Item 1.01 Entry into a Material Definitive Agreement.

Subsidiaries of Forestar Group Inc. (the “Company”) are parties to three separate purchase and sale agreements (collectively, the “Agreements”) covering, in the aggregate, sale of approximately 58,505 acres of timberland in Georgia and Alabama, as follows:

1. On November 9, 2016, subsidiaries of the Company entered into a definitive agreement with SPP Land, LLC (“SPP”) to sell to SPP approximately 26,319 acres of timberland in Georgia for \$43,426,350.  
  
On November 10, 2016, subsidiaries of the Company entered into a definitive agreement with an investment fund managed by Timberland Investment Resources, LLC (“TIR”) to sell to the investment fund approximately 12,043 acres of timberland in Georgia and Alabama for \$23,730,828.
2. On November 11, 2016, subsidiaries of the Company entered into a definitive agreement with a different investment fund managed by TIR to sell to the investment fund approximately 20,143 acres of timberland in Georgia for \$37,422,762.
- 3.

The transactions contemplated by the Agreements are expected to close in fourth quarter 2016, and the Company expects to receive approximately \$104,579,940, in the aggregate, upon closing all three transactions. All Agreements require the purchase price to be paid in cash at closing, and there are no financing contingencies. Any minerals underlying the timberland and owned by subsidiaries of the Company will be conveyed.

The Agreements include customary representations, warranties, covenants and indemnities by the parties. The Agreements include customary purchase price adjustment provisions, within certain parameters, relating to title, casualty losses, recognized environmental conditions and, in the case of the TIR-managed investment funds, timber inventory. The Agreements contain certain termination rights for the parties, including (i) if any of the conditions to closing are not satisfied by the closing date, or (ii) if purchase price adjustments would exceed various thresholds.
