PROXY STATEMENT

2005 ANNUAL MEETING OF STOCKHOLDERS

This Proxy Statement is being furnished to the stockholders of the common stock of CONSTELLATION BRANDS, INC. (the "Company") in connection with the solicitation of proxies by the Board of Directors of the Company. The proxies are for use at the 2005 Annual Meeting of Stockholders of the Company and at any adjournment thereof (the "Meeting"). The Meeting will be held on Thursday, July 28, 2005 at 11:00 a.m. (local time) at the Rochester Riverside Convention Center, 123 Main Street, Rochester, New York.

The shares represented by your proxy, if the proxy is properly executed and returned, and not revoked, will be voted at the Meeting as therein specified. You may revoke your proxy at any time before the proxy is exercised by delivering to the Secretary of the Company a written revocation or a duly executed proxy bearing a later date. You may also revoke your proxy by attending the Meeting and voting in person.

The shares represented by your proxy will be voted **FOR** the election of the director nominees named herein (Proposal No. 1), unless you specifically withhold authority to vote for one or more of the director nominees. Further, unless you indicate otherwise, the shares represented by your proxy will be voted **FOR** the ratification of the selection of KPMG LLP as the Company's independent public accountants for the fiscal year ending February 28, 2006 (Proposal No. 2) and **FOR** the approval of the proposal to amend the Company's Restated Certificate of Incorporation, which would include a vote **FOR** the approval to increase the number of authorized shares of the Company's Class A Common Stock from 275,000,000 shares to 300,000,000 shares (Proposal No. 3).

The outstanding capital common stock of the Company consists of Class A Common Stock, par value \$.01 per share ("Class A Stock"), and Class B Common Stock, par value \$.01 per share ("Class B Stock"). The enclosed proxy card has been designed so that it can be used by stockholders owning any combination of the Company's outstanding Class A Stock and Class B Stock. *All share, option and similar information included in this Proxy Statement reflects the effect of the Company's two-for-one stock splits that were distributed in the form of stock dividends on May 13, 2002 and May 13, 2005 to stockholders of record on April 30, 2002, and April 29, 2005, respectively.*

This Proxy Statement and the accompanying proxy card are being first mailed to stockholders on or about June ____, 2005.

The cost of soliciting proxies will be borne by the Company. In addition to solicitation by use of the mail, directors, officers or regular employees of the Company, without extra compensation, may solicit proxies in person or by telephone, facsimile, Internet or electronic mail. The Company has requested persons holding stock for others in their names or in the names of nominees to forward these materials to the beneficial owners of such shares. If requested, the

Company will reimburse such persons for their reasonable expenses in forwarding these materials.

VOTING SECURITIES

The total outstanding capital common stock of the Company, as of May 31, 2005 (the “Record Date”), consisted of 195,947,790 shares of Class A Stock and 23,951,260 shares of Class B Stock. Each share of Class B Stock is convertible into one share of Class A Stock at any time at the option of the holder.

Of the 195,947,790 shares of Class A Stock outstanding on the Record Date, 2,477,534 shares were held by CHESSE Depository Nominees Pty Ltd. (ACN 071 346 506) (“CDN”), a wholly-owned subsidiary of the Australian Stock Exchange Limited (ACN 008 624 691) (the “ASX”). CDN has issued Constellation CHESSE Depository Interests (“Constellation CDIs”) that represent beneficial interests in the Class A Stock held by CDN. Constellation CDIs are traded on the electronic transfer and settlement system operated by the ASX. As of the Record Date there were 24,775,340 Constellation CDIs outstanding that were held by 886 holders of record. All references in this Proxy Statement to outstanding shares of Class A Stock include the shares of Class A Stock held by CDN and all references to holders of Class A Stock include CDN.

Holders of Constellation CDIs receive all the economic benefits of actual ownership of Class A Stock at a ratio of ten (10) Constellation CDIs to each share of Constellation Class A Stock. Constellation CDIs can be converted to Class A Stock at any time at the option of the holder of the Constellation CDI at a ratio of one share of Class A Stock for each ten (10) Constellation CDIs. Holders of Constellation CDIs have the right to attend stockholders’ meetings of the Company and to direct the vote of the underlying shares of Class A Stock represented by their Constellation CDIs. CDN, as the holder of record of the underlying shares of Class A Stock represented by the Constellation CDIs, will vote such shares in accordance with the directions of the holders of the Constellation CDIs. If CDN does not receive a direction from a holder of Constellation CDIs as to how to vote the underlying shares represented by those Constellation CDIs, those shares will not be voted and will not be considered present at the Meeting for quorum purposes. A holder of Constellation CDIs will be entitled to vote at the stockholders’ meeting only if such holder directs CDN to designate such holder as proxy to vote the underlying shares of Class A Stock represented by the Constellation CDIs held by such holder. A form to be used to direct CDN how to vote underlying shares of Class A Stock represented by Constellation CDIs is being delivered with this Proxy Statement to each holder of Constellation CDIs.

Only holders of record of Class A Stock and Class B Stock on the books of the Company at the close of business on May 31, 2005, the Record Date for eligibility to vote at the Meeting, are entitled to notice of and to vote at the Meeting and at any adjournment thereof. Under arrangements established between the Company and CDN in connection with the issuance of Constellation CDIs, the holders of Constellation CDIs are entitled to notice of and to attend the Meeting but may only vote at the Meeting as proxy for CDN in the circumstances described above. Except as otherwise required by Delaware law, the holders of Class A Stock and the holders of Class B Stock vote together as a single class on all matters other than the election of the group of directors who are elected solely by the holders of the Class A Stock. Each holder of Class A Stock is entitled to one (1) vote for each share of Class A Stock registered in such holder’s name, and each holder of Class B Stock is entitled to ten (10) votes for each share of Class B Stock registered in such holder’s name. Therefore, holders of Class A Stock are entitled to cast a total of 195,947,790 votes and holders of Class B Stock are entitled to cast a total of 239,512,600 votes at the Meeting.

The holders of a majority of the outstanding aggregate voting power of Class A Stock (including the underlying shares represented by Constellation CDIs) and Class B Stock present at the Meeting, in person or by proxy, will constitute a quorum. Shares represented by proxies marked as abstentions will be counted toward determining the presence of a quorum. Proxies relating to shares held in "street name" by brokers or other nominees that may be voted with respect to some, but not all, matters without instruction from the beneficial owner ("broker non-votes") are counted as shares present for determining a quorum. Under the rules of the New York Stock Exchange, brokers and nominees are generally permitted to vote with respect to Proposal No. 1 and Proposal No. 2 without receiving direction from the beneficial owner of Class A Stock or Class B Stock but are not permitted to vote with respect to Proposal No. 3 unless such direction is received. Accordingly, the Company expects to receive broker non-votes with respect to Proposal No. 3 but does not expect to receive broker non-votes with respect to Proposal No. 1 or Proposal No. 2 unless one or more beneficial owners have withheld discretionary authority from their respective brokers or nominees.

Under Delaware law and the Company's Restated Certificate of Incorporation and By-laws, directors are elected by a plurality of the votes cast (the highest number of votes cast) by the holders of the shares entitled to vote, and actually voting, in person or by proxy. Pursuant to the Company's Restated Certificate of Incorporation, the holders of Class A Stock (including the underlying shares represented by Constellation CDIs), voting as a separate class, are entitled to elect one-fourth of the number of directors to be elected at the Meeting (rounded up to the next number if the total number of directors to be elected is not evenly divisible by four). The holders of Class A Stock (including the underlying shares represented by Constellation CDIs) and Class B Stock, voting as a single class, are entitled to elect the remaining number of directors to be elected at the Meeting, with holders of Class A Stock having one (1) vote per share and holders of Class B Stock having ten (10) votes per share. Since the Board of Directors nominated seven (7) directors, the holders of Class A Stock will be entitled to elect two (2) directors and the holders of Class A Stock and Class B Stock, voting as a single class, will be entitled to elect five (5) directors. Because the directors are elected by a plurality of the votes cast in each election, votes that are withheld (including broker non-votes, if any) will not be counted and, therefore, will not affect the outcome of the elections.

