committees of the Board each receive an additional annual cash retainer of \$10,000. Each Board and committee member also receives a \$1,500 cash meeting fee for each Board and committee meeting that he or she attends (whether he or she attends in person or telephonically). All cash amounts are payable quarterly in arrears, with payments to be made on April 1, July 1, October 1 and January 1. Affiliated directors are not separately compensated by us.

Table of Contents

Under the compensation program, each director also has the opportunity to elect to receive either immediately vested shares or restricted stock units in lieu of up to 50% of their quarterly cash compensation. Any immediately vested shares or restricted stock units are issued at the same time that cash payments are made. The number of shares or restricted stock units to be issued is based on the closing price of the Company's common stock on the date of issuance (i.e., April 1, July 1, October 1 and January 1), or if such date is not a trading date, on the previous trading day's closing price. Fractional amounts are to be paid in cash. Each restricted stock unit will be payable in the form of one share of the Company's common stock following the director's termination of service as a member of the Company's Board of Directors.

Each director of the Company who is not (i) an officer or employee of the Company or of any of its parents or subsidiaries or (ii) the beneficial owner, whether directly or indirectly, of ten percent or more of our common stock (an "eligible director") is also eligible to receive additional stock grants under our Omnibus Stock Incentive Plan. In addition, each of our independent directors (other than Mr. Schulte) received grants of time-based restricted stock under our Omnibus Stock Incentive Plan promptly following their initial election to the Board.

On February 7, 2008, we entered into a Separation Agreement and General Release with Mr. Schulte, pursuant to which Mr. Schulte resigned in his capacity as Co-Chief Executive Officer of the Company effective February 7, 2008.

Pursuant to the Separation Agreement, we agreed that, subject to certain conditions, all 223,274 unvested shares of restricted stock previously granted to him under the terms of the Company's Omnibus Stock Incentive Plan or any predecessor plan would become fully vested on March 3, 2008. Mr. Schulte agreed not to transfer any of the newly vested shares, except to the extent required to pay taxes with respect to such vesting, before March 3, 2009. In addition, we agreed to provide, at our expense, continued group health plan coverage for Mr. Schulte and his dependents for so long as he serves as a non-employee director.

Under the terms of the Separation Agreement, Mr. Schulte reaffirmed the various restrictive covenants relating to non-competition, non-solicitation, non-disparagement and confidentiality previously made by him in connection with his restricted stock award agreements. These restrictive covenants will continue to apply until the longer of the periods specified in such award agreements or the period ending nine months after the date he is no longer serving us as either an employee or as a member of our Board of Directors.

The following table sets forth certain summary information for the year ended December 31, 2012 with respect to the compensation awarded to, earned by, or paid to our directors (other than Mr. Sheriff). Information regarding compensation awarded to, earned by, or paid to Mr. Sheriff is included in "Compensation of Executive Officers" below.

Meetings of the Board of Directors

The Board of Directors met ten times in 2012. Each of our directors attended at least 75% of the total number of meetings of the Board of Directors and all committees of the Board of Directors on which he or she served during 2012.

Executive sessions of "non-management" directors, as defined under the rules of the NYSE, are required to be held regularly. Any non-management director can request that additional executive sessions be scheduled. Effective June 29, 2012, Mr. Leeds was elected to serve as Non-Executive Chairman of the Board. In that capacity, Mr. Leeds presides over executive sessions of our non-management directors. Prior to his election, the non-management directors designated a director to preside at each executive session at the beginning of each session.

Brookdale does not require directors to attend the annual stockholders' meetings, although they are invited and encouraged to attend. All of the then-incumbent members of the Board of Directors attended the 2012 annual meeting of stockholders.

Committees of the Board of Directors

Brookdale has established four separate standing committees of its Board of Directors: the Audit Committee, the Compensation Committee, the Investment Committee and the Nominating and Corporate Governance Committee.

Audit Committee

The Company has a separately-designated standing Audit Committee established in accordance with Section 3(a)(58)(A) of the Securities Exchange Act of 1934, as amended. The Audit Committee's functions include:

- reviewing the audit plans and findings of the independent registered public accounting firm and our internal audit and risk review staff, as well as the results of regulatory examinations, and tracking management's corrective action plans where necessary;

reviewing our financial statements (and related regulatory filings), including any significant financial items and/or changes in accounting policies, with our senior management and independent registered public accounting firm;

- reviewing our risk and control issues, compliance programs and significant tax and legal matters; having the sole discretion to appoint annually the independent registered public accounting firm and evaluating its independence and performance, as well as to set clear hiring policies for the Company's hiring of employees or former employees of the independent registered public accounting firm; and
- reviewing our risk management processes.

The Audit Committee is currently chaired by Mr. Seward and also consists of Ms. Clegg and Mr. Leeds. Mr. Leeds served as chair of the Audit Committee until June 29, 2012. Mr. Schulte also served as a member of the Audit Committee until June 29, 2012. All three current members are "independent" directors as defined under NYSE rules and under section 10A(m)(3) of the Securities Exchange Act of 1934, as amended. The Board of Directors has determined that each of the current members of the Audit Committee is an "audit committee financial expert" as defined by the rules of the SEC. No member of the Audit Committee simultaneously serves on the audit committees of more than three public companies. In 2012, the Audit Committee held seven meetings. The report of the Audit Committee is included on page 44.

The Board of Directors has adopted a written charter for the Audit Committee and a current copy of this charter is available on our website, located at [www.brookdaleliving.com](http://www.brookdaleliving.com).

## Compensation Committee

The Compensation Committee's functions include:

- reviewing and approving the restricted stock and other equity-related grants for our directors, officers, key employees and consultants;
- reviewing and approving corporate goals and objectives relevant to our Chief Executive Officer's and other executive officers' compensation, evaluating the Chief Executive Officer's and other executive officers' performance in light of those goals and objectives, and determining the Chief Executive Officer's and other executive officers' compensation based on that evaluation;
- recommending to the Board of Directors the compensation of our non-employee directors; and
- overseeing our compensation and employee benefit and incentive compensation plans and administering our Omnibus Stock Incentive Plan and Associate Stock Purchase Plan.

The Compensation Committee is currently chaired by Mr. Bumstead and also consists of Ms. Clegg and Dr. Waxman. Mr. Leeds also served as a member of the Compensation Committee until June 29, 2012. All three current members are "independent" directors as defined under the NYSE rules. In 2012, the Compensation Committee held five meetings. The report of the Compensation Committee is included on page 38.

The Board of Directors has adopted a written charter for the Compensation Committee and a current copy of this charter is available on our website, located at [www.brookdaleliving.com](http://www.brookdaleliving.com).

## Investment Committee

The Investment Committee reviews and approves (or recommends that the Board approve, as applicable) certain investments and proposed transactions on behalf of the Board of Directors and performs such other responsibilities as may be delegated to it by the Board of Directors from time to time. The Investment Committee is currently chaired by Mr. Schulte and also consists of Messrs. Bumstead and Leeds. Mr. Edens served as chair and as a member of the Investment Committee until April 10, 2012 and Mr. Seward served as chair and as a member of the Investment Committee until June 29, 2012. The Investment Committee held three meetings during 2012.

The Board of Directors has adopted a written charter for the Investment Committee and a current copy of this charter is available on our website, located at [www.brookdaleliving.com](http://www.brookdaleliving.com).

Nominating and Corporate Governance Committee

The Nominating and Corporate Governance Committee's functions include:

- reviewing the performance of the Board of Directors and incumbent directors and making recommendations to the Board of Directors regarding the selection of candidates, qualification and competency requirements for service on the Board of Directors and the suitability of proposed nominees as directors;

- advising the Board of Directors with respect to the corporate governance principles applicable to Brookdale; and
- overseeing the evaluation of the Board of Directors and Brookdale's management.

The Nominating and Corporate Governance Committee is currently chaired by Ms. Clegg and also consists of Mr. Leeds and Dr. Waxman. Mr. Schulte also served as a member of the Nominating and Corporate Governance Committee until June 29, 2012. All three current members are "independent" directors as defined under the NYSE rules. In 2012, the Nominating and Corporate Governance Committee held 16 meetings.

The Board of Directors has adopted a written charter for the Nominating and Corporate Governance Committee and a current copy of this charter is available on our website, located at [www.brookdaleliving.com](http://www.brookdaleliving.com).

