Risk Factors

Please see the Preliminary Offering Documents for a description of certain risks related to this investment, including, but not limited to, the following:

If the notes are not automatically called, your investment may result in a loss; there is no guaranteed return of principal.

Payments on the notes are subject to the credit risk of BAC, and actual or perceived changes in the creditworthiness of BAC are expected to affect the value of the notes. If BAC becomes insolvent or is unable to pay its obligations, you

may lose your entire investment.

Your investment return is limited to the applicable Call Premium and may be less than a comparable investment directly in the stocks included in the Market Measure.

The initial estimated value of the notes on the pricing date will be less than their public offering price.

If you attempt to sell the notes prior to maturity, their market value may be lower than both the public offering price and the initial estimated value of the notes on the pricing date.

You will have no rights of a holder of the securities represented by the Market Measure, and you will not be entitled to receive securities or dividends or other distributions by the issuers of those securities.

Final terms will be set on the pricing date within the given range for the specified Market-Linked Investment.

Please see the Preliminary Offering Documents for complete product disclosure, including related risks and tax disclosure.

Bank of America Corporation (BAC) has filed a registration statement (which includes a prospectus) with the Securities and Exchange Commission (SEC) for the notes that are described in this Guidebook. Before you invest, you should carefully read the prospectus in that registration statement and other documents that BAC has filed with the SEC for more complete information about BAC and any offering described in this Guidebook. You may obtain these documents without cost by visiting EDGAR on the SEC website at www.sec.gov. BAC's Central Index Key, or CIK, on the SEC website is 70858. Alternatively, Merrill Lynch will arrange to send you the prospectus and other documents relating to any offering described in this document if you so request by calling toll-free 1-866-294-1322. BAC faces risks that are specific to its business, and we encourage you to carefully consider these risks before making an investment in its securities.
