PROXY STATEMENT

ANNUAL MEETING OF SHAREHOLDERS

To Be Held June 19, 2018

The enclosed proxy is solicited by and on behalf of the Board of Directors (the “Board”) of Scott’s Liquid Gold-Inc., a Colorado corporation (the “Company”), for use at the Company’s Annual Meeting of Shareholders (the “Annual Meeting”) to be held at 9:00 a.m., Mountain Time, on June 19, 2018 at the Doubletree by Hilton, 3203 Quebec Street, Denver, Colorado 80207, or any adjournment thereof. This Proxy Statement and the accompanying form of proxy are first being mailed or given to the shareholders of the Company on or about April 27, 2018.

Any shareholder signing and mailing the enclosed proxy may revoke it at any time before it is voted by giving written notice of the revocation to the Company’s Corporate Secretary, delivering a later executed proxy before the meeting or voting in person at the meeting. If you would like to obtain directions to be able to attend the Company’s Annual Meeting of Shareholders and vote in person, you should contact the Company’s Corporate Secretary by telephone at (303) 373-4860.

All voting rights are vested exclusively in the holders of the Company’s \$0.10 par value common stock. Each share of the Company’s common stock is entitled to one vote. Cumulative voting in the election of directors is not permitted. Holders of a majority of shares entitled to vote at the meeting, when present in person or by proxy, constitute a quorum. On April 24, 2018, the record date for shareholders entitled to vote at the meeting, the Company had 12,023,965 shares of its \$0.10 par value common stock issued and outstanding.

When a quorum is present, in the election of directors, those four nominees having the highest number of votes cast in favor of their election will be elected to the Company’s Board. Consequently, any shares not voted (whether by abstention, broker non-vote or otherwise) will have no impact in the election of directors except to the extent the failure to vote for an individual results in another individual receiving a larger number of votes. With respect to any other matter, unless a greater number of votes are required by law, a matter is approved by the shareholders if the votes cast in favor of the matter exceed the votes cast in opposition. Any shares not voted (whether by abstention, broker non-vote or otherwise) have no impact on the vote for such other matters, if any, so long as a quorum is present.

Neither Colorado law nor the Company’s Restated Articles of Incorporation or Amended and Restated Bylaws (“Bylaws”) entitle shareholders to any appraisal or similar rights of dissenters with respect to any of the proposals to be acted upon at the Annual Meeting.

CONSENT TO ELECTRONIC DELIVERY OF PROXY MATERIALS

If you are a shareholder of record or a member of the Company’s Employee Stock Ownership Plan, you may, if you wish, receive future proxy statements and annual reports online rather than receiving proxy materials in paper form. Electronic delivery of proxy materials reduces the costs and environmental impact incurred by the Company in printing and mailing proxy materials. If you elect this feature, you will receive an e-mail message notifying you when the materials are available, along with a web address for viewing the materials and instructions for voting by telephone or on the Internet. You may sign up for electronic delivery at any time by visiting www.proxyvote.com. If you received this proxy statement electronically, you do not need to do anything to continue receiving proxy materials electronically in the future. If you hold your shares in a brokerage account, you may also have the opportunity to receive proxy materials electronically. Please follow the instructions of your broker.

EACH OF THE DIRECTOR NOMINEES

BOARD LEADERSHIP STRUCTURE AND ROLE IN RISK OVERSIGHT

The Board is actively involved in assessing and managing risks that could affect the Company. Part of the Board's role is to periodically assess the processes utilized by management with respect to risk assessment and risk management, including identification by management of the primary risks of the Company's business, and the implementation by management of appropriate systems to address such risks. The Board fulfills these responsibilities either directly, through delegation to committees of the Board, or, as appropriate, through delegation to individual directors. When the Board determines to delegate any risk management oversight responsibilities, typically such delegation is made to the standing committees of the Board.