The Nominating and Corporate Governance Committee works with the Board of Directors to determine the appropriate and necessary characteristics, skills and experience of the Board of Directors, both as a whole and with respect to its individual members. The committee evaluates biographical and background information relating to potential candidates and interviews candidates selected by members of the committee and by the Board of Directors in making its decisions as to prospective candidates to the Board of Directors. While the committee does not specifically set forth any minimum skills that a candidate must have prior to consideration, the committee thoroughly examines a candidate's understanding of marketing, finance and other elements relevant to the success of a publicly traded company in today's business environment, understanding of Brookdale's business, professional and personal ethics, and educational and professional background. The committee evaluates each individual in the context of the Board of Directors as a whole, with the objective of recommending a group that can best perpetuate the success of Brookdale's business and represent stockholder interests through the exercise of sound judgment using its diversity of experience in these various areas. In determining whether to recommend a director for re-election, the Nominating and Corporate Governance Committee also considers the director's past attendance at meetings and participation in and contributions to the activities of the Board of Directors. The Nominating and Corporate Governance Committee identifies potential nominees by asking current directors and executive officers to notify the Nominating and Corporate Governance Committee if they become aware of suitable candidates. As described below, the Nominating and Corporate Governance Committee will also consider candidates recommended by stockholders. We have not paid any third party a fee to assist in the process of identifying or evaluating candidates; however the Nominating and Corporate Governance Committee may elect in the future to engage firms that specialize in identifying director candidates. In addition, our Corporate Governance Guidelines currently provide that the Nominating and Corporate Governance Committee also may seek to have the Board represent a diversity of backgrounds, experience, gender and race. While the Nominating and Corporate Governance Committee has not adopted a formal diversity policy with regard to the selection of director nominees, diversity is one of the factors that the Committee considers in identifying director nominees. To that end, the Committee's charter currently provides that, among the qualifications considered in the selection of candidates, the Committee shall look at the following attributes and criteria of candidates: experience, skills, expertise, diversity, personal and professional integrity, character, business judgment, time availability in light of other commitments, dedication, conflicts of interest and such other relevant factors that the Committee considers appropriate in the context of the needs of the Board. The Board seeks directors who represent a mix of backgrounds and experiences that will enhance the quality of the Board's deliberations and decisions. The Committee considers diversity in its selection of nominees, utilizing a broad meaning to include not only factors such as race and gender, but also background, experience, skills, accomplishments, financial expertise, professional interests, personal qualities and other traits desirable in achieving an appropriate group of qualified individuals.

Table of Contents

Each of the nominees for election as director at the Annual Meeting as described in this proxy statement, Ms. Clegg and Messrs. Nardone and Seward, are presently directors of Brookdale and thus are standing for re-election at the Annual Meeting. The Nominating and Corporate Governance Committee unanimously recommended that the Board of Directors nominate each of the nominees for re-election at the Annual Meeting.

While the Nominating and Corporate Governance Committee's charter and our corporate governance guidelines provide that the committee may, if it deems appropriate, establish procedures to be followed by stockholders in submitting recommendations for director candidates, the Nominating and Corporate Governance Committee has not, at this time, put in place a formal policy with regard to such procedures. This is because procedures are set forth in our Amended and Restated Bylaws which permit stockholders to submit recommendations for director candidates. The Board of Directors believes that it is appropriate for Brookdale not to have a specific policy since stockholders are always free to submit recommendations for director candidates, simply by following the procedures set forth in the Amended and Restated Bylaws, as described below.

A stockholder wishing to make a nomination for a board candidate must give timely notice of the nomination in proper written form to our Secretary. To be timely, the notice must be delivered to or mailed and received at the principal executive offices of Brookdale (a) in the case of an annual meeting, not less than 90 days nor more than 120 days prior to the anniversary date of the immediately preceding annual meeting of stockholders; provided, however, that in the event that the annual meeting is called for a date that is not within 25 days before or after such anniversary date, the notice by the stockholder, in order to be timely, must be received not later than the close of business on the tenth day following the day on which the notice of the date of the annual meeting was mailed or the public disclosure of the date of the annual meeting was made, whichever first occurs; and (b) in the case of a special meeting of stockholders called for the purpose of electing directors, not later than the close of business on the tenth day following the day on which notice of the date of the special meeting was mailed or public disclosure of the date of the special meeting was made, whichever first occurs.

The notice must set forth, as to each person whom the stockholder proposes to nominate for election as a director, the person's name, age, business and residence address, the person's principal occupation or employment, and the class or series and number of shares of capital stock of Brookdale that are owned beneficially or of record by the person. The notice must also set forth the name and record address of the stockholder, the class or series and number of shares of capital stock of Brookdale that the stockholder beneficially owns or owns of record, a description of all arrangements or understandings between the stockholder and each proposed nominee and any other person or persons (including their names) pursuant to which the nomination(s) are to be made by the stockholder and a representation that the stockholder intends to appear in person or by proxy at the meeting to nominate the persons named in the notice. In addition, the notice must also include any other information relating to the stockholder or to the proposed nominee that would be required to be disclosed in a proxy statement or other filings required to be made in connection with solicitations of proxies for election of directors under Section 14 of the Securities Exchange Act of 1934, as amended, and the rules and regulations thereunder and must also be accompanied by a written consent of each proposed nominee to being named as a nominee and to serve as a director if elected.

If the Chairman of the Board of Directors determines that a nomination was not made in accordance with the foregoing procedures, the Chairman shall declare to the meeting that the nomination was defective and such defective nomination shall be disregarded.

A person must own shares of Brookdale stock on the date that he or she sends the notice to Brookdale under the procedures above for the nomination to be valid under the Amended and Restated Bylaws. Stockholders should submit the notice described above to "Brookdale Senior Living Inc. Nominating and Corporate Governance Committee" c/o General Counsel, Brookdale Senior Living Inc., 111 Westwood Place, Suite 400, Brentwood, Tennessee 37027. Provided that the required biographical and background material described above is provided for candidates recommended by stockholders, the Nominating and Corporate Governance Committee will evaluate those candidates by following substantially the same process, and applying substantially the same criteria, as for candidates submitted by members of the Board of Directors.

Corporate Governance

The role of our Board of Directors is to ensure that Brookdale is managed for the long-term benefit of our stockholders. To fulfill this role, the Board of Directors has adopted corporate governance principles designed to assure compliance with all applicable corporate governance standards. In addition, the Board of Directors is informed regarding Brookdale's activities and periodically reviews, and advises management with respect to, Brookdale's annual operating plans and strategic initiatives.

The Board of Directors has adopted Corporate Governance Guidelines. The Board of Directors has also adopted a Code of Business Conduct and Ethics and a Code of Ethics for Chief Executive and Senior Financial Officers to help ensure that Brookdale abides by applicable corporate governance standards. These guidelines and codes are available on the "Investor Relations" section of our website, [www.brookdaleliving.com](http://www.brookdaleliving.com). Any amendment to, or waiver from, a provision of such codes of ethics granted to our principal executive officer, principal financial officer, principal accounting officer or controller, or person performing similar functions, will be posted on our website.

Board Leadership Structure

Our Corporate Governance Guidelines do not require the separation of the positions of Chairman of the Board and Chief Executive Officer and provide that the Board is free to choose its Chairman in any way that it deems best for the Company at any given time. However, since the date of our formation, the Board has separated the positions of Chairman and Chief Executive Officer in the belief that this structure improves management's accountability to the Board. Mr. Leeds currently serves as Non-Executive Chairman of the Board and T. Andrew Smith serves as Chief Executive Officer. Mr. Edens served as Chairman of the Board until June 29, 2012 and Mr. Sheriff served as Chief Executive Officer until February 20, 2013.

Risk Oversight

The business of the Company is managed with the oversight of the Board. As contemplated by the NYSE listing standards and as reflected in the charter of the Audit Committee, the Board has delegated to the Audit Committee the responsibility to discuss guidelines and policies governing the process by which our senior management and the relevant departments of the Company (including our Internal Audit Department) assess and manage our exposure to risk. To that end, the Audit Committee regularly reviews our processes for risk assessment and risk management, as well as our major financial risk exposures and the steps management has taken to monitor and control such exposures.

In addition, our Board of Directors regularly receives reports from management regarding our risk exposures and monitors our risk management activities.

Communications from Stockholders

The Board of Directors has in place a process for security holders to send communications to the Board of Directors. Specifically, the Board of Directors will review and give appropriate attention to written communications submitted by stockholders and other interested parties, and will respond if and as appropriate. Absent unusual circumstances or as otherwise contemplated by committee charters, the Chairperson of the Nominating and Corporate Governance Committee will, with the assistance of Brookdale's General Counsel, (1) be primarily responsible for monitoring communications from stockholders and (2) provide copies or summaries of such communications to the other directors as he or she considers appropriate. Communications will generally be forwarded to all directors if they relate to substantive matters and include suggestions or comments that the Chairperson of the Nominating and Corporate Governance Committee considers to be important for the directors to consider.

Stockholders and other interested parties who wish to send communications on any topic to the Board of Directors should address such communications to Chairperson of the Nominating and Corporate Governance Committee, c/o General Counsel, Brookdale Senior Living Inc., 111 Westwood Place, Suite 400, Brentwood, Tennessee 37027. Stockholders who wish to contact any other non-management director, including the Non-Executive Chairman of the Board or the non-management directors as a group, should address such communications to the non-management director (or group of directors) they wish to contact (or if any, to "Any Non-Management

Director"), c/o General Counsel, Brookdale Senior Living Inc., 111 Westwood Place, Suite 400, Brentwood, Tennessee 37027.

