Item 8.01 – Other Events

On October 29, 2008, Peoples Bank, National Association (“Peoples Bank”), a wholly-owned subsidiary of Peoples Bancorp Inc. (“Peoples”), entered into an asset purchase and revenue sharing agreement with First Data Merchant Services Corporation (“First Data”). Under this agreement, Peoples Bank will sell its merchant credit card payment processing services to First Data and continue to serve the credit card processing needs of Peoples Bank’s commercial customers through a referral program with First Data.

Peoples Bank contemplated this sale to First Data due to increased regulatory burden, as well as the ease of transition of conversion of Peoples Bank’s client base to First Data since it was the merchant services network being used by Peoples Bank prior to the sale.

Preliminary settlement of this sale occurred on November 10, 2008. The conversion is expected to be completed during the fourth quarter of 2008. As a result of this transaction, Peoples will recognize a pre-tax gain of approximately \$500,000, (or \$0.03 per share after-tax) in the fourth quarter of 2008 and expects to realize an ongoing revenue stream from the referral program. This sale is not expected to have a material impact on Peoples’ future financial condition, results of operations or cash flows.