Mr. Goldstein serves as both the Chairman of the Board and the Chief Executive Officer of the Company. The Company believes this is appropriate in light of Mr. Goldstein's significant experience and leadership roles with the Company, and his in-depth knowledge of consumer products and the Company's management, marketplace, customers, marketing, sales and strategic vision. The Company further believes Mr. Goldstein's effectiveness in promoting the Company's products and forming new business relationships is significantly enhanced by his role as both Chairman of the Board and Chief Executive Officer. The Board does not have a lead independent director.

EXECUTIVE OFFICERS

The Company has three executive officers. They are Mr. Goldstein, Mr. Levine and Mr. Hyman. Information regarding Mr. Goldstein is stated above under "Election of Directors." Information concerning Mr. Levine and Mr. Hyman is as follows:

Barry J. Levine, 59, has been employed by the Company as Chief Operating Officer, Chief Financial Officer and Treasurer since 2012 and Corporate Secretary since 2013. Prior to joining the Company, Mr. Levine was Director of Business Advisory Services at Moss Adams LLP, a leading accounting and consulting firm. Prior to that, he served as Chief Executive Officer of LGK Advisors, LLC, a national business advisory firm, from 2008 to 2011.

Michael B. Hyman, 62, has been employed by the Company as Senior Vice President of Sales beginning in 2013. Prior to joining the Company, Mr. Hyman served as an independent sales and marketing consultant from August 2012 through December 2012, Vice President of Sales OOK Division for the Hillman Group from December 2011 through July 2012, and Vice President of Sales for Impex Systems Group from August 2007 through December 2011.

The officers of the Company are elected annually at the first meeting of the Company's Board held after each annual meeting of shareholders and serve at the pleasure of the Board.

DIRECTORS' MEETINGS AND COMMITTEES

During the year ended December 31, 2017, the Board had four regular meetings and acted by written consent once, four Audit Committee meetings, and one Compensation Committee meeting and the Compensation Committee acted by written consent once. No member of the Board attended fewer than 75% of the meetings of the Board or of committees for which such member served during 2017. Although the Company is not listed on NASDAQ, the Board has elected to apply NASDAQ's independence standards to the Board. During 2017, Ms. Bailey, Mr. Laber and Mr. Neri satisfied the NASDAQ independence standards. The independent members of the Board meet without management present at least once each quarter and the chair of the Audit Committee serves as the chairperson for such meetings.

Audit Committee

The Audit Committee's primary responsibilities include appointing the independent auditor for the Company, pre-approving all audit and non-audit services, and assisting the Board in monitoring the integrity of the financial statements of the Company, the independent auditor's qualifications, independence and performance and the Company's compliance with legal requirements. The Audit Committee operates under a written charter adopted by the Board, a copy of which has been filed with the SEC and is available at the Company's website at www.slginc.com.^{*} During 2017 the members of the Audit Committee were Mr. Laber (Chairperson), Ms. Bailey and Mr. Neri. Each member of the Audit Committee is an independent director as defined in the NASDAQ rules. Mr. Laber has the professional experience deemed necessary to qualify as an audit committee financial expert under rules of the SEC.

^{*}Unless specified, we do not incorporate by reference herein information presented at our website.

Compensation Committee

The primary responsibilities of the Compensation Committee include, without limitation, overseeing the development of a compensation philosophy for the Company, reviewing the compensation packages for executive officers and engaging and overseeing compensation consultants and advisers. The Compensation Committee may not delegate its authority. The Compensation Committee operates under resolutions adopted by the Board of Directors that may constitute a charter, a copy of which is attached hereto as Appendix A. The Compensation Committee consists of three directors, each of whom is an independent director as defined under the NASDAQ rules. During 2017, the members of the Compensation Committee were Mr. Neri (Chairperson), Ms. Bailey, and Mr. Laber.

