	<p>Please note that by judgement of OLG Cologne rendered on June 6, 2013, any shareholder who holds an aggregate total of 3 percent or more of the outstanding share capital must register under their beneficial owner details before the appropriate deadline to be able to vote. Failure to comply with the declaration requirements as stipulated in section 21 of the Securities Trade Act (WPHG) may prevent the shareholder from voting at the general meeting. Therefore, your custodian may request that Broadridge registers beneficial owner data for all voted accounts with the respective sub-custodian. If you require further information whether or not such BO registration will be conducted for your custodians accounts, please contact your CSR.</p>	Non-Voting	
	<p>The sub-custodian banks optimized their processes and established solutions, which do not require any flagging or blocking. These optimized processes avoid any settlement conflicts. The sub custodians have advised that voted shares are not blocked for trading purposes i.e. they are only unavailable for settlement. Registered shares will be deregistered at the deregistration date by the sub custodians. In order to deliver/settle a voted position before the deregistration date a voting instruction cancellation and de-registration request needs to be sent.
