QUESTIONS AND ANSWERS  
ABOUT HYDROMER'S ANNUAL MEETING AND VOTING

WHAT IS THE PURPOSE OF THE ANNUAL MEETING? At the annual meeting, the shareholders will elect eight directors; ratify the Company's choice of independent public accountants and act upon anything else that properly comes before the meeting. In addition, the management will give a report on the Company's performance during the fiscal year ending June 30, 2010.

WHY DID I RECEIVE THIS PROXY STATEMENT? We sent you this proxy statement and the enclosed proxy card because Hydromer's Board of Directors is soliciting your proxy to be used at the Annual Meeting of Shareholders on December 1, 2010, at 10:00 a.m. (ESDT), at 35 Industrial Parkway, Branchburg, NJ 08876, or at any adjournment of the meeting. This proxy statement discloses the information you need to know to vote on an informed basis. We are first mailing this proxy statement and the enclosed proxy card to shareholders on or about September 24, 2010.

WHO CAN VOTE?

You are entitled to vote if you owned Hydromer common stock on the record date,

## Edgar Filing: HYDROMER INC - Form DEF 14A

which is the close of business on September 14, 2010. Each share of Hydromer common stock that you own, entitles you to one vote.

### WHO CAN ATTEND THE MEETING?

Only shareholders of record on the close of business on the record date, or their duly appointed proxies, may attend the meeting. Registration begins at 9:30 a.m.

HOW MANY SHARES OF VOTING STOCK ARE OUTSTANDING? On the record date, there were 4,772,318 shares of Hydromer common stock outstanding entitled to vote. Hydromer common stock is our only class of voting stock.

### WHAT CONSTITUTES A QUORUM?

A quorum is a majority of the outstanding shares entitled to vote, which are present or represented by proxy at the meeting i.e. 2,386,160 shares. There must be a quorum for the transaction of business at the annual meeting. If you submit a properly executed proxy card, even if you abstain from voting, your shares will be considered part of the quorum. Broker non-votes (shares held by a broker or nominee that are represented at the meeting, but with respect to which the broker or nominee is not empowered to vote on a particular type of proposal) are also included in determining the presence of a quorum.

### WHAT AM I VOTING ON?

1. The election of eight individuals to serve on our Board of Directors: Manfred F. Dyck, Ursula M. Dyck, Dieter Heinemann, Robert H. Bea, Dr. Maxwell Borow, Dr. Frederick L. Perl, Michael F. Ryan, Ph.D. and George A. Ziets.
2. The ratification of the selection of Rosenberg Rich Baker Berman & Company as our independent public accountants for the fiscal year beginning July 1, 2010.

HOW DOES THE BOARD OF DIRECTORS RECOMMEND I VOTE ON THE PROPOSALS? The Board of Directors recommends a vote FOR each of the Board's nominees and FOR the appointment of Rosenberg Rich Baker Berman & Company as our independent public accountants for fiscal 2010/2011.

### HOW DO I VOTE?

To vote by proxy you should complete, sign and date the enclosed proxy card and

## Edgar Filing: HYDROMER INC - Form DEF 14A

return it promptly in the prepaid envelope provided with this proxy statement.

To vote in person, you may attend the meeting and cast your vote in person.

### MAY I REVOKE MY PROXY?

You may revoke your proxy at any time before it is voted in either of the following ways:

1. You may submit another proxy card with a later date.
2. You may notify Hydromer's Secretary in writing before your proxy is voted that you have revoked your proxy.

IF I PLAN TO ATTEND THE MEETING, SHOULD I STILL VOTE BY PROXY? Whether you plan to attend the meeting or not, we urge you to vote by proxy. Returning the proxy card will not affect your right to attend the meeting, and your proxy will not be used if you are personally present at the meeting and inform the Secretary in writing prior to the voting that you wish to vote your shares in person. The Secretary will have proxy revocation forms at the meeting in case you want to revoke your proxy and vote in person.

### HOW WILL MY PROXY BE VOTED?

If you properly fill in your proxy card and send it to us, your proxy holder (one of the individuals named on your proxy card) will vote your shares as you have directed. IF YOU HOLD SHARES IN "STREET NAME" WE URGE YOU TO INSTRUCT YOUR BROKER ON HOW TO VOTE YOUR SHARES, AS SHARES HELD IN "STREET NAME" CANNOT BE VOTED DIRECTLY BY A SHAREHOLDER. If you sign the proxy card but do not make specific choices, the proxy holder will vote your shares as recommended by the Board of Directors as follows:

- o "FOR" the election of all nominees for Director, PROPOSAL I
- o "FOR" ratification of the selection of independent public accountants for 2010/2011, PROPOSAL II

WHAT VOTE IS REQUIRED TO APPROVE PROPOSALS? Directors are elected by a plurality of the shares voting at the meeting. If you do not vote for a particular nominee, or you indicate, "withhold authority to vote" for a particular nominee on your proxy, your vote will not count either "for" or "against" the nominee. A "broker non-vote" will also have no effect on the outcome. The ratification of independent public accountants requires a majority of the votes cast.

