Item 1.01 Entry into a Material Definitive Agreement.

On June 10, 2015, Ascent Solar Technologies, Inc. (the “Company”) entered into a Securities Purchase Agreement (the “Purchase Agreement”) with TFG Radiant Investment Group Ltd. (“TFG Radiant”) for a private placement of a total of 1,000,000 shares of the Company’s common stock, par value \$0.0001 per share (the “Common Stock”), which is expected to result in gross proceeds of approximately \$1,000,000 to the Company. Prior to entering into the Purchase Agreement, TFG Radiant, the Company’s largest stockholder, owned approximately 14.54% of the Company’s Common Stock.

The private placement will take place in two tranches. In the first tranche, which will close by June 30, 2015, the Company will issue 500,000 shares of Common Stock to TFG Radiant, at a price of \$1.00 per share, resulting in gross proceeds of approximately \$500,000 to the Company. In the second tranche, which will close by July 17, 2015, the Company will issue 500,000 shares of Common Stock to TFG Radiant, at a price of \$1.00 per share, resulting in gross proceeds of approximately \$500,000 to the Company.

After the second tranche closing, TFG Radiant will own approximately 17.02% of the Company’s Common Stock.

The foregoing is only a description of the material terms of the Purchase Agreement, which is filed as an exhibit to this Current Report on Form 8-K and is incorporated herein by reference. The foregoing does not purport to be a complete description of the rights and obligations of the parties thereunder and such description is qualified in its entirety by reference to such exhibit.

Item 3.01 Notice of Delisting or Failure to Satisfy a Continued Listing Rule or Standard; Transfer of Listing.

On June 9, 2015, the Company received a letter from the Listing Qualifications Department of The Nasdaq Stock Market, LLC (“Nasdaq”), notifying the Company that, for the last 30 consecutive business days, the Company has failed to comply with Nasdaq Listing Rule 5550(b)(2), which requires the Company to maintain a minimum “Market Value of Listed Securities” of \$35 million for continued listing on the Nasdaq Capital Market. The letter also noted that the Company did not meet the alternative requirements under Listing Rules 5550(b)(1) or 5550(b)(3).

In accordance with the Listing Rules, the Company has a period of 180 calendar days, or until December 7, 2015, to regain compliance with Listing Rule 5550(b)(2). The Company may regain compliance with the Listing Rule at any time during this compliance period if its Market Value of Listed Securities closes at \$35 million or more for a minimum of ten consecutive business days.

The letter has no effect on the listing or trading of the Company’s common stock at this time. However, there can be no assurance that the Company will be able to regain compliance with Listing Rule 5550(b)(2) or any other compliance alternatives under Listing Rule 5550(b). In the event that the Company does not regain compliance with Listing Rule 5550(b)(2) prior to the expiration of the compliance period, it will receive written notification that its securities are subject to delisting. At that time, the Company may appeal the delisting determination to a Hearings Panel pursuant to the procedures set forth in the applicable Nasdaq Listing Rules.

The Company intends to actively monitor its Market Value of Listed Securities between now and December 7, 2015, and will consider available options to resolve the deficiency and regain compliance with Listing Rule 5550(b)(2).

Item 3.02 Unregistered Sales of Equity Securities.

The information contained in Item 1.01 of this Current Report on Form 8-K is incorporated herein by reference. The Common Stock being sold by the Company pursuant to the Purchase Agreement is being offered and sold in reliance upon exemptions from registration pursuant to Section 4(a)(2) under the Securities Act of 1933, as amended (“Securities Act”), and Rule 506 of Regulation D promulgated thereunder. The offering was made to an “accredited investor” (as defined by Rule 501 under the Securities Act). No broker or placement agent participated in the sale of Common Stock under the Purchase Agreement.

Item 7.01 Regulation FD Disclosure.

On June 11, 2015, the Company issued a press release announcing the investment by TFG Radiant. A copy of the press release is furnished as Exhibit 99.1 of this report.

The information under Item 7.01 and in Exhibit 99.1 of this Current Report on Form 8-K is being furnished and shall not be deemed “filed” for the purpose of Section 18 of the Securities Exchange Act of 1934, as amended (the “Exchange Act”), or otherwise subject to the liabilities of that section. The information under Item 7.01 and in Exhibit 99.1 of this Current Report on Form 8-K shall not be incorporated by reference into any filing under the Securities Act or the Exchange Act, except as shall be expressly set forth by specific reference in such a filing.

Item 9.01 Financial Statements and Exhibits.

Safe Harbor Statement under the Private Securities Litigation Reform Act of 1995

This Current Report on Form 8-K contains forward-looking statements within the meaning of the “safe harbor” provisions of the Private Securities Litigation Reform Act of 1995. These statements are based upon the Company’s current expectations, speak only as of the date hereof and are subject to change. All statements, other than statements of historical fact included in this press release, are forward-looking statements. Forward-looking statements can often be identified by words such as “anticipates,” “expects,” “intends,” “plans,” “goal,” “predicts,” “believes,” “seeks,” “estimates,” “should,” “would,” “could,” “potential,” “continue,” “ongoing,” similar expressions, and variations or negatives of these words include, but are not limited to, the amount proceeds the Company expects to receive from the offering and the closing of the offering. Such forward-looking statements are inherently subject to certain risks, trends and uncertainties, many of which the Company cannot predict with accuracy and some of which the Company might not even anticipate, and involve factors that may cause actual results to differ materially and adversely from those projected or suggested. Readers are cautioned not to place undue reliance on these forward-looking statements and are advised to consider the factors listed above together with the additional factors under the heading “Forward-Looking Statements” and “Risk Factors” in the Company’s Annual Report on Form 10-K, Quarterly Reports of Form 10-Q, and in other filings with the Securities and Exchange Commission. The Company undertakes no obligation to revise or update publicly any forward-looking statements for any reason, except as required by law.
