

ITEM 1.01. Entry into a Material Definitive Agreement.

On May 28, 2013, PGT, Inc. (the “Company,” “we” or “us”) entered into a Credit Agreement (the “Credit Agreement”) with the various financial institutions and other persons from time to time parties thereto as lenders (the “Lenders”), SunTrust Bank, as administrative agent (in such capacity, the “Administrative Agent”), as collateral agent, as swing line lender and as an LC issuer, and the other agents and parties thereto. The Credit Agreement establishes new senior secured credit facilities in an aggregate amount of \$105 million, consisting of an \$80 million tranche A term loan facility maturing in five years that will amortize on a basis of 5% annually during the five-year term, and a \$25 million revolving credit facility maturing in five years that includes a \$5 million swing line facility and a \$10 million letter of credit facility.

Interest on all loans under the Credit Agreement is payable either quarterly or at the expiration of any LIBOR interest period applicable thereto. Borrowings under the term loans and the revolving credit facility accrue interest at a rate equal to, at our option, a base rate or LIBOR plus an applicable margin. The applicable margin is based on our leverage ratio, ranging from 300 to 350 basis points in the case of LIBOR and 200 to 250 basis points in the case of the base rate. We will pay quarterly fees on the unused portion of the revolving credit facility equal to 0.50% as well as a quarterly letter of credit fee at a rate per annum equal to the applicable margin for LIBOR loans on the face amount of any outstanding letters of credit.

The Credit Agreement will require us to maintain a maximum leverage ratio (based on the ratio of total funded debt to consolidated EBITDA, each as defined in the Credit Agreement) and a minimum fixed charge (based on the ratio of consolidated EBITDA minus net cash taxes minus capital expenditures to cash interest expense plus scheduled principal payments of term loans, each as defined in the Credit Agreement), which will be tested quarterly based on the last four fiscal quarters and is set at levels as described in the Credit Agreement.

The Credit Agreement also contains a number of affirmative and restrictive covenants, including limitations on the incurrence of additional debt, liens on property, acquisitions and investments, loans and guarantees, mergers, consolidations, liquidations and dissolutions, asset sales, dividends and other payments in respect of our capital stock, prepayments of certain debt and transactions with affiliates. The Credit Agreement also contains customary events of default.

The foregoing summary is qualified in its entirety by reference to the Credit Agreement, a copy of which is attached hereto as Exhibit 10.1 and is incorporated herein by this reference.

ITEM 1.02. Termination of a Material Definitive Agreement.

In connection with entering into the Credit Agreement, on May 28, 2013 we terminated the Credit Agreement, dated as of June 23, 2011, among PGT Industries, Inc., as the borrower, the Company, as guarantor, the lenders from time to time party thereto and General Electric Capital Corporation, as administrative agent and collateral agent (the “Old Credit Agreement”). Proceeds from the term loan facility under the Credit Agreement were used to repay amounts outstanding under the Old Credit Agreement, repurchase shares of our common stock having an aggregate value of approximately \$50 million, and pay certain fees and expenses. Proceeds from the revolving credit facility may be used to finance the working capital needs of the Borrower and its subsidiaries, for general corporate purposes and for the issuance of letters of credit.

ITEM 2.03. Creation of a Direct Financial Obligation or an Obligation under an Off-Balance Sheet Arrangement of a Registrant.

The information in Item 1.01 above is incorporated by reference into this Item 2.03.