In making decisions regarding executive compensation, the Compensation Committee requests the comments of the Chief Executive Officer and the other executive officers about their compensation and considers a number of factors. The Compensation Committee also takes into account the results of the previous say-on-pay proposals and believes the recent favorable vote of 81% of the votes cast demonstrates shareholder support for its overall executive compensation structure. In determining the executive compensation in 2017 and 2016, the Committee considered, among other things, the following matters:

Overview

- The objectives of the Company's compensation program;
- What the compensation program is designed to reward;
- Each element of compensation;
- How the Company determines the amount (and, where applicable, the formula) for each element; and
- How each compensation element and the Company's decisions regarding that element fit into the Company's overall compensation objectives and affect decisions regarding other elements.

Specific Factors

- Services performed and time devoted to the Company by the executive;
- Amounts paid to executives in comparable companies;
- The size and complexity of the Company's business;
- Successes achieved by the executive;
- The executive's abilities;
- The executive's tenure;
- The Company's financial results;
- Prevailing economic conditions;

7

- Compensation paid to other employees of the Company; and

- The amount previously paid to the executive.

The Compensation Committee did not use an outside consultant for compensation matters during 2017 and 2016.

The Compensation Committee also determines the fees paid to the non-employee directors, with input from the Company's executive officers.

DIRECTOR NOMINATION PROCESS

The Board of the Company does not have a nominating committee. The Board performs the functions of a nominating committee. The Board believes that it does not need a separate nominating committee because the Board is relatively small and is able to perform the functions of selecting Board nominees.

In considering an incumbent director whose term of office is to expire, the Board reviews the director's overall service during the person's term, the number of meetings attended, level of participation and quality of performance. In the case of new directors, the directors on the Board are asked for suggestions as to potential candidates, discuss any candidates suggested by a shareholder of the Company and apply the criteria stated below. The Company may engage a professional search firm to locate nominees for the position of director of the Company. However, to date the Board has not engaged professional search firms for this purpose.

The Board seeks candidates for nomination to the position of director who have excellent decision-making ability, business experience, particularly experience relevant to consumer products, personal integrity, diverse backgrounds and who meet such other criteria as may be set forth in a writing adopted by a majority vote of the Board. While the Board values a diversity of viewpoints and backgrounds, it does not have a formal policy regarding the consideration of diversity in identifying director nominees.

Pursuant to a policy adopted by the Board, the directors will take into consideration a director nominee submitted to the Company by a shareholder; provided that the shareholder submits the director nominee and reasonable supporting material concerning the nominee by the due date for a shareholder proposal to be included in the Company's Proxy Statement for the applicable annual meeting as set forth in Section 2.14 of the Company's Bylaws and the rules of the SEC then in effect. See "Shareholder Proposals and Director Nominations" below.

DIRECTOR ATTENDANCE AT COMPANY ANNUAL MEETINGS

The Company does not have a policy regarding attendance by members of the Board at the Company's annual meeting of shareholders. The Company has always encouraged its directors to attend its annual meeting. All directors who were then serving attended the Company's most recent annual meeting of shareholders.

SHAREHOLDER COMMUNICATIONS WITH THE BOARD

Historically, the Company has not had a formal process for shareholder communications with the Board. The Company does not believe a formal process for handling shareholder communications is necessary because the Board reviews and considers all material communications from shareholders.

CODE OF BUSINESS CONDUCT AND ETHICS POLICY

The Company has a Code of Business Conduct and Ethics Policy (“Code of Conduct”) that reflects long-standing positions of the Company and contains additional provisions that address the Company’s expectations relating to ethical business conduct. The Code of Conduct applies to all employees, including executive officers, and to directors. The Code of Conduct concerns, among other things, compliance with applicable law, the avoidance of conflicts of interest, trading restrictions imposed on persons who are aware of material non-public information, a prohibition on taking corporate opportunities, competing fairly and honestly, diversity as an asset, the Company’s efforts to provide a safe and healthful work environment, recordkeeping, confidentiality, proper use of Company assets and payments to government personnel. A copy of the Code of Conduct may be obtained free of charge upon request to: Corporate Secretary, Scott’s Liquid Gold-Inc., 4880 Havana Street, Suite 400, Denver, Colorado 80239. The Code of Conduct is also available at the Company’s website at www.slginc.com.