HOW WILL VOTING ON ANY OTHER BUSINESS BE CONDUCTED? Although we do not know of any business to be considered at the meeting other than the proposals described in this proxy statement, if any other business is presented at the meeting, your returned proxy gives authority to proxy holders to vote on these matters at their discretion.

ARE COPIES OF THIS PROXY BOOKLET AND ANNUAL REPORT AVAILABLE ON THE INTERNET? Yes, at [www.hydromer.com/sec](http://www.hydromer.com/sec), however you must vote directly by paper ballot (OR BY INSTRUCTING YOUR BROKER HOW TO VOTE IF YOUR SHARES ARE HELD IN "STREET NAME").

PROXY STATEMENT

This Proxy Statement, which will be mailed commencing on or about September 24, 2010 to the persons entitled to receive the accompanying Notice of Annual Meeting of Shareholders, is provided in connection with the solicitation of Proxies on behalf of the Board of Directors of HYDROMER, INC., for use at the Annual Meeting of Shareholders to be held at the Company's executive office at 35 Industrial Parkway, Branchburg, New Jersey 08876-3424 at 10 a.m., on December 1, 2010 and at any adjournment thereof, for the purposes set forth in this Notice.

At the close of business on September 14, 2010, the record date stated in the accompanying Notice, the Company had 4,772,318 outstanding shares of Common Stock without par value ("Common Stock"), each of which is entitled to one vote with respect to each matter to come before the Meeting plus the Company has 10,917 shares of Common Stock, which are Treasury Stock and not entitled to vote. The Company has no class or series of stock outstanding other than the Common Stock.

As of September 14, 2010, Manfred F. Dyck, Chairman of the Board, a Director, CEO and President of the Company, beneficially owned approximately 33.9% of the outstanding Common Stock of the Company, and his wife Ursula M. Dyck, a Director of the Company, beneficially owned 4.5% of the outstanding Common Stock. In addition, Mr. Dieter Heinemann, a Director of the Company, owned 17.1% of the outstanding Common Stock of the Company. Such ownership, totaling 55.5%, enables these three shareholders to control the outcome of any election or proposal regarding the Company's affairs.

I. ELECTION OF DIRECTORS (PROPOSAL I)

In case any of the nominees is unable or declines to serve, the proxy holders reserve the right to vote the shares represented by such Proxy for another person duly nominated by the Board of Directors in his or her stead or, if no other person is so nominated, to vote such shares only for the remaining nominees. ### NOMINATING COMMITTEE

The Company does not have a Nominating Committee as the Company's Board of Directors is of the opinion that its current practice of networking to seek out potential candidates results in Board of Director candidates who have the scientific or business background that can adequately represent the interests of the shareholders. All Directors have been re-nominated to stand for election. All candidates have accepted the nomination.

### BOARD GOVERNANCE

The bylaws of the Company consider the Board Chairman to be the Chief Executive Officer. That provision of the bylaws has been in effect under New Jersey state law since the inception of the Company in 1980. The Company is of the opinion

## Edgar Filing: HYDROMER INC - Form DEF 14A

that no change to the bylaws in these areas would have any positive effect on the Company and in fact would increase the costs with no benefit. The Company does not have a lead independent director, as the majority of the Board members are independent directors.

### COMPENSATION DISCUSSION, ANALYSIS AND RISK

The Company does not have a Compensation Committee. Since the majority of the Board is composed of independent directors (six of eight), the Company is of the opinion that the full Board can perform this function. The salary of the President and C.E.O. is reviewed each year by the full Board and the President approves the salary of each officer. (see Compensation of Executive Officers). The Company maintains a 401K Retirement Plan, which is open to all full time employees. No stock of the Company is maintained in this plan. The Company is of the opinion that the salaries and other compensation of its employees accurately reflect the market requirement to attract and retain talented individuals and such compensation is not related to any risk or risk profiles that the Company may experience.

### MEETINGS AND DIRECTOR'S COMPENSATION

During the past fiscal year, the Board of Directors of the Company met three times. All Directors attended at least 75% of the meetings, except Mrs. Dyck who attended one meeting.