COMPENSATION OF EXECUTIVE OFFICERS

Compensation Discussion and Analysis

The Compensation Committee (the "Committee") administers the Company's executive compensation program. In this regard, the role of the Committee is to oversee our compensation plans and policies, administer our Omnibus Stock Incentive Plan and Associate Stock Purchase Plan, review and approve corporate goals and objectives relevant to our Chief Executive Officer's and other executive officers' compensation, perform an annual evaluation of the Chief Executive Officer's and other executive officers' performance in light of those goals and objectives, perform an annual review of executive compensation plans, and annually review and approve all decisions regarding the compensation of executive officers. In addition, the Committee is responsible for annually evaluating the appropriate level of compensation for non-employee directors. The Committee's charter reflects these responsibilities and provides that the Committee and the Board of Directors will periodically review and, if appropriate, revise the charter. The Committee's membership is determined by the Board of Directors and is composed entirely of independent directors. The Committee meets at scheduled times during the year and also takes action by written consent. The Committee Chairman reports on Committee actions and recommendations to the Board of Directors. In addition, the Committee has the authority to engage the services of outside advisers, experts and others to assist it and to delegate authority to subcommittees as it deems appropriate.

During late 2010 and 2011, the Committee utilized the services of Chernoff Diamond & Co., LLC, a third-party compensation consultant, to conduct a review of our executive officer compensation programs. During mid-2011, the Committee also engaged Chernoff Diamond to review the proposed terms of the long-term incentive awards to be granted to the Company's executive officers in 2011.

In August 2012, W.E. Sheriff announced his intent to retire as Chief Executive Officer once a successor was named and the transition process was complete. During late 2012 and early 2013, the Committee engaged Chernoff Diamond to review the compensation of chief executive officers at comparable companies and to assist the Committee in the development of a compensation package for the candidate ultimately chosen by the Board of Directors to serve as the Company's Chief Executive Officer. The Committee may elect in the future to expand the scope of the engagement of Chernoff Diamond or to retain another compensation consultant if it determines that doing so would assist it in implementing and maintaining compensation plans and programs.

Certain of our executive officers, including our Chief Executive Officer, participate in Committee meetings (excluding executive sessions of the Committee) and assist the Committee in fulfilling its responsibilities regarding executive and director compensation. In that regard, our executive officers may provide information to the Committee and make recommendations to the Committee regarding compensation programs and levels (including recommendations regarding proposed equity grants). Our Chief Executive Officer typically recommends to the Committee any changes in the compensation of our other executive officers. Nevertheless, the Committee retains the ultimate authority and responsibility for determining the form and amount of executive compensation. The Committee recommends to the full Board of Directors the form and amount of director compensation.

Throughout this proxy statement, we refer to T. Andrew Smith, our Chief Executive Officer, Mr. Sheriff, our former Chief Executive Officer, Mark W. Ohlendorf, our Co-President and Chief Financial Officer, John P. Rijos, our Co-President and Chief Operating Officer, and Gregory B. Richard, our Executive Vice President – Field Operations, as our "named executive officers". Mr. Smith served as our Executive Vice President, General Counsel and Secretary until February 20, 2013, when he became Chief Executive Officer upon Mr. Sheriff's retirement.

Executive Officer Compensation Philosophy

Because we believe that our executive officers are vital to our long-term success, we strive to ensure that our executive officer compensation programs are effective in rewarding performance, retaining key executives responsible for the success of the Company and, when applicable, attracting new executives. To accomplish this objective, the Company intends to provide compensation that is:

- Competitive Externally,
- Fair Internally, and

Table of Contents

·Based upon Performance.

We have structured our executive compensation programs so that each executive receives a base salary, short-term cash incentive compensation and long-term incentive compensation. We believe that an executive's total annual cash compensation should vary with the Company's and the individual's performance in achieving financial and non-financial objectives, and that any long-term incentive compensation that is awarded should be closely aligned with our stockholders' interests. Thus, long-term incentive compensation should be generally comprised of equity-based awards, the value of which cannot be realized immediately and depends upon the long-term performance of the Company.

At the Company's annual meeting of stockholders held in 2012, approximately 99% of the votes cast supported the non-binding, advisory vote to approve the compensation of Brookdale's named executive officers (referred to as the "say-on-pay" vote). The Compensation Committee believes this overwhelmingly positive result affirms our stockholders' support of the Company's approach to its executive compensation program and provides assurance that the program is reasonable and well-aligned with stockholder expectations. Given the high level of approval for the say-on-pay vote from our stockholders, the Compensation Committee did not change its approach to the Company's executive compensation program. The Compensation Committee values the opinions expressed by stockholders in the annual say-on-pay vote and will consider the outcome of such votes when making future compensation decisions for the Company's named executive officers.

2012 Named Executive Officer Compensation

During late 2010, the Committee engaged Chernoff Diamond to conduct a thorough review of our executive officer compensation program, in order to assist the Committee in establishing the Company's 2011 executive officer compensation program. The consultant completed a market study of the levels, structure and mix of the various elements of compensation provided to executives in similarly-titled roles at comparable companies.

The consultant utilized data from the following peer group companies in preparing its report and recommendations:

Amedisys, Inc., Assisted Living Concepts, Centene Corporation, Chemed Corporation, Diamondrock Hospitality, Emeritus Corporation, The Ensign Group, Five Star Quality Care, Inc., Gentiva Health Services, Inc., Health Care REIT, Inc., Health Management Assoc., HealthSouth Corporation, Kindred Healthcare, Inc., LifePoint Hospitals, Inc., Lincare Holdings, Inc., Magellan Health Services, MEDNAX, National HealthCare Corporation, Nationwide Health Properties, Inc., Psychiatric Solutions, Inc., RehabCare Group, Inc., Sun Healthcare Group, Inc., Sunrise Senior Living, Inc., Ventas, Inc. and Wyndham Worldwide. Although the Committee did not utilize the information from the consultant's report to benchmark formally any elements or levels of our named executive officers' compensation, it did generally compare the levels of total compensation and individual elements of compensation provided to the Company's executive officers to the median and 75th percentile levels of compensation provided to executives in similarly-titled roles at the peer companies. Following completion of Chernoff Diamond's executive compensation review, the Committee indicated that, while it did not want to formally benchmark its target market position to any particular quartile or percentile, the Committee's objective should generally be to target executive compensation in the 50th to 75th percentile, particularly in light of the complexity of the organization and the size of the Company relative to the peer group. As a result of the Committee's review of the consultant's report, its discussions with management and its own deliberations, the Committee determined to modify certain elements of the compensation program for our named executive officers from the program that was in effect during 2010.

For 2012, the Committee determined that no changes to the compensation program for named executive officers were necessary from the program that was in effect in 2011. In addition, the Committee did not alter the annual salary or total annual cash incentive bonus opportunity for the named executive officers for 2012 from what had been in effect for 2011.

For 2012, the total annual compensation for the Company's named executive officers consisted of base salary, an annual performance-based cash incentive opportunity based on Company and (for each named executive officer other than Mr. Sheriff) individual performance objectives and long-term incentive compensation in the form of time-based and performance-based restricted stock awards, as described below:

Table of Contents

·Base Salary

The Committee believes that, in order to attract and retain our key executives, it is appropriate to provide a base salary that is both competitive externally and fair internally. Once base salary is fixed, it does not generally depend on the Company's performance; however, subject to any applicable employment agreement provisions, it remains adjustable, based on individual performance.

·Annual Cash Incentive Opportunity

The purpose of annual performance-based compensation is to motivate and reward executives for their contributions to the Company's performance for the applicable year by providing them with the opportunity to receive an annual cash bonus based on the achievement of performance objectives. For 2012, each named executive officer had the opportunity to receive an annual cash bonus dependent on the level of achievement of performance goals based on the Company's Cash From Facility Operations ("CFFO") per share and year-over-year same community senior housing net operating income ("NOI") growth. In addition, for each of the named executive officers other than Mr. Sheriff, a portion of the annual cash incentive bonus opportunity was dependent on the level of achievement of individual performance objectives.

·Long-term Incentive Compensation

The purpose of long-term incentive compensation is to align an executive's long-term goals with those of our stockholders. For 2012, the Committee used time-based and performance-based restricted stock as the forms of long-term incentive compensation awarded to our executives. The Committee believes that the use of restricted stock is particularly helpful in the retention of key executives and appropriately aligns the interests of our executives with the interests of our stockholders. We have never granted stock options to our employees or executives. Additionally, as a retention tool, restricted stock retains some value to the employee irrespective of any movement in stock price. This encourages employees to remain with the Company during the restricted period and to continue to work to achieve the Company's long-term goals for growth and profitability.

2012 Base Salaries

The annual base salaries for our named executive officers for fiscal 2012 are set forth below:

Name	Annual Base Salary
T. Andrew Smith	\$480,000
W.E. Sheriff	\$600,000
Mark W. Ohlendorf	\$480,000
John P. Rijos	\$480,000
Gregory B. Richard	\$350,000

None of the named executive officers received an increase in base salary for 2012. As noted elsewhere in this proxy statement, Mr. Smith's base salary was increased to \$825,000 in connection with his appointment as Chief Executive Officer effective February 20, 2013.

