Pre-Paid Legal Services, Inc. Employee Stock Ownership and Thrift Plan

We have audited the accompanying statements of net assets available for benefits of Pre-Paid Legal Services, Inc. Employee Stock Ownership and Thrift Plan as of December 31, 2004 and 2003, and the related statements of changes in net assets available for benefits for the years then ended. These financial statements are the responsibility of the Plan's management. Our responsibility is to express an opinion on these financial statements based on our audits.

Edgar Filing: PRE PAID LEGAL SERVICES INC - Form 10-K/A

We conducted our audits in accordance with the standards of the Public Company Accounting Oversight Board (United States). Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. The Plan is not required to have, nor were we engaged to perform an audit of its internal control over financial reporting. Our audits included consideration of internal control over financial reporting as a basis for designing audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control over financial reporting. Accordingly, we express no such opinion. An audit also includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements, assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audits provide a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits of Pre-Paid Legal Services, Inc. Employee Stock Ownership and Thrift Plan as of December 31, 2004 and 2003, and the changes in net assets available for benefits for the years then ended in conformity with accounting principles generally accepted in the United States of America.

Our audits were performed for the purpose of forming an opinion on the basic financial statements taken as a whole. The supplemental schedules of assets held for investment purposes and reportable transactions are presented for the purpose of additional analysis and are not a required part of the basic financial statements but are supplemental information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. These supplemental schedules are the responsibility of the Plan's management. Such supplemental schedules have been subjected to the auditing procedures applied in the audits of the basic financial statements and, in our opinion, are fairly stated in all material respects in relation to the basic financial statements taken as a whole.

NOTES TO FINANCIAL STATEMENTS

December 31, 2004 and 2003

NOTE A - DESCRIPTION OF PLAN

The Pre-Paid Legal Services, Inc. Employee Stock Ownership and Thrift Plan (the "Plan") was established on January 1, 1988 for the benefit of the employees of Pre-Paid Legal Services, Inc. and its subsidiaries (the "Company"). The Plan is administered by a committee (the "Committee") of three employees appointed by the Company. The Committee also served as the Plan's Trustee and Investment Manager until November 1, 2004 when the Company amended and restated the Plan to provide for appointment by the Committee of outside entities to assume the duties of both the Investment Manager and Trustee. The 401(k) Company was appointed Investment Manager. Effective November 1, 2004, the Employer and Nationwide Trust Company, FSB ("Nationwide") entered into a Trust Agreement whereby Nationwide became Plan Trustee.

The following brief description of the provisions of the Plan is provided for general information purposes only. Participants should refer to the Plan agreement for more complete information.

Under the terms of the Plan, the Trustee may acquire, hold and dispose of all cash and investments, including common and preferred stock of the Company in accordance with the Committee's written investment policy. Participants may direct the investment of 25% of their Elective Deferral accounts to any one or more of the investment funds designated by the Committee as permissible under the written investment policy. Participants who have attained the age of 55 have the right to make an election to direct the investment of up to 100% of their deferred compensation account and the vested portion of their Company Contribution Account in one or more of those permissible funds.

Each participant or beneficiary shall have the sole right to vote shares of Company common stock allocated to such participant's account. The right to vote such shares shall be exercised by directing the Committee as to the manner in which the shares shall be voted.

The Plan is a defined contribution plan covering certain employees of the Company and employees of affiliated companies which are included in the Company's consolidated tax return. The Plan year-end is December 31. All employees at least 21 years of age are eligible to enroll in the Plan on the first day of the month following the date the employee completes one year of service (1,000 hours) within 12 consecutive months of his/her employment date.

Edgar Filing: PRE PAID LEGAL SERVICES INC - Form 10-K/A

The Company may make discretionary contributions to the Plan for each Plan year. The contributions may vary from year to year and are determined by written action of the Board of Directors of the Company. Contributions may be made only out of the Company's consolidated net profits before federal and state income taxes from the current or a preceding year. The Company's contribution may be paid to the Trustee either in cash, qualified employer securities or in other property.

The Discretionary Matching Company Contribution is an amount determined, in the sole discretion of the Company and added to amounts forfeited by other participants, to match the following percentages of participants' deferred compensation contributions (up to a maximum of 6%) for the Plan year. The Discretionary Matching Company Contribution is allocated at the end of each Plan year to each participant's Company Contribution Account based on the following percentages:

NOTE A - DESCRIPTION OF PLAN - CONTINUED

Years of service on first day of Plan year percentages	Matching
0 - 3	50%
4 - 5	75%
6 or more	100%

A participant may elect to defer a portion of his compensation in the form of a contribution to his deferred compensation account under the Plan. Participants contribute to the Plan on a pre-tax basis only. Subject to the limitations contained in the Plan, a participant may elect to defer any portion of his compensation. However, a participant may never defer more than the lesser of the Internal Revenue Service limitation (\$13,000 and \$12,000 in 2004 and 2003, respectively) in any Plan year or a percentage of compensation greater than the maximum percentage of compensation determined annually by the Committee.

