On August 6, 2014, Gerard “Gerry” Watts accepted an offer by the Company to fill a newly-created position as Chief Operations Officer, effective August 18, 2014. Mr. Watts, age 56, comes to the Company with over thirty years’ experience as a senior operations executive in the Food and Agribusiness industry. Mr. Watts specializes in profit and supply chain optimization, lean enterprise operations and organizational development. He will add depth to the Company’s management team.

Most recently he served as Principal Consultant, International Agribusiness for ProducePro Consultancy, where he advised and guided domestic and international firms with regard to fundamental and strategic issues associated with the global produce business. Prior to 2013, he was Chief Operating Officer / General Manager at North Shore Greenhouses, a \$10 million fresh grower and shipper of full line living herbs produced in hydroponic greenhouses. While there, he was responsible for all functional business areas, including sales, marketing, operations, supply chain, quality control and food safety.

From 2008 to 2011, he was President of SunOpta Foods / SunOpta International Fruit Group, a \$175 million vertically integrated manufacturer, distributor and redistributor of processed fruit and consumer packaged goods. There he was responsible for all functional business areas and was instrumental in improving the company’s EBITDA performance through operations reengineering and the institution of lean techniques. From 2005 to 2008, he was Vice President, General Manager – Maui Land and Pineapple Company in Maui, Hawaii, where he directed all business operations for the Pineapple Division which under his direction reduced costs, increased net cash and EBIT and generated revenues in excess of \$110 million; previously he served as Vice President, Operations and Processing for two years and then as Chief Operating Officer for one year before his promotion to head of the Pineapple division as Vice President, General Manager. Prior thereto he capped more than twenty years with Calavo Growers Inc. of Santa Paula, California as Vice President, North American Operations / Vice President, General Manager Calavo de Mexico International.

In connection with this appointment, Mr. Watts will receive an annual salary of \$242,000 and participate in the Company’s Annual Executive Bonus Program with a target opportunity level of 25% of his annual salary and with actual payout ranging from 0 to 37.5% of his annual salary. Mr. Watts will also be awarded 45,000 stock option grants (the “Options”) under the Company’s Restated 2005 Stock Option Plan (the “Plan”) subject to the terms of the Plan and a Stock Option Agreement, such Options to have an exercise price per share equal to the fair market value per share of the Company’s stock on the Award Date. The Plan includes provision for substitution or vesting acceleration of Options in the event of a Change of Control. The Options will vest over three years at 15,000 shares per year. In addition, Mr. Watts will be eligible to participate in all other employee benefit plans and compensation programs that the Company maintains for salaried employees and executive officers.