The ratification of the selection of KPMG LLP as the Company's independent public accountants for the fiscal year ending February 28, 2006 (Proposal No. 2) requires the affirmative vote of a majority of the votes entitled to be cast by stockholders present in person or represented by proxy at the Meeting. With respect to this proposal, holders of Class A Stock (including the underlying shares represented by Constellation CDIs) and Class B Stock are entitled to vote as a single class at the Meeting, with holders of Class A Stock having one (1) vote per share and holders of Class B Stock having ten (10) votes per share. Therefore, abstentions will have the effect of negative votes. However, because broker non-votes, if any, are not considered entitled to vote, they will not affect the outcome of the vote.

The adoption of the proposal to amend the Company's Restated Certificate of Incorporation (Proposal No. 3) requires the affirmative vote of the holders of a majority of all outstanding shares of Class A Stock (including the underlying shares represented by Constellation CDIs) and Class B Stock entitled to vote thereon, voting together as a single class, with the holders of the Class A Stock having one (1) vote per share and the holders of the Class B Stock having ten (10) votes per share. Abstentions and broker non-votes, if applicable, will therefore have the effect of negative votes.

BENEFICIAL OWNERSHIP

As of May 31, 2005, the following tables and notes set forth (i) the persons known to the Company to beneficially own more than 5% of Class A Stock or Class B Stock, (ii) the number of shares beneficially owned by them, and (iii) the percent of such class so owned, rounded to the nearest one-tenth of one percent. (1) The number of shares and the percentage of ownership set forth in the Class A Stock table includes the number of shares of Class A Stock that can be purchased by exercising stock options that are exercisable on May 31, 2005 or become exercisable within sixty (60) days thereafter (“presently exercisable”). Such number does not include the number of option shares that may become exercisable within sixty (60) days of May 31, 2005 due to certain acceleration provisions in certain awards, which accelerations cannot be foreseen on the date of this Proxy Statement. Additionally, such number does not include the shares of Class A Stock issuable pursuant to the conversion feature of Class B Stock beneficially owned by each person. The number of shares and percentage of ownership assuming conversion of Class B Stock into Class A Stock are contained in the footnotes. For purposes of calculating the percentage of ownership of Class A Stock in the table and in the footnotes, additional shares of Class A Stock equal to the number of presently exercisable options and, as appropriate, the number of shares of Class B Stock owned by each person are assumed to be outstanding pursuant to Rule 13d-3(d)(1) under the Securities Exchange Act. Where the footnotes reflect shares of Class A Stock as being included, such shares are included only in the Class A Stock table and where the footnotes reflect shares of Class B Stock as being included, such shares are included only in the Class B Stock table. As of May 31, 2005, none of the beneficial owners of the Company’s Class A Stock, other than FMR Corp., have reported any interest in the Company’s 5.75% Mandatory Convertible Preferred Stock. The information pertaining to FMR Corp. is set forth in more detail in footnote (8)

below.

- (2) The amount reflected as shares of Class A Stock over which Richard Sands has the sole power to vote or dispose includes 2,059,800 shares of Class A Stock issuable upon the exercise of options that are presently exercisable by Mr. Sands. The amounts reflected as shares over which Mr. Sands shares power to vote or dispose include, as applicable, 471,608 shares of Class A Stock and 5,431,712 shares of Class B Stock owned by CWC Partnership-I, a New York general partnership (“CWCP-I”), of which Richard Sands is a managing partner, 147,432 shares of Class B Stock owned by the Marvin Sands Master Trust (the “Master Trust”), of which Richard Sands is a trustee and beneficiary, 768 shares of Class A Stock and 667,368 shares of Class B Stock owned by M, L, R, & R, a New York general partnership (“MLR&R”), of which Mr. Sands and the Master Trust are general partners, 563,632 shares of Class B Stock owned by CWC Partnership-II, a New York general partnership (“CWCP-II”), of which Mr. Sands is a trustee of the managing partner, 4,050,000 shares of Class B Stock owned by the trust described in footnote (10) below, and 129,048 shares of Class A Stock owned by the Mac and Sally Sands Foundation, Incorporated, a Virginia corporation (the “Sands Foundation”), of which Mr. Sands is a director and officer. Mr. Sands disclaims beneficial ownership of all of the foregoing shares except to the extent of his ownership interest in CWCP-I and MLR&R and his beneficial interest in the Master Trust. The amounts reflected do not include 29,120 shares of Class A Stock owned by Mr. Sands’ wife, individually and as custodian for their children, the remainder interest Mr. Sands has in 1,433,336 of the 4,300,008 shares of Class A Stock subject to the life estate held by Marilyn Sands described in footnote (3) below or the remainder interest of CWCP-II in 1,447,812 of such shares. Mr. Sands disclaims beneficial ownership with respect to all such shares. Assuming the conversion of Class B Stock beneficially owned by Mr. Sands into Class A Stock, Mr. Sands would beneficially own 19,876,456 shares of Class A Stock, representing 9.3% of the outstanding Class A Stock after such conversion.
- (3) Marilyn Sands is the beneficial owner of a life estate in 4,300,008 shares of Class A Stock that includes the right to receive income from and the power to vote and dispose of such shares. The remainder interest in such shares is held by Richard Sands, Robert Sands and CWCP-II.
- (4) The amount reflected as shares of Class A Stock over which Robert Sands has the sole power to vote or dispose includes 1,838,600 shares of Class A Stock issuable upon the exercise of options that are presently exercisable by Mr. Sands. The amounts reflected as shares over which Mr. Sands shares power to vote or dispose include, as applicable, 471,608 shares of Class A Stock and 5,431,712 shares of Class B Stock owned by CWCP-I, of which Robert Sands is a managing partner, 147,432 shares of Class B Stock owned by the Master Trust, of which Robert Sands is a trustee and beneficiary, 768 shares of Class A Stock and 667,368 shares of Class B Stock owned by MLR&R, of which Mr. Sands and the Master Trust are general partners, 563,632 shares of Class B Stock owned by CWCP-II, of which Mr. Sands is a trustee of the managing partner, 4,050,000 shares of Class B Stock owned by the trust described in footnote (10) below, and 129,048 shares of Class A Stock owned by the Sands Foundation, of which Mr. Sands is a director and officer. Mr. Sands disclaims beneficial ownership of all of the foregoing shares except to the extent of his ownership interest in CWCP-I and MLR&R and his beneficial interest in the Master Trust. The amounts reflected do not include 183,520 shares of Class A Stock owned by Mr. Sands’ wife, individually and as custodian for their children, the remainder interest Mr. Sands has in 1,418,860 of the 4,300,008 shares of Class A Stock subject to the life estate held by Marilyn Sands described in footnote (3) above or the remainder interest of CWCP-II in 1,447,812 of such shares. Mr. Sands disclaims beneficial ownership with respect to all such shares. Assuming the conversion of Class B Stock beneficially owned by Mr. Sands into Class A Stock, Mr. Sands would beneficially own 19,785,072 shares of Class A Stock, representing 9.2% of the outstanding Class A Stock after such conversion.
-

