On July 22, 2013 we entered into settlement agreements with four debt holders of our company pursuant to which we restructured outstanding demand loans payable in the aggregate amount of \$175,028 (inclusive of accrued interest) as convertible debentures. The details of the transactions are as follows:

On November 19, 2009 we issued a demand promissory note to one lender in consideration of loan proceeds of \$30,000. On March 19, 2012, the Company's Board of Directors approved a plan whereby the debt holder could convert their loan into shares of common stock at a conversion rate of \$0.0025 per share, however this plan was not executed. On July 22, 2013 we entered into a settlement agreement with the assignee of the lender, Tina Bressert, to extinguish the demand note and issued a convertible debenture to the assignee of the demand note in the aggregate principal amount of \$41,118. The debenture shall bear interest at 10% per annum and shall be payable in full, together with any accrued interest, by July 22, 2017. The holder shall have the option to convert the principal amount and any accrued interest, in whole or in part, at the rate of \$0.0025 per share of our common stock

On May 14, 2010, we issued a demand promissory note to one lender in consideration of loan proceeds of \$2,500. On July 22, 2013 we entered into a settlement agreement with the assignee of the lender, Tina Bressert, to extinguish the demand note and issued a convertible debenture to the assignee of the demand note in the aggregate principal amount of \$3,297. The debenture shall bear interest at 17% per annum and shall be payable in full, together with any accrued interest, by July 22, 2017. The holder shall have the option to convert the principal amount and any accrued interest, in whole or in part, at the rate of \$0.35 per share of our common stock

Pursuant to the above described convertible debentures, Ms. Bressert has the right to purchase upon conversion of the debentures up to 98.83% of our common stock on a non-diluted basis.

On January 25, 2011, we issued a demand promissory note to Nottingham Group in consideration of loan proceeds of \$16,000. On July 22, 2013 we entered into a settlement agreement to extinguish the demand note and issued a convertible debenture to Nottingham Group in the aggregate principal amount of \$19,586. The debenture shall bear interest at 17% per annum and shall be payable in full, together with any accrued interest, by July 22, 2017. The

holder shall have the option to convert the principal amount and any accrued interest, in whole or in part, at the rate of \$0.35 per share of our common stock

On December 17, 2010, December 31, 2010, April 4, 2011, August 1, 2011, and September 2, 2011 we issued demand promissory notes to Petra Corp. in consideration of loan proceeds of \$15,000, \$2,183.68, \$16,000, \$14,000, and \$16,000, respectively (\$63,183.68 in the aggregate). On July 22, 2013 we entered into a settlement agreement to extinguish the demand note and issued a convertible debenture Petra Corp. in the aggregate principal amount of \$75,754. The debenture shall bear interest at 17% per annum and shall be payable in full, together with any accrued interest, by July 22, 2017. The holder shall have the option to convert the principal amount and any accrued interest, in whole or in part, at the rate of \$0.35 per share of our common stock.

Securities held by Nottingham Group and Petra Corp. are under common voting and dispositive control. Accordingly, pursuant to the above described convertible debentures, Nottingham Group and Petra Corp. have the right to purchase upon conversion of the debentures up to 75% of our common stock on a non-diluted basis.

On or about June 8, 2012, October 2, 2012 and January 25, 2013 we issued demand promissory notes to Elco Securities Ltd. in consideration of loan proceeds of \$15,000, \$7,500, and \$10,000, respectively (\$32,500 in the aggregate). On July 22, 2013 we entered into a settlement agreement to extinguish the demand note and issued a convertible debenture to Elco Securities Ltd. in the aggregate principal amount of \$35,273. The debenture shall bear interest at 17% per annum and shall be payable in full, together with any accrued interest, by July 22, 2017. The holder shall have the option to convert the principal amount and any accrued interest, in whole or in part, at the rate of \$0.35 per share of our common stock.

Pursuant to the above described convertible debenture, Elco Securities Ltd. has the right to purchase upon conversion of the debentures up to 34.13% of our common stock on a non-diluted basis.