EXECUTIVE COMPENSATION

The following Summary Compensation Table shows the annual and other compensation of the Chief Executive Officer and all other executive officers of the Company during the year ended December 31, 2017, for services in all capacities provided to the Company and its subsidiaries for the past two years. The Company’s compensation packages to the executive officers, as determined by the Compensation Committee, are designed to enable the Company to recruit, retain and motivate a talented group of people who contribute to the Company’s success. The packages are also intended to synchronize executive compensation with the Company’s performance, motivate executive officers to achieve the Company’s business objectives, provide performance incentives and minimize undue risk to the Company. The Company’s Chief Executive Officer provides input regarding compensation packages of the executive officers other than himself.

In 2017 and 2016, the Company had a performance-based bonus plan for the Chief Executive Officer, the Chief Financial Officer and the Senior Vice President of Sales. Under the bonus plan, Mr. Goldstein and Mr. Levine each had the potential to earn a bonus equal to up to 35% of their respective salaries, and Mr. Hyman had the potential to earn a bonus equal to up to 14.5% of his salary, if the Company achieved net income targets established by the Compensation Committee for each of 2017 and 2016. The Company exceeded the pre-established net income targets for both 2017 and 2016.

The Company intends to continue the bonus plan in 2018, with a target bonus for the Chief Executive Officer and the Chief Financial Officer of 33% of their respective salaries and 16% for the Senior Vice President of Sales if the Company achieves net income targets established by the Compensation Committee. The Compensation Committee can increase the foregoing bonus percentages if warranted by the circumstances.

EMPLOYMENT AGREEMENTS

On March 26, 2014, the Company entered into employment agreements with Mr. Goldstein and Mr. Levine. Pursuant to the employment agreements, each executive is eligible to receive a base salary and an annual bonus of between 25-50% of the executive's base salary during the applicable bonus period, provided the executive remains employed the entire calendar year, and the Board, in its sole discretion, determines that the executive and the Company, as applicable, met or exceeded all of the goals and objectives of the written annual bonus plan approved by the Board or Compensation Committee. Mr. Levine's employment agreement expired on March 26, 2018 and only Mr. Goldstein's agreement remains in place.

The agreement is automatically extended for one-year terms (unless terminated within 90 days before the end of the existing term), but may be terminated by either party before that time, with or without cause. The agreement also includes terms and provisions to protect our business and confidential information, including standard non-compete, non-solicitation of clients and employees, and no-hire obligations during the term of employment. Upon termination of employment by the Company not for “cause,” or by the employee for “good reason” (as each term is defined in the employment agreement), in addition to already earned salary and any earned but unpaid bonus for the prior year, the employee is entitled to receive certain payments and benefits, including: (1) a severance payment equal to 18 months of their then current base salary in effect on the day of termination payable over a period of 18 months; and (2) reimbursement for the costs of continuing health benefits for a period of 18 months following termination. All severance payments and benefits are subject to compliance with the restrictive covenants in the employment agreement (such as the nondisclosure, non-solicitation, and non-competition provisions) for the 18 months after termination of employment, as well as the receipt of a release from the executive officer.

STOCK OWNERSHIP REQUIREMENTS

Each non-employee director must hold the number of shares of common stock equal in value to at least the annual cash compensation of such director, determined as of September 19, 2013. Directors have three years within which to acquire such number of shares (including such number of shares to reflect any increase in cash compensation that occurs during such three year period). In the event the cash compensation of directors is increased after such three year period, directors will have an additional year to raise their ownership to reflect the increased amount of compensation, using the closing price on the day of approval of such compensation increase. Future directors will have three years within which to satisfy initial stock ownership requirements and thereafter, one year to increase their ownership following any increase in cash compensation to directors. Ms. Bailey, Mr. Laber, and Mr. Neri are in compliance with the foregoing stock ownership requirements. For information regarding Ms. Bailey’s, Mr. Laber’s, and Mr. Neri’s current beneficial ownership of shares, see the table “Security Ownership of Management.”
