#### Report of Independent Auditors

The Board of Directors and Stockholders of Rexford Industrial Realty, Inc.

We have audited the accompanying statement of revenues and certain expenses (“the financial statement”) of Rancho Pacifica for the year ended December 31, 2016, and the related notes to the financial statement.

#### Management’s Responsibility for the Financial Statement

Management is responsible for the preparation and fair presentation of the financial statement in conformity with U.S. generally accepted accounting principles; this includes the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of the financial statement that are free of material misstatement, whether due to fraud or error.

#### Auditor’s Responsibility

Our responsibility is to express an opinion on the financial statement based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statement is free of material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statement. The procedures selected depend on the auditor’s judgment, including the assessment of the risks of material misstatement of the financial statement, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity’s preparation and fair presentation of the financial statement in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity’s internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates, made by management, as well as evaluating the overall presentation of the financial statement.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

#### Opinion

In our opinion, the statement of revenues and certain expenses referred to above presents fairly, in all material respects, the revenues and certain expenses as described in Note 1 of the Rancho Pacifica financial statement for the year ended December 31, 2016, in conformity with U.S. generally accepted accounting principles.

#### Basis of Accounting

As described in Note 1 to the financial statement, the statement of revenues and certain expenses was prepared for the purpose of complying with the rules and regulations of the Securities and Exchange Commission, and is not intended to be a complete presentation of the Rancho Pacifica revenues and expenses. Our opinion is not modified with respect to this matter.

RANCHO PACIFICA INDUSTRIAL PARK  
NOTES TO THE STATEMENTS OF REVENUES AND CERTAIN EXPENSES

1. BACKGROUND AND BASIS OF PRESENTATION

On July 18, 2017, Rexford Industrial Realty, Inc. (the "Company"), through its operating partnership, Rexford Industrial Realty, L.P., completed the acquisition of Rancho Pacifica Industrial Park, from CSHV Rancho Pacifica, LLC, an unaffiliated third-party seller. Rancho Pacifica Industrial Park is comprised of six multi-tenant buildings totaling approximately 1.2 million rentable square feet (unaudited), located at 2301-2329, 2331-2359, 2361-2399, 2332-2366, 2370-2396 East Pacifica Place and 20001-20021 South Rancho Way in Rancho Dominguez, California (the "Property").

The accompanying statements of revenues and certain expenses present the results of operations of the Property for the three months ended March 31, 2017 (unaudited) and the year ended December 31, 2016, and have been prepared for the purpose of complying with Rule 3-14 of Regulation S-X promulgated by the Securities and Exchange Commission. Accordingly, the statements are not representative of the actual operations of the Property for the periods presented as revenues and certain operating expenses, which may not be directly attributable to the revenues and expenses expected to be incurred through the future operations of the Property, have been excluded. Such items include depreciation, amortization, interest expense, interest income, management fee expense and amortization of above- and below- market leases.

The unaudited interim statements of revenue and certain expenses for the three months ended March 31, 2017, were prepared on the same basis as the statements of revenue and certain expenses for the year ended December 31, 2016, and reflects all adjustments, consisting of only normal recurring adjustments, which are, in the opinion of management necessary for a fair presentation of the results of the unaudited interim period. The results of the unaudited interim period are not necessarily indicative of the expected results for the entire fiscal year. References to the number of buildings or square footage are unaudited and excluded from the auditors' opinion.

2. SIGNIFICANT ACCOUNTING POLICES

Revenue Recognition

The Property recognizes rental revenue from tenants on a straight-line basis over the lease term when collectability is reasonably assured and the tenant has taken possession or controls the physical use of the leased asset.

Tenant reimbursements related to reimbursement of real estate taxes, insurance, repairs and maintenance and other operating expenses are recognized as revenue in the period the applicable expenses are incurred. The reimbursements are recognized and presented gross, as the Property is generally the primary obligor with respect to purchasing goods and services from third-party suppliers, has discretion in selecting the supplier and bears the associated credit risk.

Use of Estimates

A number of estimates and assumptions have been made relating to the reporting and disclosure of revenues and certain expenses during the reporting period to prepare the statement of revenues and certain expenses in conformity with U.S. generally accepted accounting principles. Actual results could differ from those estimates.

