**NOTICE OF STOCKHOLDER ACTION BY WRITTEN CONSENT**

**GENERAL INFORMATION**

To the Holders of Common Stock of New America Energy Corp.:

This Information Statement has been filed with the Securities and Exchange Commission and is being furnished, pursuant to Section 14C of the Securities Exchange Act of 1934, as amended (the "Exchange Act"), to the holders (the "Stockholders") of common stock, \$0.001 par value per share (the "Common Stock"), of New America Energy Corp., a Nevada corporation (the "Company"), to notify the Stockholders that on October 1, 2013, the Company received a majority written consent in lieu of a meeting of the holder ("Majority Stockholder"), holding in the aggregate more than a majority of the total voting power of all issued and outstanding voting capital of the Company. The Majority

Stockholder authorized the following:

to establish a series of super-voting preferred stock, no par value, equal to at least 50.99% of the total voting power of all issued and outstanding voting capital of the Company (the “Series A Preferred”), establish the number of shares of preferred stock that will constitute Series A Preferred and designate the terms, rights, preferences, privileges, qualifications, limitations and restrictions of such Series A Preferred (the “Series A Designation”) (collectively, the “Series A Authorization”).

On October 1, 2013, the Board of Directors of the Company (the “Board”) approved, and recommended to the Majority Stockholder that they approve the Series A Authorization. On October 1, 2013, the Majority Stockholder approved the Series A Authorization by written consent in lieu of a meeting, in accordance with Nevada law. Accordingly, your consent is not required and is not being solicited in connection with the approval of the Series A Authorization.

We will mail the Notice of Stockholder Action by Written Consent to the Stockholders on or about October 15, 2013.

**WE ARE NOT ASKING YOU FOR A PROXY AND YOU ARE REQUESTED NOT TO SEND A PROXY.**

The Board believes that the creation of the Series A Preferred with the characteristics described below gives it flexibility in connection with future transactional activity of the Company without the requirement of having to seek stockholder approval at that time with the required disclosure and regulatory filings and the mandatory time periods before which certain actions could not otherwise be taken.

Accordingly, it is the Board’s opinion that the actions would better position the Company to attract potential business candidates and provide our stockholders a greater potential return.

## INTRODUCTION

Nevada law provides that the written consent of the holders of outstanding shares of voting capital stock having not less than the minimum number of votes which would be necessary to authorize or take such action at a meeting at which all shares entitled to vote thereon were present and voted can approve an action in lieu of conducting a special stockholders' meeting convened for the specific purpose of such action. Nevada law, however, requires that in the event an action is approved by written consent, a company must provide prompt notice of the taking of any corporate action without a meeting to the stockholders of record who have not consented in writing to such action and who, if the action had been taken at a meeting, would have been entitled to notice of the meeting if the record date for such meeting had been the date that written consents signed by a sufficient number of holders to take the action were delivered to a company.

In accordance with the foregoing, we will mail the Notice of Stockholder Action by Written Consent on or about October 15, 2013.

This Information Statement contains a brief summary of the material aspects of the Series A Authorization approved by the Board of New America Energy Corp., (the "Company," "we," "our," or "us") and the Majority Stockholder.

### Common Stock

As of October 1, 2013, there were 115,363,136 shares of our Common Stock outstanding. Pursuant to Nevada law, at least a majority of the voting equity of the Company, or at least 57,681,569 votes, are required to approve the Series A Authorization by written consent. The Majority Stockholder, who holds in the aggregate more than a majority of the voting equity of the Company and has voted in favor of the Series A Authorization thereby satisfying the requirement under Nevada law that at least a majority of the voting equity vote in favor of a corporate action by written consent.

## ACTIONS TO BE TAKEN

The Series A Authorization will become effective on the date that we file the Certificate of Amendment to the Articles of Incorporation of the Company (the "Amendment") with the Secretary of State of the State of Nevada. We intend to file the Amendment with the Secretary of State of the State of Nevada promptly after the twentieth (20<sup>th</sup>) day following the date on which this Information Statement is mailed to the Stockholders.

Notwithstanding the foregoing, we must first notify FINRA of the intended Series A Authorization by filing the Issuer Company Related Action Notification Form no later than ten (10) days prior to the anticipated record date of such action. Our failure to provide such notice may constitute fraud under Section 10 of the Exchange Act.

We currently expect to file the Amendment on November 5, 2013.

## **SERIES A PREFERRED STOCK**

The Board believes that the creation of the Series A Preferred with the characteristics described below gives it flexibility in connection with future transactional activity of the Company without the requirement of having to seek stockholder approval at that time with the required disclosure and regulatory filings and the mandatory time periods before which certain actions could not otherwise be taken.

Accordingly, it is the Board's opinion that the actions would better position the Company to attract potential business candidates and provide our stockholders a greater potential return.
