Item 3.02. Unregistered Sales of Equity Securities.

On August 15, 2013, IZEA, Inc. entered into a Securities Purchase Agreement with certain investors (the “Investors”), pursuant to which we privately placed approximately \$2,302,000 of units (the “Units”), at a price of \$25,000 per Unit (the “Private Placement”), paid in cash and conversion of notes payable. Each Unit consisted of 100,000 shares of our common stock (“Common Stock”), together with two warrants (“Warrants”). The Warrants were composed of one Warrant to purchase 50,000 shares of Common Stock at an exercise price of \$0.25 per share and another Warrant to purchase 50,000 shares of Common Stock at an exercise price of \$0.50 per share, in each case exercisable for cash at any time during the five years following the date of issuance. As a result of the Private Placement, we issued 9,206,472 shares of our common stock and issued fully-exercisable warrants to purchase up to additional 9,206,472 shares of our common stock. Pursuant to the terms of the Securities Purchase Agreement, we agreed to file a registration statement with the SEC for purposes of registering the resale of the shares of Common Stock and the shares underlying the Warrants within four months after the final closing date and use our commercially reasonable efforts to have it declared effective no later than six months after the final closing date.

Brian W. Brady, a director of our company, converted \$1,270,000 in principal (plus \$19,252 in accrued interest) that we owed to him pursuant to several unsecured promissory notes issued between April and August 2013, into Units on the same terms and conditions as were applicable to the other Investors in the Private Placement. Two other existing stockholders converted a total of \$75,000 in principal (plus \$12,366 in accrued interest) that we owed to them pursuant to an unsecured promissory note originally issued in May 2012, into Units on the same terms and conditions as other Investors in the Private Placement.

Net cash proceeds as of August 15, 2013 after the note conversions and before expenses totaled \$925,000. These proceeds will be used for general working capital purposes. Our total number of outstanding shares of common stock after the Private Placement is 16,482,453 shares.

On August 15, 2013, pursuant to an extension and conversion agreement dated May 31, 2013 between our company and Mr. Brady, we issued to Mr. Brady a warrant to purchase 3,187,500 shares of our common stock at \$0.25 per share for a period of five years and 1,687,500 restricted stock units which vest upon the earlier of two years after issuance or completion of a transaction resulting in a change of control of our company.
