IMPLICATIONS UNDER THE LISTING RULES

As China IC Fund holds approximately 15.82% equity interest in the Company through its wholly-owned subsidiary, Xinxin (Hongkong) Capital Co., Limited, it is a connected person of the Company at the issuer level under the Listing Rules. As at the date of this announcement, China IC Fund holds approximately 29.38% equity interest in SJ Cayman, a majority owned subsidiary of the Company, through its wholly-owned subsidiary, Xun Xin. SJ Cayman is therefore a connected subsidiary of the Company as defined under Rule 14A.16 of the Listing Rules and thus a connected person of the Company under the Listing Rules.

On 29 November 2018, the Company and SMIC Beijing entered into a centralised fund management agreement with another connected subsidiary of the Company (as defined under Rule 14A.16 of the Listing Rules) which is owned as to approximately 51% and 32% by the Group and China IC Fund, respectively, details of which are set out in the announcement of the Company dated 29 November 2018. Pursuant to Rule 14A.81 of the Listing Rules, as the nature of the transactions entered into by the Company and SMIC Beijing are similar, the transactions contemplated under the Centralised Fund Management Agreement shall be aggregated.

As one or more of the applicable percentage ratios (other than the profits ratio) in respect of each of the Annual Caps (other than the Other Financial Services Cap), in aggregate, exceed 5%, the transactions contemplated under the Centralised Fund Management Agreement will constitute continuing connected transactions subject to the reporting, announcement and the Independent Shareholders' approval requirements of Chapter 14A of the Listing Rules. As one or more of the applicable percentage ratios (other than the profits ratio) in respect of the Other Financial Services Cap are, in aggregate, more than 0.1% but less than 5%, the transaction is subject to the reporting, announcement and annual review requirements but exempt from the Independent Shareholders' approval requirement under Chapter 14A of the Listing Rules.

In accordance with the Listing Rules, the Independent Board Committee has been established to advise and provide recommendation to the Independent Shareholders on the Centralised Fund Management Agreement (including the transactions contemplated thereunder and the Annual Caps) and to advise the Independent Shareholders on how to vote.

Messis Capital Limited has been appointed by the Company as the Independent Financial Adviser to advise the Independent Board Committee and the Independent Shareholders on the Centralised Fund Management Agreement (including the transactions contemplated thereunder and Annual Caps).

GENERAL

At the EGM, an ordinary resolution will be proposed to the Independent Shareholders to approve the Centralised Fund Management Agreement and any transactions contemplated thereunder.

As China IC Fund is a connected person of the Company, its wholly-owned subsidiary Xinxin (Hongkong) Capital Co., Limited and its other associates (as defined under the Listing Rules) will abstain from voting on the ordinary resolution to approve the Centralised Fund Management Agreement and any transactions contemplated thereunder. Apart from Xinxin (Hongkong) Capital Co., Limited and other associates of China IC Fund, no other Shareholder will be required to abstain from voting on this resolution at the EGM.

The Company expects to dispatch a circular to the Shareholders on or before 28 December 2018. The circular contains, among other things, (i) further details on the Centralised Fund Management Agreement; (ii) a letter from the Independent Board Committee to the Independent Shareholders; (iii) a letter from the Independent Financial Adviser containing its advice to the Independent Board Committee and the Independent Shareholders together with (iv) a notice convening the EGM.

IMPLICATIONS UNDER THE LISTING RULES

As China IC Fund holds approximately 15.82% equity interest in the Company through its wholly-owned subsidiary, Xinxin (Hongkong) Capital Co., Limited, it is a connected person of the Company at the issuer level under the Listing Rules. As at the date of this announcement, China IC Fund holds approximately 29.38% equity interest in SJ Cayman, a majority owned subsidiary of the Company, through its wholly-owned subsidiary, Xun Xin. SJ Cayman is therefore a connected subsidiary of the Company as defined under Rule 14A.16 of the Listing Rules and thus a connected person of the Company under the Listing Rules.

On 29 November 2018, the Company and SMIC Beijing entered into a centralised fund management agreement with another connected subsidiary of the Company (as defined under Rule 14A.16 of the Listing Rules) which is owned as to approximately 51% and 32% by the Group and China IC Fund, respectively, details of which are set out in the announcement of the Company dated 29 November 2018. Pursuant to Rule 14A.81 of the Listing Rules, as the nature of the transactions entered into by the Company and SMIC Beijing are similar, the transactions contemplated under the Centralised Fund Management Agreement shall be aggregated.

As one or more of the applicable percentage ratios (other than the profits ratio) in respect of each of the Annual Caps (other than the Other Financial Services Cap), in aggregate, exceed 5%, the transactions contemplated under the Centralised Fund Management Agreement will constitute continuing connected transactions subject to the reporting, announcement and the Independent Shareholders' approval requirements of Chapter 14A of the Listing Rules. As one or more of the applicable percentage ratios (other than the profits ratio) in respect of the Other Financial Services Cap are, in aggregate, more than 0.1% but less than 5%, the transaction is subject to the reporting, announcement and annual review requirements but exempt from the Independent Shareholders' approval requirement under Chapter 14A of the Listing Rules.

In accordance with the Listing Rules, the Independent Board Committee has been established to advise and provide recommendation to the Independent Shareholders on the Centralised Fund Management Agreement (including the transactions contemplated thereunder and the Annual Caps) and to advise the Independent Shareholders on how to vote.

Messis Capital Limited has been appointed by the Company as the Independent Financial Adviser to advise the Independent Board Committee and the Independent Shareholders on the Centralised Fund Management Agreement (including the transactions contemplated thereunder and the Annual Caps).

GENERAL

At the EGM, ordinary resolution will be proposed to the Independent Shareholders to approve the Centralised Fund Management Agreement and any transactions contemplated thereunder.

As China IC Fund is a connected person of the Company, its wholly-owned subsidiary Xinxin (Hongkong) Capital Co., Limited and its other associates (as defined under the Listing Rules) will abstain from voting on the ordinary resolution to approve the Centralised Fund Management Agreement and any transactions contemplated thereunder. Apart from Xinxin (Hongkong) Capital Co., Limited and other associates of China IC Fund, no other Shareholder will be required to abstain from voting on this resolution at the EGM.

Mr. Lu Jun, who is a Class II non-executive Director and a member of the nomination committee of the Company, holds the position of president in China IC Fund's sole manager Sino IC Capital Co., Ltd. and Mr. Ren Kai, who is a Class III non-executive Director and a member of the strategic advisory committee of the Company, holds the position of vice president in China IC Fund's sole manager Sino IC Capital Co., Ltd.. Both Mr. Lu Jun and Mr. Ren Kai have abstained from voting on the relevant Board resolution in respect of the Centralised Fund Management Agreement.