2012 Annual Cash Incentive Opportunity

As noted above, each named executive officer was eligible to receive a cash bonus opportunity for 2012 based on Company (and for each named executive officer other than Mr. Sheriff) individual performance. The total annual cash incentive opportunity for each named executive officer was equal to 100% of his annual base salary. The 2012 target bonus amounts for the named executive officers are set forth below:

Table of Contents

Name	2012 Target CFFO	2012 Target	2012 Target	Total 2012 Target
		Same Community NOI Growth	Individual Objectives	
	Bonus Opportunity	Bonus Opportunity	Bonus Opportunity	Bonus Opportunity
T. Andrew Smith	\$ 272,000	\$ 48,000	\$ 160,000	\$ 480,000
W.E. Sheriff	\$ 540,000	\$ 60,000	-	\$ 600,000
Mark W. Ohlendorf	\$ 272,000	\$ 48,000	\$ 160,000	\$ 480,000
John P. Rijos	\$ 272,000	\$ 48,000	\$ 160,000	\$ 480,000
Gregory B. Richard	\$ 195,000	\$ 35,000	\$ 120,000	\$ 350,000

The Company performance portions of the cash bonus opportunity were to be paid dependent on the level of achievement of performance goals developed by management and approved by the Committee based on the Company's budgeted CFFO per share for 2012 and year-over-year same community senior housing NOI growth.

The targeted level of CFFO performance under the bonus program was CFFO per share of \$2.15 for fiscal 2012, which was consistent with the Company's internal business plan. Achievement of the targeted level of performance would have required significant growth in CFFO per share over the Company's actual 2011 CFFO results (after giving effect to certain Medicare rate reductions that went into effect in late 2011) and management therefore viewed the performance targets to be challenging. For purposes of our 2012 bonus programs, the CFFO per share performance targets were defined as the Company's publicly-reported CFFO per share (as adjusted for integration, transaction-related and electronic medical records ("EMR") roll-out costs).

Achievement of the minimum threshold level of CFFO performance under the bonus plan would have resulted in 20% of this portion of the award being funded. Achievement of the targeted level of CFFO performance would have resulted in 100% of this portion of the award being funded. Achievement in excess of the targeted level of performance would have resulted in a payout in excess of 100% of the target bonus opportunity. In order to ensure that amounts paid under the program could qualify as "performance-based" compensation under Section 162(m) of the Internal Revenue Code, the maximum award that any named executive officer could receive with respect to 2012 performance under the 2012 annual cash incentive bonus program was \$2,000,000.

The actual percentage of the CFFO bonus opportunity set forth above that each named executive officer would have been eligible to receive was determined as follows:

CFFO per Share Targets	Percentage of Target CFFO Bonus Opportunity Awarded
\$2.32	150%
\$2.15	100%
\$2.00	20%
Below \$2.00	0%

Bonus opportunity percentages were to be pro-rated between the steps set forth above.

The targeted level of same community senior housing NOI growth was year-over-year growth of 3.60% for 2012. For purposes of the bonus plan, the actual level of NOI growth was to be measured using a specified subset of the Company's communities (which was intended to exclude the effect of recent acquisitions and dispositions or other EBITDA-enhancing reinvestments in our communities). Achievement of the minimum threshold level of same community NOI growth performance under the bonus plan would have resulted in 20% of this portion of the award

being funded. Achievement of the targeted level of performance would have resulted in 100% of this portion of the award being funded. Achievement in excess of the targeted level of performance would have resulted in a payout in excess of 100% of the target bonus opportunity. As noted above, the maximum award that any named executive officer could receive with respect to 2012 performance under the 2012 annual cash incentive bonus program was \$2,000,000.

The actual percentage of the same community senior housing NOI growth bonus opportunity set forth above that each named executive officer would have been eligible to receive was determined as follows:

	Percentage of Target
Same Community	Same Community
NOI Growth	NOI Growth

4.68%	150%
3.60%	100%
3.06%	20%
Below 3.06%	0%

Bonus opportunity percentages were to be pro-rated between the steps set forth above.

The individual objectives bonus opportunity was to be payable following the end of the fiscal year, dependent on the level of achievement of certain objectives established for each individual for 2012. The objectives were established by Mr. Sheriff, the Company's former Chief Executive Officer, and approved by the Committee at the beginning of the performance period. The individual objectives contained both subjective and objective elements and, therefore, the determination of the level of achievement of the goals was, in part, subjective. These individual objectives were intended to create near-term focus by each executive on key strategic initiatives supporting the Company's business plan. It was intended that the objectives would be reasonably achievable, but they would require significant additional efforts on behalf of each of the executives, and the individual objectives bonuses were therefore at risk. The level of achievement of the individual objectives was to be determined by the Committee promptly following the end of the fiscal year upon the recommendation of Mr. Sheriff. Achievement of the targeted level of performance would have resulted in 100% of the award being funded, which represented the maximum individual objectives bonus opportunity for each executive.

For 2012, Mr. Smith's objectives related to the implementation of a plan with respect to asset repositionings, Program Max activities and asset dispositions, the analysis, exploration and, if feasible and appropriate, completion of various acquisition, financing and other transactions, the analysis of various tax planning alternatives, and the continued development and refinement of the Company's quality and compliance program. Each of these objectives was chosen based on Mr. Smith's role in oversight of the Company's corporate development team and corporate finance activities and in his role as General Counsel.

For 2012, Mr. Ohlendorf's objectives related to the continued development and refinement of the Company's quality and compliance program, the implementation of various strategic systems initiatives, the continued implementation of a centralized billing system for the Company's skilled nursing communities and Innovative Senior Care ("ISC") business, the analysis of various tax planning alternatives, and the analysis and exploration of various financing and other transactions. Each of these objectives was chosen based on Mr. Ohlendorf's role as the Company's principal financial and accounting officer (including his role in oversight of the Company's information technology team and investor relations activities).

For 2012, Mr. Rijos' objectives related to the implementation of initiatives to drive top line revenue growth, including the continued development and refinement of the Company's pricing and revenue management processes, the achievement of various strategic marketing, branding and corporate culture-related goals, and the development and implementation of a plan to address underperforming communities and improve operational effectiveness. Each of these objectives was chosen based on Mr. Rijos' role as the Company's principal operating officer (including his role in oversight of the Company's operations and sales and marketing teams).

For 2012, Mr. Richard's objectives related to the implementation of initiatives to drive top line revenue growth, including the expansion of the Company's ISC business, the development and implementation of a plan to address underperforming communities and improve operational effectiveness, the achievement of various health and wellness, branding and corporate culture-related goals, and the continued development and refinement of the Company's quality and compliance program. Each of these objectives was chosen based on Mr. Richard's role in oversight of the Company's field operations (including his role in oversight of the Company's ISC and clinical teams).

2012 Annual Cash Incentive Results

The Company achieved CFFO per share of \$2.15 for 2012 (as shown in the calculation below and as adjusted for integration and transaction-related costs). Accordingly, the Committee determined that each of the named

executive officers was eligible for a bonus payment based on the Company's CFFO performance, as the Company had achieved the targeted level of performance under the bonus plan. Based on the Company's actual results, the Committee determined that each named executive officer would receive 100% of his target CFFO bonus opportunity. The table below shows the reconciliation of net cash provided by operating activities to CFFO for the year ended December 31, 2012 and each of the quarters therein. CFFO is a measurement of liquidity that is not calculated in accordance with generally accepted accounting principles, or GAAP, and should not be considered in isolation as a substitute for cash flows provided by or used in operations, as determined in accordance with GAAP. Annual CFFO per share is calculated as the sum of the quarterly amounts for the year. See "Item 7. Management's Discussion and Analysis of Financial Condition and Results of Operations - Non-GAAP Financial Measures" in the Company's Annual Report on Form 10-K for the year ended December 31, 2012 for additional information regarding how we define and use CFFO and the limitations on the use of this non-GAAP financial measure.

The amounts paid to each named executive officer with respect to the 2012 CFFO bonus opportunity are set forth below:

T. Andrew Smith	\$272,000
W.E. Sheriff	\$540,000
Mark W. Ohlendorf	\$272,000
John P. Rijos	\$272,000
Gregory B. Richard	\$195,000

The Company achieved year-over-year same community senior housing NOI growth of 3.10% for 2012.

Accordingly, the Committee determined that each of the named executive officers was eligible for a bonus payment based on the same community NOI growth performance measure, as the Company had achieved in excess of the threshold level of performance under the bonus plan. Based on the Company's actual results, the Committee determined that each named executive officer would receive 31.15% of his target same community NOI growth bonus opportunity.

The amounts paid to each named executive officer with respect to the 2012 same community NOI growth bonus opportunity are set forth below:

Name	Total Same Community NOI Growth Bonus Payment

W.E. Sheriff	\$ 18,689
Mark W. Ohlendorf	\$ 14,951
John P. Rijos	\$ 14,951
Gregory B. Richard	\$ 10,902

Following conclusion of the 2012 fiscal year, based upon Mr. Sheriff's recommendation and the Committee's own evaluation of each named executive officer's performance against the individual performance objectives that had been previously established, the Committee determined that Mr. Smith had earned 96.0% of his individual objectives bonus opportunity, that Mr. Ohlendorf had earned 96.0% of his individual objectives bonus opportunity, that Mr. Rijos had earned 98.0% of his individual objectives bonus opportunity, and that Mr. Richard had earned 98.0% of his individual objectives bonus opportunity.