- (5) The amounts reflected include, as applicable, 768 shares of Class A Stock and 667,368 shares of Class B Stock owned by MLR&R, of which CWCP-I is a general partner. The shares owned by CWCP-I are included in the number of shares beneficially owned by Richard Sands and Robert Sands, the managing partners of CWCP-I, the Marital Trust (defined in footnote (6) below), a partner of CWCP-I which owns a majority in interest of the CWCP-I partnership interests, and the group described in footnote (7) below. The other partners of CWCP-I are trusts for the benefit of Laurie Sands' children. Assuming the conversion of Class B Stock beneficially owned by CWCP-I into Class A Stock, CWCP-I would beneficially own 6,571,456 shares of Class A Stock, representing 3.3% of the outstanding Class A Stock after such conversion.
- (6) The amounts reflected include, as applicable, 471,608 shares of Class A Stock and 5,431,712 shares of Class B Stock owned by CWCP-I, in which the Trust for the benefit of Andrew Stern, M.D. under the will of Laurie Sands (the "Marital Trust") is a partner and owns a majority in interest of the CWCP-I partnership interests, 563,632 shares of Class B Stock owned by CWCP-II, in which the Marital Trust is a partner and owns a majority in interest of the CWCP-II partnership interests, and 768 shares of Class A Stock and 667,368 shares of Class B Stock owned by MLR&R, of which CWCP-I is a general partner. The Marital Trust disclaims beneficial ownership with respect to all of the foregoing shares except to the extent of its ownership interest in CWCP-I and CWCP-II. The amounts reflected do not include the remainder interest CWCP-II has in 1,447,812 of the 4,300,008 shares of Class A Stock subject to the life estate held by Marilyn Sands described in footnote (3) above. The Marital Trust disclaims beneficial ownership with respect to all such shares. Assuming the conversion of Class B Stock beneficially owned by the Marital Trust into Class A Stock, the Marital Trust would beneficially own 7,135,088 shares of Class A Stock, representing 3.5% of the outstanding Class A Stock after such conversion.
- (7) The group, as reported, consists of Richard Sands, Robert Sands, CWCP-I, CWCP-II, and the trust described in footnote (10) (collectively, the "Group"). The basis for the Group consists of: (i) a Stockholders Agreement among Richard Sands, Robert Sands and CWCP-I and (ii) the fact that the familial relationship between Richard Sands and Robert Sands, their actions in working together in the conduct of the business of the Company and their capacity as partners and trustees of the other members of the Group may be deemed to constitute an agreement to "act in concert" with respect to the Company's shares. The members of the Group disclaim that an agreement to act in concert exists. Except with respect to the shares subject to the Stockholders Agreement, the shares owned by CWCP-I and CWCP-II, and the shares held by the trust described in footnote (10) below and the Master Trust, no member of the Group is required to consult with any other member of the Group with respect to the voting or disposition of any shares of the Company. Assuming the conversion of Class B Stock beneficially owned by the Group into Class A Stock, the Group would beneficially own 28,199,960 shares of Class A Stock, representing 12.7% of the outstanding Class A Stock after such conversion. Of the shares of Class A Stock and Class B Stock held by the Group, [] shares of Class A Stock and [] shares of Class B Stock have been pledged under a credit facility with a financial institution by certain members of the Group as collateral for loans made to such members of the Group and certain other Sands-related entities. In the event of noncompliance with certain covenants under the credit facility, the financial institution has the right to sell the pledged shares subject to certain protections afforded to the pledgors.
- (8) The number of shares equals the number of shares of Class A Stock reported to be beneficially owned by FMR Corp., Edward C. Johnson 3d and Abigail P. Johnson (collectively, "FMR") in its Schedule 13G (Amendment No. 3) dated February 14, 2005, filed with the Securities and Exchange Commission, and is also adjusted to reflect the effect of the Company's two-for-one stock split that was distributed in the form of a stock dividend on May 13, 2005 ("2005 Stock Split"). The percentage of ownership reflected in the table is calculated on the basis of 195,947,790 shares of Class A Stock outstanding on May 31, 2005 and includes the additional shares of Class A Stock resulting from the assumed conversion of the Company's Depositary Shares held by FMR (as described below). The Schedule 13G (Amendment No. 3), as adjusted for the 2005 Stock Split, indicates that of the 15,610,122 shares beneficially owned by FMR, through its control of Fidelity Management & Research Company,

FMR has sole dispositive power with respect to 14,847,282 shares (which includes 582,382 shares of Class A Stock resulting from the assumed conversion of Company Depositary Shares, each representing 1/40 of a share of the Company's 5.75% Series A Mandatory Convertible Preferred Stock, that are beneficially owned by FMR), through its control of Fidelity Management Trust Company, FMR has sole dispositive and voting power with respect to 549,240 shares, and through other relationships, FMR has sole dispositive and voting power with respect to 213,600 shares. For further information pertaining to FMR, reference should be made to FMR's Schedule 13G (Amendment No. 3) filed with the Securities and Exchange Commission. With respect to the information contained herein pertaining to shares of Class A Stock beneficially owned by FMR, the Company has relied solely on the information reported in FMR's Schedule 13G (Amendment No. 3) and has not independently verified FMR's beneficial ownership as of May 31, 2005.

(9) The number of shares equals the number of shares of Class A Stock reported to be beneficially owned by Wellington Management Company, LLP ("WMC") in its Schedule 13G (Amendment No. 3) dated February 14, 2005, filed with the Securities and Exchange Commission, and is also adjusted to reflect the effect of the 2005 Stock Split. The percentage of ownership reflected in the table is calculated on the basis of 195,947,790 shares of Class A Stock outstanding on May 31, 2005. The Schedule 13G (Amendment No. 3), as adjusted for the 2005 Stock Split, indicates that of the 11,081,768 shares beneficially owned by WMC in its capacity as an investment advisor, WMC has shared voting power with respect to 8,923,404 shares and has shared dispositive power with respect to 11,081,768 shares. For further information pertaining to WMC, reference should be made to WMC's Schedule 13G (Amendment No. 3) filed with the Securities and Exchange Commission. With respect to the information contained herein pertaining to shares of Class A Stock beneficially owned by WMC, the Company has relied solely on the information reported in WMC's Schedule 13G (Amendment No. 3) and has not independently verified WMC's beneficial ownership as of May 31, 2005.

(10) The trust was created by Marvin Sands under the terms of an Irrevocable Trust Agreement dated November 18, 1987 (the "Trust"). The Trust is for the benefit of the present and future grandchildren of Marvin and Marilyn Sands. The Co-Trustees of the Trust are Richard Sands and Robert Sands. Unanimity of the Co-Trustees is required with respect to voting and disposing of Class B Stock owned by the Trust. The shares owned by the Trust are included in the number of shares beneficially owned by Richard Sands, Robert Sands and the Group. Assuming the conversion of Class B Stock beneficially owned by the Trust into Class A Stock, the Trust would beneficially own 4,050,000 shares of Class A Stock, representing 2.0% of the outstanding Class A Stock after such conversion.

Hardy Wine Company Superannuation Plan

Mr. Millar participates in the defined benefit component of the Hardy Wine Company (“Hardy”) Superannuation Plan (the “Hardy Plan”), which provides for a lump sum payment to him upon his retirement from Hardy. This benefit will be an amount equal to twenty percent of (i) Mr. Millar’s average salary (salary being the same for purposes of the Hardy Plan as that which appears in the Summary Compensation Table above) for his three final years of employment prior to retirement (“final average salary”), multiplied by (ii) Mr. Millar’s years of service with Hardy. As of February 28, 2005, Mr. Millar was credited with 14 years of service for purposes of the Hardy Plan. Based on service through February 28, 2005, the Company estimates that the amount of the benefit to which Mr. Millar would be entitled if he had then retired would be AUD\$2,190,826. The Company estimates that the retirement benefit under the Hardy Plan for Mr. Millar, assuming that he continues in Hardy’s employ to age 65 (the normal retirement date for purposes of the Hardy Plan) and that his final average salary for purposes of calculating his benefit amount is twenty percent greater than his current salary, would be AUD\$3,599,995. Such amounts are not subject to deduction or offset for any other private or public retirement benefit to which Mr. Millar is entitled. If converted into United States dollars using the weighted average exchange rate for the 2005 fiscal year, these amounts would be, respectively, \$1,617,925 and \$2,658,596.

Report with Respect to Executive Compensation

The following report is required by the Securities and Exchange Commission’s executive compensation rules in order to standardize the reporting of executive compensation by public companies. This information shall not be deemed incorporated by reference in any filing under the federal securities laws by virtue of any general incorporation of this Proxy Statement by reference and shall not otherwise be treated as filed under the securities laws.

General

The Human Resources Committee of the Board of Directors administers the Company’s executive compensation program. The Human Resources Committee is composed of Jeananne Hauswald, Thomas McDermott and Paul Smith, each of whom is an independent, non-management director.

The objectives of the Company’s executive compensation program are to (i) be competitive with the pay practices of other companies of comparable size and status, including those in the beverage alcohol industry, and (ii) attract, motivate and retain key executives who are vital to the long-term success of the Company. As discussed in detail below, the Company’s executive compensation program consists of both fixed (base salary) and variable, incentive-based compensation elements. These elements are designed to operate together to comprise performance-based annual cash compensation and stock-based compensation which align the interests of the Company’s executives with the interests of its stockholders.

