On April 19, 2011, the issuer completed a repurchase of 26,150,000 shares of its common stock. This transaction reduced the issuer s shares outstanding by approximately 45%. As a result, the percentage ownership of the issuer s common stock by the reporting persons increased proportionately. The reporting persons are making this filing to reflect their ownership of the issuer s common stock as a result of the repurchase, not as a result of acquisitions of the issuer s common stock.