3. MINIMUM FUTURE LEASE RENTALS

There are various lease agreements in place with tenants to lease space in the Property. As of December 31, 2016, the minimum future cash rents receivable under non-cancelable operating leases in each of the next five years and thereafter are as follows (in thousands):

2019	6,015

Thereafter	662

Leases generally require reimbursement of the tenant's proportional share of common area, real estate taxes and other operating expenses, which are excluded from the amounts above.

4. TENANT CONCENTRATIONS

For the three months ended March 31, 2017 (unaudited), three tenants represented approximately 54% of the Property's rental income. For the year ended December 31, 2016, three tenants represented approximately 47% of the Property's rental revenue.

The acquisition (B) was funded with proceeds from the issuance of \$125 million of senior guaranteed notes, as further described below, and by drawing on the Company's unsecured revolving credit facility.

The Company has performed a preliminary valuation analysis of the relative fair value of the Property's assets to be acquired and liabilities to be assumed. Using the total consideration for the acquisition, excluding related acquisition costs, the Company has estimated the allocations to such assets and liabilities. The following table summarizes the allocation of the cost of the Property as of the transaction closing date, July 18, 2017, which is subject to change as we finalize the purchase price allocation during the three month period ending September 30, 2017 (in thousands):

On July 13, 2016, the Company entered into a Note Purchase and Guarantee Agreement (the "NPGA") which provides for the private placement of \$125.0 million of senior guaranteed notes, maturing on July 13, 2027, with a fixed annual interest rate of 3.93% (the "\$125 Million Notes"). On July 13, 2017, the Company completed the issuance of the \$125 Million Notes.

Interest on the \$125 Million Notes will be payable quarterly on the thirteenth day of January, April, July and October in each year, commencing on October 13, 2017. The Company may prepay at any time all or, from time to time, any part of the \$125 Million Notes, in amounts not less than \$2.5 million of the \$125 Million Notes then outstanding at (i) 100% of the principal amount so prepaid and (ii) the Make-Whole Amount (as defined in the NPGA).

REXFORD INDUSTRIAL REALTY, INC.

NOTES TO THE PRO FORMA CONSOLIDATED FINANCIAL STATEMENTS

(Unaudited)

The NPGA contains a series of financial and other covenants with which the Company must comply. Subject to the terms of the NPGA and the \$125 Million Notes, upon certain events of default, including, but not limited to, (i) a default in the payment of any principal, Make-Whole Amount, or interest under the \$125 Million Notes, (ii) a default in the payment of certain of our other indebtedness, (iii) a default in compliance with the covenants set forth in the NPGA, and (iv) bankruptcy and other insolvency defaults, the principal and accrued and unpaid interest and the Make-Whole Amount on the outstanding \$125 Million Notes will become due and payable at the option of the purchasers.

2. Income statement adjustments

(AA) Represents the unaudited historical consolidated operations of the Company for the three months ended March 31, 2017. See the historical consolidated financial statements and notes thereto included in the Company's Quarterly Report on Form 10-Q for the quarter ended March 31, 2017.

(BB) The pro forma adjustments reflect the results of operations for the three months ended March 31, 2017, for the Property as if it had been acquired on January 1, 2016. Revenues and direct operating expenses are presented on the accrual basis of accounting. Rental revenues include straight-line rent adjustments and adjustments for the amortization of the net amount of above- and below-market rents.

Depreciation and amortization amounts were determined based on management's evaluation of the estimated remaining useful lives of the Property and intangibles. The values allocated to buildings, site improvements and in-place lease intangibles are depreciated on a straight-line basis using an estimated remaining life of 10-30 years for buildings, 5-20 years for site improvements, and the shorter of the estimated useful life or respective lease term for in-place lease intangibles. In utilizing these useful lives for determining the pro forma adjustments, management considered the length of time the property had been in existence, the maintenance history as well as anticipated future maintenance, and any contractual stipulations that might limit the useful life.

(CC) Represents the audited historical consolidated operations of the Company for the year ended December 31, 2016. See the historical consolidated financial statements and notes thereto included in the Company's Annual Report on Form 10-K for the year ended December 31, 2016.

(DD) The pro forma adjustments reflect the results of operations for the year ended December 31, 2016, for the Property as if it had been acquired on January 1, 2016. Revenues and direct operating expenses are presented on the accrual basis of accounting. Rental revenues include straight-line rent adjustments and adjustments for the amortization of the net amount of above- and below-market rents.