The amounts paid to each of Messrs. Smith, Ohlendorf, Rijos and Richard with respect to the 2012 individual objectives bonus opportunity are set forth below:

Name	Total Individual Objectives Bonus Payment
T. Andrew Smith	\$ 153,600
Mark W. Ohlendorf	\$ 153,600
John P. Rijos	\$ 156,800
Gregory B. Richard	\$ 117,600

The Committee retains the discretion to adjust performance targets under its cash and equity incentive programs and/or to award a bonus (or vest or issue shares) absent achievement of the relevant performance targets. To date, the Committee has not established any guidelines regarding the use of discretion, nor has it established a maximum amount for any adjustment that it may choose to make.

2012 Long-Term Incentive Awards

The Committee granted the following shares of time-based and performance-based restricted stock to each of the named executive officers (other than Mr. Sheriff) in 2012:

Name	No. of Time-Based Shares Awarded	No. of Performance-Based Shares Awarded
T. Andrew Smith	24,630	24,629
Mark W. Ohlendorf	24,630	24,629
John P. Rijos	24,630	24,629
Gregory B. Richard	18,488	18,487

The time-based shares will vest ratably in four installments on February 27, 2013, February 27, 2014, February 27, 2015 and February 27, 2016, subject only to an officer's continued employment.

Seventy-five percent (75%) of the performance-based shares will vest on February 27, 2015 and twenty-five percent (25%) of the performance-based shares will vest on February 27, 2016, in each case subject to an officer's continued employment and dependent upon the level of achievement of performance goals established for each tranche by the Committee.

The performance targets for the performance-based shares vesting in 2015 are based on the Company's three year compound annual growth rate ("CAGR") of CFFO per share, with results to be measured based on the Company's CFFO per share in 2014. For purposes of the calculation, CFFO per share will exclude acquisition, integration and other transaction costs and will also exclude federal income taxes to the extent that the Company becomes a federal income taxpayer in future periods.

## Table of Contents

The performance targets for the performance-based shares vesting in 2016 are based on the Company's calendar year 2015 return on investment ("ROI") on all Program Max projects approved in 2012 and completed prior to the end of 2013.

With respect to each performance-based tranche, achievement of the threshold level of performance would result in the vesting of 40% of the shares in that performance-based tranche. Achievement of the targeted level of performance would result in the vesting of 100% of the shares in that performance-based tranche. Any performance-based shares which do not vest in either tranche will be forfeited.

Under the terms of the time-based restricted stock awards granted to these officers, if an officer's employment is terminated by the Company without cause, the next tranche of unvested shares will immediately vest. All other time-based shares would be forfeited in such event. Upon the occurrence of a change of control, the next tranche of unvested time-based shares will immediately vest. All other shares would remain outstanding and would vest on the previously established vesting dates (subject only to continued employment). In addition, in the event an executive's employment is terminated without cause by the Company, or the executive terminates employment for good reason, within 12 months following such change of control, all remaining unvested time-based shares will immediately vest.

In the event an executive's employment terminates by reason of death or disability, the tranche of shares subject to vesting at the next vesting date will remain outstanding until such date, at which time the shares in that tranche will vest.

Under the terms of the performance-based restricted stock awards granted to these officers, if an officer's employment is terminated by the Company without cause or terminates by reason of death or disability, all shares eligible to vest on the next vesting date would remain outstanding until the next vesting date (with all other shares from the performance-based grant being immediately forfeited) and would vest only if (and to the extent) that the relevant performance targets for such tranche have been achieved. If the termination occurs on or prior to February 27, 2014, however, the officer would only be able to achieve vesting of up to 25% or 50% of the performance shares (depending on the date of termination and the actual compound annual growth rate (CAGR) of CFFO per share during 2012 or 2012-2013, as applicable). The actual number of shares that would remain outstanding and be eligible to vest on February 27, 2013 or February 27, 2014 (depending on the date of termination) would be determined assuming the performance target for the first tranche of the performance-based restricted shares was based only on the compound annual growth rate (CAGR) of CFFO per share during 2012 or 2012-2013 (as applicable).

Pursuant to the terms of the performance-based restricted stock awards, upon the occurrence of a change of control, all of the shares will automatically convert to time-based vesting. In addition, upon the date of the change of control, the next tranche of these shares would immediately vest. If the change of control occurs on or prior to February 27, 2014, however, only 25% or 50% of these shares would immediately vest, depending on the date of the change of control. If the change of control occurs on or prior to February 27, 2013, 25% of these shares would vest and if the change of control occurs after that date but on or prior to February 27, 2014, 50% of these shares would vest. All other shares would remain outstanding and would vest on the previously established vesting dates (subject only to continued employment). In the event an executive's employment is terminated without cause by the Company, or the executive terminates employment for good reason, within 12 months following such change of control, all remaining unvested shares will immediately vest.

The restricted share agreements associated with the awards granted to these officers contained non-competition, non-solicitation, non-disparagement and confidentiality covenants.

Each of these officers will also be entitled to receive dividends on unvested shares granted to them, to the extent that any such dividends are declared in the future.

As discussed in greater detail below, in connection with entering into an amended and restated employment agreement with Mr. Sheriff, the Committee granted Mr. Sheriff 500,000 restricted stock units, or RSUs, in 2009. Upon vesting, each RSU represents the right to receive one share of the Company's common stock. Subject to Mr. Sheriff's continued employment or service as a consultant, the RSUs generally vest (or vested) in five equal annual installments beginning on December 15, 2009. The RSUs are payable within 45 days of each such vesting date.

Table of Contents

In granting the award, the Committee indicated that the award was a one-time grant intended to cover multiple years of service and, as such, it was anticipated that Mr. Sheriff would not receive any additional equity awards during the term of his amended employment agreement (although the Committee retained the discretion to make additional awards if the circumstances warrant such awards).

Section 162(m) Limits on Deductibility

Section 162(m) of the Internal Revenue Code of 1986, as amended, places a limit of \$1,000,000 on the amount of compensation that a company may deduct in any one year with respect to its chief executive officer and each of its four most highly paid executive officers other than the chief executive officer. Certain performance-based compensation approved by stockholders is not subject to the compensation deduction limit. To maintain flexibility in compensating executive officers in a manner designed to promote varying corporate goals, the Committee has not adopted a policy that all compensation must be deductible.

Stock Ownership Guidelines

During 2007, our Board of Directors initially adopted Stock Ownership Guidelines applicable to each of the Company's officers, including our named executive officers, in an effort to further align the interests of our executives with the interests of our stockholders.

Under the Guidelines (as amended to date), each of our current named executive officers is expected to hold at least the number of shares listed below associated with his position with the Company, as set forth below:

Position	Ownership Guideline
Chief Executive Officer	150,000
Co-President or General Counsel	100,000
Executive Vice President – Field Operations	50,000

The expected level of ownership may be met through stock purchased by the officer or his or her spouse in the market (whether held individually or jointly) and/or through stock received upon vesting of equity awards. Unvested equity awards do not count toward satisfaction of the Guidelines.

Stock ownership levels were to have been achieved by the later of (i) May 9, 2012 (i.e., five (5) years after the initial adoption of the Guidelines) or (ii) the fifth anniversary of such officer's appointment or promotion. Until the expected ownership level was achieved, each officer was expected to retain at least 50% of Profit Shares obtained through our stock incentive plans. "Profit Shares" are the number of shares obtained from the vesting of restricted stock, less the number of shares an officer sells to pay all applicable income and payroll taxes in connection with such vesting.

As of the date hereof, each of our current named executive officers holds a number of shares significantly in excess of the number required by the Guidelines.

Employment Agreements with Named Executive Officers

As described below, we entered into an employment agreement with Mr. Smith in connection with his appointment as Chief Executive Officer in February 2013. We entered into an amended and restated employment agreement with Mr. Sheriff on June 23, 2009 and terminated the existing employment agreements with our other named executive officers on August 6, 2010 in connection with entering into letter agreements with such officers.

Employment Agreement with T. Andrew Smith

On February 11, 2013, we entered into an employment agreement with Mr. Smith. The employment agreement superceded and replaced the severance pay policy letter agreement, dated as of August 6, 2010, between the Company and Mr. Smith (as described below).

Table of Contents

The employment agreement has a three year term, subject to automatic extensions for additional one year periods, unless either Mr. Smith or the Company gives written notice to the other no less than 90 days prior to the expiration of the term that the term will not be so extended.

Mr. Smith's initial base salary was \$480,000 per year, which was increased to \$825,000 per year as of the date that his service as Chief Executive Officer began. In addition, Mr. Smith will have an annual cash bonus opportunity targeted at 125% of base salary, subject to the terms of our incentive compensation plan for senior executive officers.

Mr. Smith is eligible to participate in the various Company benefit plans made available to our senior executive officers. In addition, we will provide Mr. Smith with basic term life insurance benefits of at least 100% of his base salary, at no cost to Mr. Smith. We will also reimburse Mr. Smith for all reasonable legal fees and related expenses incurred by him in connection with his appointment as CEO, up to a maximum of \$30,000.

The employment agreement provides that, in the event Mr. Smith's employment is terminated by us for "cause" or he resigns without "good reason" (each as defined therein), he will be entitled to receive: (i) his accrued base salary through the date of termination; (ii) any annual bonus earned but unpaid as of the date of termination for any previously completed calendar year; (iii) reimbursement for any properly incurred business expenses; and (iv) benefits, if any, to which he may be entitled under the Company's benefits plans (collectively, the "Accrued Benefits").