Executive incentive compensation is determined in light of the Company’s performance during the fiscal year and takes into account compensation data of comparable companies. Specifically considered in fiscal year 2005 with respect to annual management incentives was the Company’s operating income for fiscal 2005, adjusted for certain items, as compared to that set forth in its fiscal 2005 operating plan.

Base Salary

With respect to annual compensation, the fundamental objective in setting base salary levels for the Company’s senior management is to pay competitive rates to attract and retain high quality, competent executives. Competitive pay levels are determined based upon input of compensation consultants, independent industry surveys, proxy disclosures, salaries paid to attract new managers and past experience. The Human Resources Committee reviews data generated by Mercer Human Resource Consulting, Inc., a consultant to the Company, for competitive analyses. Base salary levels are determined based upon factors such as individual performance (e.g., leadership, level of responsibility,

management skills and industry activities), Company performance and competitive pay data.

Annual Management Incentives

In addition to their base salary, the Company's executives have the opportunity to earn an annual cash bonus under the Company's Annual Management Incentive Plan. The annual bonus for executive officers, including the Chief Executive Officer, for fiscal 2005 was based on three variables: the participant's management position, salary and achieved Company performance for the plan year. Performance targets were based on operating income, using the first-in, first-out method of accounting for inventory valuation before adjustments are made for reserves. Awards were based on a percentage of base salary, with target awards ranging from 60% to 75% of base salaries for executive officers. The purpose of the annual bonus is to motivate and provide an incentive to management to achieve specific business objectives and initiatives as set forth in the Company's annual operating plan and budget. Because the financial performance of the Company met or exceeded the established targeted goals, actual bonuses paid executive officers exceeded the target awards. For fiscal 2005, annual cash bonuses were awarded to each of the Named Executives in the amounts indicated in the Summary Compensation Table.

Future cash bonuses for the participating executives will be determined by the Human Resources Committee pursuant to, or in a manner similar to that contemplated by, the Company's Annual Management Incentive Plan. Pursuant to that Plan, the Committee would award cash bonuses to the participating executives in the event that the Company attains one or more pre-set performance targets.

Stock Options, SARs and Restricted Stock

In connection with the executive compensation program, long-term incentive awards in the form of, among others, stock options, stock appreciation rights and restricted stock are available for grant under the Company's Long-Term Stock Incentive Plan and Incentive Stock Option Plan. Awards have been primarily in the form of non-qualified stock options granted under the Company's Long-Term Stock Incentive Plan. These arrangements balance the annual operating objectives of the annual cash incentive plan with the Company's longer-term stockholder value building strategies. The Human Resources Committee and the Board of Directors grant these stock-based incentive awards from time to time for the purpose of attracting and retaining key executives, motivating them to attain the Company's long-range financial objectives, and closely aligning their financial interests with long-term stockholder interests and share value.

The Company believes that through the use of stock options, executives' interests are directly tied to enhanced stockholder value. The Human Resources Committee of the Board (as well as the full Board) has the flexibility of awarding non-qualified stock options, restricted stock, stock appreciation rights and other stock-based awards under the Company's Long-Term Stock Incentive Plan and incentive stock options under the Company's Incentive Stock Option Plan. This flexibility enables the Company to fine-tune its grants in order to maximize the alignment of the interests of the stockholders and management.

During fiscal 2005, the Human Resources Committee awarded nonqualified options to all executive officers, including the Company's Chief Executive Officer, taking into account relevant market survey data, their position with the Company and the financial performance of the Company. In recognition of personal efforts in a significant acquisition by the Company, the Human Resources Committee awarded additional nonqualified options to seven (7) executive officers, including the Company's Chief Executive Officer. The exercise price of the stock options awarded was equal to the market value of the underlying shares on the date of grant. Accordingly, the value of the award depends solely upon future growth in the share value of the Company's Class A Stock.

Compensation of Chief Executive Officer

For fiscal year 2005, the compensation of Richard Sands, the Company's Chief Executive Officer, was based on a variety of factors as noted above. In this regard, the Human Resources Committee considered the Company's performance, as well as Mr. Sands' individual performance. In addition, the compensation packages of chief executive officers of certain comparable companies selected by Mercer Human Resource Consulting, Inc. were considered. Also taken into account was the Company's current executive salary and compensation structure.

Richard Sands' base salary is believed to be in line with salaries of executives of similar companies and chief executive officers with similar responsibilities. Pursuant to the Company's Annual Management Incentive Plan, Mr. Sands' annual cash incentive attributable to fiscal 2005 was a percentage of his base salary based upon the Company's fiscal 2005 operating income (using the first-in, first-out method of accounting for inventory valuation before adjustments are made for reserves), as compared to that set forth in the Company's fiscal 2005 operating plan. The range for Mr. Sands' cash incentive award, from threshold, target and maximum (18.75%, 75% and 150%, respectively), was comparable to industry compensation survey data for executives in Richard Sands' position. For the fiscal year ended February 28, 2005, Richard Sands received a bonus of \$1,154,250, which is equal to 121.5% of his salary. As noted elsewhere in this Proxy Statement, during fiscal 2005, Mr. Sands also received stock options to purchase up to 282,800 shares of Class A Stock of the Company.

Deductibility of Executive Compensation

Section 162(m) of the Internal Revenue Code provides that certain compensation in excess of \$1 million per year paid to a company's chief executive officer and four other most highly paid executive officers may not be deductible by the company unless it qualifies as performance-based compensation. The Human Resources Committee recognizes the benefits of structuring executive compensation so that Section 162(m) does not limit the Company's tax deductions for such compensation, and the Company's Long-Term Stock Incentive Plan, Incentive Stock Option Plan and Annual Management Incentive Plan have been designed so that the Human Resources Committee may award performance-based compensation that is not subject to the limits imposed by Section 162(m). Under certain circumstances, the Human Resources Committee may decide to award executive compensation in an amount and form that is not deductible under Section 162(m).

The foregoing report is given by the members of the Human Resources Committee.

Compensation Committee Interlocks and Insider Participation

Certain Relationships and Related Transactions

Alexander Berk and Barton Incorporated ("Barton"), a wholly-owned subsidiary of the Company, are parties to an employment agreement dated as of September 1, 1990, as amended on November 11, 1996 and October 20, 1998, that provides for Mr. Berk's compensation and sets forth the terms and conditions of Mr. Berk's employment with Barton. Under his employment agreement, Mr. Berk serves as the President and Chief Executive Officer of Barton and, by virtue of his current responsibilities with Barton and his designation by the Company as Chief Executive Officer, Constellation Beers and Spirits, he is deemed an executive officer of the Company. While the initial term of the employment agreement expired on February 28, 2001, in accordance with the agreement, the term is automatically extended for one-year periods unless either Mr. Berk or Barton notifies the other that such party does not wish to extend it. The agreement will terminate prior to the expiration of the current term (i) upon Mr. Berk's death or

Retirement, (ii) at Barton's election, for Cause or upon Mr. Berk's Complete Disability, and (iii) at Mr. Berk's election, for Good Reason (all as set forth in the agreement). If Barton decides not to extend the term of the agreement, or if the agreement terminates by reason of Mr. Berk's death, Complete Disability, or Retirement, or for Good Reason, Barton is obligated to pay to Mr. Berk a post-termination benefit equal to 100% of his then current base salary plus the amount of the bonus paid to him for the immediately preceding fiscal year. If Mr. Berk decides not to extend the term of the agreement, then Barton is obligated to pay to Mr. Berk a post-termination benefit equal to one-half of the foregoing amount. In the event that Mr. Berk's employment is terminated for Good Reason, or is terminated by Barton for reasons other than death, Complete Disability, Cause, or Barton's decision not to extend the term of the agreement, then Mr. Berk is entitled to be paid (i) if the applicable conditions are satisfied, a supplementary post-termination benefit equal to what he otherwise would have been entitled to receive as his share of Barton's contribution to its profit-sharing and retirement plan for the fiscal year in which such termination occurs and (ii) an amount equal to the product of his then current base salary multiplied by the number of years remaining in the then current term of the agreement. Post-termination benefits are payable to Mr. Berk in a lump sum as soon as practicable after his employment terminates, except that any supplementary post-termination benefit is payable promptly after Barton's contribution to the retirement plan. The agreement requires Mr. Berk to keep certain information with respect to the Company confidential during and after his employment with the Company.

