Item 8.01. Other Events

On March 4, 2013, the Audit Committee of the Board of Directors of Accretive Health, Inc. (the “Company”), based on the recommendation of management and after consultation with the Company's independent registered public accounting firm, determined that the Company will restate its previously issued financial statements (the “Restatement”). The Company believes, based on information available to date, that it will restate its financial statements for the years ended December 31, 2010 and 2011 and the quarterly periods within these years commencing with the second quarter of 2010, as well as the first three quarterly periods of the year ended December 31, 2012. Accordingly, investors should not rely on the Company's financial statements for the years ended December 31, 2009, 2010 and 2011 and the quarterly periods within those years, and for the first three quarterly periods for the year ended December 31, 2012 and any of the Company's other prior financial statements. As a result of the Restatement, the Company has not yet filed its Form 10-K for the year ended December 31, 2012 (the “2012 Form 10-K”), nor its Forms 10-Q for the quarters ended March 31, 2013, June 30, 2013 and September 30, 2013. The Company is committed to resolving the issues that gave rise to the Restatement and regaining compliance with all SEC filing requirements and all NYSE listing requirements by March 19, 2014.

In connection with the submission by the Company of its Section 303A Annual Written Affirmation to the New York Stock Exchange (the “NYSE”), the Company is filing this Current Report on Form 8-K to disclose the corporate governance matters required to be disclosed annually by Section 303A of the NYSE Listed Company Manual (the “Manual”). The annual disclosure of these corporate governance matters would typically be included in the Company's Annual Report on Form 10-K and proxy statement. As the Company will not file the 2012 Form 10-K nor the related proxy statement prior to December 31, 2013, the Company is providing the disclosures herein in order to satisfy the NYSE requirement to disclose annually information required by Section 303A of the Manual.

Independence of Our Directors

NYSE rules require that at least a majority of our directors be independent of our Company and management. The rules also require that our board of directors affirmatively determine that there are no material relationships between a director and us (either directly or as a partner, stockholder or officer of an organization that has a relationship with us) before such director can be deemed independent. We have adopted independence standards consistent with NYSE rules. Our board of directors has reviewed both direct and indirect transactions and relationships that each of our directors had or maintained with us and our management. Our board of directors, based upon the fact that none of our independent directors have any material relationships with us other than as directors and holders of our common stock, affirmatively determined that ten of our directors are independent directors under NYSE rules. Our independent directors are Edgar Bronfman, Jr., J. Michael Cline, Steven N. Kaplan, Stanley N. Logan, Alex J. Mandl, Denis J. Nayden, Steven J. Shulman, Arthur H. Spiegel, III, Robert V. Stanek and Mark A. Wolfson. Our other directors, Stephen Schuckenbrock and Mary Tolan, are not considered independent pursuant to the corporate governance listing standards of the NYSE because Mr. Schuckenbrock is currently an employee of the Company and Ms. Tolan has been an employee of the Company within the last three years.

Meetings of Non-Management Directors

Our corporate governance guidelines provide that, in general, the agenda for every regularly scheduled meeting of the board of directors include a meeting of the non-management directors in executive session. In any event, the non-management directors shall meet in executive session at least semi-annually. These meetings, which are designed to promote unfettered discussions among our non-management directors, are presided over by the Company's Lead Director, currently Denis Nayden. During 2012, our non-management directors had four meetings.