In the event Mr. Smith's employment is terminated by us without cause or he resigns for good reason (in each case other than within 12 months following a "change in control" (as defined in the employment agreement)) he will be entitled to receive the Accrued Benefits, and upon signing a release of claims in a form adopted by the Company and continuing to comply with all applicable restrictive covenants, the following severance payments and benefits: (i) 250% of his base salary paid in installments over 18 months, (ii) an annual bonus for the year of termination (to the extent earned under the terms of the bonus plan), pro-rated based on the number of days he was employed by us (the "Pro-Rated Annual Bonus"), and (iii) if then eligible for, and he elects continuation of health coverage under COBRA, we will pay the employer portion of Mr. Smith's COBRA premium payments for 18 months as if he were still an active employee (the "Severance Benefits").

If Mr. Smith's employment is terminated by reason of his death or "disability" (as defined in the employment agreement), Mr. Smith (or his beneficiary or estate, as applicable) will be entitled to receive (i) the Accrued Benefits, and (ii) the Pro-Rated Annual Bonus, subject, in the event of termination by reason of disability, to Mr. Smith signing a release of claims in a form adopted by the Company and continuing to comply with all applicable restrictive covenants.

In the event Mr. Smith's employment is terminated by us without cause or he resigns for good reason, in each case within 12 months following a change in control, he will be entitled to receive the Accrued Benefits, and upon signing a release of claims in a form adopted by the Company and continuing to comply with all applicable restrictive covenants, the following severance payments and benefits: (i) 300% of his base salary paid in installments over 18 months, (ii) the Pro-Rated Annual Bonus, and (iii) the Severance Benefits.

Termination of Mr. Smith's employment within 30 days of the end of the initial term or any renewal term of the employment agreement following the provision of written notice of non-renewal by us will be treated as a termination of Mr. Smith's employment without cause for purposes of the employment agreement and for purposes of any equity awards previously granted to Mr. Smith or granted to him during the term of the employment agreement.

Under the terms of the employment agreement, all post-termination payments and benefits provided to Mr. Smith are to be structured to comply with Section 409A of the Internal Revenue Code. With respect to any termination of Mr. Smith's employment, treatment of restricted stock awards will be as provided in the applicable award agreement governing such awards.

Any payments that are not deductible to the Company under Section 280G of the Internal Revenue Code will be cut back only to the extent that the cutback results in a better after tax position for Mr. Smith.

## Table of Contents

The employment agreement contains customary non-competition, non-solicitation, confidentiality and mutual non-disparagement covenants. The non-competition restrictions will continue in effect during Mr. Smith's employment and for one year following his termination of employment; the non-solicitation restrictions will continue in effect during his employment and for two years following his termination of employment. The confidentiality and mutual non-disparagement obligations will apply during his employment and at all times thereafter.

The non-competition provisions provide that Mr. Smith shall not directly or indirectly, either as a principal, agent, employee, employer, consultant, partner, shareholder of a closely held corporation or shareholder in excess of five percent (5%) of a publicly traded corporation, corporate officer or director, or in any other individual or representative capacity, engage or otherwise participate in any manner or fashion in any business that is a Competing Business in the Area (each as defined below). For purposes of this provision: "Area" means a fifteen (15) mile radius of any senior living facility owned, managed or operated by the Company (or its successor) at the time Mr. Smith's employment is terminated; and "Competing Business" means the business of owning, operating or managing senior living facilities having gross annualized revenues of at least \$35 million or owning, operating or managing, in the aggregate, at least 1,000 units/beds provided that at least 750 units/beds owned, operated or managed by such business are located within the Area.

In connection with entering into the employment agreement, Mr. Smith was granted 55,804 shares of time-based restricted stock under the terms of our Omnibus Stock Incentive Plan, as amended and/or restated from time to time (the "Plan"). The time-based shares of restricted stock were granted pursuant to the terms of a restricted share agreement, dated as of the February 11, 2013, between the Company and Mr. Smith.

The time-based shares of restricted stock vest ratably in four installments on February 27, 2014, February 27, 2015, February 27, 2016 and February 27, 2017, subject only to Mr. Smith's continued employment. In the event that (i) Mr. Smith's employment is terminated without "cause" (as defined in the Plan), (ii) he resigns for "good reason" (as defined in the employment agreement), or (iii) his employment is terminated by death or "disability" (as defined in the Plan), the tranche of restricted stock scheduled to vest on the next vesting date will immediately vest, with any remaining unvested restricted stock being immediately forfeited. Upon the occurrence of a "change in control" (as defined in the Plan), the tranche of restricted stock scheduled to vest on the next vesting date will immediately vest.

All other shares would remain outstanding and would vest on the previously established vesting dates (subject only to continued employment). In addition, in the event that Mr. Smith's employment is terminated without cause or he resigns for good reason, in each case within 12 months following a change in control, any restricted stock that is not vested as of the date of such termination will immediately vest.

In connection with entering into the employment agreement, Mr. Smith was also granted 65,104 shares of performance-based restricted stock under the terms of the Plan. The performance-based shares of restricted stock were granted pursuant to the terms of a restricted share agreement, dated as of February 11, 2013, between the Company and Mr. Smith.

Up to 75% of the performance-based shares of restricted stock are eligible to vest on February 27, 2016, and up to 25% of such shares of restricted stock are eligible to vest on February 27, 2017, in each case subject to Mr. Smith's continued employment and dependent upon the level of achievement of performance targets established for each tranche by the Compensation Committee.

The performance targets for the first tranche of performance-based shares are based on the Company's three year compound annual growth rate (CAGR) of CFFO per share, with results to be measured based on our CFFO per share in 2015. The performance targets for the second tranche of performance-based shares are based on the Company's calendar year 2016 return on investment (ROI) on all Program Max projects approved in 2013 and completed prior to the end of 2014. Any performance-based shares which do not vest in either tranche will be forfeited.

Upon the occurrence of a "change in control" (as defined in the Plan), the tranche of restricted stock scheduled to vest on the next vesting date will immediately vest upon the date of the change in control; provided, however, (i) if the change in control occurs on or prior to February 27, 2014, 25% of the restricted stock will immediately vest and (ii) if the change in control occurs after February 27, 2014 but on or prior to February 27, 2015, 50% of the restricted stock will immediately vest. In addition, upon a change in control, any remaining tranches of restricted

Table of Contents

stock will be converted into time-vesting tranches, vesting on the same vesting dates initially established for each such tranche, subject only to Mr. Smith's continued employment, and regardless of whether any performance targets are achieved.

In the event that (i) Mr. Smith's employment is terminated without "cause" (as defined in the Plan), (ii) he resigns for "good reason" (as defined in the employment agreement), or (iii) his employment is terminated by death or "disability" (as defined in the Plan) (either before or after a change in control), the tranche of restricted stock scheduled to vest on the next vesting date will remain outstanding until such vesting date (with any remaining restricted stock being immediately forfeited) and would vest only if (and to the extent) that the relevant performance targets for such tranche have been achieved; provided, however, (i) if the termination occurs on or prior to February 27, 2014, 25% of the restricted stock will remain outstanding and be eligible to vest on February 27, 2014 upon achievement of the applicable performance targets (with any remaining unvested restricted stock being immediately forfeited) and (ii) if the termination occurs after February 27, 2014 but on or prior to February 27, 2015, 50% of the restricted stock will remain outstanding and be eligible to vest on February 27, 2015 upon achievement of the applicable performance targets (with any remaining unvested restricted stock being immediately forfeited). If the tranche of restricted stock scheduled to vest on the next vesting date is subject only to time-vesting (as a result of a previous change in control), such restricted stock will immediately vest. Notwithstanding the foregoing, in the event that Mr. Smith's employment is terminated without cause or he resigns for good reason, in each case within 12 months following a change in control, any restricted stock that is not vested as of the date of such termination will immediately vest.

The restricted share agreements also contain non-competition, non-solicitation, confidentiality and mutual non-disparagement covenants. Mr. Smith will be entitled to receive dividends on any unvested shares of restricted stock, to the extent that any such dividends are declared in the future.

Employment Agreement with W.E. Sheriff

Pursuant to his amended and restated employment agreement (as amended to date), Mr. Sheriff was to be employed as Chief Executive Officer of the Company during the five year term of the agreement. However, at any time during the term, Mr. Sheriff had the ability to elect to resign as Chief Executive Officer and serve the Company as a consultant for the balance of the term by providing the Company with at least six months' prior notice. In August 2012, Mr. Sheriff notified the Board of Directors of his intent to retire as Chief Executive Officer. Mr. Sheriff's retirement became effective on February 20, 2013. Following his retirement, he will continue to serve as a consultant pursuant to the terms of the employment agreement and as a member of the Company's Board of Directors.

Under the terms of the amended and restated employment agreement, Mr. Sheriff was to receive an annual base salary of \$600,000 per year during the period that he served as Chief Executive Officer. He will receive a consulting fee of \$300,000 per year during the period that he serves as a consultant. Mr. Sheriff had an annual cash bonus opportunity of \$600,000 per year during the period that he served as Chief Executive Officer in accordance with the terms of the Company's incentive compensation plan for senior executive officers. The annual bonus opportunity ceased on the first day that he ceased to serve as Chief Executive Officer. However, following his retirement, he will be eligible to receive a pro rata portion of the annual bonus (to the extent earned) for the portion of the year during which he served as Chief Executive Officer.