Stephen Millar and BRL Hardy Limited (now known as Hardy Wine Company Limited) had entered into an Memorandum of Agreement (Service Contract) dated as of June 11, 1996 (the "Service Contract") that provides for Mr. Millar's compensation and sets forth terms and conditions of his employment with BRL Hardy Limited. Mr. Millar and BRL Hardy Limited also entered into a Non-Competition Agreement effective April 4, 2003. Effective April 8, 2003, BRL Hardy Limited became a wholly-owned subsidiary of the Company and is now known as Hardy Wine Company Limited ("Hardy"). Mr. Millar and the Company entered into a letter agreement under which Mr. Millar serves as the Chief Executive Officer, Constellation Wines and by virtue of these responsibilities, he is deemed an executive officer of the Company. The letter agreement provides for certain of Mr. Millar's compensation arrangements and provides for additional terms and conditions of his employment. Those provisions of the 1996 Service Contract not inconsistent with the letter agreement continue. Pursuant to the Service Contract, Mr. Millar may receive a remuneration entitlement consisting of his annual salary and benefits package in the event his position becomes redundant, including redundancy associated with a change in control of Hardy. The Service Contract requires Mr. Millar to keep certain information with respect to Hardy confidential during and after his employment and the Non-Competition Agreement restrains Mr. Millar from engaging in certain activities in competition with the Company for a period of twelve (12) months following termination of his employment.

Under the terms of a letter agreement between the Company and Thomas Summer, Executive Vice President and Chief Financial Officer of the Company, if Mr. Summer's employment is terminated without cause or if he voluntarily resigns within thirty (30) days after a demotion or a material diminishment in his responsibilities, in either case without cause, or if there is a change in control of the Company, he will be entitled to receive severance compensation equal to his then current base compensation for a period of twelve (12) months.

By an Agreement dated December 20, 1990, the Company entered into a split-dollar insurance agreement with a trust established by Marvin Sands of which Robert Sands is the trustee. Pursuant to the Agreement, in prior years the Company has paid the annual premium on an insurance policy (the "Policy") held in the trust, and the trust has reimbursed the Company for the portion of the premium equal to the "economic benefit" to Marvin and/or Marilyn Sands, calculated in accordance with the United States Treasury Department rules then in effect. The Policy is a joint life policy payable upon the death of Marilyn Sands, as the survivor of the two insureds, with a face value of \$5 million. Pursuant to the terms of the trust, Richard Sands, Robert Sands (in his individual capacity) and the children of Laurie Sands (the deceased sister of Richard and Robert Sands) will each receive one-third of the proceeds of the Policy (after the repayment of the indebtedness to the Company out of such proceeds as described below), if they survive Marilyn Sands. While the Company made no premium payment on behalf of the trust in fiscal 2005, from the inception of the agreement through the end of fiscal 2005, the Company has paid aggregate premiums, net of reimbursements, of \$2,382,327. The aggregate amount of such unreimbursed premiums constitutes indebtedness from

the trust to the Company and is secured by a collateral assignment of the Policy. Upon the termination of the Agreement, whether by the death of Marilyn Sands or earlier cancellation, the Company is entitled to be repaid by the trust the amount of such indebtedness.

Richard Sands, Robert Sands and their mother, Marilyn Sands, are beneficial owners of L, R, R & M, LLC, a Delaware limited liability company, which owns the Inn on the Lake in Canandaigua, New York (the "Inn"). The Inn is leased and operated by a third party. The Inn is frequently used by the Company for Company functions and for its out-of-town employees visiting the Company on business. During the last fiscal year, the Company paid the operators of the Inn approximately \$33,627 (exclusive of employee reimbursed expenses).

George Bresler, a director of the Company, is a senior counsel of the law firm of Kurzman Eisenberg Corbin Lever & Goodman, LLP in New York, New York. The Company pays to Mr. Bresler individually an annual retainer of \$30,000 for his legal services to the Company. The Company also pays on Mr. Bresler's behalf a monthly premium for his medical insurance coverage. During calendar 2004, the cost of this coverage was approximately \$404 per month. During calendar 2005, it will be approximately \$445 per month. James A. Locke III, a director of the Company, is a partner in the law firm of Nixon Peabody LLP, Rochester, New York, the Company's principal outside counsel.

SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Securities Exchange Act requires the Company's directors and executive officers, and persons who beneficially own more than 10% of a registered class of the Company's equity securities, to file with the Securities and Exchange Commission reports of ownership and changes in ownership of the Company's Class A Stock and Class B Stock. Executive officers, directors and greater than 10% stockholders are required to furnish the Company with copies of all such reports they file. Based solely upon review of copies of such reports furnished to the Company and related information, the Company believes that all such filing requirements for fiscal 2005 were complied with in a timely fashion.

STOCK OWNERSHIP OF MANAGEMENT

The Board has established targets for the minimum amounts of the Company's common stock that its non-management directors and its executive officers should beneficially own. These targets for stock ownership consider the length of a director's tenure on the Board or an executive officer's tenure as an executive officer of the Company, and individuals have five years in which to reach their targets. Ownership targets can be satisfied by the beneficial ownership of Class A Stock or Class B Stock, vested stock options, and/or Class A Stock underlying Constellation CDIs. The target for non-management directors is the beneficial ownership of two times the annual retainer, while the target for executive officers is based on each officer's position in the organization and is a multiple of annual base salary. The Chairman and Chief Executive Officer has a stock ownership target of four (4) times his annual base salary. The President and Chief Operating Officer has a stock ownership target of three (3) times his annual base salary. Each of the other executive officers has a stock ownership target of two (2) times his annual base salary. All non-management directors and all executive officers of the Company have met their respective targets (based on the closing price of Class A Stock as of February 28, 2005).

The following table and notes thereto set forth, as of May 31, 2005, the beneficial ownership of Class A Stock and Class B Stock by the Company's directors and nominees, the Named Executives, and all of the Company's directors and executive officers as a group. Additionally, as of May 31, 2005, none of such persons holds any interest in the Company's 5.75% Mandatory Convertible Preferred Stock. This information is based on information furnished to the Company by or on behalf of each person concerned. Unless otherwise noted, the named individual has sole voting power and investment discretion with respect to the shares attributed to him or her and the percentages of ownership are calculated on the basis of 195,947,790 shares of Class A Stock and 23,951,260 shares of Class B Stock

outstanding as of the close of business on May 31, 2005.

* Percentage does not exceed one percent (1%) of the outstanding shares of such class.

(1) The shares and percentages of Class A Stock set forth in this table do not include (i) shares of Class A Stock that may be acquired within sixty (60) days by an employee under the Company's Employee Stock Purchase Plan (because such number of shares is not presently determinable) and (ii) shares of Class A Stock that are issuable pursuant to the conversion feature of the Company's Class B Stock, although such information is provided in a footnote where appropriate. For purposes of calculating the percentage of Class A Stock beneficially owned in the table and in the footnotes, additional shares of Class A Stock equal to the number of presently exercisable options and, as appropriate, the number of shares of Class B Stock owned by the named person or by the persons in the group of executive officers and directors are assumed to be outstanding only for that person or group of persons pursuant to Rule 13-3(d)(1) under the Securities Exchange Act.

(2) Includes the number of shares of Class A Stock that underlie any holdings of CHESSE Depository Interests.

(3) Reflects the number of shares of Class A Stock that can be purchased by exercising stock options that are exercisable on May 31, 2005 or become exercisable within sixty (60) days thereafter. Such number does not include the number of option shares that may become exercisable within sixty (60) days of May 31, 2005 due to certain acceleration provisions in certain awards, which accelerations cannot be foreseen on the date of this Proxy Statement.

(4)

Includes shares in which the named individual shares voting power or investment discretion. See tables and footnotes under “Beneficial Ownership” above for information with respect to such matters and for the number and percentage of shares of Class A Stock that would be owned assuming the conversion of Class B Stock into Class A Stock.