Separate accounts are maintained for each participant in the Plan. When an election is made by the participant to defer part of his compensation, an Employee Deferred Compensation Account is established. Each participant will also have a Company Contribution Account consisting of discretionary matching contributions made by the Company and a proportionate share of forfeitures.

All amounts in the participant's accounts are placed in a trust fund and invested by the Trustee. The Trustee must invest the trust fund solely in the interest of and for the exclusive purpose of providing benefits to the participants and their beneficiaries while minimizing the expenses of administering the Plan. Under the terms of the Plan, all Company contributions and up to 75% of the participant's contributions may be invested in common stock of the Company or in preferred stock convertible into common stock of the Company at a conversion price which, as of the date of acquisition by the Plan, is reasonable. Such securities are termed qualified employer securities.

A participant will be entitled to the full amount credited to his Company

Edgar Filing: PRE PAID LEGAL SERVICES INC - Form 10-K/A

Contribution Account at the normal retirement date or upon permanent disability or death. If a participant terminates employment for any reason after he has completed at least one year of service, he will be entitled to receive a portion or all of his account, depending on his years of service. The percentage of the Company Contribution Account to which a participant is entitled and the percentage forfeited if a participant leaves the Company for reasons other than retirement, permanent disability or death prior to becoming fully vested is computed according to the following formula:

Less than 1	0%	100%

2 but less than 3	40%	60%
3 but less than 4	60%	40%
4 but less than 5	80%	20%
5 or more	100%	0%

A participant will always be fully vested in his Employee Deferred Compensation Account, regardless of his years of service.

The Company may amend the Plan at any time to conform to the Internal Revenue Code, Treasury Regulations and Rulings thereunder. The Company has the right to terminate the Plan at any time upon prior written notice to the Trustee and may direct the Trustee to liquidate the shares of participants in the trust fund. Upon termination or permanent suspension of contributions, the accounts of all participants affected thereby shall become nonforfeitable and shall be distributed.

NOTE B - SUMMARY OF ACCOUNTING POLICIES

The following is a summary of the Plan's significant accounting policies.

1. Basis of Accounting

The Plan's financial statements are prepared on the accrual basis of accounting in conformity with accounting principles generally accepted in the United States of America.

2. Cash and Cash Equivalents

Cash and cash equivalents consist of the Plan's linked cash and money fund accounts at a national brokerage firm which may not be federally insured. The Plan has not experienced any losses in such accounts and believes it is not exposed to any significant credit risks on cash and cash equivalents. Money fund amounts have a unit value of \$1 and balances are immediately accessible by the Plan.

3. Investments

Investments are presented at fair value as measured by market prices in active markets, including national securities exchanges. The cost of

Edgar Filing: PRE PAID LEGAL SERVICES INC - Form 10-K/A

Company common stock sold is determined on the basis of average cost. Actual cost is used as a basis for sales of all other investments. Investment transactions are recorded on a trade-date basis.

NOTES TO FINANCIAL STATEMENTS - CONTINUED

December 31, 2004 and 2003

NOTE B - SUMMARY OF ACCOUNTING POLICIES - CONTINUED

3. Investments - Continued

The Plan presents in the statements of changes in net assets available for benefits, the net appreciation (depreciation) in the fair value of its investments, which consists of the realized gains or losses and the unrealized appreciation (depreciation) on those investments.

4. Participant Notes

Participant notes are approved by the Committee and cannot be made for an amount less than \$1,040 or exceed the lesser of \$50,000 reduced by the excess of the highest outstanding balance of loans during the one-year period ending on the day before the loan is made or one-half of the participant's vested balance. The notes are secured by the participants' vested interest in the Plan, bear interest and are repayable based upon rates and terms set forth in the Loan Policy. Participant notes are valued at cost which approximates fair value.

5. Noncash Contributions

Contributions of Company common stock are recorded at fair value as determined by using the average closing price of Company common stock as quoted on the New York Stock Exchange for each day when the stock is traded during the 20-day period immediately preceding the date of contribution.

6. Expenses

The Company elected to pay all of the Plan's administration expenses in 2004 and 2003 although it is not obligated to do so. Any expenses not paid by the Company would be paid by the Plan.

7. Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of net assets available for benefits and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of changes in net assets available for benefits during the reporting period. Actual results could differ from those estimates. Investment securities, in general, are exposed to various risks, such as interest rate, credit and overall market volatility. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the amounts reported in the statements of net assets available for benefits.

The Plan has been further amended since receiving the determination letter and the Company is currently in the process of filing for an updated determination. However, the Company and the Committee believe that the Plan is currently designed and operated in compliance with the applicable requirements of the Internal Revenue Code. Therefore, the Company and the Committee believe that the Plan continues to be qualified and no provision for income taxes has been included in the Plan's financial statements.