While he served as Chief Executive Officer, Mr. Sheriff was generally eligible to participate in all benefit plans made available to the Company's senior executives. During the period that he serves as a consultant, he will be eligible to participate in any benefit plans made available to the Company's similarly-situated former executives.

The employment agreement provides that, in the event Mr. Sheriff's employment or consultancy was or is terminated for "cause" (as defined therein), he would receive the following: (i) accrued base compensation through the date of termination; (ii) any annual bonus earned but unpaid as of the date of termination for any previously completed calendar year; (iii) reimbursement for any properly incurred business expenses; and (iv) benefits, if any, to which he may be entitled under the Company's benefits plans (collectively, the "Accrued Rights"). Mr. Sheriff would also be eligible to receive the Accrued Rights in the event his employment or consultancy was or is terminated due to death or disability.

## Table of Contents

In the event Mr. Sheriff's employment or consultancy was or is terminated by us without cause, or by Mr. Sheriff for "good reason" (as defined therein), he would receive the Accrued Rights and, upon signing a release of claims in a form adopted by the Company and continuing to comply with all applicable restrictive covenants, the following severance payments and benefits: (i) continuation of his then-current base compensation for the lesser of 24 months from the date of termination or the scheduled expiration of the term, (ii) to the extent that he served as Chief Executive Officer during any portion of the year of termination, payment of a pro rata portion of his annual bonus (to the extent earned) for the portion of the year during which he served as Chief Executive Officer, and (iii) if he is eligible for and elects continuation of health care coverage under COBRA, the Company will pay the employer portion of his COBRA premium payments for the length of the COBRA coverage period.

In the event Mr. Sheriff voluntarily resigned or resigns his employment or consultancy without good reason, he would receive the Accrued Rights and, to the extent that he served as Chief Executive Officer during any portion of the year of termination, payment of a pro rata portion of his annual bonus (to the extent earned) for the portion of the year during which he served as Chief Executive Officer.

Under the terms of the employment agreement, all post-termination payments and benefits provided to Mr. Sheriff are to be structured to comply with Section 409A of the Internal Revenue Code. The terms of Mr. Sheriff's existing restricted stock agreements were to govern the treatment of any outstanding restricted stock awards upon his termination of employment or consultancy. However, Mr. Sheriff's service as a consultant to the Company was be deemed to be continued employment for purposes of such outstanding restricted stock awards.

The employment agreement contains non-competition, non-solicitation, non-disparagement and confidentiality covenants. The non-competition and non-solicitation restrictions will continue in effect during Mr. Sheriff's employment and consultancy and for two years following the later of his termination as an employee or consultant.

The non-disparagement and confidentiality obligations shall apply during his employment and consultancy and at all times thereafter.

The non-competition provisions provide that Mr. Sheriff shall not directly or indirectly, either as a principal, agent, employee, employer, consultant, partner, shareholder of a closely held corporation or shareholder in excess of five percent (5%) of a publicly traded corporation, corporate officer or director, or in any other individual or representative capacity, engage or otherwise participate in any manner or fashion in any business that is a Competing Business in the Area (each as defined below). For purposes of this provision: "Area" means a fifteen (15) mile radius of any senior living facility owned, managed or operated by the Company (or its successor) at the time Mr. Sheriff's employment or consultancy, as applicable, is terminated; and "Competing Business" means the business of owning, operating or managing senior living facilities having gross annualized revenues of at least \$35 million or owning, operating or managing, in the aggregate, at least 1,000 units/beds provided that at least 750 units/beds owned, operated or managed by such business are located within the Area.

In connection with entering into the employment agreement, Mr. Sheriff was granted 500,000 RSUs under the terms of the Plan. Upon vesting, each RSU represents the right to receive one share of the Company's common stock.

Subject to Mr. Sheriff's continued employment or service as a consultant, the RSUs were scheduled to vest in five equal annual installments beginning on December 15, 2009. The RSUs were to be payable within 45 days of each such vesting date. All unpaid RSUs which have not previously been forfeited will be paid within 45 days following the earliest of (i) a "change in control" (as defined in the Plan), but only if such change in control constitutes a change in the ownership or effective control of the Company or in the ownership of a substantial portion of the assets of the Company under Section 409A of the Code; (ii) Mr. Sheriff's death; or (iii) Mr. Sheriff's "disability" (as defined in the Plan).

The agreement provided that, if Mr. Sheriff's employment as Chief Executive Officer was terminated by the Company without cause or by Mr. Sheriff for good reason prior to December 31, 2010, all outstanding RSUs would vest and be paid in accordance with the schedule noted above. If Mr. Sheriff resigned as Chief Executive Officer prior to December 31, 2010, but continued serving as a consultant, the RSUs which were scheduled to vest on December 15, 2012 and December 15, 2013 would be forfeited and the remaining RSUs would be paid in accordance with the schedule noted above, provided that he continued to serve as a consultant or his consultancy was terminated without cause or for good reason.

## Table of Contents

All outstanding RSUs were to be paid on the 45<sup>th</sup> day following (i) the termination of Mr. Sheriff's employment by the Company without cause or by Mr. Sheriff for good reason on or after December 31, 2010 or (ii) the voluntary termination of Mr. Sheriff's employment as Chief Executive Officer (whether or not he became a consultant) for any reason on or after December 31, 2010.

All unpaid RSUs were to be forfeited upon (i) the termination of Mr. Sheriff's employment or consultancy for cause; (ii) the voluntary termination (without good reason) of his employment (without becoming a consultant) prior to December 31, 2010; or (iii) the voluntary termination (without good reason) of his consultancy.

Mr. Sheriff (or his beneficiaries, if applicable) will be required to execute a release to receive payment of any RSUs which are payable as a result of termination of his employment or consultancy. To the extent required under Section 409A of the Code, the payments upon a termination of employment were to be delayed for six months following the date of Mr. Sheriff's termination.

As a result of his retirement, and in accordance with the terms of his restricted stock unit agreement and Section 409A of the Internal Revenue Code, all 100,000 of Mr. Sheriff's unpaid RSUs will be paid on the first business day after the date that is six months following the effective date of his retirement.

### Agreements with Other Named Executive Officers

On August 6, 2010, the Compensation Committee adopted the Brookdale Senior Living Inc. Severance Pay Policy, Tier I (the "Policy"). The Policy applies to each of the members of our senior management executive committee (excluding our Chief Executive Officer) and other officers of the Company who have a title of Executive Vice President or higher. Additionally, on August 6, 2010, the Committee approved letter agreements for certain of these executives, including each of the named executive officers (other than Mr. Sheriff). The letter agreements, which became effective as of August 6, 2010, terminated each of the named executive officers' then-existing employment agreements (other than the agreement with Mr. Sheriff) in consideration of our adoption of the Policy. The letter agreements also provide for certain modifications to the Policy as it is applied to the named executive officers and state that the Policy will not be amended in a manner that is disadvantageous to a named executive officer without such executive's prior written consent. Mr. Smith's letter agreement was terminated in February 2013 upon the execution of his new employment agreement, as described above.

Pursuant to the Policy, as modified by the letter agreements, following a "separation from service" (as defined in the Policy) by us without "cause" (as defined in the Policy) or by a named executive officer with "good reason" (as defined in the Policy), the named executive officer is entitled to: (1) 250% of the such officer's annual salary at the current rate of base salary in effect at the separation from service (or, if greater, before the occurrence of circumstances giving rise to good reason); and (2) continued health insurance benefits for 18 months (or until a breach of the Policy or such officer becomes eligible for other medical coverage, if earlier). Pursuant to the Policy, as modified by the letter agreements, following a separation from service by us without cause or by a named executive officer with good reason within 12 months following a "change in control" (as defined in the Policy), the named executive officer is entitled to: (1) 300% of such officer's annual salary at the current rate of base salary in effect at the separation from service (or, if greater, before the occurrence of circumstances giving rise to good reason); and (2) continued health insurance benefits for 18 months (or until a breach of the Policy or such officer becomes eligible for other medical coverage, if earlier). If payments pursuant to the Policy and other arrangements are not deductible by us under Section 280G of the Internal Revenue Code, such payments shall be reduced (or repaid) in order to ensure the Company's deduction of payments in connection with a change in control.

Severance pay will be paid to the named executive officers in equal periodic installments on our regular payroll dates, spanning 18 months and commencing on the 60<sup>th</sup> day following an executive's "qualifying separation from service" (as defined in the Policy and modified by the letter agreements) so long as such executive has signed and returned a waiver and release and the seven day revocation period for the signed release has expired. A named executive officer must acknowledge in such release that all restrictive covenants to which he is a party will remain in force for the period specified in such covenants and the severance pay such executive is entitled to is additional consideration for such restrictive covenants. A breach of such covenants will result in the cessation of severance pay and benefits and may result in such officer being required to repay certain severance pay and benefits already provided as well as certain costs and expenses.