- (5) This amount includes 19,550 shares of Class A Stock that underlie the CHESSE Depository Interests held by Mr. Millar. Such amount does not include 29,122 shares of Class A Stock that underlie the CHESSE Depository Interests held by his spouse and for which Mr. Millar disclaims beneficial ownership.
 - (6) Mr. Summer shares the power to vote and dispose of 36,302 shares with his spouse. Such number does not include 1,600 shares of Class A Stock that his spouse holds as a custodian and for which Mr. Summer disclaims beneficial ownership.
 - (7) Assuming the conversion of Mr. Locke’s 264 shares of Class B Stock into Class A Stock, Mr. Locke would beneficially own 74,818 shares of Class A Stock, representing less than one percent (1%) of the outstanding Class A Stock after such conversion.
 - (8) This group consists of the Company’s current executive officers and directors. Assuming the conversion of a total of 22,671,232 shares of Class B Stock beneficially owned by the executive officers and directors as a group into Class A Stock, all executive officers and directors as a group would beneficially own 30,905,832 shares of Class A Stock, representing 13.7% of the outstanding Class A Stock after such conversion.

Director Compensation

The Company's current compensation program for the period beginning July 15, 2003 through August 31, 2004, and annually thereafter unless otherwise changed by the Board of Directors is to pay its non-management directors for their services as directors, partly in cash, partly in restricted stock, and partly in stock options. The cash component consists of (i) an annual retainer of \$35,000, (ii) a Board meeting fee of \$1,500 for each Board meeting attended (which includes regular, special and annual Board meetings and attendance in person or by conference telephone); (iii) a committee meeting fee of \$750 per meeting for each committee meeting attended (including attendance by conference telephone); and (iv) an annual fee of \$8,000 paid for the position of Chair of the Audit Committee and a fee of \$4,000 paid for the position of Chair of each of the Human Resources Committee and the Corporate Governance Committee. Effective September 1, 2004, the committee meeting fee was increased to \$1,000 per meeting for each committee meeting attended (including attendance by conference telephone), the annual fee paid for the position of Chair of the Audit Committee was increased to \$10,000 and the annual fee paid for the position of Chair of each of the Human Resources Committee and the Corporate Governance Committee was increased to \$5,000.

In addition to the cash payments, the compensation program anticipates that each non-management director will receive annually, if and as approved by the Board of Directors, a grant of non-qualified stock options and, commencing in September 2004 and annually thereafter, a restricted stock award. Subject to Board approval, the number of shares on an annual basis which may be subject to an option grant for each non-management director will not exceed the number obtained by dividing \$70,000 by the closing price of the Company's Class A shares on the date of the grant. Also subject to Board approval, the number of shares of restricted stock that will be awarded to each non-management director will be calculated by dividing the sum of \$20,125 by the closing price of the Company's Class A shares on the date of grant. During fiscal 2005, the Company awarded a stock option to purchase up to 3,710 shares of Class A Stock to each of the non-management directors, at an exercise price of \$18.86 per share and with an exercise period of March 29, 2005 through September 29, 2014. Consistent with this compensation program, during fiscal 2005, each of the non-management directors also was granted 1,066 restricted shares of the Company's Class A Stock. On the date of grant, the Company's Class A Stock was valued at \$18.86 per share. Subject to applicable provisions in the award document, the restricted stock will vest on September 29, 2005.

The Company also reimburses its directors for reasonable expenses incurred in connection with attending meetings of the Board of Directors and committees of the Board of Directors, and directors also receive complimentary Company products. The Company's non-management directors are George Bresler, Jeananne K. Hauswald, James A. Locke III, Thomas C. McDermott and Paul L. Smith. The remaining two directors, Richard Sands and Robert Sands, who are also employees of the Company, receive no additional compensation for serving as directors. The Board of Directors is expected to consider director compensation at a future Board meeting, at which time the compensation paid to directors may be modified.

The Board of Directors and Committees of the Board

On December 19, 2003, the Board of Directors adopted revised Board of Directors Corporate Governance Guidelines containing categorical standards for determining director independence. These were subsequently revised again on December 22, 2004. The Board of Directors Corporate Governance Guidelines are available on the Company's website at www.cbrands.com under Investors/Corporate Governance and an excerpt containing the categorical standards is appended to this Proxy Statement. The Board of Directors has affirmatively determined that each current member of the Board, other than Richard Sands and Robert Sands, meets the categorical standards set by the Board to qualify as an independent director. Therefore, a majority of the members of the current Board of Directors are independent. The Board of Directors of the Company held nine (9) meetings during the Company's fiscal year ended February 28, 2005. In addition, the non-management members of the Board of Directors, all of whom are independent, meet periodically in regularly scheduled sessions without management. The non-management directors select a Lead Director. In accordance with the Board of Directors Corporate Governance Guidelines, Jeananne Hauswald presides at these meetings in her capacity as Lead Director. Stockholders or other interested parties may arrange to communicate directly with the directors, the Lead Director or the non-management directors as a group by writing to them in the care of the Company at 370 Woodcliff Drive, Suite 300, Fairport, New York 14450. The Company will forward all such communications (other than unsolicited advertising materials).

Committees of the Board include a standing Audit Committee, Corporate Governance Committee and Human Resources Committee. During fiscal 2005, each of the incumbent directors, during his or her period of service, attended at least 75% of the total number of meetings held by the Board and each committee of the Board on which he or she served. The Company's directors are encouraged to attend the Company's Annual Meeting and all directors attended the Company's 2004 Annual Meeting of Stockholders.

Audit Committee. The Audit Committee is a standing committee currently composed of Paul L. Smith (Chair), Jeananne K. Hauswald and Thomas C. McDermott, each of whom the Board of Directors has determined is an audit committee financial expert. Additionally, each is independent in accordance with the definition in the New York Stock Exchange's listing standards, the requirements of the Securities and Exchange Commission and the Categorical Standards of Independence contained within the Company's Board of Directors Corporate Governance Guidelines and none of whom simultaneously serve on the audit committees of more than two publicly registered companies. The Audit Committee operates under a written charter that was approved by the Company's Board of Directors and which is appended to this Proxy Statement, and is also available on the Company's website at www.cbrands.com under Investors/Corporate Governance. This Committee performs the Board of Directors' oversight responsibilities as they relate to the Company's accounting policies, internal controls and financial reporting practices. In addition, this Committee maintains a line of communication between the Board of Directors and the Company's financial management, internal auditors and independent accountants. The Audit Committee held eight (8) meetings during fiscal 2005.

Corporate Governance Committee. The Corporate Governance Committee is a standing committee currently composed of James A. Locke III (Chair), George Bresler, Jeananne K. Hauswald, Thomas C. McDermott and Paul L. Smith, each of whom is independent in accordance with the definition in the New York Stock Exchange's listing standards and the Categorical Standards of Independence contained within the Company's Board of Directors Corporate Governance Guidelines. This committee functions as the nominating committee of the Board of Directors

and operates under a written charter that was approved by the Company's Board of Directors. The Corporate Governance Committee Charter is available on the Company's website at www.cbrands.com under Investors/Corporate Governance. The Corporate Governance Committee identifies individuals qualified to become Board members, consistent with criteria and qualifications for membership approved by the Board and selects, or recommends that the Board select, director nominees for the annual meetings of stockholders. The Corporate Governance Committee advises the Board concerning the appropriate composition of the Board and its committees, develops and recommends to the Board the corporate governance guidelines applicable to the Company, and advises the Board regarding appropriate corporate governance practices and assists the Board in achieving them. Among other matters, this Committee also makes recommendations to the Board with respect to an officer to be designated as Chief Executive Officer and a director to serve as Chairman of the Board. In addition, this Committee recommends to the Board compensation for directors who are neither present nor former full-time officers of the Company. In 2005, the Committee recommended to the Board a governance requirement, which the Board adopted, that limits each of the Company's directors to membership on no more than four (4) public company boards, including the Board of Constellation Brands, Inc. This Committee held three (3) meetings during fiscal 2005.

The Corporate Governance Committee identifies potential director candidates from any outside advisors it may retain, as well as from other members of the Board, executive officers and other contacts. The Corporate Governance Committee will consider nominations by stockholders of the Company. Those nominations must include sufficient biographical information so that the Committee can appropriately assess the proposed nominee's background and qualifications. In its assessment of potential candidates, the Corporate Governance Committee will review the candidate's character, wisdom, acumen, business experiences and understanding of the Company's business environment, and ability to devote the time and effort necessary to fulfill his or her responsibilities, all in the context of the perceived needs of the Board at that time.

