Item 4.01 Changes In and Disagreement With Accountants on Accounting and Financial Disclosure

The Company dismissed Berkovitz, Lago & Company, LLP ("Former Accountant") as its accountant on December 15, 2004.

## Edgar Filing: OCEAN BIO CHEM INC - Form 8-K/A

(a). The Former Accountant's report did not contain any adverse opinion or disclaimer of opinion and was not qualified or modified as to uncertainty, audit scope or accounting principles during the past two years.

The decision to change accountants was recommended and approved by the Company's independent audit committee.

During the Company's two most recent fiscal years and subsequent interim periods preceding such dismissal, there were no disagreements with the Former Accountant on any matter of accounting principles or practices, financial statement disclosure, or auditing scope or procedure which would have caused the Former Accountant to make reference to the subject matter of the disagreement in connection with its report.

The Company has not during the most recent two fiscal years or any subsequent interim period engaged a new accountant.

The Company has provided its Former Accountant with a copy of this Form 8-K simultaneously with the filing of this Form 8-K with the Securities and Exchange Commission ("Commission"). The Company has requested the Former Accountant to furnish the Company with a letter addressed to the Commission stating whether it agrees with the statements made by the Company in response to this item 304(A) and, if not, stating the respects in which it does not agree. The Company shall file the Former Accountant's letter as an exhibit to a report on Form 8-K when received.