Represents the amounts which would have been payable in cash at threshold and target under the CFFO portion of the Company's 2012 annual cash incentive bonus program for the named executive officers, the terms of which are summarized elsewhere in this proxy statement. Achievement in excess of the targeted level of performance would have resulted in a payout in excess of 100% of the target bonus opportunity. In order to ensure that amounts paid under the program could qualify as "performance-based" compensation under Section 162(m) of the Internal Revenue Code, the maximum award that any named executive officer could receive with respect to 2012 performance under the 2012 annual cash incentive bonus program was \$2,000,000. As reported in the Summary Compensation Table, the named executive officers actually earned the following cash amounts with respect to 2012 performance under this portion of the bonus program: Mr. Smith - \$272,000; Mr. Sheriff - \$540,000; Mr. Ohlendorf - \$272,000; Mr. Rijos - \$272,000; and Mr. Richard - \$195,000.

(2) Represents the amounts which would have been payable in cash at threshold and target under the year-over-year same community NOI growth portion of the Company's 2012 annual cash incentive bonus program for the named executive officers, the terms of which are summarized elsewhere in this proxy statement. Achievement in excess of the targeted level of performance would have resulted in a payout in excess of 100% of the target bonus opportunity. In order to ensure that amounts paid under the program could qualify as "performance-based" compensation under Section 162(m) of the Internal Revenue Code, the maximum award that any named executive officer could receive with respect to 2012 performance under the 2012 annual cash incentive bonus program was \$2,000,000. As reported in the Summary Compensation Table, the named executive officers actually earned the following cash amounts with respect to 2012 performance under this portion of the bonus program: Mr. Smith - \$14,951; Mr. Sheriff - \$18,689; Mr. Ohlendorf - \$14,951; Mr. Rijos - \$14,951; and Mr. Richard - \$10,902.

(3) Represents the amounts which would have been payable in cash at target and maximum under the individual objectives portion of the Company's 2012 annual cash incentive bonus program for certain of the named executive officers, the terms of which are summarized elsewhere in this proxy statement. The individual objectives portion of the bonus program did not specify a minimum threshold level of performance. As reported in the Summary Compensation Table, the named executive officers actually earned the following cash amounts with respect to 2012 performance under this portion of the bonus program: Mr. Smith - \$153,600; Mr. Ohlendorf - \$153,600; Mr. Rijos - \$156,800; and Mr. Richard - \$117,600.

(4) Represents shares of restricted stock subject to performance-based vesting conditions. As described elsewhere in this proxy statement, seventy-five percent (75%) of the performance-based shares will vest on February 27,

Table of Contents

2015 and twenty-five percent (25%) of the performance-based shares will vest on February 27, 2016, in each case subject to an officer's continued employment and dependent upon the level of achievement of performance goals established for each tranche by the Committee. The performance targets for the first tranche of performance-based shares are based on the Company's three year compound annual growth rate (CAGR) of CFO per share, with results to be measured based on the Company's CFO per share in 2014. The performance targets for the second tranche of performance-based shares are based on the Company's calendar year 2015 return on investment (ROI) on all Program Max projects approved in 2012 and completed prior to the end of 2013. With respect to each performance-based tranche, achievement of the threshold level of performance would result in the vesting of 40% of the shares in that performance-based tranche. Achievement of the targeted level of performance would result in the vesting of 100% of the shares in that performance-based tranche. Any performance-based shares which do not vest in either tranche will be forfeited.

(5) The shares will vest ratably in four installments on February 27, 2013, February 27, 2014, February 27, 2015 and February 27, 2016, subject only to an officer's continued employment.

As noted elsewhere in this proxy statement, Mr. Sheriff retired from his position as Chief Executive Officer effective February 20, 2013 and became a consultant. Mr. Smith served as our Executive Vice President, General Counsel and Secretary until February 20, 2013, when he became Chief Executive Officer upon Mr. Sheriff's (1) retirement. The table above reflects amounts payable assuming termination of employment on December 31, 2012 based on the agreements applicable to such individuals at that date. See "Employment Agreements with Named Executive Officers" above for a summary of amounts payable to Mr. Sheriff in connection with his consultancy and a summary of Mr. Smith's new employment agreement and restricted share agreements.

See "Employment Agreements with Named Executive Officers" above for a summary of the provisions of the employment agreements or severance letters applicable to our named executive officers relating to severance, termination and change in control.

Upon any termination of a named executive officer's employment, the executive will be entitled to receive a payout of up to 160 hours of his paid time off (PTO) balance.

Under the terms of the restricted stock awards granted to each of the named executive officers (other than Mr. Sheriff) in 2010 and 2009, upon the occurrence of a change of control, the next tranche of unvested shares will vest. In addition, in the event an executive's employment is terminated without cause by the Company following such change of control, all remaining unvested shares will vest. In the event an executive's employment terminates by reason of death or disability, the tranche of shares subject to vesting at the next vesting date will remain outstanding until such date, at which time the shares in that tranche will vest.

See "2012 Long-Term Incentive Awards" above for a summary of the terms of the 2012 time-based and performance-based restricted stock awards relating to termination and change in control. Similar terms applied to the 2011 time-based and performance-based restricted stock awards granted to each of the named executive officers (other than Mr. Sheriff).

Under Mr. Smith's and Mr. Sheriff's agreements, the Company's Omnibus Stock Incentive Plan and the severance letters applicable to the other named executive officers, a "change of control" shall be deemed to have occurred if (a) any person (other than, for purposes of Mr. Sheriff's agreements and the Omnibus Stock Incentive Plan, certain affiliates of Fortress Investment Group LLC) becomes the beneficial owner of securities representing fifty percent (50%) or more of the combined voting power of the Company's outstanding securities (not including in the securities beneficially owned by such person any securities acquired directly from the Company or any of its affiliates); (b) the Company or any subsidiary merges or consolidates with any other corporation, except when the individuals who comprise the Company's Board of Directors immediately prior to the transaction constitute at least a majority of the

Board of Directors of the surviving entity (or its ultimate parent); or (c) the Company's stockholders approve a plan of liquidation or dissolution or the Company completes the sale of all or substantially all of its assets (other than a sale to an entity, at least fifty percent (50%) of the combined voting power of the securities of which are owned by stockholders of the Company after the transaction in substantially the same proportions as their ownership of the Company prior to the transaction, or other than a sale immediately following

which the individuals who comprise the Company's Board of Directors immediately prior to the transaction constitute at least a majority of the Board of Directors of the entity to which the assets are sold (or its ultimate parent)). In any event, a "change of control" shall not be deemed to have occurred by virtue of the consummation of any transaction (or series of integrated transactions) immediately following which the Company's stockholders prior to the transaction(s) continue to have substantially the same proportionate ownership in any entity which owns all or substantially all of the assets of the Company immediately following such transaction(s).

Under Mr. Sheriff's employment agreement, "cause" means (a) conviction of, or guilty plea concerning, or confession of, any felony; (b) any act of dishonesty committed by the executive in connection with the Company's business; (c) any material breach by the executive of the employment agreement after written notice and reasonable opportunity to cure; (d) any material breach of any reasonable and lawful rule or directive of the Company; (e) the gross or willful neglect of duties or gross misconduct by the executive; or (f) the habitual use of drugs or the habitual, excessive use of alcohol that, in the Board of Director's good faith determination, materially interferes with the performance of the executive's duties.

Under Mr. Smith's employment agreement and the severance letters applicable to the other named executive officers, "cause" means (a) conviction of, guilty plea concerning or confession of any felony; (b) any act of fraud, theft or embezzlement committed by the executive in connection with the Company's or its subsidiaries' business, (c) any material breach of any reasonable and lawful rule or directive of the Company; (d) the gross or willful neglect of duties or gross misconduct by the executive; or (e) the habitual use of drugs or habitual, excessive use of alcohol to the extent that any of such uses in the Board's good faith determination materially interferes with the performance of the executive's duties. For purposes of Mr. Smith's employment agreement, "cause" is also defined to include any material breach by Mr. Smith of the agreement, after notice and opportunity to cure.

Under Mr. Smith's and Mr. Sheriff's employment agreements and the severance letters applicable to the other named executive officers, "good reason" means the occurrence, without the executive's written consent, of any of the following circumstances, unless such circumstances are fully corrected by the Company within thirty (30) days following written notice by the executive that he intends to terminate his employment for one of the reasons set forth below: (i) the failure by the Company to pay to the executive any portion of his base salary or bonus within thirty (30) days of the date such compensation is due; (ii) the relocation of the executive's principal office at the Company to a location outside a fifty (50) mile radius from the executive's principal office location at the time of entering into the employment agreement or severance letter (as applicable); or (iii) the executive is assigned duties, compensation or responsibilities that are materially and significantly reduced with respect to the scope or nature of the duties, compensation and/or responsibilities associated with the executive's position. In any event, a termination by Mr. Sheriff for "good reason" shall not be deemed to have occurred by virtue of changes in the executive's duties, benefits and responsibilities resulting upon (or shortly thereafter) the consummation of any transaction (or series of integrated transactions) immediately following which the Company's stockholders prior to the transaction(s) continue to have substantially the same proportionate ownership in an entity which owns all or substantially all of the assets of the Company immediately following such transaction(s). For purposes of Mr. Smith's employment agreement, "good reason" is also defined to include any material breach by the Company of the agreement.