The compensation for attendance at regular/special meetings either in person or on a video link is \$1,000 per meeting. Attendance via telephone is \$200/meeting. The compensation for operational meetings is \$500/meeting.

In addition, Directors are awarded stock options pursuant to the Stock Option Plan approved on January 22, 1998, as amended (see Stock Options). Directors who waive their stock options are given \$300 for every 2,000 stock options waived. This avoids the Company of having to take an expense for the options at market value under current accounting rules. For the 2009/2010-year, all Directors waived the awarding of their stock options. No director received compensation in excess of \$900 for these waivers.

The highest monetary compensation paid to any director in fiscal 2009/2010 was \$3,900. (3 meetings at \$1,000 per meeting plus \$900 for waiving 6,000 options)

### AUDIT COMMITTEE

On November 18, 2009 the Board appointed the membership of the audit committee consisting of only outside directors: Robert Bea (Chairman), Dr. Frederick Perl, Dr. Maxwell Borow and Dr. Michael F. Ryan. None of these members are "financial experts" as the Company is of the opinion that the financial aspects of the Company are not complex and are within the scope of the collective experience of the Audit Committee. In the event any financially complex issues arise, the Audit Committee is empowered by its charter to retain or hire such independent expertise, as it deems necessary. The Audit Committee Charter is posted on the Company's web site at <http://www.hydromer.com/company.html>. The Audit committee met once. It issued the following report:

## Edgar Filing: HYDROMER INC - Form DEF 14A

The following is the audit committee's report submitted to the Board of Directors for the year ended June 30, 2010.

The Audit Committee of the Board of Directors has:

- a. Reviewed the Audit Committee charter and ascertained the current text is not in need of amendment,
- b. reviewed the Company's Policy on Business Practices and found them to accurately reflect the policies of the Board of Directors,
- c. reviewed the Code of Ethics for the CEO and CFO and found them acceptable and not in need of revision,
- d. reviewed and discussed the assessment of the report on the effectiveness of the financial control system submitted by management,
- e. reviewed and discussed the Company's audited financial statements for the year ended June 30, 2010 with the Company's management,
- f. discussed with Rosenberg Rich Baker Berman & Company ("RRBB"), the Company's independent accountants, the materials required to be discussed by the Auditor's Communication With Those Charged With Governance (AU Section 380),
- g. reviewed the written disclosures and the letter from RRBB required by Ethics and Independence Rule 3526, and has discussed with RRBB its independence.

Based on the foregoing review and discussion, the Audit Committee recommends to the Board of Directors that the audited financial statements be included in the Company's Annual Report on Form 10-K for the fiscal year ending June 30, 2010.

No such reports were received during the 2009/2010 fiscal year.

### SHAREHOLDER COMMUNICATIONS

The Company has a past practice of bringing all reasonable communications from shareholders to the attention of the Directors at regular Board meetings, which are usually held four times per year. The volume of such communications has been minimal. Address all communications via mail to: Corporate Secretary, Hydromer,

### III. OTHER MATTERS

The Board of Directors of the Company does not know of any other matters, which may be brought before the meeting. However, if any such other matters are properly presented for action, it is the intention of the persons named in the accompanying form of Proxy to vote the shares represented thereby in accordance with their judgment on such matters.

#### IV. MISCELLANEOUS

If the accompanying form of Proxy is executed and returned, the shares represented thereby will be voted in accordance with the terms of the Proxy, unless the proxy is revoked by written notice addressed to and received by the Secretary of the Meeting. If no directions are indicated in such Proxy, the shares represented thereby will be voted in the election of Directors in favor of the nominees proposed by the Board of Directors and in favor of ratification of the independent public accountants, THEREFORE IT IS IMPORTANT TO PROVIDE YOUR BROKER WITH VOTING INSTRUCTIONS.

The casting of a ballot at the Meeting by a shareholder who may theretofore have given a Proxy will not have the effect of revoking the same unless the shareholder so notifies the Secretary of the meeting in writing at any time prior to the voting of the shares represented by the Proxy. A form for revoking your proxy will be available at the meeting. Votes that are withheld and broker non-votes will be treated as shares that are present for purposes of determining a quorum. Withheld votes will be excluded in determining whether a nominee for Director or the ratification of independent public accountants, has received a plurality of the votes cast. All costs relating to the solicitation of Proxies will be borne by the Company. It is important that Proxies be returned promptly. Shareholders who do not expect to attend the Meeting in person are urged to mark (vote), sign and date the accompanying form of Proxy and mail it in the enclosed return envelope, which requires no postage if mailed in the United States, so that their vote can be recorded.