To be considered for nomination at the 2006 Annual Meeting of Stockholders, stockholder submissions for nomination should be received in writing at the Company's offices, to the attention of the Corporate Secretary, Constellation Brands, Inc., 370 Woodcliff Drive, Suite 300, Fairport, New York 14450, no later than February ____, 2006. Stockholder recommendations made in accordance with these procedures will receive the same consideration and be evaluated in the same manner as other potential nominees.

Human Resources Committee. The Human Resources Committee is a standing committee currently composed of Thomas C. McDermott (Chair), Jeananne K. Hauswald and Paul L. Smith, each of whom is independent in accordance with the definition in the New York Stock Exchange's listing standards and the Categorical Standards of Independence contained within the Company's Board of Directors Corporate Governance Guidelines. This committee functions as the compensation committee of the Board of Directors and operates under a written charter that was approved by the Company's Board of Directors. The Human Resources Committee Charter is available on the Company's website at www.cbrands.com under Investors/Corporate Governance. The Human Resources Committee fulfills the Board of Directors' responsibilities relating to the compensation of the Company's executives, including the Chief Executive Officer. Additionally, the Human Resources Committee monitors, among other matters: human resources policies and procedures as they relate to the goals and objectives of the Company and good management practices; the Company's material policies and procedures which relate to compliance with pertinent human resources laws and regulations, the human resources aspects of the ethical conduct of the business, and the management of human resources capital; and procedures and internal controls that relate to personnel administration, pay practices and benefits administration. The Human Resources Committee is responsible for reviewing total executive compensation in relation to individual executive performance, Company performance, salary information and other parameters deemed reasonable in the assignment of executive compensation levels. This Committee also reviews and approves executive benefits and perquisites and reviews performance systems, including reward programs. The Human Resources Committee is responsible for evaluating the performance of the Chief Executive Officer and approves his salary, as well as the salaries of other executives. This Committee also presently administers the Company's Long-Term Stock Incentive Plan, Incentive Stock Option Plan, Annual Management Incentive Plan, 1989 Employee Stock Purchase Plan and U.K. Sharesave Scheme, and reviews succession planning for the Company and

other important human resources issues. The Human Resources Committee held four (4) meetings during fiscal 2005.

Audit Committee Report

The following report shall not be deemed incorporated by reference in any filing under the federal securities laws by virtue of any general incorporation of this Proxy Statement by reference and shall not otherwise be treated as filed under the securities laws.

The Audit Committee of the Board of Directors provides oversight to the Company's financial reporting process through periodic meetings with the Company's independent public accountants, internal auditors and management. The management of the Company is responsible for the preparation and integrity of the financial reporting information and related systems of internal controls. The independent public accountants are responsible for performing an independent audit of the Company's consolidated financial statements in accordance with generally accepted auditing standards and for issuing a report thereon. They are also responsible for issuing a report on the effectiveness of the Company's internal control over financial reporting and management's assessment of the internal control over financial reporting. The Committee, in carrying out its role, relies on the Company's senior management and its independent public accountants.

In connection with the preparation and filing of the Company's Annual Report on Form 10-K for the fiscal year ended February 28, 2005, the Audit Committee met, reviewed and discussed with the Company's management and with KPMG LLP, the Company's independent public accountants, the audited financial statements of the Company and related disclosures, and the assessment of the adequacy and effectiveness of the Company's internal control over financial reporting. Also, the Committee discussed with KPMG LLP, with respect to the fiscal year ended February 28, 2005, the matters required to be discussed by Statement on Auditing Standards ("SAS") No. 61, as amended by SAS 89 and SAS 90 (Codification of Statements on Auditing Standards, AU § 380).

In addition, the Committee received the written disclosures and the letter from KPMG LLP required by Independence Standards Board Standard No. 1 (Independence Discussions with Audit Committees) and discussed with KPMG LLP the independence of that firm as the Company's independent public accountants.

Based on the review and discussions described above, the Audit Committee recommended to the Board of Directors that the Company's audited financial statements be included in the Company's Annual Report on Form 10-K for the fiscal year ended February 28, 2005 for filing with the Securities and Exchange Commission.

The Audit Committee has adopted a policy for the pre-approval of audit and non-audit services that may be provided by the Company's independent auditors. The Committee's policy is to pre-approve all audit and permissible non-audit services provided by KPMG LLP prior to the engagement. Any pre-approval is detailed as to the particular service or category of services and is generally subject to a specific budget. The Audit Committee has delegated to its Chairperson authority to pre-approve proposed audit and non-audit services that arise between Audit Committee meetings, provided that the decision to approve the service is presented at the next scheduled Audit Committee meeting. All audit and non-audit services performed by KPMG LLP during the fiscal year ended February 28, 2005 were pre-approved in accordance with this policy. These services have included audit services, audit-related services and tax services. The Committee did not pre-approve any other products or services that did not fall into these categories and KPMG LLP provided no other products or services during the past fiscal year. Information concerning the aggregate fees billed by KPMG LLP in the last two fiscal years for audit and non-audit services is set forth in the Company's Proxy Statement under Proposal No. 2, titled "Selection of Independent Accountants."

Although ratification by stockholders of this selection is not required, the selection of KPMG LLP as the Company's independent public accountants will be presented to the stockholders for their ratification at the Annual Meeting. If the stockholders do not ratify the selection of KPMG LLP, the Audit Committee will reconsider its choice. The firm of KPMG LLP, Certified Public Accountants, served as the independent public accountants of the Company for the fiscal years ended February 28, 2005 and February 29, 2004.

The following fees were billed to the Company by KPMG LLP for services rendered during the fiscal years ended February 28, 2005 and February 29, 2004:

For the years ended February 28, 2005 and February 29, 2004, KPMG LLP did not provide any products or services other than as disclosed above and, consequently, did not bill the Company for any fees other than as disclosed above.

The Audit Committee has reviewed the non-audit services provided by KPMG and has determined that the non-audit services provided by KPMG LLP are compatible with maintaining the independence of such auditors. Please see the Audit Committee Report for information concerning the Audit Committee's policy regarding pre-approval of audit and non-audit services provided by KPMG LLP.

A representative of KPMG LLP is expected to be present at the Meeting and will be given an opportunity to make a statement if he or she so desires and will be available to respond to any appropriate questions.

Vote Required

The adoption of Proposal No. 2 to ratify the selection of KPMG LLP as the Company's independent public accountants requires the affirmative vote of a majority of the votes entitled to be cast by stockholders present in person or represented by proxy at the Meeting. With respect to this proposal, holders of Class A Stock and Class B Stock will vote together as a single class at the Meeting, with holders of Class A Stock having one (1) vote per share and holders of Class B Stock having ten (10) votes per share.

The Board of Directors recommends that the stockholders ratify the selection of KPMG LLP as the independent public accountants of the Company for the fiscal year ending February 28, 2006 and, accordingly, recommends that you vote FOR Proposal No. 2. Unless otherwise directed therein, the shares represented by your proxy, if properly executed and returned, and not revoked, will be voted FOR such proposal.

PROPOSAL NO. 3

PROPOSED AMENDMENT TO THE COMPANY'S RESTATED CERTIFICATE OF INCORPORATION

General

The Board of Directors has approved, subject to the approval of the stockholders of the Company, an amendment to the Company's Restated Certificate of Incorporation (the "Proposed Amendment"). The Proposed Amendment would increase the number of authorized shares of Class A Stock to 300,000,000 shares. As a result of this increase, the aggregate number of authorized shares of the Company would be increased to 331,000,000 shares. No other change to the Company's Restated Certificate of Incorporation (the "Certificate") would result from the Proposed Amendment.

The Certificate currently authorizes the Company to issue an aggregate of 306,000,000 shares, consisting of 275,000,000 shares of Class A Stock, 30,000,000 shares of Class B Stock and 1,000,000 shares of Preferred Stock having a par value of \$.01 per share. The Proposed Amendment will increase the number of authorized shares of Class A Stock by 25,000,000 shares. If approved by the stockholders of the Company at the Annual Meeting, the Proposed Amendment will become effective when it is filed with the Delaware Secretary of State.

The Board of Directors has recommended that the stockholders of the Company approve the Proposed Amendment. A copy of the Certificate and of the Proposed Amendment are available from the Company's Secretary at 370 Woodcliff

Drive, Suite 300, Fairport, New York 14450.

Reasons for Increasing the Number of Shares

The primary purpose of the Proposed Amendment is to provide sufficient authorized shares of Class A Stock to accommodate the issuance of shares under the Company's stock-based plans. The shares authorized by the Proposed Amendment would also be available for use from time to time for corporate purposes that the Board of Directors may consider desirable. The availability of an adequate supply of authorized and unissued shares of Class A Stock, Class B Stock and Preferred Stock benefits the Company by providing it with flexibility in utilizing the shares for future stock dividends and other proper corporate purposes, including acquisitions, equity financings, other stock distributions, and grants of options and other stock rights, all as deemed necessary or advisable by the Board of Directors. If the stockholders approve the Proposed Amendment, the Company will have additional authorized but unissued shares of Class A Stock that may be issued by the Board of Directors of the Company, without the necessity of any further stockholder action, except to the extent otherwise required by applicable law, regulations or the rules of any stock exchange or other market system on which the Company's securities may then be listed.

The Company has no present plans, understandings, agreements or arrangements for the issuance of any shares of Class A Stock except for the issuance of Class A Stock (i) pursuant to the Company's stock-based plans and outstanding options/rights under those plans (including compensation arrangements of directors, if and as approved by the Board of Directors), (ii) upon the conversion of shares of Class B Stock (shares of Class B Stock are convertible into shares of Class A Stock on a one-to-one basis at any time at the option of the holder), (iii) upon the conversion of Constellation CDIs (Constellation CDIs are convertible into shares of Class A Stock on a ten-to-one basis at any time at the option of the holder), and (iv) upon the conversion of our depositary shares, each representing 1/40 of a share of our 5.75% Series A Mandatory Convertible Preferred Stock. (On September 1, 2006, each depositary share will automatically convert, subject to certain adjustments, into between 1.4638 and 1.7858 shares of Class A Stock; at any time prior to September 1, 2006, holders may elect to convert each depositary share, subject to certain adjustments, into 1.4638 shares of Class A Stock. If the closing price per share of our Class A Stock exceeds \$25.62 for at least 20 trading days within a period of 30 consecutive trading days, the Company may elect, subject to certain limitations, to cause the conversion of all, but not less than all, of the depositary shares then outstanding into shares of Class A Stock at a conversion rate of 1.4638 shares of Class A Stock for each depositary share.)

Vote Required

The adoption of Proposal No. 3 to approve the Proposed Amendment requires the affirmative vote of the holders of a majority of all outstanding shares of Class A Stock and Class B Stock entitled to vote thereon. With respect to this proposal, holders of Class A Stock and Class B Stock will vote together as a single class at the Meeting, with holders of Class A Stock having one (1) vote per share and holders of Class B Stock having ten (10) votes per share.

The Board of Directors recommends that the stockholders approve the Proposed Amendment to increase the number of authorized shares of the Company's Class A Stock from 275,000,000 to 300,000,000 shares. Accordingly, the Board of Directors recommends that you vote FOR Proposal No. 3. Unless otherwise directed therein, the shares represented by your proxy, if properly executed and returned, and not revoked, will be voted FOR such proposal.

Excerpt from the Company's Corporate Governance Guidelines

Classification and Definition of Directors.

The principal classifications of directors are “*Independent*,” “*Management*” and “*Non-Management*.”

An “*Independent Director*” of the Company shall be one who meets the qualification requirements for being an independent director under the corporate governance listing standards of the New York Stock Exchange (“*NYSE*”), including the requirement that the Board must have affirmatively determined that the director has no material relationships with the Company (either directly or as a partner, stockholder or officer of an organization that has a relationship with the Company). References to “*Company*” include any parent or subsidiary in a consolidated group with Constellation Brands, Inc. References to “*immediate family member*” includes a person’s spouse, parents, children, siblings, mothers and fathers-in-law, sons and daughters-in-law, brothers and sisters-in-law, in addition to anyone (other than domestic employees) who shares such person’s home. To guide its determination whether or not a business or charitable relationship between the Company and an organization with which a director is so affiliated is material, the Board has adopted the following categorical standards:

- A. A director will not be Independent if, (i) currently or within the last three years the director was employed by the Company; (ii) an immediate family member of the director is or has been within the last three years an executive officer of the Company; (iii) the director or an immediate family member of the director received, during any twelve-month period within the last three years, more than \$100,000 in direct compensation from the Company (other than director and committee fees and pension or other forms of deferred compensation for prior service, and also provided such deferred compensation is not contingent in any way on continued service); (iv) the director or an immediate family member of the director is a current partner of a firm that is the Company's internal or external auditor; (v) the director is a current employee of a firm that is the Company’s internal or external auditor; (vi) the director has an immediate family member who is a current employee of a firm that is the Company’s internal or external auditor and such immediate family member participates in that firm’s audit, assurance or tax compliance (but not tax planning) practice; (vii) the director or an immediate family member of the director was within the last three years (but is no longer) a partner or employee of a firm that is the Company’s internal or external auditor and such director or immediate family member personally worked on the Company’s audit within that time; (viii) the director or an immediate family member of the director is, or has been within the last three years, employed as an executive officer of another company in which any of the Company’s present executive officers at the same time serve or served on that other company’s compensation committee; or (ix) the director is a current employee, or an immediate family member of the director is a current executive officer, of a company that has made payments to, or received payments from, the Company for property or services in an amount which, in any of the last three fiscal years, exceeded the greater of \$1,000,000 or two percent (2%) of such other company’s consolidated gross revenues.

B. The following commercial or charitable relationships will not be considered to be material relationships that would impair a director's independence: (i) an immediate family member of the director is or was employed by the Company other than as an executive officer; (ii) if the director or an immediate family member of the director received \$100,000 or less in direct compensation from the Company during any twelve-month period (other than director and committee fees and pension or other forms of deferred compensation for prior service, and also provided such deferred compensation is not contingent in any way on continued service); (iii) if an immediate family member of the director is employed by a present or former internal or external auditor of the Company and such family member does not participate in the firm's audit, assurance or tax compliance (as distinguished from tax planning) practice and did not personally work on the Company's audit within the last three years; (iv) if an immediate family member of the director was (but is no longer) a partner or employee of a present or former internal or external auditor of the Company and did not personally work on the Company's audit within the last three years; (v) if a Company director is or was an executive officer or employee, partner or shareholder, or an immediate family member of the director is or was an executive officer, partner or shareholder of another company that does business with the Company and the annual sales to, or purchases from, the Company for property and/or services are less than or equal to the greater of \$1,000,000 or two percent (2%) of the annual revenues of such other company; (vi) if a Company director is or was an executive officer, employee, partner or shareholder of another company which is indebted to the Company, or to which the Company is indebted, and the total amount of either company's indebtedness to the other is less than or equal to two percent (2%) of the total consolidated assets of the company for which he or she serves as an executive officer, employee, partner or shareholder; and (vii) if a Company director serves or served as an officer, director or trustee of a tax exempt organization, and the Company's discretionary contributions to the tax exempt organization are less than or equal to the greater of \$1,000,000 or two percent (2%) of that organization's total annual consolidated gross revenues. The Board will annually review all commercial and charitable relationships of directors.

C. In assessing the materiality of a director's relationship not covered by paragraph B set forth above, the directors at the time sitting on the Board who are independent under the standards set forth in paragraphs A and B above shall determine whether the relationship is material and, therefore, whether the director would be independent. In such instance, the Company will explain in the next proxy statement the basis for any Board determination that a relationship was immaterial despite the fact it did not meet the categorical standards of immateriality in paragraph B above.

D. In accordance with the NYSE's Transition Rules, the three (3) year look back period referenced in paragraph A above shall be a one (1) year look back period until November 4, 2004.

A "*Non-Management Director*" is a director who is not a Company officer (as that term is defined in Rule 16a-1(f) under the Securities Act of 1933), and includes such directors who are not independent by virtue of a material relationship, former status or family membership, or for any other reason. The group of Non-Management Directors includes both Independent Directors and those Non-Management Directors who do not qualify as Independent Directors.

A "*Management Director*" is an officer (as that term is defined in Rule 16a-1(f) under the Securities Act of 1933) of the Company who serves on the Board.
